GENERAL REGULATIONS

RESPONSIBILITY

The student in whose name a permit is issued is always responsible for the operation and parking of his or her vehicle, regardless of who is actually operating it. However, any individual operating a vehicle other than his or her own is still held in complete responsibility for the safe operation of the vehicle being driven and must adhere to all campus regulations.

REGULATIONS, ORDINANCES, AND LAWS

Any person who operates a vehicle on the campus of Truett McConnell University is required to obey all city ordinances and state laws relating to the operation, insuring, and registration of motor vehicles. A citation will be issued to anyone who violates any such law ordinance, or any regulation of Truett McConnell University. Each violation will result in a \$25.00 fine, unless otherwise noted. All fines will be added to the student's account through the Business Office.

ENFORCEMENT PRACTICES

Citations are issued according to printed and posted regulations. All appeals regarding parking enforcement should be submitted via the Violation Appeals form found at truett.edu/safety.

PARKING AVAILABILITY

Purchase of a permit does not guarantee a parking space. Lack of space is not justification for illegal parking.

PLEASE REVIEW ALL CAMPUS REGULATIONS CAREFULLY.
