## LETTER FROM THE PRESIDENT

Dear TMU Students,

Truett McConnell University encompasses a family of godly scholars, staff and students with the mission of fostering a Christian worldview. Truett McConnell University equips students to fulfill the Great Commission by fostering a Christian worldview through a biblically centered education. With a rich heritage dating back more than six decades, the University, proudly affiliated with the Georgia Baptist Convention, is named after famed Southern Baptist preachers George W. Truett and Fernando McConnell and carries forth their vision to share the Good News to the ends of the earth. The urgency and passion of that message provides a common foundation within our family, knowing that the hope of salvation is exclusively and solely found within Jesus Christ and His atonement made for all of mankind.

Today, the University is an accredited institution that offers forty two baccalaureate majors in the fields of Biology, Business, Christian Studies, Criminal Justice, Education, English, Exercise Science, History, Music, Nursing, Psychology, Global Studies, as well as eight master's degrees in Biology, Business, Divinity, Education, Global Studies, Professional Counseling, Theology and a Certificate in Biblical Counseling. Students choosing Truett McConnell University will be academically challenged by some of the brightest scholars in their respective field of study. At the same time, students will be grounded in the Scripture and faithfully nurtured by these same scholars to carry forth a maturing Christian walk. Ultimately, the blend between academic excellence and Christian virtue, scholarship on fire, provides the graduate with the greatest ability to succeed in life.

As President of Truett McConnell University, it is my privilege to invite parents and students alike to join us in this wonderful endeavor to train the next generation. It would be our great joy for you to come visit our campus, attend our classes, speak to our professors, and worship alongside us during our chapel services. Here, we pray that the Lord will give students clear guidance in this next, vital step in life. If the Lord would so choose to guide you in our direction, know that we will take this responsibility with great honor and solemnity. You will not only be joining an institution of higher learning; you will be joining a family.

Welcome to Truett McConnell University. Welcome home.

Truth is Immortal,

Dr. Emir Caner, President

## Semester Class Schedule\*

\*This schedule is intended to provide a general outline of course scheduling, some courses may be offered at alternate times/days.

## The University

#### INSTITUTIONAL IDENTITY

Truett McConnell University is a private Christian liberal arts and sciences university offering baccalaureate and master's degrees, operated under the auspices of the Georgia Baptist Mission Board and controlled by a Board of Trustees elected by the Board.

#### **MISSION STATEMENT**

The mission of Truett McConnell University is to equip students to fulfill the Great Commission by fostering a Christian worldview through a Biblically-centered education in a family friendly environment.

#### CORE

BIBLICAL SUFFICIENCY TMU VALUES SCRIPTURE AS ITS CENTERPIECE (2 Timothy 3:16-17; Article 1 of the Baptist Faith and Message 2000)

TMU emphasizes a *Biblically-centered education* because of its affirmation of Biblical Sufficiency, the belief that the Bible is the only inspired, infallible, and inerrant Word of God necessary to know God and understand His plan for mankind (2 Timothy 3:16-17).

PERSONAL TRANSFORMATION TMU VALUES DISCOVERING AND FULFILLING GOD'S CALL IN ONE'S LIFE (Ephesians 4:1; Articles 3 and 4 of the Baptist Faith and Message 2000)

TMU believes that God has a unique and specific call for each person (Eph. 4:1). Being made alive because of His great love for us (Eph. 2:4), believers are subsequently commanded to live for Christ and to serve others through talents and gifts God bestows upon us.

#### AUTHENTIC RELATIONSHIPS

TMU VALUES RELATIONSHIPS BASED ON CHRIST'S UNCONDITIONAL LOVE (Ephesians 4:2; Articles 3 and 14 of the Baptist Faith and Message 2000)

TMU recognizes that authentic relationships will flow from living out a *Christian worldview* (Phil. 2:5). A true *Christian worldview* will exemplify Paul's admonition to walk "with all humility and gentleness, with patience, showing tolerance for one another in love" (Eph. 4:2).

A MISSIONAL COMMUNITY TMU VALUES EQUIPPING BELIEVERS TO FULFILL THE GREAT COMMISSION (Matthew 28:18-20; Articles 4, 5, 6 and 11 of the Baptist Faith and Message 2000)

TMU acknowledges that salvation is found only in the person and work of Jesus Christ (John 14:6). Knowing that God loves the world (John 3:16) and desires all men to be saved (1 Timothy 2:4), TMU strives to equip students to fulfill the *Great Commission* (Matthew 28:18-20).

#### FAMILY

TMU VALUES A BIBLICAL MODEL OF FAMILY (Genesis 2:24; Ephesians 5:21-6:4; and Article 18 of the Baptist Faith and Message 2000)

Family is the foundational institution of society. Ordained by God, family is composed of persons related through marriage, blood, and adoption. Marriage is a covenant relationship between one man and one woman in a lifetime commitment (Gen. 2:24). TMU will maintain a family friendly environment by creating an atmosphere where families are welcome and where biblical families are modeled (Eph. 5:21-6:4). TMU views all staff and students, united through Christ, as family (Eph. 2:19).

#### HISTORICAL SKETCH

Truett McConnell has deep roots in the mountains of North Georgia. In 1887, Fernando McConnell and his cousin George W. Truett established a private Christian academy in Hiawassee, Georgia to educate "mountain preachers." Changing economic conditions forced the closing of the school. However, McConnell and Truett each went on to make major contributions in Southern Baptist life and in the world for the cause of Christ.

When the Georgia Baptist Convention saw the need for a Baptist College in North Georgia, they chose Cleveland, Georgia. On July 23, 1946, ceremonies were held naming the newly chartered Truett-McConnell College in memory of those Baptist pioneers and prominent Baptist leaders. The following year, September of 1947, the College opened its doors in temporary facilities to the first class of fifty-five students. Work then soon began on building the present campus and in 1956 the Miller Building became the first building to be occupied. The campus has expanded greatly from those fledgling years. Buildings, programs, facilities, and athletes have all expanded in order to provide a Biblical Worldview education to a present enrollment of more than 2,000 students.

Truett-McConnell was a junior college until 2003 when it gained accreditation to grant baccalaureate degrees as a four year institution. In 2014 it was granted accreditation to begin the first master's degree program and on May 14, 2016 it became Truett McConnell University. Truett McConnell continues to expand to meet the needs of a growing student body and to equip each generation to meet the challenges of presuming their calling in the real world.

#### ACCREDITATION

Truett McConnell University is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award baccalaureate and master's degrees. Questions about the accreditation of Truett McConnell University may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, GA 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org)."Truett McConnell University is an accredited institutional member of the National Association of Schools of Music. Truett McConnell University's Bachelor of Science in Education (Early Childhood and Middle Grades) and Bachelor of Science in Music Education degrees are approved by the Georgia Professional Standards Commission.

Truett McConnell University's Bachelor of Science in Nursing is approved by the Georgia Board of Nursing and accredited by the Commission on Collegiate Nursing Education (CCNE).

#### LOCATION

Cleveland is the county seat of White County and is located at the southern edge of the Blue Ridge Mountains. Nearby are the headwaters of the Chattahoochee River and Lake Sidney Lanier. Gainesville is 25 miles to the south, and Atlanta is 90 miles to the southwest.

#### TRUETT MCCONNELL ALUMNI ASSOCIATION

The Truett McConnell Alumni Association assists alumni and friends to keep connections with one another and with their alma mater through communication, information and events. The Alumni Association has an active presence on social media, the Truett McConnell website and uses a monthly newsletter to keep alumni connected and informed.

Homecoming, reunions, TOPTOWN gatherings, Graduation Dinner, and assisting freshman families on move-in day are events that keep alumni connected to the Truett McConnell campus and community. Alumni and anyone who has earned at least 20 hours at Truett McConnell are encouraged to join the Alumni Association. Honorary memberships are extended to present and former faculty, administrative officers, members of the Board of Trustees and the Board of Visitors. For additional information contact the Alumni Relations Office, visit us on the web or follow us on social media.

Any student who enrolls in a graduate program at Truett McConnell University having already completed the requirements for a Bachelor's degree at a regionally accredited college or university.

#### **CLASSIFICATION OF STUDENTS**

Upon acceptance to Truett McConnell University undergraduate students will be classified as either on-campus or online students.

- Undergraduate students who are classified as on-campus students may take up to 18 hours of online courses during their degree
  program. Only those on-campus students who are classified as Sophmores or higher can take online courses and no more than
  two online course may be taken during a semester.
- Full-time on-campus students will not be charged additional fees for online courses.
- Undergraduate students who are classified as online students may take up to 9 hours of no-campus courses during their degree program.

Any exceptions to this policy for extreme extenuating circumstances must be approved by the Vice President for Academic Services and online fees may be applicable.

#### **PROCEDURES FOR DEGREE SEEKING STUDENTS**

To be considered for admission as a degree seeking student, the following items must be completed and submitted:

- Application for admission; Candidates may obtain an application for admission from Office of Admissions or at www.truett.edu.
- Official transcript from an accredited high school or home school co-op showing confirmation of graduation with a minimum GPA of 2.0 on a 4.0 scale.
- GED certificate may be submitted in lieu of the high school transcript.
- Home schooled students who do not participate in an accredited home school co-op must submit a high school transcript either from a central processing center or from the parent indicating the curriculum completed, which must include the following: 4 English units, 4 Math units, 4 Science units, 3 Social Studies units, 3 Language or Fine Arts units, 1 Health or Physical Education unit, and 4 elective units, bringing the total units completed to 23. Additionally, these students must submit a copy of the "Declaration of Intent to Utilize a Home Study Program" form that was submitted to their local school board.
- Official transcripts from all post-secondary institutions attended, including any colleges, universities and technical schools. The student must have a 2.0 cumulative GPA on a 4.0 scale from recent institution of enrollment. If the 2.0 cumulative GPA was not attained, the student will be denied admission to the University and given instruction on enrollment appeals process.
- Official copy of either an SAT (Scholastic Aptitude Test), ACT (American College Assessment Battery of the American College Testing Program), or CLT (Classic Learning Test). Truett McConnell seeks applicants with a minimum score of 800 on the twopart SAT, 15 on ACT, or 42 on CLT. Students who graduated from high school at least five years prior to the anticipated enrollment date are exempt from this requirement.
- Upon notification of acceptance, the student must pay the non-refundable \$175 enrollment fee to reserve a position in the upcoming class.

#### SPECIAL CONSIDERATIONS

#### **Transfer Students**

High school transcripts and SAT/ACT test scores are not required for students who have completed a minimum of 30 semester hours or 45 quarter hours of university level credit at a regionally accredited college or university post high school graduation. Dual Enrollment hours are not counted toward transfer status.

Students who are on academic or disciplinary probation in another university will have their cases reviewed individually by Truett McConnell University. A letter of appeal and a letter of recommendation must be submitted. Additional documentation may be required. Transfer students who are admitted through the appeals process are not eligible to transfer any grade below "C". If a student's appeal for enrollment is granted, the student will enter Truett McConnell University on academic and/or disciplinary probation.

Transfer students may receive credit for general education courses in which the student has earned a C- or better at a regionally accredited institution with the exception of BI 101: Concepts in Biology and FA 110: Art, Literature, Music Appreciation & Worldview for which no transfer credit will be awarded. Transfer students may receive credit for all other courses (including Major courses) that are no more than seven (7) years old and in which the student has earned a C- or better at a regionally accredited institution. Credits are transferred, but no grades. Only credits earned a Truett McConnell University are computed into the institutional grade point average.

Transfer credits will be awarded at the level the course is offered at Truett McConnell University if the course content is equivalent. General elective credit may be awarded at the appropriate level for courses not offered at Truett McConnell University. No credit will be awarded for developmental or remedial courses. Some degree programs may have additional requirements please see program of choice for specific transfer credit requirements.

#### International Students

International Application for Admission is substituted for the standard Application for Admission:

- Evaluation of the student's non-US high school and post-secondary transcript(s) by an authoritative third party indicating successful completion of a recognized high school program must be submitted along with the transcripts. (Acceptable third party evaluator is listed on the following page)
- Students for whom English IS NOT their native language must submit an official TOEFL (Test of English as a Foreign Language) score with a minimum score of 500, a minimum score of 173 on the computerized version, or a minimum score of 60 on the Internet-based version or the IELTS (International English Language Testing System) with a minimum score of 6. In some cases, a SAT score of 500 or better on the EBRW portion of SAT may be substituted for TOFEL and IELTS or a student who has completed a secondary diploma from an accredited American high school or 2.5 at an accredited undergraduate college or university will not be required to take TOFEL or the IELT. Also, Duolingo score of 95 or better or Completion of English Language Institute (ELI) Which is accredited by the Commission on English Language Program Accreditation will be accepted for English proficiency.
  - 1. Score 500 or better on the EBRW portion of the SAT **OR**
  - 2. Completed a secondary diploma from an accredited American high school OR
  - 3. Earned a 2.5 or higher at an accredited undergraduate college or university, OR
  - 4. Duolingo Score of 95, OR
  - 5. Completion of English Language Institure (ELI) which is accredited by the Commission on English Language Program Accreditation (CEA)
- Students for whom English IS their native language must submit official SAT or ACT scores that meet the same standards for admission as domestic students.
- Application for Truett McConnell University student housing must also be submitted. Notarized Financial Responsibility Statement indicating adequate finances on hand to cover the cost of attending Truett McConnell University as well as incidental living expenses and transportation for one academic year.

After review of academic and financial documents, acceptance or denial to the university will be determined. If acceptance is granted, student must submit a \$500 enrollment fee to issue I-20. Upon receipt of enrollment fee student must submit/enroll in the following prior to first day of school:

- All fees for a semester (including tuition, room, board, and fees) are due two (2) weeks prior to the first day of class for that semester. A third-party payment plan is available. Individuals registering after the payment due date must pay in full at registration. Approved financial aid will be deducted from the student's bill on a semester basis.
- Those students who cannot pay the full amount of their bill by the payment due date must have an exception to payment
  approved by the Business Office. Students who have not paid in full by the due date and who do not have an approved exception
  may be dropped from their classes and the I-20 will be terminated.
- Proof of Health Insurance valid in the United States for the academic year.

If tuition and or insurance is not purchased before first day of school, the student's I-20 may be terminated.

All international students enrolled at Truett McConnell University are required to be in the United States legally and to maintain legal status as defined by the State Department of the United States. It is the student's responsibility to be informed about immigration rules and any rule changes which occur during their stay in the U.S. The Office of Admissions helps provide international students with the information to do this, but it is the student and not the institution who is ultimately responsible for actively maintaining legal status.

Truett McConnell University is authorized under federal law to enroll nonimmigrant students. Individuals who are in the United States of America illegally and without proper documentation may not enroll at Truett McConnell University for any reason. As a Christian institution, Truett McConnell University willingly submits to the legal authority and laws of the United States government and does not knowingly violate the letter or intent of the laws of the United States of America. International students are required to pay in full the semester's charges prior to the first day of class on subsequent semesters. Failure to do so will jeopardize the student's visa status.

Truett McConnell University strongly discourages international students from enrolling in classes during the summer months. The low student population and limited available services make it impossible for Truett McConnell University to provide necessary student support for international students during the summer.

#### APPROVED ACADEMIC CREDENTIALS EVALUATOR

The following Evaluators are recognized by Truett McConnell University:

Josef Silny & Associates PO Box 248233 Coral Gables, FL 33124 Tel: (305) 273-1616 Fax: (305) 273-1338 Email: info@jsilny.com Website: www.jsilny.org inCred 1200 Grand Blvd., Suite 100 Kansas City, MO 64106 Tel: (816) 595-8300 Email: <u>inCred@naia.org</u> Website: playnaia.org/inCred

#### HOUSING FOR INTERNATIONAL STUDENTS

International students are required to live in campus dormitories and subscribe to a full meal plan in the university on campus dining hall. Student housing is primarily open only while school is in session and available only to students who are enrolled full-time at Truett McConnell University. Appeals for off campus living will be submitted and granted to the Vice President of Student Services.

University housing is closed certain dates throughout the academic year. Specific dates for these breaks are available in the Student Development Office located on the second floor of the Nix Student Center. International students are responsible for securing alternative housing at their own expense during those times that campus housing is closed to students.

#### INTERNATIONAL STUDENTS TRANSFERRING FROM OTHER INSTITUTIONS

A student studying in the United States on an F-1 visa may apply for admission to Truett McConnell University. Truett McConnell University defines an International Transfer Student as a student studying in the United States on an F-1 visa who has previously enrolled in another accredited college or university and has completed 30 semester hours or 45 quarter hours of university-level credit from a college or university in the United States. These applicants who have maintained a cumulative grade point average of 2.0 or higher who are in good academic and disciplinary standing at their former college or university may be considered for acceptance to Truett McConnell University.

An International Transfer Student must meet all the requirements and follow all of the procedures of other Transfer Students. When an accepted International Transfer Student pays the tuition deposit/fee, Truett McConnell University will request a transfer of the student's I-20.

#### **REFUND POLICY FOR INTERNATIONAL STUDENTS**

The tuition deposit of \$500 is non-refundable under any circumstances. An I-20 will not be issued to a student who has not paid this deposit.

If an international student submits the cost of attendance to Truett McConnell University and is unable to attend due to denial of the F-1 visa, 100% of the pre-paid funds will be refunded with the exception of the tuition deposit fee.

If an international student receives an F-1 visa and decides not to attend Truett McConnell University for any reason prior to enrollment, 90% of the pre-paid funds will be refunded.

An international student who withdraws from school before the end of a semester will be refunded according to the current catalog policy.

#### **RE-ADMISSION TO THE UNIVERSITY**

A student whose enrollment at Truett McConnell University has been interrupted for any reason for one or more semesters, excluding summer term, must apply for re-admission. The application for re-admission must be submitted to the Office of Admissions prior to the admission application deadline for the related semester. If students have enrolled in any other college or university during their absence from Truett McConnell University, they must also submit official transcripts from each institution.

The paper records of nonregistered students, including transcripts submitted for transfer credit, are retained by the Office of the Registrar for five academic years after the last registered term. If a student applies for readmission after an absence of more than 5 years and has attended any other college or university, they must submit official transcripts from each institution attended. A student who readmits after

an absence of more than five years and has not taken university level English or Math classes, may be required to take the placement test or submit official ACT or SAT scores, either from the university board or recorded on the official high school transcript, for placement in the appropriate level of English and Math.

Upon receipt of the application for readmission, the Office of Admissions will check for any departmental holds from the Business Office, Office of the Registrar, Financial Aid Office, Academic Services Office, Student Services Office, Library, and Bookstore. All matters must be resolved, and the hold removed before the student can be approved for readmission. Any department indicating a hold will be contacted by the Office of Admissions to determine how the hold can be lifted. If the hold requires action by the student in order to be lifted, the student will be notified in writing with instructions on how to proceed with clearing the hold.

When a student has no departmental holds and has provided all transcripts of work attempted at other colleges or universities since attending Truett McConnell, the file will be forwarded to the Office of the Registrar for updating and the issuance of a schedule for the appropriate semester.

Students permanently ineligible for readmission to the university will be notified in writing that their readmission has been denied for cause. Further information will not be provided to the student regarding the reason for denial.

#### PROCEDURES FOR NON-DEGREE SEEKING STUDENTS

To be considered for admission as a non-degree seeking student, the following items must be completed and submitted:

• Application for Admission to Truett McConnell for Non-Degree Seeking Students

#### THE GEORGIA DUAL ENROLLMENT PROGRAM

- Students must meet the requirements outlined by the State of Georgia for the GA Dual-Enrollment program.
- Truett McConnell University will consider high school sophomores\*, juniors and seniors for admittance into the program (\*sophomores, under special approval and/or interview).
- Truett McConnell University highly recommends a 3.0 cumulative GPA for High School (public, private or home school) students
  who apply for Dual Enrollment status. It is important for the student to understand that the university credit hours at Truett
  McConnell University, as a Dual Enrollment student, are not transferable to a University System of Georgia institution unless the
  student has achieved a 970 SAT score and earned a 3.0 cumulative GPA in the Dual Enrollment courses he/she has taken.
  Students admitted to this program receive university credit for all courses successfully completed at Truett McConnell University.
  Acceptance of university credit for completing high school graduation requirements is at the discretion of the appropriate local
  school system.

#### TRANSIENT

Students wishing to attend Truett McConnell University as a transient student must apply for admission through the Office of Admissions and complete the following:

- Submit a letter of transient permission or an official statement from an appropriate official of the institution last attended, recommending the applicants admission and granting him or her permission to enroll as a transient student at Truett McConnell University.
- A student who wishes to register for a subsequent semester must submit another letter of transient permission. There will only
  be two transient semesters allowed. If the student wishes to attend beyond two semesters, then they would need to follow the
  procedures for a Degree Seeking Transfer Student.

#### AUDITING STUDENT

Any person may audit a course provided space is available in the class. Application should be made through the Office of Admissions.

#### TRANSFER OF CREDIT FROM A NON-REGIONALLY ACCREDITED INSTITUTION

Students may submit a request for transfer of credit from a non-regionally accredited institution. The appropriate dean and/or department head, and registrar will analyze such courses in terms of level, content, quality, comparability, and relevance to Truett Mcconnell University degree programs. In addition, the University must receive information on the course instructor's academic credentials. A course syllabus may be required. Residential course completion requirements for the granting of Truett McConnell University bachelor degrees are

applicable. The time limits established in the Transfer Students section above will be adhered to for transfer credits from non-regionally accredited institutions.

#### SIMULTANEOUS ENROLLMENT AT OTHER INSTITUTIONS

Students may not attend any other institutions while enrolled at Truett McConnell University unless granted permission by the Registrar.

#### **PROVISIONAL ACCEPTANCE**

The University may admit students on a provisional basis pending receipt of all official transcripts and/or other credentials. The applicant is responsible to insure that all documents are provided to the Office of Admissions. Until the University receives these documents, the applicant will be ineligible for financial aid, will be barred from registering for future classes, and will not be able to receive transcripts.

The University does not assume responsibility for the status of provisionally admitted students since the University has not been able to make a determination of eligibility. The Office of Admissions may extend provisional admission based upon the applicant's representation that he/she has met the requisite qualifications for admission. All final, official documentation necessary for validation of said qualifications must be submitted by the last day of the Drop-Add period during the student's intended semester of enrollment. Provisionally Accepted students who are not fully accepted by the last day of the Drop-Add period may be withdrawn immediately. Upon completion of the applicant's file for admission, if it should be determined that the applicant was not eligible to enroll, the student will be withdrawn immediately.

#### DENIAL

A student whose application for admission is denied will be informed in writing of the admission decision.

#### APPEAL

If an applicant is denied admission to Truett McConnell University, that student may appeal the Office of Admissions' decision by submitting the following documents to the Director of Admissions to be distributed to the Admissions Appellate Committee:

#### • Letter of Appeal

This letter shall state, in the student's own words, a case and plea for exception concerning the student's denial to the institution. The letter should outline an explanation for unsatisfactory marks, where applicable, and the student's plan to overcome factors which led to the denial of admission. Finally, extra care should be given to show forth the student's fitness for inclusion in the spiritual and scholastic annals of Truett McConnell University.

#### • Letter of Recommendation

A letter shall be presented from a pastor, teacher or coach stating the student's worthiness of exception regarding the student's denial. On the recommender's honor, she/he shall give witness as to the student's character, intellect and dedication to the Christian faith.

#### Notification

The applicant will be notified in writing of the Appellate Committee's decision within three weeks of receipt of all necessary documentation.

#### • Exception

International Students for whom English is **NOT** their native language may not appeal a denial based on their TOEFL or IELTS score.

## **Tuition and Fees**

#### All financial information including tuition, fees and

#### scholarships are applicable to the 2021-2022 academic year only.

#### **PAYMENT OF FEES**

All fees for a semester (including tuition, room, board, and fees) are due two (2) weeks prior to the first day of class for that semester. A third party payment plan is available. Individuals registering after the payment due date must pay in full at registration. Approved financial aid will be deducted from the student's bill on a semester basis. No additional fees are charged for online student's verification of identity.

Those students who cannot pay the full amount of their bill by the payment due date must have an exception to payment approved by the Business Office. Students who have not paid in full by the due date and who do not have an approved exception may be dropped from their classes. By enrolling in courses, you agree to reimburse the University the fees of any collection agency, which may be based on a percentage at a maximum of 33.3% of the debt, and all costs and expenses, including reasonable attorney's fees, we incur in such collection efforts. Students must settle their account (including library materials, damages, traffic fines, etc.) before they become eligible to register for a subsequent semester.

No official records are released, and no students are considered for graduation until they have settled their indebtedness with the University. The University reserves the right to adjust tuition rates and fees at the beginning of any semester.

#### INSTITUTIONAL REFUND POLICIES

The following pertains to all refund policies applied by the University unless specifically stated otherwise.

Truett McConnell University, like most universities, must make commitments in advance for faculty, staff, equipment, supplies, utilities and other operating expenses for the entire year. Therefore, the University policy considers the acceptance of registration as a contractbinding student and parents for charges for the entire semester.

The Federal Refund Policy states, up through the 60% point in each payment period or period of enrollment, a pro-rata schedule is used to determine the amount of Title IV funds the student has earned at the time of withdrawal. After the 60% point the payment period or period of enrollment, a student has earned 100% of the Title IV funds he or she was scheduled to receive during the period. Students may owe a repayment of Federal Funds to the government or funds to the institution.

Students suspended or expelled from the institution for any reason forfeit their right to a refund of any credit balance on their student account.

In the event of a complete withdrawal, the institution will calculate a refund through the 60% point of the semester, with the exception of the online program. After 60% of the semester has been completed, there will be no refund of tuition. A refund is calculated by dividing the date of withdrawal by the number of federally defined days in the semester. Board fees will be refunded on a pro-rata basis. There is no refund of room after the fifth day of class. Refunds for students receiving federal aid will be calculated using the current federal policy.

In the event of a complete withdrawal from the online program, the institution will calculate a refund based on the weeks of completion. A 100% refund is available if the student has not logged in by the 1st day of classes. A 50% refund is available through the fifth day of instruction. There is no refund after the fifth day of instruction.

#### **IMPORTANT NOTE:**

#### All students should check with the Business Office and Financial Aid before withdrawing to verify financial implications.

- The schedule is independent of financial aid. Grants and scholarships may be lost due to drops or withdrawals. Students **MUST** contact Financial Aid for specific advice.
- No adjustments to tuition charges will be made for students dropping coursework (but not withdrawing), after the last published day of drop/add.

Student accounts are reviewed when federal funds are posted to determine if a refund is necessary. Federal funds that create a credit balance greater than allowable cost must be refunded to student within 14 days of receipt. If it is determined that a refund is necessary, then it will be processed. Checks are either mailed to student or held for pick-up in the Business Office. If the refund is due to a parent loan then a refund check will be mailed to the parent with address provided from the financial aid office; unless parent advises otherwise. Credit balances unrelated to federal funds that are created within an academic year can carry from semester to semester to cover a balance. When reviewing a student account you must never use a credit from one academic year to cover the balance of a previous academic year.

Students may request a refund by going to www.truett.edu; select refund request under general resources and follow the steps. The Business Office will follow the request of the student to either mail or pick up check at Business Office. Students picking up their refund check must show ID and sign for the check.

#### INTERNATIONAL STUDY

The University may sponsor trips to other countries for the purpose of study abroad. Specific details for each trip will be different; however, deposits made for international study are non-refundable. Tuition and travel cost must be paid in full by stated deadlines to participate.

#### STUDENT CONDUCT

In accordance with the general regulations for admission and enrollment, Truett McConnell University encourages positive values of human development and individual freedom in accordance with its commitment to the teaching of the Christian faith. Students are expected to behave responsibly, to recognize the worth of each individual, including persons who are different in cultural background, attitude, and opinion. Please refer to the Student Handbook for additional information and specifics.

## **Financial Aid**

The Office of Financial Aid supports the mission of Truett McConnell University by helping students obtain funds for educational expenses by promoting grants, scholarships, loans and employment opportunities for qualified deserving students who would normally be deprived of a postsecondary education because of inadequate financial means. The responsibility for meeting university costs lies with the student and his or her family. Truett McConnell University is committed to the idea that students should not be deprived of the opportunity of an education because of inadequate finances when alternatives are available.

Student aid is money provided by the federal government, Truett McConnell University, (through its own funds and endowments), the state of Georgia, and private outside sources. The amount of financial assistance a student may receive depends upon his or her calculated financial need. The calculated financial need takes into account the financial resources of the student and/or parents and the cost of attendance. Through a combination of grants, scholarships, and loans every effort is made to meet the student's demonstrated needs. Some scholarships and grants do not require a student to have financial need, but may be based upon academic standing, residency and other factors.

Financial aid awards made to students from funds received from sources outside the University, such as from federal and state funds, may be revised if those funds cannot be obtained. All financial aid award disbursements are contingent upon the University's receipt of funds.

#### ELIGIBILITY

To receive financial assistance, a student must be enrolled in a degree granting course of study, fully accepted by the University, be in good standing, making satisfactory academic progress (as defined later in this catalog), and not be in default or delinquent on any loan plan with the University, state, or federal government. Also the student must not owe a refund on grants previously received under the Pell Grant or the Federal Supplemental Educational Opportunity Grant (FSEOG).

#### PREFERENCE DEADLINES/DATES

Rather than operating under strict deadlines, the Financial Aid Office makes an effort to provide funds to students as long as funds are available. However, there are important dates to keep in mind. Applications for financial aid should be submitted as soon as possible after the FAFSA becomes available on October 1<sup>st</sup> of each year.

Because some financial aid is awarded on a first come-first served basis, students are strongly encouraged to complete the application process prior to April 15<sup>th</sup>. The application for financial aid includes some if not all of the following:

#### **APPLICATION PROCESS**

All aid programs must be applied for each year to receive financial assistance. Maintaining satisfactory academic progress is a prerequisite of aid renewal. Most financial assistance programs are administered through the Financial Aid Office. For those programs not administered by the Financial Aid Office, the Financial Aid Office will assist students in the application process. All students and applicants are strongly encouraged to file the Free Application for Federal Student Aid (FAFSA) each academic year at <u>www.fafsa.ed.gov</u>. If access to a computer is not available, a paper FAFSA may be obtained from the high school counselor or the Truett McConnell University Financial Aid Office. It is recommended that students submit the online FAFSA. Assistance in completing the FAFSA is provided by both the US Department of Education, via their help line at 1-800-433-3243, and the staff of the TMU Financial Aid Office.

#### STEP 1: Obtain a Federal Student Aid Identification (FSA ID) and Password.

You will need a FSA ID to electronically sign your FAFSA. If you do not already have a FSA ID, you can obtain one quickly at <u>https://fsaid.ed.gov/npas/index.htm</u>. Parents of dependent students should also apply for a FSA ID so they can electronically sign their student's FAFSA.

#### STEP 2: Complete the Free Application for Federal Student Aid (FAFSA) each year.

Submit the FAFSA, at <u>www.fafsa.ed.gov</u>, as soon after October 1 of each year for the following year of enrollment. The FAFSA is required for federal grants, need-based (subsidized) federal student loans and other sources of need-based financial aid. Don't forget to list Truett McConnell University's school code number, **001597**, on your FAFSA! If you are interested in federal loans or work-study in addition to your other financial aid, indicate this on the FAFSA. After the federal government processes your FAFSA, you will receive a Student Aid Report (SAR) by e-mail. This document indicates your Expected Family Contribution (EFC) and allows you to correct any errors that you made on the original FAFSA.

#### STEP 3: TMU Admissions "Acceptance".

You will need to submit all documents and transcripts, needed for acceptance, to the online TMU Admissions office. A student will be "Provisionally Accepted" until the final H.S. transcript is received. Financial aid can be awarded, once a student is provisionally accepted or fully accepted.

#### STEP 4: Complete the TMU Financial Aid Application.

Once accepted (or provisionally accepted), to apply for institutional aid, you will need to complete the TMU Financial Aid Application on on the <u>Student Financial Aid Portal</u> ("<u>NetPartner</u>"). If you have not logged in to the portal before, you will select <u>first time user</u> and set up your account with your student ID number. Once the account is set up, you will need to complete the online financial aid application and submit it. The information will be transmitted to the Financial Aid office electronically. If you cannot access the hyperlink above, copy and paste the following url address into your web browser: <a href="https://myweb.truett.edu/NetPartner/NetPartnerStudent/Logon.aspx?ReturnUrl=%2fNetPartner%2

#### STEP 5: Apply for State aid and other types of financial aid.

The main State aid application is the FAFSA. Georgia residents, who waive the completion of the FAFSA, may complete an application for the Georgia Tuition Equalization Grant (GTEG) and the H.O.P.E Scholarship at <u>www.gafutures.org</u>. Also, students should apply for as many private outside scholarships as possible, by searching the web for scholarships and scholarship search sites. There are several Outside Scholarship search sites and other helpful information on the Financial Aid section of the TMU website at <u>https://truett.edu/admissions/financial-aid/private-outside-scholarships/</u>.

#### STEP 6: Provide additional documents as necessary.

Provide any missing documents requested by the Financial Aid Office. Missing document requests will be sent to students by e-mail, or can be viewed on the <u>Student Financial Aid Portal</u>. The Dept. of Education randomly chooses 30% of all FAFSA applicants for a process called "Verification" (an audit of the financial information submitted on the FAFSA). If you are selected for verification, TMU will request signed copies of Federal Income Tax Return Transcripts, W-2's, and a completed Student Verification Worksheet (available on the student <u>portal</u>).

#### STEP 7: Complete Federal Student Loan documents.

First-time federal loan borrowers at Truett McConnell University will need to complete a required basic online loan counseling session (Entrance Counseling) and a Master Promissory Note (MPN) available at <u>www.studentaid.gov</u>. Log in to the website using your FSA ID and password from Step 1. If the parent desires an additional Federal Direct Parent PLUS Loan, the application and MPN can be completed by the parent at <u>www.studentaid.gov</u>, using the parent's FSA ID and password.

#### STEP 8: Review Financial Aid Awards and Accept Awards.

Once all applications are complete and documents received, you will be sent an email Award Letter detailing any aid for which you are eligible. You are required to notify Truett McConnell University if there are any changes to the aid listed or if ANY other sources of financial aid (i.e. an outside scholarship, etc.) are awarded to you. Log into the <u>Student Financial Aid Portal</u> view and accept your awards.

#### STEP 9: Review and Reconcile Your Student Account.

Once accepted, your financial aid will appear on your student account. Monitor your own academic and financial information, at <u>www.truett.edu</u> by clicking on "Self Service," to ensure that you stay informed. Review the charges and financial aid on your account and reconcile any remaining balance with the Business Office. A payment plan option is available <u>www.MyCollegePaymentPlan.com/Truett</u>.

## **Financial Aid**

#### DETERMINATION OF NEED (FAMILY CONTRIBUTION)

Ultimately, it is the responsibility of the students and their parents for paying for the university education expenses. However, most families require and/or seek help in meeting these financial obligations. The federal program for financial student aid is intended to make the college of choice available to every student who meets the specific school's academic criteria.

Since "need" is a subjective, relative concept and is understood by individuals in light of their own personal wishes and circumstances, certain guidelines and standards have been developed to define need.

In order to comply with published regulations governing federal aid programs, Truett McConnell University uses a needs analysis system approved by the U.S. Secretary of Education. The U.S. Department of Education provides the Free Application for Federal Student Aid (FAFSA) free of charge. The FAFSA is used to determine expected family contributions (EFC) based on income, and other assets. Appropriate deductions and allowances are granted so the family can be reasonably sustained.

The calculation of an expected family contribution is complex. Some of the items, which are considered in determining the amount of an expected contribution from income and net assets of the individual filing the financial aid document include: income and net assets of the family and the subject; the number of dependent children; the number of dependent children in post-secondary education. In addition, the methods of calculating the amount of an expected family contribution assume self-help through employment during periods of nonenrollment (summer earnings). A professional judgment may be made, by the Financial Aid office, to adjust the financial information on the FAFSA, when there are special circumstances, such as change in family income or serious illness in the family (family members include the student, the student's spouse, parents of dependent applicants as well as other individuals claimed for federal income tax purposes).

Financial need is defined for financial aid purposes as the amount of assistance that will be required to enable students to meet their educational related expenses. This amount is determined by subtracting the amount of the expected family contribution from the projected cost of attendance. (See Cost of Attendance, below).

The Financial Aid Office at Truett McConnell University assists students in obtaining assistance through grants, scholarships and loans to meet the financial need as determined by this process.

#### FINANCIAL AID AND ACADEMIC LOAD

Truett McConnell University considers a student taking 12 or more credit hours per semester a full-time student. A student taking an academic load of 9 through 11 credit hours is classified as a three-quarter time student. A student taking 6 through 8 credit hours is considered a half-time student. A student taking 1 through 5 credit hours is considered a less-than-half-time student. A student must take at least 12 semester hours to be eligible for any institutional financial aid.

The University applies its satisfactory academic progress policy for students receiving aid under federal, state, and institutional programs consistently to all students.

Students should consult the policies on withdrawal from the University and dropping coursework. Institutional financial aid cannot cause total financial aid awarded to exceed cost of attendance. Students who are interested in receiving complete details about financial aid should contact the Financial Aid Office or visit the website at <a href="http://www.truett.edu">http://www.truett.edu</a>.

#### COST OF ATTENDANCE

The term "cost of attendance" can refer to two different total cost amounts. The actual cost of attendance includes tuition, fees, room and board charges, that are charged to student's account at TMU. The federal Cost of Attendance Budget is the financial aid budgeted amount and awarding limit that is used in the financial aid process. The federal Cost of Attendance Budget includes actual tuition, fees and room and board charges, as well as estimated expenses that the student and family may incur during the semester, such as books, transportation, and miscellaneous personal expenses. The federal Cost of Attendance Budget is the budget that is used in the <u>Student Financial Aid Portal</u> Shopping Sheet and the <u>Net Price Calculator</u>.

Please do not confuse the federal Cost of Attendance Budget amount with the actual TMU cost of attendance charges. A student can be awarded up to their federal Cost of Attendance Budget, which is usually higher than the actual cost of attendance charges. This allows students to be awarded additional financial aid, to cover the actual TMU Student Account charges, as well as books and any other educational/living expenses incurred, while enrolled at TMU.

#### STUDENT RIGHTS AND RESPONSIBILITIES

The following information is provided to help you understand your rights and responsibilities as a recipient of financial aid at Truett McConnell University:

· All funds that are received under the Federal Title IV, state aid, and TMU funds will be used for educational expenses related to attendance at Truett McConnell University.

• All loan funds received are the responsibility of the student or parent to repay in accordance with the published standards under the promissory notes. Student Stafford loans have deferment options; please refer to the information that is sent by your chosen lender or loan servicer.

• Students cannot owe a repayment or overpayment of any grant or be in default on an educational loan through Federal Title IV, unless satisfactory arrangements to repay or otherwise resolve the overpayment or default are in place.

• All funds received by Truett McConnell University from federal, state, or institutional funds will be applied to the student's account in the TMU Business Office. All Financial aid is disbursed on a semester basis. Funds in excess of all the charges are refunded to the student no later than 14 days after the credit occurred. Federal and state grants may be posted to the student account prior to TMU actually receiving the funds. Institutional funds or institution controlled funds cannot create a credit on a student's account.

· Students with completed financial aid files will have their aid disbursed to their account usually within one month after the beginning of the semester.

· All Federal Stafford Loan funds will be received by Electronic Funds Transfer (EFT) process. All loans are payable in two equal payments. Half-time (6+ hours) enrollment is required to qualify for all federal loans.

· Less than full-time enrollment (less than 12 hours) may result in the cancellation or adjustment of some of your aid.

• Aid will be awarded only to students who are maintaining Satisfactory Academic Progress (SAP). SAP standards are provided on our website under SAP Policy.

• Federal Work Study or Institutional Work Study is a part-time job, and work is required for payment. Payment for work is provided every two weeks. Job interview and identification requirements are needed prior to beginning any job.

• Financial aid will not be applied to the student's account if full admission is not accomplished. Estimated aid is awarded to qualifying provisionally admitted students, but aid will not be paid until full admission is accomplished.

· You are responsible for any documentation required to complete your admission process.

• Students must notify the TMU Financial Aid Office should there be a change in plans to enroll, or if funds are received from other sources not listed on the award letter.

 $\cdot$  Know and comply with the deadlines for application.

Report any changes promptly: household size, number enrolled in post-secondary education, address changes, enrollment changes, etc. Failure to report these changes to the Financial Aid Office may result in an over-award and subsequently having to repay funds. Maintain good attendance in keeping with institutional attendance policy as defined in the University catalog.

· Funds must be used to meet educational costs.

#### Notice of Privacy Rights

The Family Educational Rights and Privacy Act of 1974 (FERPA) designed to protect student rights regarding education records maintained by the institution also cover Truett McConnell University. Under this act, students may inspect and review education records maintained by the institution that pertain to them; challenge the content of records on the grounds that they are inaccurate, misleading or a violation of privacy or other rights; and control disclosures from their education records with certain exceptions. The written policy can be obtained from the Registrar's Office.

#### SATISFACTORY ACADEMIC PROGRESS POLICY

The University has adopted the following Satisfactory Academic Progress (SAP) policy according to federal and state mandates. Both federal statutes and the U.S. Department of Education regulations require institutions of higher education to establish minimum standards of Satisfactory Academic Progress (SAP) for students receiving federal aid. In addition, all state of Georgia financial aid program regulations (HOPE, GTEG, etc.) require students to meet SAP criteria established for federal student aid.

The Truett McConnell University Satisfactory Academic Progress Policy measures a student's performance in the following areas: completion rate, maximum time frame, and cumulative grade point average (CGPA). The intent of this policy is to ensure that students who are receiving federal and state financial aid are making measurable progress toward completion of a degree program within a reasonable time frame. All students receiving any federal and state student financial aid must adhere to the University's SAP policy. Satisfactory progress is the minimum requirement for a student to receive federal, state, and institutional financial aid. Some financial aid programs have requirements that are more rigorous.

SAP consists of two types of measurements: quantitative (pace) and qualitative (GPA). To accurately measure a student's progress in a program, more than a qualitative (GPA) standard is needed. A student who is maintaining a high GPA by withdrawing from attempted courses may meet a qualitative standard, but may not be progressing towards graduation. While grades for prior attempts (repeats)

## **Financial Aid**

may be excluded when calculating a student's GPA, credits from all attempts must be included when assessing the quantitative SAP standard.

The Office of Financial Aid monitors the SAP of all financial aid recipients by reviewing a student's academic record after grades are posted at the end of each fall, spring, and summer semester. The completion rate calculation and maximum time frame calculation (quantitative measurement), as well as the GPA calculation (qualitative measurement), are reviewed using grades and hours from the student's total academic record. Failure to meet the standards in any of the three calculations may result in the cancellation of a student's awards. The SAP components of measurement for Truett McConnell University are summarized below.

#### **QUANTITATIVE MEASUREMENT (PACE)**

**Completion Rate**. Financial aid recipients are required to complete at least 67% of the cumulative credit hours attempted. The completion rate is derived by dividing the cumulative credit hours earned by the cumulative hours attempted. The following grades are used in computing the percentage of course work completed: A, A-, B+, B, B-, C+, C, C-, D+, D, F, W, WF, WP, I, TR and any grades excused under the Second Chance policy. Grades of AU (audit) are not used in computing the percentage of coursework completed. Course incompletes, withdrawals and repeats will impact the quantitative standard of satisfactory academic progress and incompletes should be completed as soon as possible. Courses accepted by the Registrar's Office for transfer from another university are not treated as attempted and completed courses at Truett McConnell University in calculating the completion rate.

| Completion Rate Example |   |  |
|-------------------------|---|--|
| Total attempted hours   | 30 Hours  |  |
| Earned hours needed     | 30 hours x 67% = 20.1 or 21 hours<br>(the minimum number of earned hours<br>required to maintain the quantitative standard<br>for Satisfactory Academic Progress) |  |

**Returning Student's Academic Record.** The federal government requires the Office of Financial Aid to track a student's academic progress from the first date of enrollment, whether or not financial aid was received. Students returning to the University after a break in enrollment should consult the Office of Financial Aid on how their university history will affect their eligibility for financial aid. A student that completely withdraws from school during a semester and receives W, WF, or WP grades in all courses, will generally return to school not meeting the SAP requirements.

*Maximum Time Frame*. Financial aid recipients must complete their program of study without having attempted more than 150 percent of the credit hours required to complete their curriculum. This provides up to 189 attempted semester hours for student financial aid recipients to complete a 126 semester hour program, 67 attempted semester hours for a 45 semester hour graduate program or 45 attempted semester hours for a 30 semester hour graduate program.

Students who change majors or degree programs should do so early in their academic career so as not to jeopardize eligibility for student financial aid. Students can risk exceeding 150% maximum allowable number of attempted semester hours before obtaining a degree. Students taking an excessive number of elective courses may have their financial aid revoked as these do not contribute to making satisfactory progress toward earning a degree.

Students pursuing a subsequent Bachelor's degree may be eligible for up to 90 additional semester hours of federal loans after earning their first degree. Students must have remaining undergraduate loan limit eligibility. The 67% annual completion standard still applies.

Students desiring a double major must still meet the 150% standard for completing their degree. The 150% is calculated from the degree which requires the most hours.

#### QUALITATIVE MEASUREMENT (GPA)

SAP is also evaluated according to a required cumulative grade point average (GPA) scale determined by the cumulative credit hours attempted at the conclusion of each semester.

The minimum required cumulative GPA for **graduate students** at the end of each semester is **2.5**. The minimum required cumulative GPA for undergraduate students at the end of each semester is according to the credit hours attempted benchmark chart below.

| Credit Hours Attempted | Cumulative GPA Required |
|------------------------|-------------------------|
| 0 -19.9                | 1.50                    |
| 20 - 38.9              | 1.65                    |
| 39 - 57.9              | 1.80                    |
| 58 and above           | 2.00                    |

The University bases the above Credit Hours Attempted classification of transfer students on hours attempted only at Truett McConnell University.

The following grades are used in computing a cumulative GPA: A, A-, B+, B, B-, C+, C, C-, D+, D, F, and WF. Grades of AU, S, U, W, and WP will not impact the cumulative GPA. Withdrawals (W, WF, or WP) and repeats will be included in the cumulative attempted hours to determine the benchmark. Course incompletes will not impact the GPA determination of the qualitative standard of satisfactory academic progress, but will be included to determine completion rate and the attempted hour's benchmark, and must be completed as soon as possible.

#### FINANCIAL AID WARNING, SUSPENSION and PROBATION

A student failing to meet SAP standards (either measurement) for the first time at the end of any semester will be placed on financial aid warning for the following semester, during which time the student remains eligible to receive student financial aid. After being placed on financial aid warning, if the student is still not meeting SAP at the end of the following semester, the student will be placed on financial aid suspension and will NOT be eligible to receive federal, state, and institutional financial aid for the subsequent semesters until the student achieves satisfactory academic progress. This means the student will have to bear the full cost of attendance without financial aid until the student achieves satisfactory academic progress. A student not meeting the SAP requirements must meet with his or her advisor to determine whether courses need to be repeated and/or the course load needs to be reduced. At the end of the semester of financial aid warning, if a student is placed on financial aid suspension for not achieving Satisfactory Academic Progress due to extenuating circumstances, the student may appeal in writing to the Office of Financial Aid for an additional semester of financial aid probation (see Appeals Process below).

#### APPEALS PROCESS

If a student fails to meet the requirements for the grade point average and/or percentage completion rate, and loses financial aid, due to an extenuating circumstance beyond his or her control, such as serious injury, illness or mental health condition involving the student or immediate family, or death of an immediate family member, the student may appeal in writing explaining his or her circumstances, to the Office of Financial Aid. The student must provide a one to two-page personal statement and submit documentation that confirms the circumstances. An SAP Appeals Form must be completed and submitted with the statement.

Student statement of appeal should include the following information:

- Outlines the circumstances that prevented meeting Standards Satisfactory Academic Progress.
- States why it is possible to improve upon past academic performance.
- Explains the corrective action taken.
- Includes attached documents that verify the statement. All documentation must include the student's name and ID number, and relate to the specific period during which the student's academic performance was affected.

## **Financial Aid**

Examples of acceptable documentation include:

- Birth/death certificates, obituaries, funeral programs of immediate family members (i.e. parents, grandparents, spouses, children, brothers, sisters).
- Medical records on physician's or hospital's letter head with the appropriate signatures that confirm illness and length of recuperation.
- Court documents.
- Statements from physicians, counselors, clergy or social workers on company letterhead with the appropriate signatures.
- If student has exceeded the maximum attempted hours (150 percent rule), he or she must:
  - Provide a personal statement explaining why accumulated attempted hours exceed current degree requirements.
  - Attach documents that verify statement. (see above for acceptable documentation)
  - Obtain a Degree Audit from the Registrar's Office listing the remaining requirements for current degree program and a projected completion date. (Timeliness of degree audit requests is essential for appeal. Last minute requests for degree audits could delay and jeopardize an appeal. It is strongly recommended that students obtain and review a copy of their unofficial transcript before submitting an appeal).

The inclusion of supporting documentation as outlined above does not guarantee that an appeal will be granted. Each case will be reviewed on a case-by-case basis and students may be granted financial aid probation for one semester. Appeal letters submitted without supporting documentation will not be considered.

The need for more than one appeal generally indicates a serious problem. Only one appeal will be accepted per Academic Year, unless the appeal is to set up an academic plan following a semester of probation. The Financial Aid Appeals Committee will review the appeal. The student will be advised in writing of the final decision, generally within 15 working days of receipt of the financial aid appeal. During the appeals process, no telephone calls or emails concerning an individual financial aid appeal will be accepted.

#### **RE-ESTABLISHING SATISFACTORY ACADEMIC PROGRESS**

Other than when an appeal is granted for unusual or mitigating circumstances, a student can re-establish eligibility only by taking action that brings the student into compliance with the qualitative and quantitative components of this policy.

- Quantitative Standard 67% of cumulative attempted hours must be passes.
- Qualitative Standard meet the GPA requirement per GPA scale for hours attempted.

#### **RETURN OF TITLE IV FUNDS POLICY**

Pursuant to the Higher Education Amendment of 1998, Public Law 105-244; funds paid toward a student's education are earned based upon the period of time the student remains enrolled during the semester. Unearned Title IV funds, other than federal work-study, must be returned. Unearned aid is the amount of disbursed Title IV aid that exceeds the amount of Title IV aid earned prior to withdrawal.

Truett McConnell University will determine the date of withdrawal. If the student does not notify the University of the intent to withdraw, the last date of attendance, as documented by the university, will be used as the withdrawal date. If the last date of attendance cannot be determined by the institution, the midpoint of the payment period for which student financial aid program assistance was disbursed will be used. If Truett McConnell University determines that a student did not begin the withdrawal process or otherwise notify the University of the intent to withdraw due to illness, accident, grievous personal loss, or other circumstances beyond the student's control, Truett McConnell University will determine the appropriate withdrawal date.

To determine how much financial aid was disbursed, Truett McConnell University will consider only the aid that is disbursed prior to becoming aware of the withdrawal. If earned aid exceeds disbursed aid; additional funds may be disbursed utilizing late disbursement procedures. Additional disbursements are precluded if the amount of earned aid is less than the total Title IV aid that was disbursed prior to the date of the University's determination that the student withdrew. Institutional costs are not used to determine the amount of Title IV funds a withdrawn student is entitled. Aid is disbursable if the student could have received it at the point of withdrawal. Total disbursable aid includes aid that was disbursed and aid that could have been (but was not) disbursed as of the student's withdrawal date.

During the first 60% of the period, a student earns Title IV funds in direct proportion to the length of time he or she remains enrolled. That is, the percentage of time during the period that the student remained enrolled is the percentage of disbursable aid for that period that the student earned.

For example:

• Multiply the % of the payment period or period of enrollment completed (or 100% once the student completes > 60%) X the federal aid that was disbursed and could have been disbursed. This is the earned amount.

## **Financial Aid**

- Subtract the earned amount from the aid disbursed as of the date of the institution's determination that the student withdrew.
- TMU uses the standard term based program as the payment period.
  - 1. Calendar days completed less scheduled breaks of 5 consecutive days or more.
  - 2. Calendar days in the period scheduled, less scheduled breaks of 5 consecutive days or more.
- Truett McConnell University returns the lesser of:
  - 1. Amount disbursed minus amount earned.
    - (or)
  - 2. Institutional charges times the percentage not earned.
- Student Responsibility:

Total amount of unearned Title IV aid - amount institution is required to return

= Amount for which the student is responsible.

Student returns his or her share to:

- Title IV loan programs in accordance with the terms of the loan.
- Title IV grant programs as an overpayment (only up to 50% of the amount of the overpayment).
- Student remains Title IV eligible generally for 45 days, if the student -
  - 1. Repays the overpayment in full to the institution.
  - 2. Makes repayment arrangements satisfactory to the institution. (or)
  - 3. Signs a repayment agreement with the Secretary of Education, which will include terms that permit continued eligibility while in repayment.

A student who remains enrolled beyond the 60% point of the semester earns all aid for the semester. The percentage of the period that the student remained enrolled is derived by dividing the number of days the student attended by the number of days in the period. Calendar days are used, but breaks of at least 5 days are excluded from both the numerator and denominator.

Funds will be returned in the following order:

- Unsubsidized Federal Stafford loans
- Subsidized Federal Stafford loans
- Federal PLUS loans
- Federal Pell Grants for the payment period for which a return of funds is required
- Federal Supplemental Educational Opportunity Grants
- Other assistance under this Title for which a return of funds is required

The institution will normally use the R2T4 calculation module in the PowerFaids software to process the R2T4 calculations. If the R2T4 process in the PowerFaids software in unavailable, the institution will use the R2T4 calculation module located on the FAA Access to CPS Online website.

#### AWARDING PROCEDURES

Financial aid award letters are sent to students as soon as necessary documentation is received by the Office of Financial Aid. Awards may include one or more forms of financial aid depending on the student's eligibility and fund availability. The Federal Pell Grant is considered first. The Federal Supplemental Educational Opportunity Grant is considered for high need (0 EFC) Pell Grant recipients only. All state and outside funded aid and benefits are then added to a student's financial aid package. Institutional financial aid is the third component considered when constructing a student's aid package. Federal Direct Student loan funds will be offered based upon the established criteria. Lastly, students may apply for a private alternative loan or Parent Plus loan.

#### FEDERAL GRANTS AND LOANS Federal Pell Grant

This federally funded grant is awarded to high-need students pursuing their first Baccalaureate degree. The amount of the award is prorated based on the student's expected family contribution and enrollment status. A student may receive a Federal Pell Grant up to 600% (the equivalent of 12 full-time semesters of enrollment). The regulations are to provide fractional equivalents for terms in which a student is enrolled less than full-time.

The amount of Federal Pell Grant for which a student is eligible is determined using the Expected Family Contribution (EFC) and the corresponding cost of education from the Federal Pell Grant Eligibility Chart published by the Department of Education. The maximum amount for academic year 2021-2022 is \$6,495.

#### Federal Supplemental Educational Opportunity Grant (FSEOG)

Student eligibility is determined only through the Central Processing System of the Department of Education using the Federal Methodology need analysis formula. Students must meet the eligibility requirements for the federal Pell Grant and be awarded a Pell Grant. In addition, the FSEOG is awarded only to first-time undergraduates who are Pell eligible. TMU will award FSEOG funds to students with zero EFC's first

The regulated maximum amount of FSEOG is \$4,000 and the minimum is \$100. However, the OFA self-imposes minimum and maximum awards to ensure that the greatest number of students have an opportunity to receive a portion of the FSEOG allocation. The total FSEOG allocation (federal plus institutional share) is divided by the previous year's number of zero EFC Pell eligible students to determine the current year's award amount for full-time traditional students. Students in the online program are awarded a lower prorated amount, because of the reduced costs of the program.

#### Federal Work Study Program

The Federal Work Study (FWS) program provides employment positions for undergraduate students who demonstrate financial need. These earnings assist students with educational expenses.

The objectives and purpose of the FWS program are to provide:

- 1. A source of financial aid to undergraduate students who demonstrate financial need.
- 2. Work experience which enhances the participant's education whenever possible.
- 3. An employment pool to the University, and to federal, state and local public agencies that would not exist otherwise.

#### **Student Loan Providers**

The Stafford Student Loans are processed through the U.S. Department of Education, Federal Student Aid. Federal loans available are: Federal Direct Subsidized Loan, Federal Direct Unsubsidized Loan and Federal Direct Parent Plus Loan (available to eligible parents). You can still choose a lender of your choice for a Private/Alternate Loan, if needed.

#### The Federal Direct Loan Programs

In general, a student must be enrolled at least half time as a regular student in an eligible program and must meet the school's satisfactory academic progress (SAP) standards to be eligible for a Federal Direct Student Loan or to benefit from a Federal Direct PLUS loan. Two types of Federal Direct Student loans are available, subsidized and unsubsidized. A subsidized loan qualifies for a federal interest subsidy during in-school status, grace periods, and authorized deferment periods. An unsubsidized loan does not qualify for a federal interest subsidy during any period. A student must qualify for a subsidized Federal Direct loan through the FAFSA process. A student's need for a subsidized Federal Direct loan is his or her cost of attendance minus his or her expected family contribution minus his or her estimated financial assistance.

In addition to the subsidized loan limits, dependent undergraduate students are able to borrow an additional \$2,000 in unsubsidized loans. Independent students are able to borrow additional loans under the unsubsidized loan program. 1<sup>st</sup> and 2<sup>nd</sup> year Independent students may borrow an additional \$6,000.00 in unsubsidized loans and students in their 3<sup>rd</sup> year or above may borrow an additional \$7,000 in unsubsidized loans per year. Students whose parents were denied a PLUS loan may borrow an unsubsidized loan at the independent level.

#### Yearly Loan Limits for the Federal Direct Student Loan Program

| Dependent Undergraduate Students                      | Subsidized | Yearly Total |
|---|------------|--------------|
| 1 <sup>st</sup> year students with 0-29 hours earned  | \$3,500.00 | \$5,500.00   |
| 2 <sup>nd</sup> year students with 30-59 hours earned | \$4,500.00 | \$6,500.00   |
| 3 <sup>rd</sup> year+ students with 60+ hours earned  | \$5,500.00 | \$7,500.00   |
| Independent Undergraduate Students                    | Subsidized | Yearly Total |

| Dependent Undergraduate students   | \$23,000.00       | \$31,000.00           |
| Independent Undergraduate students | \$23,000.00       | \$57,500.00           |
| Graduate students                  | ** \$65,000.00    | \$138,500.00          |

\*\* For subsidized loans received before July 1,2012.

#### Loan Entrance Counseling Sessions

Federal regulations require all students receiving a Federal Direct Subsidized or Federal Direct Unsubsidized Loan to participate in a loan entrance counseling session prior to receiving the first distribution of the loan. No federal student loan can be disbursed until this requirement is met. A student accepting a loan award for the first time at TMU can complete the loan entrance requirement by accessing the online counseling at <u>www.studentaid.gov</u>. This will connect the student to the official loan entrance-counseling site where the required information will be covered. The student will be asked to provide certain information, including reference addresses for future use. The student may print a copy to retain for his/her records. Students who have questions about loans or the loan entrance counseling information/process may contact the Financial Aid Office at 1.706.865.2134.

#### Master Promissory Note

Federal regulations also require that each student sign a Master Promissory Note (MPN) to receive Federal Direct Subsidized or Federal Direct Unsubsidized Loan. The MPN, in addition to the Loan Entrance Counseling, helps students understand the federal direct loan borrowing process. The student will need to complete the MPN at <u>www.studentaid.gov</u> using their FSA ID.

#### Loan Exit Counseling Requirements

The U.S. Department of Education requires all Stafford Ioan and/or Federal Direct student Ioan borrowers that drop below six (6) credit hours of enrollment to complete an Exit Interview. This may be done by logging onto <u>www.studentaid.gov</u>. Failing to repay your Stafford Ioans can result in bad credit, garnished wages, and garnished tax refunds, which can prohibit the purchase of a home, car and in some instances obtaining employment.

Students may obtain information about their loans from the National Student Loan Data System (NSLDS) at <u>www.nslds.ed.gov</u>. NSLDS is a repository of information from many sources and will contain the most current data available on student loans. If a student wants to dispute his or her loan indebtedness, the student may contact the Financial Student Aid Ombudsman by e-mail at <u>https://studentaid.ed.gov/sa/repay-loans/disputes/prepare/contact-ombudsman</u> or by calling 1-877-557-2575 or in writing to U.S. Department of Education FSA Ombudsman, PO Box 1843, Monticello, KY 42633.

## Postponing Loan Repayment (Forbearing and Deferment)

Under certain circumstances, a student may receive periods of deferment or forbearance that allow the student to postpone loan repayment. These periods do not count toward the length of time the student has to repay the student loan. A student cannot obtain a deferment for a loan that is already in a defaulted status.

## What is Deferment?

A deferment is a period of time during which no payments are required and interest does not accrue (accumulate), unless the student has an unsubsidized Stafford/Federal Direct Loan. In that case, the student must pay the interest. To qualify for a deferment, the student must meet specific eligibility requirements.

## How Do I Qualify for Deferment?

The most common loan deferment conditions are enrollment in school at least half-time, inability to find full-time employment (for up to three years) and economic hardship (for up to three years).

## **General Eligibility Requirements**

Students applying for assistance from any federal program must file either the Free Application for Federal Student Aid (FAFSA) or the Renewal FAFSA on a yearly basis. In addition, students must meet general eligibility requirements which include:

- U.S. citizenship or eligible non-citizen status;
- Enrollment in a degree-seeking program;
- Ability to benefit (being academically qualified);
- Having earned a high school diploma or the GED or having passed an independently administered exam approved by the Department of Education. Truett McConnell does not offer a GED program. Students should check with their local high school to obtain information on how to acquire their GED;
- Making satisfactory academic progress;
- Not being in default on a student loan or owing a grant overpayment;
- Having a valid Social Security number;
- Being registered with the Selective Service, at <u>www.sss.gov</u>, as required (males need to register by their 18<sup>th</sup> birthday).

## TITLE IV LOAN CODE OF CONDUCT

Truett McConnell University's employees are required to comply with the following code of conduct set by the Higher Education Opportunity Act with regard to participation in Title IV programs that prohibits conflict of interest for financial aid personnel and those who have responsibilities with respect to educational loans [HEOA § 487(a)(25)]. In compliance with federal law Truett McConnell University agrees to follow these specific policies [HEOA § 487(e)].

- 1. Truett McConnell University as an institution or the individual representatives and employees, officers or agents shall not enter into revenue-sharing arrangements with any lenders; revenue-sharing means that the institution recommends a lender to a student or family in order to profit from the lender individually or as an institution.
- 2. No officer or employee of Truett McConnell University who has responsibilities with respect to education loans, or any of their family members, shall solicit or accept any gift, gratuity, favor, discount, entertainment, hospitality, loan, or other item having a monetary value of more than \$10, from a lender, guarantor, or servicer of education loans.
- 3. No officer or employee of Truett McConnell University who has responsibilities with respect to education loans, shall accept from any lender or affiliate of any lender any fee, payment, or other financial benefit (including the opportunity to purchase stock) as compensation for any type of consulting arrangement or other contract to provide services to a lender or on behalf of a lender relating to education loans.
- 4. Truett McConnell University will not for any first-time borrower, assign a student loan to a particular lender without the borrower's request, or refuse or delay certification of a loan based on the lender that the borrower chose.
- 5. Truett McConnell University will not request or accept any funds to be used for private education loans, including funds for an opportunity pool loan, from a lender for students in exchange for the institution providing privileges or promises regarding providing the lender with a specified number of loans made, insured, or guaranteed under Title IV; a specified loan volume of such loans; or a preferred lender arrangement for such loans.

- 6. Truett McConnell University will not solicit or accept any assistance with call center staffing or financial aid office staffing from any lenders.
- 7. Any employee who has responsibilities with respect to education loans or other student financial aid, and who serves on an advisory board, commission, or group established by a lender, guarantor, or group of lenders or guarantors, are barred from receiving anything of value from the lender, guarantor, or group of lenders or guarantors, except that the employee may be reimbursed for reasonable expenses incurred while serving on the advisory board, commission, or group.

#### STATE OF GEORGIA GRANTS AND LOANS\* (\*Information is subject to change; tentative award amounts as of June 16, 2020)

#### Georgia Tuition Equalization Grant (GTEG)

The 2021-2022 amount for the GA Tuition Equalization Grant is \$850 for each full-time student who is a legal resident of the state of Georgia and meets ALL other requirements. The semester amounts are as follows: 2021 Fall semester – \$425, 2022 Spring semester – \$425.

#### Student Access Loan (SAL)

The Student Access Loan (SAL) is a loan through the state of Georgia. Eligible students can receive up to \$8,000 per year. The loan has a 1 percent fixed interest rate, and requires the student pay \$10 a month in keep in touch (KIT) payments. Students can apply for the loan through www.gafutures.org during times of open enrollment. Selections are on a "first-come" basis, as long as there are remaining state funds, and students are not guaranteed of receiving this loan.

#### Zell Miller Scholarship

The Zell Miller Scholarship of \$5,616 requires a GPA of 3.7, meet rigor requirements, and a 1200 SAT score or a 26 ACT score. Students must be full-time or part-time, be in a degree seeking program and maintain 3.3 GPA at the end of each spring semester and 30, 60 and 90-hour check points. If a student loses the Zell Miller scholarship but is eligible for HOPE, the student may receive HOPE in its place. After the student attempts 127attempted credit-hours they will no longer be eligible for Zell Miller scholarship. Full-time students, 12 or more semester hours, will receive \$2,808.00 per semester and part-time students, 6 through 11 semester hours will receive \$1,404.00 per semester.

#### HOPE Scholarship

Students graduating from an approved GA high school in 1996 or later with a 3.0 GPA and meets rigor requirements may qualify for a HOPE Scholarship of \$4,304 per year for 2021-2022. Students must be full-time three-quarter time or half-time, be in a degree seeking program, and maintain a 3.0 GPA at the end of each spring semester and at the 30, 60, and 90-hour checkpoints. HOPE can only be earned at the 30, 60, 90-hour checkpoints. After the student attempts 127 credit-hours they will no longer be eligible for HOPE scholarship. HOPE scholarship will not pay for remedial classes, nor will they count toward HOPE attempted hours or HOPE GPA. Full-time students, 12 or more semester hours, will receive \$2,152.00 per semester and part-time students, 6 through 11 semester hours, will receive \$1,077.00 per semester

## TMU INSTITUTIONAL FINANCIAL AID

A student who is placed on probation or suspension by the Office of Student Development for behavioral conduct immediately forfeits any and all Institutional Financial Aid for the remainder of the current semester and the subsequent semester of enrollment. The award will be prorated for the semester according to the catalog policy in determining the amount of aid forfeited. Institutional aid will be renewed if the student has maintained satisfactory progress and maintained the appropriate GPA for the Truett McConnell University scholarship the student was initially eligible for. This standard is consistent with the development of Christian scholars and therefore more rigorous than the standard for receiving federal or state funded aid.

Application for these scholarships can be made using the Truett McConnell University Application for Financial Aid found on the "Net Partner" TMU Student Financial Aid Portal.

## ADDITIONAL FINANCIAL AID

## Faculty/Staff Dependents Grant

Tuition remission is available for qualifying faculty and staff. Please see the Employee Handbook for further information.

#### **Family Discount**

When two or more dependent students from the same family attend the University, the students will be awarded a grant toward tuition provided they submit all applicable financial aid forms. Amount may vary according to total financial aid awards.

#### Son/Daughter/Spouse of Baptist Minister/Missionary Scholarship

Dependent sons, daughters, and spouses of Baptist ministers or missionaries may receive tuition scholarships of up to \$500 each semester. Recipients must be enrolled full time.

## Ty Cobb Scholarships

Full-time students who are residents of Georgia, have already completed at least one year of work in an accredited university and maintained a B or better average, are eligible to apply for a Ty Cobb Scholarship. Application for the August-May academic year must be filed no later than the preceding June 15 with the Ty Cobb Foundation, P.O. Box 725, Forest Park, GA 30298.

#### **Veterans Administration Benefits**

Truett McConnell University is approved for veterans and children of disabled or deceased veterans who are eligible under the G.I. Bill and is a participant in the Yellow Ribbon Program. Truett McConnell University "will not impose any penalty, including the assessment of late fees, the denial of access to classes, libraries, or other institutional facilities, or the requirement that a covered individual borrow additional funds, on any covered individual because of the individual's inability to meet his or her financial obligations to the institution due to the delayed disbursement of a payment to be provided under Chapter 31 or 33." --Veterans Benefits and Transition Act of 2018, Title 38 U.S. Code Section 3679(e). Consult the V.A. representative in the Registrar's Office for more information

## ALTERNATIVE LOANS

Alternative loans, also referred to as private or outside loans, may be beneficial to students, who have borrowed the maximum federal direct loan amount for the award year, are enrolled for less than 6 hours, have a parent plus loan denial or need additional funds to meet additional educational costs. Typically, alternative loans have higher interest rates than Federal Direct Student Loans and sometimes require a minimum payment of interest while in school. A loan co-signer, with good financial credit, is usually required of student borrowers. Students should consider Federal Direct Loans before considering alternative loans. The college has no involvement in applying for or obtaining alternative loans for students. Once the student has applied for an alternative loan through a loan lender, the lender will send the loan information to the school, through the ELM Resources ELMNet interface, to certify the loan.

Alternative loans are not part of the federal direct lending program. They are governed by federal regulations but are funded by private organizations. Alternative loans are designed to help students and families with educational expenses after federal, state and institutional financial aid has been awarded. Historically interest rates are based on credit and set by the lender. Students are encouraged to research interest rates for lenders before choosing a lender. The borrower is responsible for all the accruing interest.

Alternative loans cannot be included in federal loan consolidation. The lender will have to determine if they will participate in deferment for students who are attending graduate school. Most alternative loans will require a credit worthy cosigner and credit will be reviewed each time borrowers apply for an alternative loan.

Truett McConnell University maintains a historical list of lenders who are still active in alternative loan lending and have participated in alternative loans for our students in the past. This list is not a preferred lender list. Instead, it is a list of lenders who have participated with our students in the past. We do not endorse any lender and the list provided is not an exhaustive list of alternative student loan lenders. We encourage our students to research the lenders, their interest rates, fees, and approval ratings; and then choose the lender that best fits their needs. The lender does not have to be on this historical list of lenders and TMU agrees to participate with any lender that the student chooses. The lender will need to use the ELM Resources ELMNet interface to send the loan information to the school.

## DELIVERY OF FEDERAL GRANTS, LOANS AND INSTITUTIONAL FUNDS

All loans, grants, and scholarship funds are provided to the student by crediting the student's account. Funds will be credited to student's accounts no earlier than ten business days before the first day of classes. However, most funds are disbursed (credited to the student's account) at least one week after the drop-add period. Enrollment verifications will be done before aid can be disbursed. First year, first time borrowers of Federal Direct Student Loans may not have their loan funds disbursed until 30 days after the first day of classes.

## BOOKS

Students who are Pell Grant recipients may be eligible to receive funds to pay for books and supplies, if the total federal aid exceeds the student's cost of attendance and creates a credit on the student's account. Students must have all financial aid documents submitted to the Financial Aid Office no later than 10 days prior to the first day of the semester. Students can request a book voucher via email at <u>BusinessOffice@truett.edu</u> or in person 10 days prior to the beginning of each semester. The Business Office will review requests and grant book voucher to eligible students. Students can opt-out of getting a book voucher by informing the Business Office or not requesting a voucher. Information regarding book vouchers is sent to students each semester and is listed on the award letter for Pell Grant recipients.

The student life program is an important part of the total educational experience of the student. Truett McConnell University encourages growth of the whole person. To that end, the University offers a variety of services to support student success, as well as programs designed to assist students in developing life skills and service to God and to others. Students are encouraged to participate in programs and activities that best suit their needs, interest, and time.

## STUDENT DEVELOPMENT

The University offers the following services to support students in their academic and life-skills development.

#### New Student Orientation

Orientation is the process of becoming acquainted with a new situation or environment. Truett McConnell believes so strongly that orientation to the University is a vital part of the new student's experience that it requires all students entering TMU for the first time to participate. The orientation program allows students to learn about the people and processes that will be central to their experience as students.

#### Procedures for Protecting the Privacy of Students Enrolled in Online and On-Campus Courses

Faculty members teaching online courses, as well as maintaining online components for on-campus courses, are responsible for creating and maintaining an online teaching and learning environment that provides for the privacy and security of students' personal data and coursework. Accordingly, instructors will enforce the provisions of the Family Educational Rights and Privacy Act (FERPA) of 1974, which is designed to protect the privacy of students' educational records. The University's policies and procedures are used to ensure that students' FERPA rights are protected. The policy and procedure is outlined in the undergraduate and graduate catalogs and is applied to online and on-campus courses alike.

To further ensure student privacy in online courses and online components for on-campus courses, these procedures shall be followed:

- 1. In all University-related business and classroom interactions conducted via e-mail, students and instructors are required to use their Truett McConnell University email account. Email encryption should be used any time sensitive or personal information is included in the email.
- Protection of student information, course data, and student participation is required by all Truett McConnell faculty and staff involved in the design, development, delivery, and administration of courses through the online platform. Truett McConnell will only authorize the use of learning management systems which require unique log-in names and secure passwords that meet industry standards for length and complexity.
- 3. Upon initial login, students and faculty are given the opportunity to change their password. Truett McConnell University keeps no record of the student's password once it has been changed. A forgotten password can be reset through the "Forgot my password" link upon login, which will require verification of the student's identity through a previously provided phone number, alternate email, or a series of security questions before they can reset their password. Students are responsible for keeping their password confidential. Instructors shall ask students never to reveal their login names and passwords to anyone.Student postings to discussion boards, chat rooms, and class forums shall be accessible only to members of the class, the course instructor(s), the program coordinator and anyone specifically authorized and responsible for student learning assessment or oversight of the academic quality and integrity of the course.
- 4. Instructors shall use the gradebook provided by the learning management systems, which prohibits students from accessing other students' grades. Posting of class-wide grade reports in any form is prohibited.
- 5. Grades for discussion board participation, online student examinations, and written assignments are confidential, and are only accessible by the individual student, the course instructor(s), the program coordinator and anyone specifically authorized and responsible for student learning assessment or oversight of the academic quality and integrity of the course.
- 6. Material from online courses and online components for on-campus courses provided by course instructors to be used in program assessment reports will not include the identity of individual students; program coordinators will be responsible to ensure that no information specific to identified students will be included in such reports.

Truett McConnell University may occasionally update this Statement of Privacy, and encourages you to periodically review this Statement to remain informed of how Truett McConnell University is protecting your information.

#### Automobile Policy

Students may operate an automobile on campus if they comply with vehicle regulation, parking, and other regulations as determined by the Director of Public Safety. A full description of automobile regulations is in the *Student Handbook*.

## **Campus Safety and Security**

Truett McConnell University employs Public Safety personnel, but those personnel may not be on duty at all times. For more information about University safety and security, contact the Office of Administrative Services.

## **Special Support Services**

The Office of Special Support Services at Truett McConnell University provides reasonable accommodations to students identified as having a disability. The request for accommodations is provided upon presentation of appropriate documentation of disability. The variety of accommodations offered for students with disabilities include, but are not limited to, assistance with both academic support and student life. The accommodations are determined on an individual basis. The Office of Academic Services, located in Miller Hall, room 108, will assist students with scheduling an appointment with the Office of Special Support Services. A Disclosure of Disability form is included in the admissions package provided to students or can be obtained on line at <u>truett.edu</u>.

## **Student Housing**

Student housing is available for traditional undergraduate students ages 17-24. Instructions on applying for student housing as well as paying the enrollment fee can be found in the letter of acceptance. Since the residence hall program is designed for traditional-age students, the Office of Student Development reviews requests for residence hall housing by older status.

Resident students are required to take a full class load unless exempted by the Office of Student Services in consultation with the Registrar.

An application for student housing will be mailed to the student with the letter of acceptance and should be returned with the student enrollment fee. Housing applications will not be processed until the student enrollment fee is received.

## **Commuter Housing Policy**

Truett McConnell University believes that living in campus housing and becoming an active member of the campus community is an integral part of the educational experience. Therefore, all students are required to live in campus housing unless they meet one of the following conditions:

- Living with and commuting daily from the residence of a parent or legal guardian
- Over 22 years of age
- Married
- Taking 11 hours or less coursework per semester
- Completed 90 or more semester hours of coursework
- Student teaching

Exceptions to this policy are made at the discretion of Truett McConnell University when special circumstances exist. Any student found to be in violation of this policy will be suspended for the remainder of the current semester and one additional semester. Commuter policies are waived during the summer term.

## Carol Anne's Cafe

A campus dining plan is required for all resident students except for those living in Twin Springs Apartments or Heritage Condominiums and junior/senior Education and Nursing majors involved in student teaching or clinicals. The student ID card allows the resident entrance to the serving line. Commuter students, University employees, and guests may eat in the dining hall by paying on a per-meal basis.

## STANDARDS OF BEHAVIOR

University values and standards of student conduct are congruous with Truett McConnell University's identity and mission. These values and standards support a life style of "disciplined scholarship and Christian discipleship."

#### **General Expectations**

Whenever Truett McConnell University grants admission to a student, the following assumptions are made:

- Each student, by virtue of his/her choice to enroll at Truett McConnell University, accepts standards of conduct that the University views as necessary to the educational process in a group setting and agrees to abide by the TMU Student Handbook.
- Students enrolling in the University are obligated to conduct themselves in a manner compatible with the University's function and purpose. The behavioral norms expected of students are those of common decency and decorum, recognition of and non-infringement upon the rights and property of others and of the University, honesty in academic work and all other activities, observance of local, state, and federal laws, and respect for and conduct according to the Christian values of the University. Student conduct is not considered in isolation within the University community but as an integral part of the education process. Disruption of the educational process, destruction of property, and interference with the orderly process of the University or with the rights of other members of the University will not be tolerated.
- The honor of the University as an institution becomes the personal responsibility of each student. As such, the student's conduct will be in keeping with the standards of the University. Conduct standards are outlined in the *Student Handbook*.

#### **Specific Policies**

The following policy statements offer guidelines for keeping personal or group behavior, on or off campus, in line with values of the institution. Full details with respect to student behavior as well as examples of inappropriate conduct are found in the Student Handbook, which is available through the Office of Student Services and the TMU website.

#### Policy for a Drug-Free Campus and Alcohol Policy

The University's alcohol and drug prevention program and policy are intended to educate members of the University community about the health risks associated with the use and abuse of alcohol and other drugs and about the resources available for counseling and therapy. In addition, in order to assure a work and learning environment that promotes the University's mission and proper function, the University prohibits the use, possession, or distribution of alcoholic beverages and/or illicit drugs on campus and off campus. Any student found possessing, distributing, or under the influence of alcohol or drugs shall be subject to full disciplinary action. NOTE: All city, county, state, and federal laws will be enforced. Additional information on the University's alcohol and drug prevention program and policy is available in the *Student Handbook*.

#### Weapons Policy

The State of Georgia has made it a criminal act for certain persons to bring weapons or certain other items that may resemble weapons, onto a college campus. The Official Code of Georgia § 16-11-127.1 is broad in its definition of "weapons"; for example, a knife with a blade more than two inches in length is illegal. Other types of illegal weapons include pistols, revolvers, bows, and slingshots; clubs or other bludgeoning-type weapons; nun chucks, fighting chains, or "throwing stars," stun guns/tazers. The University has adopted the prohibitions defined in this act as University conduct expectations for the violation of which the University may discipline students. Further, the violation of the act by any person may be reported to the police. The full act, describing all the prohibited weapons and the exceptions to the act, is available in the Office of Student Services.

#### Harassment Policy

No student or group of students shall intentionally create a situation or take part in any activity that produces mental or physical discomfort, embarrassment, ridicule, suffering, or unduly annoy, alarm or infringe upon the freedom of another to pursue professional and personal goals. Harassment may include, but is not limited to insulting, taunting, physically challenging, approaching, making unwelcome advances, or requesting sexual favors.

#### Guest

Truett McConnell University, as private property, reserves the right to restrict access onto its campus. By virtue of enrolling at the University, the student has agreed to be regulated by the University's standards of conduct, policies, and regulations and to the University's authority in enforcing these standards, policies, and regulations. Guests of students must also conform to these standards, policies, and regulations, and the host student is responsible for seeing that his or her guest does so. The University may require any person not acting in compliance with the University's standards, policies, and regulations to leave the campus. Failure to leave may result in arrest for trespassing.

# **Student Life**

## Search/Seizure

The administrative staff of the University may search any student's property (possessions, residence hall room/apartment, or vehicle) at any time if there is reasonable suspicion that University standards/policies are being violated or a danger exists. Any material determined to be contraband may be seized in the search. In cases where University officials have reason to believe that a law is being or has been violated, they may request local law enforcement to become involved in the situation.

#### **Sexual Harrassment**

Truett McConnell University strives to maintain high standards of professional ethics in an atmosphere in which individuals do not abuse their personal authority or power in interpersonal relationships. Accordingly, the University prohibits sexual harassment by any member of the University community, whether faculty, staff, or student.

Sexual harassment is defined as any unwelcome sexual advance or other unwelcome verbal or physical conduct of a sexual nature when 1) a reasonable individual would believe that his/her response to the conduct will affect his/her employment or academic status; or 2) the conduct creates an intimidating or hostile environment for work or learning. Sexual harassment can be verbal, visual, physical, or communicated in writing or electronically. Although sexual harassment may violate state or federal law, the University may consider conduct to be sexual harassment whether or not it rises to the level of illegal sex discrimination. Complete policy statements regarding illegal discrimination and harassment are contained in the *Student Handbook*. Address questions to the Office of Student Services.

#### **Tobacco Policy**

The use of tobacco, including smoking and smokeless tobacco, is prohibited on the campus of Truett McConnell University for all employees, students, and visitors. The use of vapes, e-cigarettes, and all vaping paraphernalia is also prohibited on campus. The possession of such items is prohibited in all university buildings.

## **STUDENT ACTIVITIES**

## **Student Events**

Students work with Student Services to plan and implement a full schedule of social and recreational activities. Activities include movies, fellowships, special meals, competitions, etc.

#### **Intramural Sports**

The University encourages interest in sports by affording students opportunities to participate in a variety of intramural sports. The intramural program includes, but is not limited to flag football, volleyball, basketball, indoor soccer, and ultimate Frisbee.

#### **Intercollegiate Athletics**

Intercollegiate athletics strives to maintain a diverse and vigorous program involving the most athletically talented student-athletes. The athletic programs help enrich the student's collegiate experience. The student is expected to place a priority on academics while participating in an athletic program, thus striving for excellence as a student and as an athlete.

TMU participates in the Appalachian Athletic Conference (AAC) in the following sports: basketball, baseball, cross-country, cycling, golf, soccer, softball, track & field, and volleyball. TMU also participates in the Mid-South Conference (MSC) in the following sports: lacrosse and wrestling. All these fall under the governing body of the National Association of Intercollegiate Athletics (NAIA).

## Chapel

Chapel provides opportunity for Christian worship, spiritual formation, and theological development for students, faculty, staff, and administration. A variety of pastors, Christian leaders, faculty, and students will speak and encourage those at Truett McConnell University to grow in grace, knowledge and understanding of God and their duties to Him as Lord.

Chapel attendance is mandatory. The chapel services meet on Tuesdays at 9:30 AM. Each semester the chapel schedule is provided to the students and is posted campus wide. Because the University views chapel as an integral part of the community's life and development, all full-time day students are required to attend these programs. Successful Chapel attendance is required for graduation.

## SEMESTER SYSTEM

Truett McConnell University operates on a semester calendar in keeping with the academic calendar of most other universities throughout Georgia and the United States.

## **Definition of Courses**

**Traditional** – A systematic plan of study which may utilize lecture, discussion, laboratory, recitation, seminar, workshop, studio, independent study, internship, or other similar teaching formats to facilitate learning for the student in a traditional face-to-face classroom environment. On campus students cannot take more than 18 hours of online courses for their entire time here at TMU.

**Online** – Taught asynchronously and as such have no face to face instructional component. Students in online classes are assigned work that equated with 37 1/2 hours of out-of-class work per semester hour.

**Hybrid** – A traditional semester or accelerated course in which instruction is delivered through a combination of face to face instruction and distance learning and in which more than 25% of the instruction occurs through distance learning.

Cross-listed - Courses that are listed in two disciplines (e.g. CS 331: History of Christianity I and HI 331: History of Christianity I)

**Combined** – Courses combining instruction of undergraduate and graduate students clearly differentiate the course requirements for both groups and require the graduate students to perform work at a substantially higher level of complexity and maturity.

Accelerated – Course taught in under 16 weeks (e.g. summer, practicums, winterims) but still meeting the required number of credit hours.

#### **Course Level Definitions**

The number by which a course is designated indicates the level of the course:

- 039-099: Remedial courses (institutional credit only)
- 100-499: Undergraduate Courses

Lower-division courses primarily for freshmen and sophomores:

- **100-199:** Primarily introductory and beginning courses
- 200-299: Intermediate-level courses

Upper-division courses primarily for juniors and seniors:

- 300-399: Advanced-intermediate-level courses
- 400-499: Advanced-level courses

## Summer Term

Truett McConnell University offers a summer program. The intention of the summer program is threefold:

- To provide an opportunity for students to enroll in the University immediately after their high school graduation.
  - To provide an opportunity for students to complete their university program at an accelerated rate.
- To provide an opportunity for students to address weaknesses and strengthen skills in academic areas basic to university success, such as English, mathematics, and study skills.

The summer program may include courses at all levels.

## ATTENDANCE POLICY

The University has adopted the following policy for monitoring student attendance for determining a withdrawal date. A student who misses, for any reason, more than any of the following may be dismissed from the class at the instructor's discretion:

- 6 absences for a 4-meetings-per-week class (lab courses)
- 5 absences for a 3-meetings-per-week-class
- 3 absences for a 2-meeting-per-week class
- 2 absences for a 1-meeting-per-week class

If a student enrolls in a course after the term has begun, the number of classes the student missed before enrolling reduces the number of absences that make the student eligible for dismissal.

If a student enrolls in a course after a session has begun, then the number of absences allowed is reduced by the number of class periods that already occurred before adding the course. For example, if a student adds a course that meets 4 times per week after the class has

already met twice, the number of absences allowed would be reduced from 6 to 4. The instructor must complete a dismissal form and a course withdrawal form indicating the last day of attendance. In an accelerated session (i.e. summer school), a student may miss no more than ten percent of allotted class time.

## **Online Attendance Policy**

Students are required to log into class during the first week and complete the Course Requirements Checklist questionnaire as well as any assignments for that week. At the end of the first week, the course will be reviewed to determine if the student has attended. If the student had not attended, the student will be dropped from the course roster and will not be allowed to submit further course work. This action may have financial aid implications. Students are expected to log into the classroom a minimum of twice a week. Some courses may require that you log on more often based on the coursework requirements. Most courses have course work due weekly throughout the term. Students who have not logged on for 10 consecutive days will be dismissed from the course and assigned a grade of WF (withdrew failing).

## STUDENT CONDUCT

In accordance with the general regulations for admission and enrollment, Truett McConnell University encourages positive values of human development and individual freedom in accordance with its commitment to the teachings of the Christian faith. Students are

expected to behave responsibly, to recognize the worth of each individual, including persons who are different in cultural background, attitude, and opinion, and to demonstrate mutual respect for one another, faculty, and staff. Please refer to the *Student Handbook* for specific policy and standards.

## PENALTY FOR CHEATING AND PLAGIARISM

Cheating (giving or receiving aid not approved by the instructor) will be handled directly by the faculty member concerned. However, if a student cheats or plagiarizes, the faculty member must report the incident to the Vice President for Academic Services. The minimal penalty for a first offense is to receive a "0" for the assignment/quiz/test; the minimal penalty for a second offense is failure of the course; the minimal penalty for a third offense is removal from school. The incidents will be cumulative from all courses and all previous semesters/years at TMU. The Office of Academic Services will keep records of all offenses. The following items have been identified as the more common forms of cheating and/or plagiarizing; however, other forms of cheating and/or plagiarizing may be identified by the individual instructors:

- Asking for information from another student during a test situation.
- Copying answers from another's paper during a test situation.
- Knowingly allowing someone to copy from one's paper during a test situation.
- Using sources other than those permitted by the instructor in a test situation.
- Copying material exactly or essentially or paraphrasing from outside sources and omitting appropriate documentation and punctuation (plagiarism).
- Copying or falsifying a report for a laboratory, clinical project, or assignment without doing the required work.
- Changing answers on a returned, graded test or assignment in order to have the grade revised.
- Obtaining in any manner a copy, in part or in whole, of a test which has not yet been released or given by an instructor. Not stopping as instructed in a timed test or writing situation.
- Submitting work actually prepared outside class as work required to be done during class time.

## PROCESS FOR DROP/ADD

The drop/add period is the first five days of fall and spring semesters, the first two days of summer semester, and the first day of class for online. During the drop/add period students make schedule changes online via Self Service. No student may change courses after the published "last date for drop/add" (see current academic calendar).

## PROCESS FOR WITHDRAWAL

Process for Voluntary Withdrawal from a Course:

- A student desiring to voluntarily withdraw from a course during fall or spring semester must do so no later than 12 weeks after classes begin as published in the University catalog. Corresponding voluntary withdrawal dates for summer and online sessions are given in the University calendar.
- The student must obtain a course *Drop/Add* form from the Registrar's Office and secure signatures from the advisor, the course instructor, and the assistant athletic director if student is an athlete before submitting it to the Registrar's Office. Class absences

will continue to accrue until the process is completed. Voluntary withdrawal from a course does not supersede involuntary withdrawal from a course. Online students should email their request to <a href="mailto:registrar@truett.edu">registrar@truett.edu</a>.

- Upon completion of the process, the student will receive a grade of "W".
- Process for Involuntary Withdrawal from a Course:
- The instructor will assign a grade of "WF" or "WP" for any student who is involuntarily withdrawn from a course for violation of the attendance policy or for disciplinary reasons. An appeal of a grade of "WF" due to involuntary withdrawal must include appropriate emergency/medical documentation and must have the support of the faculty member. (See Academic Grade Appeal) Process for Requesting and Incomplete:
  - A student may receive an "I" for extenuating reasons with the approval from the instructor and the Vice President for Academic Services. Incomplete indicates that the student was doing satisfactory work at the end of the semester, but was unable to complete the course due to illness or other circumstances beyond their control. An incomplete is not given as a substitute for a failing grade. An incomplete is not based solely on a student's failure to submit work or as a means of raising his or her grade by doing additional work after the grade report time. It is the student's responsibility to make appropriate arrangements with the instructor to complete the course. An "I" may be entered on the student's record only after a *Request for Grade of "I*" form has been submitted by the faculty member to the Vice President of Academic Services. The student is allowed one month after the beginning of the following semester to complete the course requirements and remove the "I" from his or her record; failure to do so will change the "I" to "F" at the end of the allotted period.

Process for Withdrawal from University:

- If for any reason a student withdraws voluntarily in good standing from the University during a semester, he or she must obtain an *Application for Withdrawal* form from the Registrar's Office in order to declare intent to voluntarily withdraw from the University. The *Application for Withdrawal* form must be approved by the Financial Aid designate, Student Development designate, Library designate and the Business Office designate in order to complete the voluntary course withdrawal process. The student must clear all accounts before completing withdrawal from the University. Official transcripts may be withheld if a student does not complete all steps of the withdrawal process. Online student should email their withdrawal request to registrar@truett.edu.
- The decision to withdraw from the University is extremely serious. The student is encouraged to converse with an academic advisor, Student Services personnel, and appropriate academic personnel before making the final decision.

## WITHDRAWAL FOR MILITARY SERVICE

Students called to active military service during any given semester shall be credited the full amount of any tuition. Room and board shall be prorated. In these instances, financial aid received shall be returned to the provider. Student must provide proof of active military status along with a completed *Application for Withdrawal* form to the Registrar's Office.

## SECOND CHANCE

Truett McConnell University provides an opportunity for students to petition for academic forgiveness under the Second Chance Program. Student are eligible for the program one time during their academic tenure at Truett McConnell University. Any student desiring to participate in the Second Chance Program must submit his or her request to the Office of the Registrar. To be eligible for the program, the student must have completed a minimum of three years separation from his or her academic career before petitioning for the program. Students who participate in Second Chance will not be eligible for graduation with honors and other honors such as Who's Who, etc. (The student will sign a statement on the *Petition for Participation-Second Chance Program* that states that he or she understands these terms of the agreement). A student who is approved for participation in Second Chance will have his or her transcript altered by changing grades of A, B, C, D, F, and WF to ZA, ZB, ZC, ZD, or ZF respectively. A statement will be included on the transcript to indicate that coursework prior to participation in the program has been altered to delete grades in the computation of the cumulative grade-point average; the grade-point average calculation will be "restarted" at 0.00. All courses and grades with "\*" notation will remain on the transcript. Coursework earned prior to participation in Second Chance may be used to satisfy graduation requirements. NOTE: Students who do not re-enroll at Truett McConnell University will not be eligible for the Second Chance Program.

#### ACADEMIC GRIEVANCE APPEAL

## Policy

An academic grievance appeal pertains only to student-initiated grievances against faculty regarding academic issues other than grades. A request for review of an academic grievance may be considered only for grievances from the current or previous semester. Grievances related to summer courses may be reviewed during the fall semester.

#### **Procedures**

- 1. The student must meet with the course instructor and seek to resolve the issue. (If the University no longer employs the instructor, the student should go directly to the appropriate Dean).
- 2. The student may appeal to the Dean of a School if efforts to resolve the issue prove to be unsatisfactory to the student.
- 3. If the Dean of a School is unable to resolve the issue, the case may be appealed to the Vice President for Academic Services.

- 4. The Vice President for Academic Services must be supplied copies of all materials submitted previously, and either party may supplement these materials as desired. Also, the Dean of a School will provide to the Vice President of Academic Services the written record of the meeting held with the student and faculty member, in addition to a summary account of his or her conclusions and recommendations.
- 5. The conclusion and recommendation of the Vice President of Academic Services is binding upon the parties of the appeal.

## ACADEMIC GRADE APPEAL

Policy

Request for review of an academic grade pertains only to grades from the previous semester of study. Grade appeals related to summer courses may be reviewed during the fall semester. Appeals based on grades earned as a result of an Incomplete "I" will be reviewed in a timely manner.

Procedures

- 1. Student should meet with the course instructor and seek to resolve the grade issue.
- 2. If student is not satisfied with the reasons for denial of the request, the student may obtain a copy of the Academic Grade Appeal form from the Office of Vice President of Academic Services.
- 3. The student should complete the form and give it to the appropriate Dean. The Dean will make a decision on the grade and file the form with the Office of Academic Services. The student may appeal the decision of the Dean to the Vice President for Academic Services. The Vice President for Academic Services must be supplied copies of all materials submitted previously, and either party may supplement these materials as desired. Also, the Dean of a School will provide to the Vice President of Academic Services the written record of the meeting held with the student and faculty member. If appealed the Vice President for Academic Services will meet with the student and the Dean.
- 5. The conclusion and recommendation of the Vice President of Academic Services is binding upon the parties of the appeal.

## ACADEMIC ADVISING

Upon enrolling at Truett McConnell University, students are assigned academic advisors who assist them in choosing a course of study. However, the ultimate responsibility for academic progress is the student's. Each semester, before registration, students should meet with their advisor to review progress, evaluate goals, and choose classes. The advisor is available by appointment throughout the year to assist in many ways.

In order to make satisfactory progress toward degree completion, students should only register for classes required in their declared degree plan. Students who have not declared a major should register for general education core classes. Advisors should only approve classes that are required for graduation.

## TRANSIENT PERMISSION

Students wishing to study temporarily at another institution and transfer credit back to Truett McConnell University may wish to attend that institution on *transient permission*. Students should consult their academic advisor to determine appropriate courses before contacting another institution for course availability. The student, in consultation with his/her academic advisor, is responsible for enrolling in courses appropriate to the degree program, in proper sequence, meeting all prerequisites. Students should complete an *Application for Transient Permission* in consultation with their advisor, and submit it to the Office of the Registrar for approval. Only students in good academic standing (minimum GPA of 2.0) with intention to return to TMU can be granted permission. Students should follow appropriate admission guidelines for the other institution. Upon completion of transient courses, the student must make written request to that institution for a transcript of grades to be forwarded to the Office of the Registrar, 100 Alumni Drive, Cleveland, GA 30528. All transient courses will be transferred back to TMU and the grades will be recorded as transfer credit. Credits are transferred, but not grades. Only credits earned at TMU are computed into the institutional grade-point average.

## INDEPENDENT STUDY

- 1. Independent study will be approved for only junior and senior level students who need the class for graduation and have a 3.0 GPA or better.
- 2. Under special circumstances, a student may receive credit for some courses by studying independently under the close supervision of a regular faculty member.
- 3. The student must secure an *Application for Independent Study* form from the Registrar's Office, complete with signatures of the instructor and the respective Dean, Vice President of Academic Services and file it in the Registrar's Office. Additional information can be obtained from the Registrar's Office.
- 4. Independent study paperwork must be submitted and approved by the end of the drop/add period for the semester in which the student will be registered for the independent study course.

## CLASSIFICATION

Students making satisfactory progress toward a degree are classified according to the following schedule:

| Freshman  | 0 to 29 semester credit hours    |
|-----------|----------------------------------|
| Sophomore | 30 to 59 semester credit hours   |
| Junior    | 60 to 89 semester credit hours   |
| Senior    | 90 or more semester credit hours |

## **EXEMPTION OF COURSES**

A student who has already acquired knowledge of certain courses offered at this University, either by formal education, self-study, or experience, may be eligible to exempt these courses by a competency examination. Some freshmen may automatically receive exemption because of the testing program conducted during orientation. Students wishing to take an examination to obtain a course exemption should apply to the appropriate Dean. Exemption from a course will be noted on the student's record, but exemption does not reduce the total number of hours required for a degree program, nor does it give the student credit for that course. There is no charge for exempting a course.

## AUDITING A COURSE

Persons desiring to audit classes may do so with the approval of the Registrar and the instructor of the course. The University reserves the right to refuse to allow an individual to register as an auditor in courses in which the predominant mode of instruction makes the course inappropriate for the auditors. Auditors are "listeners" in the class. They do not take examinations and do not receive credit. They may participate in class discussion with the approval of the instructor. Auditors must receive admission to the University to be eligible to audit a course.

## **CREDIT BY EXAMINATION and ADVANCED PLACEMENT**

Students also may receive up to 30 semester hours of credit through the College-Level Examination Program (CLEP) administered by the College Entrance Examination Board and Advanced Placement Tests. Students who have taken advanced or college-level courses in high school and whose scores are sufficiently high in the Advanced Placement Tests administered by the College Board may apply for university credit and/or advanced placement. Specific information relating to the awarding of such credit may be obtained from the Office of the Registrar. Instances in which students may receive credit for experiential learning/exemption of courses are:

- The first relates to students who participated in an approved Georgia Youth Apprenticeship Program or Teacher Cadet Program in high school. These students are required to show evidence that they observed/taught in a classroom setting during the year(s) in the approved program. Examples of evidence include: (1) high school transcript to verify participation in the program; (2) portfolio describing the experience; or (3) certificate of completion for the program. The credit for which this experiential learning is applied is ED 250: Introduction to Teaching and Learning
- The second relates to students who have experience as a paraprofessional in kindergarten or four-year-old Pre-K. Again, evidence of this employment is required, and it must include at least three of the following: (1) verification of employment; (2) supervisor evaluation; (3) record of continuing education; and/or (4) paraprofessional certification. The credit for which this experiential learning is applied in ED 301: Practicum in Pre-K, K, 1.
- 3. Incoming freshman or transfer students may seek exemption from Secondary Piano or Freshman Sight Singing and Ear Training. In order to receive exemption, the student must demonstrate facility at a high skill level in the areas attempted.
- 4. Placement exams to determine exemption will be given at the beginning of each semester. Information on the exact schedule for exams may be obtained from the School of Music Office. Courses that are exempted will be added to a student's transcript as "exam credit."

More information and current policy with regard to awarding such credit may be obtained from the academic advisors or Office of the Registrar.

## TRANSFER OF CREDIT FROM A NON-REGIONALLY ACCREDITED INSTITUTION

Students may submit a request for transfer of credit from a non-regionally accredited institution. "Request for Transfer Credit from a Non-Regionally Accredited Institution." The appropriate division chair and/or department head, and registrar will analyze such courses in terms of level, content, quality, comparability, and relevance to Truett McConnell University degree programs. In addition, the University must receive information on the course instructor's academic credentials. A course syllabus may be required. Residential course completion requirements for the granting of Truett McConnell University bachelor degrees are applicable.

## UNDECIDED FIELD OF STUDY

Any student who is undecided about his or her field of study should begin by following the general guidelines for the General Education Core Curriculum.

## **CREDIT HOUR POLICY**

Truett McConnell University professors create their courses according to the principle widely accepted in academia that one semester hour of classroom instruction requires a minimum of two out of class hours of student effort. Therefore, TMU considers one semester hour of university credit to entail 37 ½ educational hours (made up of a combination of class meetings and out-of-class work; usually involving 12 ½ hours of class time or their equivalent, the rest as out-of-class work). Similarly, two semester credit hours represent 75 educational hours, and three semester credit hours encompass 112 ½ educational hours.

## ACADEMIC CREDIT AND INSTRUCTIONAL TIME IN NON-TRADITIONAL COURSES

Fully online courses at Truett McConnell University are taught asynchronously and as such have no face to face instructional component. Students in online classes are assigned work that equated with 37.1/2 hours of out-of-class work per semester hour. A significant portion of this work involves interaction with the instructor and student peers through discussion board, test, written project, email, and group work.

## **EVALUATING LEARNING OUTCOMES IN NON-TRADITIONAL COURSES**

Truett McConnell University considers traditional semester and non-traditional courses to be equivalent if there is parity between their learning outcomes. The University measures the learning outcomes for accelerated, hybrid, and online courses and compares those outcomes with traditional semester versions of those courses in order to maintain this equivalency.

## TRANSCRIPT AND GRADE INFORMATION

## Institutional Credit

Institutional credit is that credit earned in certain courses designated in the University catalog as offering "institutional credit only." This credit is non-transferable and will not count towards graduation; however, the grades earned for these courses are used in the calculation of students' grade-point averages. Developmental study courses are institutional credit only courses and are numbered MA 098, and MA 099.

## Transcripts

If a student wished to secure a transcript of grades or requests the University to send such a transcript to any individual or institution, application in writing must be made to the Registrar's Office.

#### System of Grades and Quality Points

All work is evaluated according to the following chart:

| Letter Grade | Number Grade       | Quality Points Per<br>Hour of Credit |
|--------------|--------------------|--------------------------------------|
| Α            | 93-100             | 4.0                                  |
| A-           | 90-92.99           | 3.7                                  |
| B+           | 87-89.99           | 3.3                                  |
| В            | 83-86.99           | 3.0                                  |
| В-           | 80-82.99           | 2.7                                  |
| C+           | 77-79.99           | 2.3                                  |
| С            | 73-76.99           | 2.0                                  |
| C-           | 70-72.99           | 1.7                                  |
| D+           | 67-69.99           | 1.3                                  |
| D            | 60.66.99           | 1.0                                  |
| F            | 0-59.99            | 0.0                                  |
| WP           | Withdrawal passing | Not applicable                       |
| WF           | Withdrawal failing | 0                                    |
| AU           | Audit, non-credit  | Not applicable                       |
| S            | Satisfactory       | Not applicable                       |
| U            | Unsatisfactory     | Not applicable                       |

In addition to the previous grades, the following symbols are also used:

"I" Incomplete – indicates that the student was doing satisfactory work at the end of the semester, but was unable to complete the course due to illness or other circumstances beyond their control. An incomplete is not given as a substitute for a failing grade. An incomplete is not based solely on a student's failure to submit work or as a means of raising his or her grade by doing additional work after the grade report time. It is the student's responsibility to make appropriate arrangements with the instructor to complete the course. An "I" may be entered on the student's record only after a *Request for Grade of "I"* form has been submitted by the faculty member to the Vice President of Academic Services. The student is allowed one month after the beginning of the following semester to complete the course requirements and remove the "I" from his or her record; failure to do so will change the "I" to "F" at the end of the allotted period.

"W" Withdrawal – indicates that the student withdrew from class during the appropriate portion of the semester and received no grade.

## Grade-Point Average (GPA)

The grade-point average is determined by adding all quality points received and dividing by the total number of semester hours attempted. The total number of semester hours attempted shall include every course taken, except those courses receiving grades of AU, I, W, WP, S, or U.

#### Change of Grades

When a grade other than an "I" has been reported to the Registrar, it can be changed by the instructor's submission of *Change of Grade* form.

#### **Repeated Course Policy**

A student who earns a grade of "WF", "D", or "F" in any course taken at Truett McConnell University may repeat that same course at the University for grade replacement. The grade earned (higher or lower) in the repeated course will replace the prior grade for that course for the purpose of calculating the student's cumulative grade-point average. Students are allowed 3 attempts to pass a course, 2 attempts if the course is a Capstone. All courses taken will remain on the student's transcript and repeated courses will count once toward total hours earned for graduation. For the purposes of awards, honors, and some types of financial aid, the student's grade-point average will reflect all course grades.

## STUDENT HONORS

#### **President's Club**

Students whose academic load is not less than 12 semester hours of courses and who achieve a semester grade-point average of 4.0 are named to the President's Club.

#### Dean's List

Students whose academic load is not less than 12 semester hours of courses and who achieve a semester grade point average of 3.5 through 3.99 are named to the Dean's List. (The "Dean" refers to the Dean of the faculty, Vice President for Academic Services serves as the Dean of the faculty).

#### **Graduation with Honors**

Truett McConnell University recognizes those graduating students whose academic achievement falls within the following categories, based on a minimum of 40 hours of Truett McConnell coursework:

| Grade Point Average | Honor           |
|---------------------|-----------------|
| 3.50-3.69           | cum laude       |
| 3.70-3.89           | magna cum laude |
| 3.90-4.00           | summa cum laude |

#### Honors Day

Each year select students are chosen to receive awards based on academic achievement and contributions to the ongoing life of the University.

## PRIVACY RIGHTS REGARDING STUDENT RECORDS (FERPA)

## **Records Kept by Office of the Registrar**

Current federal law is designed to protect the privacy of students and parents by providing safeguards on the maintenance and release of student records. A student who attends Truett McConnell University has the right to inspect his or her university records. The Registrar maintains student records that may contain identifying data, academic work attempted and completed, level of achievement reached, scores on placement tests and standardized tests, and family background information. The Registrar is available to explain and interpret these records. All professional staff and selected clerical staff of the University have access to student records only when there is a legitimate educational need. A student has the right to view his or her records. A student may have a copy upon written request.

The following information has been designated as "directory information." This information is available to the public unless the University receives from the student a written statement indicating objection to the release of the information: student's name, address, email address, telephone number, date and place of birth, major field of study, participation in officially recognized collegiate activities and sports, weight and height of members of athletic teams, dates of attendance, degrees, honors and awards received, and previous educational institution attended. Any student has the right to challenge the accuracy of his or her record or the protection of privacy of his or her record under the Family Educational Rights and Privacy Act of 1974. The student may implement the following procedures for such a challenge:

- 1. The student must submit a written request to the Registrar for an informal meeting regarding his or her records. A meeting date convenient to the student will be set within a reasonable period of time.
- 2. If, after the meeting with the Registrar, the student is not satisfied, he or she may then file a request with the Vice President for Academic Services for a hearing by a special review committee, composed of the Registrar, the Director of Admissions, and the Vice President for Academic Services. The review committee will deliver to the student its decision in writing, with a copy kept in the student's file in the Registrar's Office.
- 3. If, after the hearing with the special review committee, the student is not satisfied, an appeal may be made to the Department of Education in Washington, DC.

No information concerning a student's educational record may be disclosed over the telephone to anyone, even to the student. The University will release no official transcript of a student's record unless the student's account with the University is clear. A written, dated request must be obtained from the student before the University releases such a record.

## Procedures for Protecting the Privacy of Students Enrolled in Online and On-Campus Courses

Faculty members teaching online courses, as well as maintaining online components for on-campus courses, are responsible for creating and maintaining an online teaching and learning environment that provides for the privacy and security of students' personal data and coursework. Accordingly, instructors will enforce the provisions of the Family Educational Rights and Privacy Act (FERPA) of 1974, which is designed to protect the privacy of students' educational records. The University's policies and procedures are used to ensure that students' FERPA rights are protected. The policy and procedure is outlined in the undergraduate and graduate catalogs and is applied to online and on-campus courses alike.

To further ensure student privacy in online courses and online components for on-campus courses, these procedures shall be followed:

- 1. In all University-related business and classroom interactions conducted via e-mail, students and instructors are required to use their Truett McConnell University email account. Email encryption should be used any time sensitive or personal information is included in the email.
- 2. Protection of student information, course data, and student participation is required by all Truett McConnell faculty and staff involved in the design, development, delivery, and administration of courses through the online platform. Truett McConnell will only authorize the use of learning management systems which require unique log-in names and secure passwords that meet industry standards for length and complexity.
- 3. Upon initial login, students and faculty are given the opportunity to change their password. Truett McConnell University keeps no record of the student's password once it has been changed. A forgotten password can be reset through the "Forgot my password" link upon login, which will require verification of the student's identity through a previously provided phone number, alternate email, or a series of security questions before they can reset their password. Students are responsible for keeping their password confidential. Instructors shall ask students never to reveal their login names and passwords to anyone.Student postings to discussion boards, chat rooms, and class forums shall be accessible only to members of the class, the course instructor(s), the program coordinator and anyone specifically authorized and responsible for student learning assessment or oversight of the academic quality and integrity of the course.
- 4. Instructors shall use the gradebook provided by the learning management systems, which prohibits students from accessing other students' grades. Posting of class-wide grade reports in any form is prohibited.
- 5. Grades for discussion board participation, online student examinations, and written assignments are confidential, and are only accessible by the individual student, the course instructor(s), the program coordinator and anyone specifically authorized and responsible for student learning assessment or oversight of the academic quality and integrity of the course.
- 6. Material from online courses and online components for on-campus courses provided by course instructors to be used in program assessment reports will not include the identity of individual students; program coordinators will be responsible to ensure that no information specific to identified students will be included in such reports.

#### **Records Kept by Office of Student Development**

Student Development maintains student records which may contain identifying data, attendance data, health data, academic or counselor evaluations, observations and reports of behavior patterns, and information on disciplinary actions taken by the University. The Directors of Student Development are available to explain and interpret these records.

## Student's Right-to Know Act

Information regarding access to reports under the student's Right-to Know Act is available in the Office of the Registrar.

## ACADEMIC STANDING

#### Academic Warning, Probation, and Dismissal

Students must meet and maintain minimum academic standards each semester to be eligible to attend Truett McConnell University and to receive financial aid. Students who fail to meet the minimum grade-point average will be subject to one of the following actions:

#### Academic Warning

Students are placed on academic warning following the first semester in which they did not earn the required cumulative gradepoint average for the number of hours attempted at the University. Disciplinary sanction (dismissal/suspension/warning) supersedes academic warning.

#### • Academic Probation

Students are placed on academic probation following the second semester (consecutive or non-consecutive) in which they did not earn the required cumulative grade-point average for the number of hours attempted at the University. Disciplinary sanction (dismissal/suspension/warning) supersedes academic probation.

Academic Dismissal

Students are placed on academic dismissal following the third semester (consecutive or non-consecutive) in which they did not earn the required cumulative grade-point average for the number of hours attempted at the University. Disciplinary sanction (dismissal/suspension/warning) supersedes academic dismissal.

The minimum grade-point average required to remain in good academic standing is determined by the number of hours attempted at Truett McConnell University.

| Hours Attempted | Minimum Grade-Point Average |
|-----------------|-----------------------------|
| 1 - 19          | 1.50                        |
| 20 -38          | 1.65                        |
| 39 - 57         | 1.80                        |
| 58+             | 2.00                        |

## Reinstatement

An academically dismissed student from Truett McConnell University may request reinstatement and apply for readmission after one semester (excluding summer semester). After the second dismissal, students are eligible for reinstatement only after the lapse of one calendar year. Students who experience severe medical problems or other extenuating circumstances of a serious nature may appeal to the Vice President for Academic Services, or his/her designate, for earlier reinstatement. Students who are reinstated must maintain the required minimum grade point average as determined by the Vice President for Academic Services each subsequent term of enrollment to avoid permanent dismissal.

## Academic Load

Students taking twelve or more hours of class work per semester are considered full-time students; however, students receiving financial aid are subject to various requirements concerning their academic load (see "Financial Aid"). Ultimately, the number of hours taken each semester will depend upon the program in which the student enrolls. Overloads, students desiring to take 20 hours or more in a semester, must have the signed permission of the Vice President for Academic Services. A student requesting an overload must have completed a minimum of 30 hours of academic credit and a minimum grade-point average of at least a 3.0.

## GENERAL EDUCATION

The mission of Truett McConnell University, a Georgia Baptist university, is to equip students to fulfill the Great Commission by fostering a Christian Worldview through a Biblically-centered education in a family friendly environment.

## **General Education Rationale**

In order to equip students to fulfill the Great Commission by fostering a Christian worldview, all students graduating from Truett McConnell University should:

- Read well, communicate well, think critically, be socially refined, historically aware, and physically healthy.
- Be morally sound and consistently logical in spiritual matters.
- Be competently trained within their chosen fields of study.

## **General Education Goals**

- Each student's ability to communicate should improve after exposure to a variety of disciplines.
- Each student's ability to think critically should improve after exposure to a variety of disciplines.
- Each student's ability to recognize, articulate, assess and apply a Christian worldview should improve after exposure to the Great Commission Minor coursework.

## QUALITY ENHANCEMENT PLAN

The Quality Enhancement Plan (QEP) is the component of the accreditation process that reflects and affirms the commitment of the Commission on Colleges to the enhancement of the quality of higher education and to the proposition that student learning is at the heart of the mission of all institutions of higher learning. The QEP describes a carefully designed course of action that addresses a well-defined and focused topic or issue related to enhancing student learning. TMU's QEP is entitled "Pressing toward the Call". It supports the mission of the University, "to equip students to fulfill the Great Commission by fostering a Christian Worldview through a Biblically-centered education." It endeavors to encourage and equip students in seeking and pursuing God's call for their lives.

## **GENERAL EDUCATION CORE CURRICULUM: BACHELOR'S DEGREES**

Completion of this Core Curriculum is a graduation requirement for all bachelor's degrees.

## **GENERAL REQUIREMENTS FOR BACHELOR'S DEGREE**

In order to meet requirements for a bachelor's degree from Truett McConnell University, a student must complete all of the following requirements:

- Completion of the Bachelor's Degree General Education Core Curriculum.
- Completion of a minimum of 120 semester hours as applicable.
- Completion of a minimum resident study of 30 of the final 45 semester hours at Truett McConnell University.
- Completion of 25% of total degree hours at Truett McConnell University.
- Completion of an approved program of study.
- Completion of at least 39 hours in courses numbered 300 and above.
- Declaration of a major and minor (if applicable) field of study no later than the beginning of the junior year.
- Submission of an application for degree candidacy to the Registrar's Office no later than the published annually approved date.
- Approval by the faculty for graduation.
- Discharge of all financial obligations to the University.
- Successful completion of the capstone course, if applicable.
- Applicants who apply for graduation and fail to meet the above requirements and deadlines must reapply.
- Students seeking an additional Bachelor's Degree must complete specific requirements for the degree with a minimum of 32 semester hours at Truett McConnell University of non-duplicated courses.
- Participation in commencement. Absence requires permission from the Vice President for Academic Services.
- Participation in commencement is contingent on successful completion of all graduation requirements.
- Each student is responsible for knowing and fulfilling the curriculum requirements and the graduation requirements of the University.
- Each student must complete the Quality Enhancement Plan (QEP), also known as "Pressing toward the Call".

- Earn a minimum cumulative GPA of 2.0.
- Pass the Math Competency Exam or successfully complete requirements of MA 099: Intermediate Algebra with a grade of Cor higher.

NOTE: Regardless of academic achievement, students must be cleared of all probationary restrictions before being approved for graduation. A student on probation may not graduate from Truett McConnell University until the probation has been removed.

## Second Bachelor's Degree Requirements

The student must earn at Truett McConnell University a minimum of 32 credit hours beyond the first degree; the student must complete the specific requirements of the second degree declared; the student must complete any specialized general education requirements associated with second degree sought; two-thirds of the major courses within the second degree program must be completed at TMU; the final 32 hours of the degree program must be completed at TMU. TMU graduates wishing to earn a second bachelor's degree must apply for readmission if they have been out of school more than one semester. In no case is the completion of two or more majors or other degree requirements in the course of completing the first bachelor's degree to be confused or equated with the completion of the second bachelor's degree must be from a different field of study, i.e., Music and Humanities.

## **Major and Minor Requirements**

Specific requirements for majors, minors, and area majors are listed at the beginning of the course descriptions for the individual programs of study. A concentration within a major requires courses related to the major that offer additional specialized study. A concentration may be employed to complete minor requirements. Students should consult the catalog of their advisor regarding the viability of selecting a concentration to fulfill the minor requirement. Students must declare the major and minor programs (if applicable) of study no later than the beginning of the junior year. Specific majors may require grades of "C-" or better in their degree plans. At least 15 semester hours in junior or senior level courses must be included in the major. For a minor, no fewer than 15 semester hours nor more than 21 hours may be required.

## ACADEMIC ORGANIZATION

The curriculum of Truett McConnell University is designed to help students pursue degrees at both Truett McConnell University and other colleges and universities accredited by the Southern Association of Colleges and Schools Commission on Colleges. Truett McConnell University has majors, concentrations, and academic departments and divisions that support degree programs that help the student earn a baccalaureate degree, enter the job market, or transfer to another four-year institution of higher learning.

#### Academic Enrichment

The University offers developmental education and learning assistance for all students. The services are designed to promote and strengthen learning skills development in areas that are basic to university success and to enhance the overall academic environment for all students by providing support services and alternative services to students, faculty, and staff.

## **Honors Program**

Truett McConnell University offers honors courses in select disciplines. These courses, offered on demand, are designed to challenge students and offer enrichment in various fields of study.

## **Developmental Studies**

The developmental studies courses at Truett McConnell University are for students who are in need of special academic assistance. Courses are designed to improve students' basic abilities in the areas of study skills, writing, reading, and mathematics. A student may take any single developmental course a maximum of three (3) times. These courses carry institutional credit only, which is non-transferable and will not count toward graduation. Any student who must take a developmental studies course must complete that course with a grade of "C" or better before enrolling for any higher numbered course in the same field. Students enrolled in developmental courses may take longer than usual to complete a degree program and are encouraged to work closely with an academic advisor in order to develop a plan for meeting degree requirements. Developmental studies courses are courses numbered MA 098, and MA 099.

## MATHEMATICS PLACEMENT

| Initial Placement | Scores               |
|-------------------|----------------------|
| MA 098            | QAS = 245            |
| MA 099            | QAS = 246-255        |
| MA 101/MA 102     | QAS = 256            |
| MA 116/MA 200     | QAS = 259; AAF = 254 |
| MA 200/MA 220     | AAF = 272            |

TMU Math Placement (Accuplacer Scores); The initial placement of students will be as follows:

QAS – Quantitative Reasoning, Algebra, and Statistics

AAF – Advanced Algebra and Functions

Students with scores in these ranges may enroll in the initial placement course with no further qualification.

## **Course Limitation for Developmental Studies Students**

Advisors will direct students to enroll in courses the students should be able to complete successfully while in developmental studies courses. Students placed in MA 098 or MA 099 will be directed to take courses that do not require strong mathematical skills.

## Library Services for Academic Enrichment

The Library offers services to assist students in various areas of study. "One-on-one" tutoring in Mathematics and English is provided by on-staff faculty. Assistive programs are installed on all library computers and 24/7 online tutoring is offered through *TutorMe*. There is no additional costs to the students for these services.

## SPECIAL SUPPORT SERVICES

The Office of Special Support Services at Truett McConnell University provides reasonable accommodations to students identified as having a disability. The request for accommodations is provided upon presentation of appropriate documentation of disability. The Disclosure of Disability form can be located on the website at truett.edu. The Office of Special Support Services offers a variety of accommodations for students with disabilities including, but not limited to, assistance with both academic support and student life. # The Peter and Gredel Walpot School of Education

Those who enter the teaching profession today will be educating students with varying social, cultural, and ability differences. Some students will come from socio-economic situations that are less than desirable. Others will speak languages that are unknown by anyone else in their school. Still others will not be able to perform as well as (or they will out-perform) their peers. Recognizing the challenges that future teachers will face, the philosophy of Truett McConnell University's Teacher Education Program is to prepare these candidates to effectively teach and serve the students in the diverse world in which we live. This concept drives the other pieces of the philosophy, accomplished teachers as servant-leaders.

The relationship between accomplished teaching and servant-leadership is reciprocal. At first glance, accomplished teaching seems to emphasize what that candidate knows and can do, and servant-leadership appears to emphasize the candidate's character and dispositions. However, there are dispositions embedded in the act of accomplished teaching and knowledge and skills implicit in the practice of servant-leadership. The characteristics of each are enriched by the other. Both of these concepts are woven into the ways in which the candidates work with students who have varying social, cultural, and ability differences.

Although Christ Jesus was a servant-leader and our role model for servant-leadership, the term "servant-leadership" was most closely associated with the writings of Robert Greenleaf (1977). He described a servant-leader as:

... a servant first, beginning with the natural feeling that one wants to serve *first.* Then conscious choice brings one to aspire to lead. The best test, and most difficult to administer is: Do those served brow as persons? While *being served*, do they, become healthier, wiser, freer. More autonomous, more likely themselves to become servants? *And*, what is the effect on the least privileged in society; will they benefit or at least not be further deprived?

Substituting the word "teacher" for the word "leader" and the word "child" or "children" for the word "served": produces a precise description of the goals of an accomplished teacher for his or her students – that they become healthier, wiser, freer, and more autonomous. Bowman (2005) indicates that "servant-leadership in the classroom speaks to the universal human longing to be known, to care and to be cared for in pursuit of the common good" (p. 257)

# The Conrad Grebel School of the Humanities

The School of the Humanities is rooted firmly in a strong Christian and liberal arts tradition committed to the discovery of truth in the world in which we live. This search for truth ultimately leads to Jesus Christ, however, the lessons learned through language, history, and the study of cultures will prepare students for an array of vocations and life. The School of the Humanities offers courses leading to:

### BACHELOR OF ARTS IN ENGLISH

The Bachelor of Arts in English degree is designed for those students who seek to read interpretively, write clearly, and think creatively while studying the world's most influential literature. The Bachelor of Arts in English degree is the foundation for advanced study in literature, history, law, or any liberal arts discipline.

#### The Concentration in Creative Writing

The Concentration in Creative Writing prepares students for advanced studies and careers in publishing, playwriting, non-fiction and fiction writing, and editing. Students will create, share, and analyze original poetic works, plays, and novels in the classroom.

#### The Concentration in Literature

The Concentration in Literature prepares students for advanced studies and careers in Literature, Rhetorical Studies, Biblical Studies, and English Education. Literature students have also pursued advanced degrees in Law, history, and Christian Studies. Students will read and share major works in the classroom and learn to analyze genres, authors, and works in a variety of essay responses.

### **BACHELOR OF ARTS IN HISTORY**

The Bachelor of Arts in History provides an examination of the record of God's relationship with mankind and the eternal relevance of God's work and His Word through the ages. Applying a Christian Worldview to the study of the historical narrative, students will learn not only about great men and women and their ideas and the rise and fall of civilizations, but they will also be taught critical thinking skills and research methods, all with an emphasis on strengthening writing proficiency. Moreover, this major field of study will incorporate the Great Books and their authors in each course so that the student will be conversant with those individuals and ideas which have shaped the course of human events. Graduates of the program will be prepared for employment in the areas of teaching, government service or public history. They will also have earned a degree which prepares them well for graduate study in history, political science, public administration, library science or law.

### **BACHELOR OF ARTS IN THE HUMANITIES**

The Humanities degree offers students the unique opportunity to study within two disciplines, English and History. Concentrations in these subjects will provide strong foundations in historical analysis, literature, and Creative writing, all from a Biblical worldview. Additionally, this major includes a number of elective hours with which the student can build a strong inter-disciplinary degree to help prepare for graduate school, law school, or teaching.

# Truett McConnell University Bachelor of Arts in the Humanities Math Improvement Curriculum Outline

\*\*In order to complete this degree program in four (4) years, students need to have been granted exemption by examination or taken and passed, with a C or above, Mathematics Review and Beginning Algebra (MA 098), Intermediate Algebra (MA 099) before entering the fall semester of their Freshman year. If any of these math courses are required (MA 098, MA 099) prior to entrance to MA 102 this degree program may require extra time to complete. <u>In addition, any students that drop or withdraw from courses, may require</u> <u>additional time to complete the degree program.</u> You should follow this outline (Math Improvement) if you do not have the ability to enter <u>MA 102</u> your Freshman year.

# The Felix Manz School of Music

# THE MUSIC PROGRAM

Truett McConnell University offers two degrees in music: the Bachelor of Arts in Music with three concentrations (general music, worship and church music and business studies) and the Bachelor of Science in Music Education. A minor in music is also offered. Four full-time and ten adjunct instructors teach in support of the University's music degrees. TMU is an accredited institutional member of the National Association of Schools of Music.

#### Bachelor of Arts in Music (BAM)

The purpose of the Bachelor of Arts in Music is to prepare students to become accomplished musicians as they attain musical skills, knowledge, and experience within a liberal arts tradition that encompasses a Christian worldview. The BAM is designed for students who demonstrate aptitude for music study and features a broad focus on music through historical, theoretical, and performance studies. Concentrations in general music, worship and church music and business studies are included.

Degree Goals:

- 1. Students who complete the BAM will demonstrate an understanding of and knowledge of music terminology.
- 2. Students who complete the BAM will demonstrate an understanding and knowledge of the cultural and historical contexts of exemplary works of Western art music.
- 3. Students who complete the BAM will read and interpret the contextual notation of exemplary works of Western art music.
- 4. Students who complete the BAM will develop performance skills for applied and secondary instruments.

#### **Bachelor of Science in Music Education (BSME)**

The purpose of the Bachelor of Science in Music Education is to prepare accomplished teachers as servant-leaders in the diverse world in which we live. These teachers are collaborative with others, respectful to all constituencies, organized, and proactive. They are also competent communicators who are lifelong learners.

#### Degree Goals:

- 1. Candidates who complete the BSME and are recommended for a certificate are accomplished teachers.
- 2. Students who complete the BSME will demonstrate an understanding of and knowledge of music terminology.
- 3. Students who complete the BSME will demonstrate an understanding and knowledge of the cultural and historical contexts of exemplary works of Western art music.
- 4. Students who complete the BSME will read and interpret the contextual notation of exemplary works of Western art music.
- 5. Students who complete the BSME will develop performance skills for applied and secondary instruments.
- 6. Candidates who complete the BSME and are recommended for a certificate demonstrate servant-leader characteristics.

# ADMISSION REQUIREMENTS, PROCEDURES, TRANSFER STUDENTS, PLACEMENT TESTING, AND MINIMUM GRADE REQUIREMENTS

Students interested in pursuing music as a major must meet certain admission requirements. Both the University and the School of Music must accept the student. The student must have a personal audition and conference with the music faculty before July 31. The student is responsible for contacting the University to schedule an audition time. Music Scholarships are available to students who pass the music audition. Transfer students who have previously studied applied music will audition and be evaluated by the music faculty. The music faculty will assign an appropriate applied course number based on the student's level of performance in the audition. Students must earn at least a "C-" in every music course in their degree plan.

#### **CREDIT HOUR DESCRIPTION FOR MUSIC CLASSES**

All lecture courses in music follow the institution's basic formula: one semester hour or credit equals one hour of class instruction and at least two hours of work outside class for 15 weeks. The following statements reflect the assignment of credit hours for music methods courses, diction courses, secondary piano classes, laboratory classes, applied lessons, and ensembles:

- 1. All Teaching Methods (MU 170, 172, 174, and 270) and Diction classes (MU 135 and 236) are considered laboratory classes and are one semester hour of credit but equal to two hours of class instruction. The bulk of a Teaching Method and Diction course is accomplished in class and not outside of class, hence one semester credit hour and two semester hours of instruction with some outside work.
- Secondary class piano (MU 161, 162, 261, and 262) is one semester hour of credit but equals two hours of class instruction. Learning piano is accomplished in and outside of class, hence one semester credit hour with two semester hours of instruction and some outside work.
- Music Theory is four semester hours of credit but equals five hours of class instruction (3 hours for theory lecture—MU 101, 102, 201, and 202—and 1 hour for sight singing/ear training—MU 101L, 102L, 201L, 202L although the class meets for 2 hours per week). Learning Music Theory is accomplished in and outside of class, hence four semester credit hours and five semester hours of instruction.

- 4. Applied lessons are calculated in the following manner: Applied lessons meet once a week for 50 minutes and receive one credit hour. Applied secondary lessons meet once a week for 25 minutes and receive a half-hour credit. Applied concentration lessons meet twice a week for 50 minutes each and receive two credit hours with increased literature requirements to reflect additional credit awarded.
- 5. Ensembles are categorized as either large ensembles (Chorale, Community Choir, and Wind Ensemble) or chamber groups (Chamber Singers, Percussion Ensemble, Mixed Vocal/Instrumental Ensemble, etc.). Large ensembles receive one semester credit hour and equal four hours of weekly instruction. Chamber groups receive one semester credit hour and equal two hours of weekly instruction. Although students practice a piece of music privately, ensemble work can only be experienced when rehearsing with that entire ensemble.

#### **APPLIED MUSIC**

To meet the applied music requirements for the BAM and BSME degrees, each student will be required to enroll in applied music lessons for each semester of degree study until requirements are met. Enrollment is for each semester, and no refund in fees will be made for absences from lessons. In addition, students must also have a secondary instrument. Piano is the required secondary instrument for students who are not piano majors. All students are required to perform in Student Recitals once a semester except in the semester in which a degree recital is presented.

Students taking applied lessons meet one-on-one with the applied instructor. Applied lessons are scheduled around the student's other music classes and academic subjects. Applied music requirements are made by individual instructors according to the guidelines in the Handbook for Music Majors.

Information regarding Audition Requirements, the Freshman Barrier Exam, Applied and Secondary Juries, Sophomore Piano Proficiency, Recitals, and Recital Hearings is listed below. For more information, students are encouraged to consult the Handbook for Music Students available through the School of Music.

#### Audition Requirements:

**Brass and Woodwind** auditions must include at least two solo works written for the specific instrument. One work may be an etude or study. The other work should be a solo, sonata, or concerto which specifically demonstrates contrasting styles -- a faster, articulate section and a slower, lyrical section. Major scales and a chromatic scale are also expected.

<u>Composition</u> auditions are intended for students with advanced abilities in piano or guitar in addition to music theory. In most cases this audition will happen at the end of the freshman year after two semesters of music theory. Freshmen will only be allowed to study applied composition at the discretion of the entire music faculty and after extensive evaluation of compositional aptitude. **Guitar** auditions must include at least two works of contrasting styles (i.e. slow and fast, or loud and soft).

**Percussion** auditions include demonstrations on as many of the following instruments as possible:

- 1. Snare drum demonstrate knowledge of rudiments, orchestral style, and marching band style; one prepared piece.
- Drum set demonstration of basic swing, rock and Latin styles; one prepared piece.
- 3. Mallets demonstration of sight reading ability; major scales (minor scales, if possible); one prepared piece.
- 4. Timpani demonstration of sight reading ability, one prepared piece.

Piano auditions must include:

- 1. Two pieces from the classical piano literature, preferably from contrasting style periods.
- 2. Scales and/or arpeggios representing student's facility with technical exercise.

<u>String</u> auditions should include one major scale (at least two octaves, preferably 3); one minor scale (two octaves, natural or harmonic or melodic); One etude; two contracting movements of a concerto or sonata (may be from different works).

**Voice** auditions must demonstrate good diction, accurate pitch, acceptable tone quality, breath control, and a concept of phrasing. Two memorized solo songs of contrasting nature (i.e. slow and fast, or loud and soft) are required. One song must be selected from the classical repertoire. Sight reading and tonal memory will be tested during the audition.

#### Freshman Barrier:

Each music major enrolls in first-semester freshman level lessons for their major applied instrument at the beginning of the first semester of study. Music majors must pass a Freshman Barrier Exam at the end of their first semester during applied juries in order to move to the next level of instruction (second-semester freshman). Any student who fails the Freshman Barrier Exam must repeat the first semester of freshman applied instruction. A student who fails the Freshman Barrier Exam twice may be encouraged to pursue a different applied instrument or another major.

#### **Applied and Secondary Music Juries:**

Music majors must perform a jury at the end of each semester of applied study. Secondary juries are left to the discretion of the Instructor. The average of the jury grades is generally 30% of the applied lesson grade.

# The Felix Manz School of Music

#### Sophomore Piano Proficiency:

The MU 262 Final Exam is the Piano Proficiency. It is a jury exam and is held during final exam week. It must be passed in order to receive a passing grade for the semester and in order to pass the sophomore barrier requirement. If a student receives a grade lower than a "C-" in THREE or more areas in the exam (there are 11 areas), and/or if a student does not pass the prepared harmonization and transposition areas, the exam is considered failing, and the student will receive a failing grade for the semester.

#### **Recital Requirements:**

<u>BAM (General)</u> Students are required to present a fifty-minute recital during the senior year. <u>BAM with a Concentration in Worship &</u> <u>Church Music, and the BSME</u>—Students are required to present a twenty-five-minute Senior recital. The dates for recitals and hearings are scheduled in consultation with the student, accompanist, applied teacher, and the music faculty.

#### **Recital Hearings:**

During the seventh semester (BSME students) or eighth semester (BAM students) of applied study, each recitalist must present a hearing of his/ her recital before the music faculty. Hearings are scheduled by the applied music faculty in conjunction with the student and accompanist. Hearings normally take place at least two weeks before the scheduled recital date. The recitalist must pass the hearing to receive permission to give a public performance of the recital. A poor performance at the hearing could result in having one or more of the recital pieces cut from the performance, a re-hearing being required, or indefinite postponement of the recital. The final draft of the recital program and program notes are required at the time of the hearing. Failure to submit these documents will constitute a failed hearing.

# Truett McConnell University Bachelor of Arts in Music (General) Math Competent Curriculum Outline

\*\*In order to complete this degree program in four (4) years, students need to have been granted exemption by examination or taken and passed, with a C or above, Mathematics Review and Beginning Algebra (MA 098), Intermediate Algebra (MA 099) before entering the fall semester of their Freshman year. If any of these math courses are required (MA 098, MA 099) prior to entrance to MA 102 this degree program may require extra time to complete. <u>In addition, any students that drop or withdraw from courses, may require</u> <u>additional time to complete the degree program.</u> You should follow this outline (Math Competent) if you have the ability to enter <u>MA 102</u> your freshman year.

# Truett McConnell University Bachelor of Arts in Music Concentration in Worship and Church Music Math Improvement Curriculum Outline

\*\*In order to complete this degree program in four (4) years, students need to have been granted exemption by examination or taken and passed, with a C or above, Mathematics Review and Beginning Algebra (MA 098), Intermediate Algebra (MA 099) before entering the fall semester of their Freshman year. If any of these math courses are required (MA 098, MA 099) prior to entrance to MA 102 this degree program may require extra time to complete. <u>In addition, any students that drop or</u> withdraw from courses, may require additional time to complete the degree program. You should follow this outline (Math Improvement) if you do not have the ability to enter <u>MA 102</u> your freshman year.

<sup>1</sup>Music minors are required to take a Theory Placement exam which may result in remedial theory courses (MU 098 or MU 099) which do not count toward required hours. See Music Handbook for further explanation.

<sup>2</sup>Music minors will be required to perform in Student Recital once a semester in the four semesters in which they are enrolled in MU \_\_\_\_\_: Applied Music. Requirements also include attendance of music events such as recitals, concerts, and student recitals.

<sup>3</sup>A music minor must audition for the music faculty in their applied area. Remedial courses may be deemed necessary by the faculty (e.g. class voic).

<sup>4</sup>Required ensembles include Chorale or Wind Symphony.

# The Martha Rielin and Elizabeth Salmen School of Nursing

The Bachelor of Science in Nursing degree with the required Great Commission Minor is a four-year program that prepares competent, professional nurses to provide compassionate care with a Christian worldview. Nursing graduates of Truett McConnell's School of Nursing will advance the profession of nursing and have a global impact on healthcare by modeling moral leadership and evidence based practice, while utilizing critical thinking and therapeutic communication skills, and embodying the character and servanthood of Jesus Christ. All students will have a variety of clinical experiences in multiple practice sites as well as work with indigent and vulnerable populations. Graduates of the TMU School of Nursing will be eligible to take the National Council Licensure Exam for Registered Nurses NCLEX-RN® which is a requirement to practice as a professional registered nurse. The Bachelor of Science in Nursing Education (CCNE). Truett McConnell University is a growing Christian community dedicated to merging the finest traditions of a liberal arts education with the increasing demands for Christian professional nurses grounded in a biblically centered curriculum.

Nursing students have the opportunity to take a variety of courses such as:

- Introduction to Professional Nursing
- Fundamentals
- Health Assessment
- Pathophysiology & Pharmacology
- Mental Health Nursing
- Adult Health Nursing
- Maternal Health Nursing
- Pediatric Health Nursing
- Evidenced-based Practice & Nursing Research
- Vulnerable Populations & Global Health Nursing
- Gerontologic Nursing
- Critical Care Nursing

Students should expect a rigorous academic environment in which they can mature in their discipleship as Christians and participate in scholarship with academic preparation to follow their calling and continue their education in graduate school.

# The Michael Sattler School of Public Service

The School of Public Service seeks to prepare women and men to serve their community and make an impact for the Kingdom. The inaugural degree, a Bachelor of Science degree in Criminal Justice, will serve as the foundational degree of the School of Public Service. Students in this program will not only receive a quality education preparing them for service in the field of law enforcement, but also instill a distinctly Christian worldview equipping them to be salt and light in our world. In addition to learning the fundamentals of the field, students will engage in internships and other activities to gain first-hand experience in this important profession. When so much of what we see in education and government appears as "business as usual," TMU's new School of Public Service seeks to transcend the ideas of this world and apply a Biblical approach to governmental decision making. The School of Public Service offers courses leading to:

### **BACHELOR OF SCIENCE IN CRIMINAL JUSTICE**

The Bachelor of Science in Criminal Justice degree is designed to prepare students who seek to serve in the public realm – whether it be in law enforcement, law, or public policy. Students pursuing this degree will not only learn about history, theories, and approaches of the Criminal Justice system, but also learn to read and understand legal principles, write coherently, and think creatively while applying a Biblical worldview in assessing issues of today.

Concentrations include:

General/Independent Forensic Psychology Forensic Science-Biology Forensic Science – Chemistry Law Enforcement Leadership and Executive Management Pre-Law

# The Pilgram Marpeck School of Science, Technology,

# **Engineering and Mathematics (STEM)**

The mission of the Pilgram Marpeck School of Science, Technology, Engineering and Mathematics is to promote Christ-centered relationships leading to intimacy with God, service to man, and responsible rule over creation. The Pilgram Marpeck School of STEM achieves this mission by fostering critical thinking in STEM disciplines from a biblical perspective, striving for excellence in teaching and research, and equipping future educators, researchers, leaders and the next-gen workforce.

The school offers degree programs in Biology, Pre-Health Sciences, and Exercise Science.

The Bachelor of Science in Biology: General Biology degree is designed for students who wish to pursue a career in biology or biology-related fields. This degree prepares students with a sound core curriculum in mathematics, biology, chemistry, and physics all from a Christian worldview. Upper level curriculum allows students adequate exposure to the physio-structural, molecular and cellular, ecological, and organismal aspects of biology while preparing students for successful transition into graduate programs in biology and other related fields of science.

The Bachelor of Science in Biology: Pre-Health Sciences degree is designed for students who wish to pursue entrance to professional schools in several areas of health including dentistry, medicine, optometry, pharmacy, physical therapy, or veterinary medicine. This degree provides students adequate training and coursework in mathematics, biology, chemistry, physics, and social science for successful entrance to professional schools in the United States.

The Bachelor of Science in Exercise Science degree is designed to provide students a background in health and wellness. Specifically, students will be trained to serve man in corporate wellness, clinical exercise physiology, rehabilitation services, and similar exercise-based careers and to provide adequate pre-qualifications for entrance to graduate and professional programs related to exercise science, wellness, and medicine.

\*Major required courses may not also be counted as General Education.

#### **Degree Requirement:**

This degree requires a grade of C- or higher in all math and science courses.

#### **Application for Major Requirement:**

- Students should submit an "Application for Major" to the School of STEM prior to registering for junior year classes.
- School acceptance of the "Application for Major" is a graduation requirement.

# Truett McConnell University Bachelor of Science in Biology Concentration in General Biology Math Competent Curriculum Outline

\*\*In order to complete this degree program in four (4) years, students need to have been granted exemption by examination or taken and passed, with a C or above, Mathematics Review and Beginning Algebra (MA 098), Intermediate Algebra (MA 099), College Algebra (MA 102) and Pre-Calculus (MA 116) before entering the fall semester of their Freshman year. If any of these math courses are required (MA 098, MA 099, MA 102, MA 116) prior to entrance to MA 200/MA 220, this degree program may require extra time to complete. In addition, any students that drop or withdraw from courses, may require additional time to complete the degree program. You should follow this outline (Math Competent) if you have the ability to enter MA 200, MA 220, your Freshman year.

#### **Degree Requirement:**

This degree requires a grade of C- or higher in all math and science courses.

#### **Application for Major Requirement**

- Students should submit an "Application for Major" to the School of STEM prior to registering for junior year classes.

• School acceptance of the "Application for Major" is a graduation requirement. TMU 2021-2022 Degree Program Checklist: BS in Biology Concentration in Pre-Health Sciences March 18th, 2021 Page 1-2

# Truett McConnell University Bachelor of Science in Biology Concentration in Pre-Health Sciences Math Competent Curriculum Outline

\*\*In order to complete this degree program in four (4) years, students need to have been granted exemption by examination or taken and passed, with a C or above, Mathematics Review and Beginning Algebra (MA 098), Intermediate Algebra (MA 099), College Algebra (MA 102) and Pre-Calculus (MA 116) before entering the fall semester of their Freshman year. If any of these mah courses are required (MA 098, MA 099, MA 102, MA 116) prior to entrance to MA 200/MA 220, this degree program may require extra time to complete. In addition, any students that drop or withdraw from courses, may require additional time to complete the degree program. You should follow this outline (Math Competent) if you have the ability to enter MA 200, MA 220, your Freshman year.

\*Major required courses may not also be counted as General Education.

#### **Degree Requirement:**

This degree requires a grade of C- or higher in all math and science courses.

Accumulation of 3 D's or F's in any major related courses will result in dismissal from the major.

#### **Application for Major Requirement:**

- Students should submit an "Application for Major" to the School of Science and Mathematics prior to registering for junior year classes.
- School acceptance of the "Application for Major" is a graduation requirement.

# Truett McConnell University Bachelor of Science in Exercise Science Math Competent Curriculum Outline

\*\*In order to complete this degree program in four (4) years, students need to have been granted exemption by examination or taken and passed, with a C or above, Mathematics Review and Beginning Algebra (MA 098), Intermediate Algebra (MA 099), College Algebra (MA 102), Pre-Calculus (MA 116) before entering the fall semester of their Freshman year. If any of these math courses are required (MA 098, MA 099, MA 102, MA 116) prior to entrance to MA 200/MA 220, this degree program may require extra time to complete. In addition, any students that drop or withdraw from courses, may require additional time to complete the degree program. You should follow this outline (Math Competent) if you have the ability to enter MA 200, MA 220, your Freshman year.

## Truett McConnell University Bachelor of Arts in Global Studies Math Competent Curriculum Outline

\*\*In order to complete this degree program in four (4) years, students need to have been granted exemption by examination or taken and passed, with a C or above, Mathematics Review and Beginning Algebra (MA 098), Intermediate Algebra (MA 099) before entering the fall semester of their Freshman year. If any of these math courses are required (MA 098, MA 099) prior to entrance to MA 102 this degree program may require extra time to complete. In addition any students that drop or withdraw from courses, may require additional time to complete the degree program. You should follow this outline (Math Competent) if you have the ability to enter MA 102 your freshman year.

## **ARABIC (AB)**

#### AB 101 Introductory Arabic I

The foundational concepts of Modern Standard Arabic, including the alphabet, diacritical marking, symbols, and rules of correct recitation. The basics of Arabic syntax are also covered, including nominal and verbal sentences, pronouns, particles and a descriptive overview of the linguistic constructs of noun, verb and particle.

#### AB 102 Introductory Arabic II

Building upon the skills obtained in AB 101, further emphasis will be placed on basic sentence structures, plurals, and verb conjugations: including the perfect and imperfect and the idafa construct and other variations of the nominal sentence. Emphasis will also be placed upon the acquisition of practical vocabulary that is relevant to day to day life in the Arabic speaking world. Listening comprehension and basic speaking and reading skills will be acquired through in-class dialogues, listening exercises and regular dictations. Prerequisite: Completion of AB 101 with C- or better.

## ART (AR)

### AR 105 Art Appreciation and Criticism

An introduction to enable students to appreciate important works of art and techniques and movements of the visual arts. Student projects and gallery visitations reinforce class discussion and slide presentations.

#### **AR 106 Christian Art Appreciation**

The historical development of Christianity will be traced through the study of a series of representative works of art. Art studies will begin with the presentation of the background of Greco-Roman culture, how Christianity was absorbed within the culture, and how it gradually developed into a dominant world religion. This course will fulfill the appreciation course requirement.

#### **AR 107 Southern Folk Art Appreciation**

#### A course designed to focus on a greater appreciation and understanding of folk arts and crafts which make up the cultural heritage of the Southern Highlands of Appalachia. The course will cover topics related to pioneer culture and the culture of Southern Appalachia.

#### AR 110 Basic Drawing

A studio course introducing various techniques for drawing basic forms and shapes found in nature. Drawing skills are developed through exercises that sharpen visual perceptual artistic ability. Coursework will emphasize a variety of drawing media related to creative problem solving involving line, value, texture, perspective, shading, modeling, and other drawing fundamentals.

#### AR 111 Two Dimensional Color and Design

A studio course emphasizing color and its role in creating artistic compositions as applied to two-dimensional design. The course introduces the basic visual elements and principles of design in art. Coursework involves a variety of design problems and is a practical application of color mixing by which hue, value, and Chroma are used. Design problems are solved using both traditional and contemporary media and techniques.

#### **AR 112 Three Dimensional Design**

A studio course which explores three-dimensional forms and space using various sculptural materials and methods. Techniques studied include addition, subtraction, manipulation, and substitution. This class involves the formal understanding and exploration of the organizing fundamentals of the three-dimensional world.

### AR 115 Basic Painting

A studio course designed to emphasize an introduction to painting. A variety of painting techniques will be studied along with design perceptual and critical thinking skills. The course will direct the students in problem solving situations.

#### AR 205 Monuments of World Art

A chronological survey of major monuments of world artwork. This class focuses on the styles, movements, ideologies, and structures throughout the history of art. Works by master artists and their relationships to social history and critical theory will be discussed. An in-depth art history course for art majors.

### **AR 210 Intermediate Drawing**

This studio course is a continuation of Basic Drawing I with an emphasis on figure drawing. Advanced techniques, materials, and principals are stressed. Traditional and contemporary drawing problems of representation are highlighted and a progression toward complex ideas.

### AR 220 Intermediate Painting

3 Hours A continuation of Basic Painting I that covers the intermediate techniques of painting related to subject matter, composition, style, content, and color. Traditional and contemporary painting problems may include washes, watercolor, ink, acrylic, oil, tempera, collage, multimedia, and mixed media.

#### AR 230 Fundamentals of Clay

A studio course emphasizing the technical fundamentals of carving, modeling, and constructive methods using clay and their aesthetic implications in terms of form and content. An introductory clay course for creating basic three-dimensional forms includes terracotta, glazing, surface patina, selfhardening clay, and/or firing.

#### AR 240 Digital Media/Photography I

This course seeks to equip students with a working knowledge of photography. In addition, students will be introduced to the concepts of communicating through images with the specific applications of doing photographic essays. Classes will be divided into two sections. The first segment will include instruction and brief bios of notable photographers and their work. The second segment will consist of studio time where students are taking photographs with specific goals/objectives, and then assessing the images.

#### **AR 299 Special Topics**

An intensive study of special topics which provide students an opportunity to study in areas of the discipline other than those listed in the catalog.

## **BIOLOGY (BI)**

#### **BI 101 Concepts in Biology**

#### Conceptual introduction to biomes, biological communities, provisional cycles, biological systems, genetics, hierarchal classification, biological diversity, cell structure, and cellular metabolism. Also addressed is the nature of science, the nature of life, bioethics, and both creation and evolutionary theory. The entire course is presented from an explicitly Christian worldview perspective. 4 credit hours (3 hours of lecture and 2 hours of lab per week).

#### BI 102 Organism Survey

An organismal biology course for non-biology majors. An introduction to ecology and stewardship, as well as to the classification, diversity, and comparative biology of organisms: viruses, prokaryotes, protists, fungi, plants, and animals. 4 credit hours (3 hours of lecture and 2 hours of lab per week).

#### BI 103 Human Biology

Introduction to human biology. The course includes a very brief introduction to the structure, chemistry, reproduction and respiration in the cell, and a brief review of the systems of the human body (skin, skeletal, muscular, nervous, endocrine, circulatory, defense, respiratory, digestive, urinary, reproductive) and its care (i.e. cleanliness, nutrition, exercise, reproductive ethics, treatment of disease). 4 credit hours (3 hours of lecture and 2 hours of lab per week).

#### BI 107 Principles of Biology I

An overview of biology that includes science processing skills, biochemistry, cellular structure and function, cellular metabolism, genetics, gene expression and regulation, population genetics, and principles of evolution. 4 credit hours (3 hours of lecture and 3 hours of lab per week). Prerequisite/corequisite: CH 121

#### BI 108 Principles of Bioloav II

An overview of organism biodiversity on planet earth from bacteria to animals. Topics include a biblical worldview of biology, taxonomy/baraminology, a comparison of structure, function, nutrition, and reproduction of viruses, bacteria, protists, fungi, plants, and animals and their relationships with each other and the environment. 4 credit hours (3 hours of lecture and 3 hours of lab per week). Prerequisite: BI 107

#### BI 212 Anatomy and Physiology I

The first in a two-course systematic study of human anatomy and physiology. This course covers tissues and the integumentary, skeletal, muscular, and nervous systems. 4 credit hours (3 hours of lecture and 2 hours of lab per week). Prerequisites: BI 101 and CH 101 or BI 107 and CH 121

#### BI 213 Anatomy and Physiology II

The second in a two-course systematic study of human anatomy and physiology. This course covers the endocrine, circulatory, defense, respiratory, digestive, urinary, and reproductive systems. 4 credit hours (3 hours of lecture and 2 hours of lab per week). Prerequisite: BI 212

#### **BI 250 Microbiology**

Introduction to microbiology and how microbes and pathology fit within a biblical worldview. Topics include microbe taxonomy, metabolism, growth, genetics, symbioses, host-microbe interactions, infectious diseases of human organ systems, and the biomatrix. 4 credit hours (3 hours of lecture and 3 hours of lab per week).

Prerequisite: BI 101 and CH 101 or BI 107 and CH 121

#### **BI 300 Cell Biology**

4 Hours This course is an in-depth investigation of biological systems at the cellular, sub-cellular and molecular levels. Students investigate the four classes of macromolecules, along with the cellular metabolism of each, the wide variety of cell types, and energy relations within cells. These investigations include

basic structures of cells and functional aspects such as photosynthesis, intermediary metabolism, protein synthesis, and genetic control. Lecture emphasizes cellular metabolism, metabolic regulation, and cellular diversity. Laboratory emphasizes methods in molecule extraction and analysis and measurements of cellular activities. 4 credit hours (3 hours of lecture and 3 hours of lab per week). Prerequisite: BI 107 and CH 241

#### **BI 301 Genetics**

Introduction to Mendelian, molecular, population, and quantitative genetics. Topics include recombination, linkage, mutation, gene expression, chromosome mapping, DNA sequencing, and biotechnology methods. 4 credit hours (3 hours of lecture and 2 hours of lab per week). Prerequisite: BI 107

#### BI 302 Ecology

An introduction to plant and animal ecology including biological hierarchy, communities, behavior, biogeography, energy flow, physiological ecology, nutrient cycling, and ecological management. 4 credit hours (3 hours of lecture and 3 hours of lab per week). Prerequisite: BI 108, CH 122, and MA 200

#### BI 318 Intro to Cellular & Molecular Biology

This course is an introduction to cellular and molecular biology and will survey the structures and functions of prokaryotic and eukaryotic cells. The cellular and molecular functions of the major biomolecules including nucleic acid (DNA/RNA), proteins, lipids, and carbohydrates will be covered. Prerequisites: BI 107 and CH 122

#### **BI 330 General and Field Botany**

Three hours of lecture and one three-hour field trip/laboratory per week. An introduction to plants including general taxonomy (and use of taxonomic keys in the field), anatomy, physiology, plant symbioses, general ecology (e.g. biogeochemical cycles, mass transport of water, soils), forestry, invasive species, and ethnobotany (human uses for plants). Ecological management, along with human ecological impacts and problems, will be discussed throughout in the light of biblical stewardship.

Prerequisites: BI 108, CH 122, MA 200

#### **BI 340 Molecular Biology**

This course is an exploration of molecular biology knowledge and technique. Topics include nucleic acid structure, replication, repair, transcription, and translation in prokaryotes and eukaryotes. Laboratory exercises will be included to enhance lecture topics and to aid in procurement of laboratory skills and abilities. 4 credit hours (3 hours of lecture and 3 hours of lab per week). Prerequisite: BI 301

#### **BI 390 Microbial Pathogenesis**

A look at the various molecular mechanisms used by microbes (primarily bacteria, virus, and fungi) to cause disease. Topics include immunology, health & disease, identification & regulation of virulence factors, antimicrobials, vaccines, and opportunistic infections. A mandatory component of this research will be a Christian worldview component. Prerequisite: Acceptance to the biology major, junior or senior status

BI 399 Special Topics in Biology

An intensive study of special topics which provide students an opportunity to study in areas of the discipline other than those listed in the catalog. Can be 1 to 4 credit hours - varies by semester and topic.

Prerequisite: Specified by instructor

#### BI 401 A, B, C, D: Biology Seminar for Undergraduates

The biology seminar series will provide students opportunities to acquire greater depths of intellect within and across their fields of interest through participation in journal club exercises and exposure to guest, faculty, and graduate student presenters. Review of presentations will allow constructive feedback for the presenter and the opportunity to hone criticism skills for the student evaluators. Prerequisite: Junior or Senior Status

#### BI 415 Mammalogy

This course will cover origins (creationary and evolutionary), classification, basic anatomy and physiology, ecological/economic importance, distribution, life histories, and basic mammal sampling techniques. 4 credit hours (3 hours of lecture and 3 hours of lab per week). Prerequisites: BI 108, CH 122, and MA 200

#### BI 420 Endocrinology

This course provides an in depth investigation of vertebrate endocrine systems and hormones. Students investigate the structure and function of the endocrine glands and biochemistry, synthesis, biological action, and regulation of hormones. Study will emphasize the hormones' system-level roles in homeostasis, intermediary metabolism, reproduction, and animal behavior. Prerequisite: BI 107, BI 212, and CH 240

**BI 440D Biology Internship** 

4 Hours This course is meant to provide students with practical work experiences in a wide variety of biological and medical disciplines. These experiences include, but are not limited to, working with medical doctors and/or medical health practitioners in hospital, pharmaceutical, zoo, mission, and/or business settings (e.g. medical doctors, veterinarians, dentists, physical therapists, pharmacists, zookeepers, wildlife educators, farmers, green house florists), collaborating with biologists at universities on projects requiring hypothesis testing, and working in the field with state and/or federal wildlife biologists focused on ecological and stewardship issues. BI 440D requires completion of 180 clock hours at the internship site. Prerequisite: Acceptance into the biology degree program

#### BI 460 Research Methods in Biology

This course will provide exposure to research methods used in biological research. Methods will be determined by the professor leading the course and the content of the research to be completed. Although not necessary for course completion, a peer-reviewed scientific paper is a highly desired outcome. Prerequisite: Acceptance into the biology program

**BI 470 Global Health** 

This course conceptualizes global health as a multidisciplinary field that underscores the critical links between health topics including: Emerging diseases and antimicrobial resistance. Environmental determinants of health. Global health implementation and Socioeconomic determinants of health, We will discuss HIV, AIDS, Tuberculosis, Malaria, and Diarrheal & respiratory

## **Course Descriptions**

#### BI 425 Herpetology

An introduction to the origins, structure, function, ecology, behavior, development, distribution, and conservation of amphibians and reptiles. The laboratory component will be focused on learning to identify amphibians and reptiles, studying their anatomy, and performing various field techniques that are useful for studying them. 4 credit hours (3 hours of lecture and 3 hours of lab per week). Prerequisite: BI 108 and CH 122

#### **BI 430 Stream Ecology**

Streams and rivers have been important to people as sources of water and food, recreation, power, navigational routes, dumping areas for effluents, and aesthetic enjoyment. Running waters represent ideal ecosystems for understanding many ecological phenomena. This course will introduce students to major conceptual themes and several common research methods used for studying the ecology of running waters. 4 credit hours (3 hours of lecture and 3 hours of lab per week).

Prerequisite: BI 108, CH 122, and MA 200

#### **BI 435 Forest Ecology**

Three hours of lecture and one three-hour field trip/laboratory per week. An introduction to forest ecosystems including: forests as part of a global ecosystem, forest community interactions and communication, disturbance and succession, tree identification and core sampling, forest soils, biogeochemical cycles, and ecosystem stability. Forest management, along with human ecological impacts of forests, will be discussed in the light of case studies and biblical stewardship.

Prerequisite: BI 108, CH 122, MA 200

#### **BI 440A Biology Internship**

This course is meant to provide students with practical work experiences in a wide variety of biological and medical disciplines. These experiences include, but are not limited to, working with medical doctors and/or medical health practitioners in hospital, pharmaceutical, zoo, mission, and/or business settings (e.g. medical doctors, veterinarians, dentists, physical therapists, pharmacists, zookeepers, wildlife educators, farmers, green house florists), collaborating with biologists at universities on projects requiring hypothesis testing, and working in the field with state and/or federal wildlife biologists focused on ecological and stewardship issues. BI 440A requires completion of 45 clock hours at the internship site. Prerequisite: Acceptance into the biology degree program

#### **BI 440B Biology Internship**

This course is meant to provide students with practical work experiences in a wide variety of biological and medical disciplines. These experiences include, but are not limited to, working with medical doctors and/or medical health practitioners in hospital, pharmaceutical, zoo, mission, and/or business settings (e.g. medical doctors, veterinarians, dentists, physical therapists, pharmacists, zookeepers, wildlife educators, farmers, green house florists), collaborating with biologists at universities on projects requiring hypothesis testing, and working in the field with state and/or federal wildlife biologists focused on ecological and stewardship issues. BI 440B requires completion of 90 clock hours at the internship site. Prerequisite: Acceptance into the biology degree program

#### **BI 440C Biology Internship**

This course is meant to provide students with practical work experiences in a wide variety of biological and medical disciplines. These experiences include, but are not limited to, working with medical doctors and/or medical health practitioners in hospital, pharmaceutical, zoo, mission, and/or business settings (e.g. medical doctors, veterinarians, dentists, physical therapists, pharmacists, zookeepers, wildlife educators, farmers, green house florists), collaborating with biologists at universities on projects requiring hypothesis testing, and working in the field with state and/or federal wildlife biologists focused on ecological and stewardship issues. #### **BI 498 Biology Capstone Presentation**

Student preparation and presentation of the capstone research required for the Bachelor of Science degrees in Biology. The presentation will include a discussion of the impact of the Christian worldview on their discipline. Prerequisite: BI 497

## **BUSINESS (BU)**

#### **BU 101 Foundations of Business**

This course is designed to provide an overview of the many different aspects of business including different forms of business ownership, the economic, marketing, financial, human resources, and management functions of business

#### **BU 105 Leadership & Public Speaking**

The course will expose the learner to the how and why of leadership, specifically as it relates to servanthood. Attention will also be given to the effective methods for leading through public speaking with a unique emphasis on volume, pitch, and tempo.

#### **BU 210 Financial Accounting I**

A course designed to introduce and develop fundamental accounting principles taught on the basis of a balance sheet approach. The accounting cycle, including books of original entry through the post-closing trial balance, is introduced in the records of a professional person. The merchandise inventory and other adjustments such as depreciation, bad debts and accrued items are then presented.

#### **BU 211 Financial Accounting II**

#### A course designed to continue the study of accounting principles introduced in BU 210 with emphasis on accounting systems of partnerships and corporations, accounting concepts, and cost accounting. Prerequisite: BU 210 with C- or higher

#### **BU 215 Principles of Macroeconomics**

An introduction to the basic concepts of macroeconomic theory. Topics include resource utilization, mixed economies, calculation of GDP and national income, the business cycle, and classical, Keynesian, and monetary economic theory.

#### **BU 216 Principles of Microeconomics**

An introduction to the basic concepts of microeconomic theory. Topics include supply and demand, defining and evaluating various market structures, muincome distribution and poverty, corporate mergers and antitrust, and international trade. Pre-requisite: BU 215

#### **BU 220 Introduction to Computers**

This course focuses on the use of basic business computer applications including word processing, spreadsheets, databases, presentations, email and other office programs. Students will become knowledgeable in basic computer applications used to support decision making and operations of an organization.

#### **BU 230 Principles of Leadership**

#### The course will expose the learner to the questions of the why and how of leadership and what biblical leadership knowledge, skills and abilities are needed in leading others.

#### **BU 300 Business Law**

A course designed to provide an understanding of the impact of the U.S. legal system on business operations as well as an insight into international laws affecting U.S. business operations. This includes government regulation plus the system for the private enforcement of legal rights. Topics include the U.S. legal system, contracts, torts, administrative agencies, constitutional law, business organization, international transactions, regulation securities, consumer law, antitrust law, fair and unfair trade practices, employer-employee relationships and environmental law.

#### **BU 301 Business Communications**

3 Hours A course designed to emphasize knowledge and application of principles of oral, written, and nonverbal communication in business situations. The course includes document preparation of letters, memos, reports, proposals, technical writing, and resumes. Business research using analysis of numerical data is also emphasized. Prerequisite: EN 101

#### BU 305 Salesmanship

3 Hours In today's highly competitive market, an effective sales approach is to focus presentations on defining the customer's needs, explaining the value the customer can receive from the sales organization and, ultimately having the customer verify the value they receive from the sales organization. This course will help define and then refine those skills.

#### **BU 333 Advanced Computer Applications**

cost-volume-profit analysis. Prerequisite: BU 210 with C- or higher

This course will cover advanced exercises in Microsoft Office that go beyond the basics to include: advanced documents, presentations, database concepts, and spreadsheet concepts.

#### **BU 335 Organizational Behavior**

The course provides an investigation into the core concepts of human behavior and industrial psychology. Coverage includes theories of motivation, leadership, negotiation and organizational design.

#### **BU 340 Principles of Corporate Finance**

A course designed to introduce the theories and practice of business finance. Topics include long-term financial planning, valuation of future cash flows, project analysis and evaluation, and cost of capital. Prerequisite: BU 210 with C- or higher

#### BU 345 Intermediate Accounting I

This course covers accounting theory and practice as applied to receivables, inventories, intangible and fixed assets, and current and long term liabilities. Prerequisites: BU 210 and BU 211 with a C- or higher

#### BU 346 Intermediate Accounting II

Accounting theory and practice as applied to debt, equity financing, investments, leases, taxes, payroll, earnings per share, statement of cash flows and global accounting. Prerequisite: BU 345 with a C- or higher

#### **BU 350 Management Information Systems**

This course introduces the general concepts of management information systems including system design, implementation and control of computerbased systems. There will be an emphasis on the use of computer-based systems for managerial planning, decision-making and control of the business.

#### **BU 355 Retailing Management**

This course provides a survey of the theories and methods of retail management. Topics include types of retailers, retailing strategy, site location, customer relationships management, and pricing will be explored. Prerequisite: BU 320 with a C- or higher

#### **BU 360 Intro to Sports Management**

The course educates students on the major aspects of sports management. Coverage will include sports management functions, marketing, intercollegiate sports and others.

#### **BU 362 Sports in Society** The course educates students on the role of sports in society.

**BU 363 Sports Marketing** 

The course educates students on field of sports marketing.

#### BU 365 Sports Facility Design and Management

The course educates students on the foundations of sports facility management.

#### **BU 380 Intro to Healthcare Management**

Practical and conceptual skills are taught to help students focus on more efficient health care delivery. Also covered is development of leadership skills, future trends in health care management, guidelines for designing effective work groups, and a section on managing conflict. Prerequisite: BU 330 with a C- or higher

## **Course Descriptions**

#### **BU 308 Personal Finance**

**BU 310 Managerial Accounting** 

#### The focus of this course is on developing a personal business plan encompassing financial planning, managing taxes, budgeting and cash flow management, credit use, and planned borrowing.

## **BU 372: Nonprofit Accounting**

This course examines the financial considerations for nonprofit organizations, the accounting principles and reporting requirements for nonprofit entities. Financial measures and financial statements will be considered in order to ensure effectiveness and sustainability. Specific topics include: the accounting cycle, sources of funds, resource development, financial accountability, budgeting, fund accounting, accounting for nonprofit organizations.

## **BU 381 Healthcare Management & Supervision**

This course covers topics ranging from pay for performance and information technology to ethics and medical tourism and expands upon the major theme that health care leaders must effectively design and manage health care organizations while simultaneously influencing and adapting to changes in environmental context. Prerequisite: BU 380 with a C- or higher

## **BU 382 Healthcare Financial Management**

This course provides discussion on the fundamental principles of finance, accounting, and budgeting for both short-term and long-term assets and programs. Managers of health care organizations and those aspiring to become managers will find this an invaluable tool in helping to increase their understanding of the financial aspects of running and managing their business. Prerequisites: BU 340 and BU 380 with a C- or higher

## **BU 383 Regulatory Environment of Healthcare**

This course engages students who will be leading and shaping twenty-first century health care organizations. It raises questions about health law issues such as emergence of the U.S. as a player in the global health care industry, innovative new approaches to the payer/provider model, and the future of tailored therapeutics. The text provides a comprehensive overview of health law, which is relevant to both undergraduate students seeking the basic management skills required to work in health care organizations, and graduate students currently working in health care organizations. Prerequisite: BU 300 with a C- or higher

## **BU 399 Special Topics in Business**

Prerequisites: BU 300 and BU 330 with a C- or higher

### This course will cover advanced exercises in Microsoft Office that go beyond the basics to include: advanced documents, presentations, database concepts, and spreadsheet concepts.

### **BU 400 International Business** A course designed to study the unique problems of conducting global business inside and outside the United States.

## **BU 404 Individual Taxes**

Tax law as it applies to individuals. Course content will include structure of the federal system, definitions of income, deductions and property transactions. Prerequisite: BU 210 with a C- or higher

## **BU 405 Corporate Taxes**

This course surveys tax issues impacting corporations, partnerships and S Corps. Prerequisites: BU 210 and BU 211 with a C or higher

## **BU 410 Business Ethics**

A course that uses case studies to examine ethical issues in business. Topics include social responsibility, developing a framework for understanding ethical decision-making, developing an ethical organizational culture, and the development of an effective ethics program. Prerequisite BU 330 with a C- or higher

## **BU 415 Auditing**

This course is an introduction to audit and other assurance services. Emphasis is placed on the audit process and internal controls. Prerequisites: BU 210 and BU 211 with a C- or higher

## BU 422 Social Media Marketing

This class is designed to teach students the essentials of social media marketing and how it differs from traditional marketing. Social media plan, planning cycles, and the ability to target specific markets are important areas to develop. Ethics in social media will be covered as well as the integration of social networking sites. Microblogging and Twitter are of significant use in developing brands, along with content creation, blogging, webcast and video sharing that are essential in creating viral videos. Marketing on photo sharing sites, marketing with social news and aggregation sites, publishing article and mobile marketing are significant factors in successful SSM. Social media monitoring, tools for monitoring the social media marketing effort and developing the marketing plan all contribute to successful SSM. Prerequisite: BU 320 with a C- or higher

This course provides students with an understanding of humanitarian and nonprofit logistics specifically procurement, working with supplies, managing various aspects of the supply chain process.

## **BU 440 Operations Management**

A course designed to examine the production process. Topics include decision-making techniques, facility location and design, capacity planning. procurement, inventory management, product management and quality control. Prerequisite: BU 330 with a C- or higher

## **BU 450 Strategic Management**

The capstone course for the business degree program. Primarily a case study course that will integrate the skills learned in the various functional areas of business administration. Emphasis will be placed on the ability to analyze and solve business problems and effectively communicate proposed solutions. Prerequisite: Senior Standing

## **BU 460 Internship**

### A course that gives the student the opportunity to apply the knowledge and skills attained in the classroom to business situations, and to gain business knowledge and make decisions in a situated environment. Prerequisite: Must have Junior or Senior standing.

## **BU 461 Concentration Specific Internship**

A course that gives the student the opportunity for a meaningful career-related experience in a variety of organizational settings. This endeavor should provide the student a better understanding of business, specifically as it pertains to the students focused field of study. Prerequisite: Junior or Senior Standing

## BU 465 Advanced Accounting

Accounting theory and practice as applied to business combinations, consolidations, intercompany transactions and special issues for subsidiaries. Prerequisite: BU 346 with a C- or higher

## **CHEMISTRY (CH)**

## CH 101 General, Organic, & Biochemistry

This is the first course in a two-semester sequence covering elementary principles in general, organic, and biochemistry designed for allied health professions majors. Topic to be covered include elements and compounds, chemical equations, nomenclature, and molecular geometry. Laboratory exercises supplement the lecture material.

## CH 102 General, Organic, & Biochemistry I

This is the second course in a two-semester sequence covering elementary principles of general, organic, and biochemistry designed for allied health professions majors. Topics to be covered include elements and compounds, chemical equations, nomenclature, and molecular geometry. Laboratory exercises supplement the lecture material.

## CH 103 General, Organic, & Biochemistry II

This is the second course in a two-semester sequence covering elementary principles of general, organic, and biochemistry designed for allied health professions majors. Topics to be covered include elements and compounds, chemical equations, nomenclature, and molecular geometry. Laboratory exercises supplement the lecture material. Pre-requisite CH 102

## CH 121 General Chemistry I

An exploration of the laws, theories, and principles of chemistry, and the properties of selected elements and compounds. 4 credit hours (3 hours of lecture and 3 hours of lab per week)

Prerequisite: Completion of or exemption from MA 102 or higher math

## CH 122 General Chemistry II

A continuation of the principles studied in CH 121 with an emphasis on solution equilibria and acid base chemistry. 4 credit hours (3 hours of lecture and 3 hours of lab per week) Prerequisite: CH 121

## CH 240 Basic Organic Chemistry I

4 Hours An introduction to the basics of organic (carbon) chemistry with emphasis on the nomenclature, structure, and reactions of hydrocarbons and hydrocarbon derivatives (intended for students majoring in biological science, pre-medicine, pre-dentistry, pre-pharmacy, or pre-veterinary medicine). 4 credit hours (3 hours of lecture and 3 hours of lab per week) Prerequisite: CH 122

## **CRIMINAL JUSTICE (CJ)**

## CJ 101 Introduction to Criminal Justice

This course provides an introduction of the American criminal justice system. This course will provide an overview of the American justice system including, but not limited to, corrections, the court system, ethics, policing, and the history of law enforcement in America.

## CJ 201 Research & Writing in Criminal Justice

This course will introduce the students to research and writing techniques. In addition to learning traditional and new media research techniques, students will also learn how to write academically, as well as case briefing, formatting, preparing memoranda, and writing pursuant to Turabian. In addition to preparing formal memoranda, and case briefs, students will also practice preparing written reports as required in the law enforcement profession.

## **CJ 202 Corrections**

This course will provide an overview of the historical and philosophical backgrounds of the criminal correctional system in the United States. In addition to reviewing this history of corrections, students will also study the procedural and legal aspects of corrections. Prerequisite: CJ 101

## CJ 203 Criminology

In studying any topic, it is important to understand foundational principles and theories that guide future decisions and research. In this course, students will study criminal justice theories outlining the nature and cause of criminal behavior and the impact on society. In addition to considering general criminal justice principles, students will also study the philosophy, psychology, and sociology of a crime. In the final assessment of a crime and subsequent punishment, the student will also apply a Biblical worldview perspective. Prerequisite: CJ 101

## CJ 204 Law Enforcement in America

In this introductory course, students will study the history of policing in America as well as various issues and concepts related to policing. In addition to studying the general characteristics of policing in America, students will compare and contrast the statutory mission and role of local, state, and federal law enforcement agencies.

## **CJ 208 Introduction to Criminalistics**

This introductory forensic science course will introduce various methodologies and applications used in the forensic sciences. Students will gain an understanding of how the physical and social sciences intersect to solve crimes. The course will dover the most common types of physical evidence obtained in criminal cases and discuss how evidence recovered from the crime scene moves to the crime laboratory, where it is processed and analyzed, all from a Christian Worldview, including the concept of integrity. Prerequisite: CJ 101

## CJ 250 Introduction to American Court Systems

This course is designed to introduce the student to criminal, civil, juvenile and other court systems in the United States. The student will study a case in criminal and civil proceedings from the initial pleadings to the final resolution. Topics covered will include: jurisdiction, venue and applicable law. students will be expected to observe court proceedings. This course is cross listed with PY 250.

Prerequisite: Senior Status

## **EXERCISE SCIENCE (ES)**

## ES 100A Physical Wellbeing – Fitness Walking

This course is designed to prepare students to live a healthy and active life. Lectures will focus on the health and wellness of the eleven human physiological systems and expose students to principles of exercise, nutrition, personal hygiene, and disease management to maintain health and personal wellness. This course will also introduce students to walking as a fitness activity while implementing and evaluating a personal walking program. The course will emphasize the knowledge that walking is a safe and effective method for enhancing fitness. 2 credit hours (1 hour of lecture and 2 fifty-minute activity sessions per week.)

## ES 100B Physical Wellbeing – Jogging

This course is designed to prepare students to live a healthy and active life. Lectures will focus on the health and wellness of the eleven human physiological systems and expose students to principles of exercise, nutrition, personal hygiene, and disease management to maintain health and personal wellness. This course will also introduce students to a safe and effective method of ecercise and conditioning through the experience of running and jogging which encourages a lifetime of health and fitness. 2 credit hours (1 hour of lecture and 2 fifty-minute activity sessions per week).

## ES 100C Physical Wellbeing - Weight Training

This course is designed to prepare students to live a healthy and active life. Lectures will focus on the health and wellness of the eleven human physiological systems and expose students to principles of exercise, nutrition, personal hygiene, and disease management to maintain health and personal wellness. This course will also introduce students to the major concepts of weight training. Emphasis will be placed on exercise prescriptions, toning, wellness, and muscular and skeletal fitness. 2 credit hours (1 hour of lecture and 2 fifty-minute activity sessions per week).

## ES 100D Physical Wellbeing – Hiking

This course is designed to prepare students to live a healthy and active life. Lectures will focus on the health and wellness of the eleven human physiological systems and expose students to principles of exercise, nutrition, personal hygiene, and disease management to maintain health and personal wellness. The course will also introduce students to the joys of day hiking emphasizing safety issues, clothing, footwear, equipment, and wilderness eithics. This course requires travel to local trail systems and other off campus sites. 2 credit hours (1 hour of lecture and 2 fifty-minute activity sessions per week).

## ES 100E Physical Wellbeing – Basketball

This course is designed to prepare students to live a healthy and active life. Lectures will focus on the health and wellness of the eleven human physiological systems and expose students to principles of exercise, nutrition, personal hygiene, and disease management to maintain health and personal wellness. The course will also introduce students to the fundamental techniques of basketball, as well as rules and scoring procedures. 2 credit hours (1 hour of lecture and 2 fifty-minute activity sessions per week).

## ES 100OL Physical Wellbeing – Get Fit, Stay Fit

This course is designed to prepare students to live a healthy and active life. Lectures will focus on the health and wellness of the eleven human physiological systems and expose students to principles of exercise, nutrition, personal hygiene, and disease management to maintain health and personal wellness. Students will also participate in routine physical activity through self-directed physical activity planning. Students may choose to participate in their favorite activities and will submit weekly journals detailing the type of activity (example: running, walking, cycling, etc.), the frequency of the activity (how many days per week), the time of activity (how many minutes per session), and the intensity of the activity (using a rating of perceived exertion) participated in each week. Students are expected to accumulate a minimum of ninety (90) minutes of activity per week. 2 credit hours

## ES 110 Intro to Exercise Science

Overview of basic and applied research questions and career alternatives in the specific disciplines of exercise and sports science, including anatomical kinesiology, biomechanics, exercise physiology, human nutrition and their clinical practice.

## ES 210 Corporate Wellness

Students are provided an overview of the importance of employee wellness programs to optimize productivity in the workplace by managing employee health and wellness. Students are introduced to the scientific study and practice of managing personal health and wellness through effective management of wellness programs for businesses.

## ES 220 Medical Terminology

An overview of general medical terms related to the allied healthcare field to prepare undergraduate students for various settings. Medical terms are described with relation to anatomy, pharmacology, medical notes, and physician directions that are common in post-graduate degree programs and healthcare settings. 2 credit hours (2 hours of lecture.)

Course is developed for all students to gain a better understanding of interaction between health, lifestyle, and food choices. 3 credit hours (3 hours of lecture.)

## ES 310 Physiology of Exercise

A basic course in exercise physiology designed to provide an understanding of the effect of exercise and human motion on the body and the adaptation of the body to physiological stress. Prerequisite: BI 212 and BI 213

## ES 320 Anatomical Kinesiology

Human motion from both an anatomical and a mechanical perspective will be addressed. Specific attention is placed on the musculoskeletal system and the description of human movement. Focus on the student's mastery of motion analysis necessary for medical, fitness, and educational professionals involved in providing instruction and information to the physically active. Prerequisite: BI 212 and BI 213

## ES 330 Pharmacology

### Basic pharmacological concepts, drug classifications, and medication administration in health science practice are introduced with practical applications discussed. Review of human anatomy regarding types of diseases and infections. Survey of common conditions relevant to each bodily system: as well as, medications prescribed to treat specific conditions/diseases. Provide relevant applications in the field of exercise science. Prerequisite: CH 122

## ES 340 Exercise Prescription and Fitness Assmt.

An introduction to fitness assessment and exercise prescription for exercise, sports, and physical activity. An understanding of the effects disease has on physical activity and exercise performance and the subsequent monitoring and treatment will be the primary focus. Prerequisite: ES 110

## ES 350 Human Nutrition

3 Hours Survey of dietary requirements and processes, sources of the various nutrients, and the relationships of food to health, the role of diet in prevention of diseases and methods of improving eating habits at different age levels and in different cultures. Prerequisite: CH 122

## ES 360 Special Populations

This course is designed to increase the understanding and practical application of exercise to special populations. The students will learn and apply knowledge on how to modify exercise for individuals and groups based on age, medical conditions, and speical needs. The areas covered will include, but are not limited to: coronary heart disease, diabetes, asthma, obesity, pregnancy, and the physically and mentally challenged. 3 credit hours (3 hours of lecture.) Prerequisite: ES 310 with a C- or higher.

## ES 370 Biomechanics & Motor Control

This course applies the physical laws of motion to human movement, motor learning, and motor control. Students will learn how the muscles and joints produce movement through changes in external and internal forces. A review of the muscular system will entail how the sensory/nervous system works in conjunction to provide reflexive action and movement. Principles will be applied within a biomechanical analysis to improve training, performance, and reduce injury risk. 4 credit hours (3 hours of lecture and 2 hours of lab per week.) Prerequisite: BI 212 with a C- or higher and BI 213 with a C- or higher.

## ES 410 Physiological Aspects of Sports Training

An in-depth review of the physiological basis of training to optimize performance in sport and physical activity with practical guidelines for developing and modifying specific training programs for athletes and performers in a variety of sports and activities. Prerequisite: ES 310

## ES 420 Psychological Aspects of Athletic Performance

Study of the psychological applications in the field of sports and coaching. Topics include behavioral coaching of motor skills, competition anxiety analysis and management, mental rehearsal techniques and aggression control. A systematic approach to evidence based practice for answering a clinical problem will be utilized. Special attention will be given to cross cultural population. Prerequisite: PY 210 or PY 220

## ES 430 Independent Research w/Internship

This course is meant to provide students with practical work experiences in a wide variety of fields within exercise science. These experiences include, but are not limited to, working with medical doctors, allied health practitioners (physical therapy, occupational therapy, athletic traning) in different settings. Students will collaborate with the instructor to answer a research question requiring hypothesis testing and working in the field with licensed practitioners focused on providing healthcare in the realm of sports medicine. ES 430D requires completion of 180 clock hours at the internship site. This course is designed for semesters in which many observation hours may be collected, such as the summer semester. This course can be modified for graduate programs that require specific amounts of observation/volunteer hours (50 hours-430A, 100 hours--430B)

## ES 450 Advanced Human Nutrition

3 Hours In-depth physiological assessment of digestion, absorptions, and metabolism of macronutrients/micronutrients. Properties of each macronutrient, water, vitamins, and minerals exposed and relationship to energy balance, body weight and composition. Focus on ideal health regarding nutritions, exercise, and athletic performance. Relate certain medical conditions as a result of impaired nutrition and nutriltion intake and affect on various patient populations. 3 credit hours. (3 hours of lecture). A review of algebraic operations with polynomial and rational expressions, the solution of linear equations and inequalities, exponents, radicals and quadratics. Institutional credit only. Prerequisite: A grade of C or higher in MA 098 or placement NOTE: Students who receive a grade of C- or higher in this course are eligible to take MA 101 or MA 102

### MA 101 Mathematical Modeling

Designed for students in degree programs requiring only one college-level mathematics course. Content includes descriptive statistics and mathematical modeling using graphical and algebraic techniques. Emphasis is given to the investigation and analysis of applied problems and to the effective communication of quantitative concepts in data analysis. Prerequisite: Completion of MA 099 with C- or higher or placement

### MA 102 College Algebra

### A study of algebra including absolute values, equations and inequalities, complex numbers, systems of equations, relations, functions, and the transformations of their graphs. Emphasis is also given to polynomial and rational functions and the Fundamental Theorem of Algebra. Prerequisite: MA 099 with C- or higher or placement

MA 116 Pre-Calculus 3 Hours Preparation for calculus, including an intensive study of algebraic, exponential, logarithmic, and trigonometric functions and their graphs. Applications include simple maximum/minimum problems, exponential growth, decay, surveying problems, and trigonometric proofs. Prerequisite: MA 102 with C- or higher or placement

## **MA 200 Elementary Statistics**

An introduction to descriptive and inferential statistics, frequency distributions and their graphic representation, measures of central tendency and variation, probability theory, the binomial distribution, the normal distribution, correlation and sampling. Prerequisite: Completion or exemption of MA 102

## MA 220 Calculus with Analytical Geometry

Introductory differential calculus and its applications. Topics include limits, continuity, differentiability, derivatives of polynomial, trigonometric, exponential, and logarithmic functions, with applications and antiderivatives. Prerequisite: Placement or MA 116 with C- or higher

## MA 221 Integral Calculus

Introductory integral calculus and its applications. Topics include Riemann sums, the Riemann integral, the fundamental theorem of calculus, techniques of integration, arc length, surface area, volumes, force, work, and an introduction to differential equations. Prerequisite: MA 220 with grade of C- or hiaher

## MA 250 Multivariable Calculus

An introduction to calculus of functions of two and three variables. Topics include vectors in two and three dimensions, parametric curves, continuity, and differentiability of functions of several variables, directional derivatives, LaGrange multipliers, multiple integration, polar coordinates, Green's theorem, and Stokes' theorem. Prerequisite: MA 221

## MA 301 Number Systems

3 Hours Topics include problem solving strategies, sets and counting, logic, numeration systems, number systems, number theory, ratio and proportion, and an introduction to plane figures. #### **NU 305 Health Assessment**

This course emphasizes health assessment of the whole person's physical, psychological, social, and spiritual dimensions that stress nursing skills and the nursing process. This practicum course utilizes experiential learning to provide the student nurse with the knowledge and skills necessary to perform a comprehensive health assessment utilizing the skill of history taking, inspection, auscultation, percussion, and palpation. Normal assessment finding, frequent variations from normal, abnormal assessment findings will also be introduced. This course is designed to introduce the beginning nursing student to selected skills utilized in nursing practice and health assessment. The student will build on the basic knowledge of human anatomy and physiology. The course emphasizes the skills required for history taking, physical assessment, communication, documentation, and critical thinking to prioritize, plan, and guide care of the patient. Students will practice psychomotor, cognitive, and affective skills necessary to safely and effectively perform health assessments and implement nursing care. Application of clinical assessment and reasoning is assessed in the laboratory setting utilizing case studies and hands-on assessment skills. Both cultural and ethnic factors impacting health care beliefs and practices will be explored. Experiential learning and active participation in hands-on lab experiences will enhance the learning of this essential clinical skill. Corequisites: NU 310; NU 335; NU 360 \$50 practicum fee.

#### **NU 310 Nursing Fundamentals**

Founded on biblical truths, this comprehensive course provides an introduction to theories, concepts, and values of the profession of nursing based on the integration of faith, values, and compassionate care and provides the foundation for clinical practice. Basic principles and nursing skills are introduced to enable students to recognize and begin to apply the nursing process, identify and encourage optimal health practices, and predict and provide appropriate nursing interventions in caring for the physical, psychological, social, and spiritual needs of all patient populations. Foundational in nursing practice is the introduction of basic principles promoting optimal health for the person, family, and community. Evidence based practice related to human response to illness will be explored as well as professional standards of nursing practice. Implementing holistic patient-centered care that reflects the integration of communication and collaboration skills, critical thinking, spirituality, cultural diversity, legal/ethical issues is further explored. The lab component of the course focuses on comprehension and beginning technical competency of nursing skills used to assess, implement, and evaluate nursing care. The clinical practicum experience provides students with an opportunity to implement holistic patient-centered care that reflects the integration of Biblical truths, compassion, communication, critical thinking, cultural sensitivity, and spirituality, all within the framework of the nursing process. This experience will occur in a long-term healthcare facility. Requires a \$50.00 participations fee. Prerequisite: Admission to the nursing program, NU 250/ Corequisites: NU 305, NU 335, NU 360. (5 credits = 3 hours didactic and 8 clinical hours)

#### NU 335 Pathophysiology/Pharmacology I

A combination course of the study of pathophysiology and pharmacology with emphasis on the nursing process, the first course in a two-sequence course preparation. This course includes the study of human diseases and the mechanisms that govern them, providing a comprehensive nursing approach to common alterations in body systems. Mechanisms and theories related to the development of disease and alterations in body function of individuals throughout the life span are presented. This course focuses on etiology, clinical presentation, implications, and appropriate treatment of the disease processes emphasizing nursing application. The course is organized with the inclusion of the nursing process, and consistently examines pathological conditions, and the rationale for nursing interventions within the framework of nursing practice. Including in this course, is a comprehensive focus on pathophysiology and the relationship of pharmacologic and non-pharmacologic regimens in patient care and nursing clinical practice. Focus of this course includes pharmacologic therapeutics used to treat the patient in a holistic manner. The course reviews general principles, theories, and facts about medications and administration. Principles of pharmacologic mechanisms of action, indications, side effects, and patient education are utilized to facilitate the student's learning in the clinical environment. Information is presented by integrating pharmacology into the nursing process. Specific medication information is examined in relation to assessment, nursing diagnosis, planning process, patient monitoring, interventions, patient education and evaluation of safe and effective medication therapy. Dosage calculation instruction will be an essential element to assure safe administration of all medications in the clinical setting. Prerequisite: Admission to nursing program, NU 250/ Corequisites: NU 305, NU 310, NU 360. (3 credits = 3 hours didactic)

#### NU 345 Pathophysiology/Pharmacology II

A combination course of the study of pathophysiology and pharmacology with emphasis on the nursing process, the second course in a twosequence course preparation. This course includes the study of human diseases and the mechanisms that govern them, providing a comprehensive nursing approach to common alterations in body systems. Mechanisms and theories related to the development of disease and alterations in body function of individuals throughout the life span are presented. This course focuses on etiology, clinical presentation, implications, and appropriate treatment of the disease processes emphasizing nursing application. The course is organized with the inclusion of the nursing process, and consistently examines pathological conditions, and the rationale for nursing interventions within the framework of nursing practice. Including in this course, is a comprehensive focus on pathophysiology and the relationship of pharmacologic and non-pharmacologic regimens in patient care and nursing clinical practice. Focus of this course includes pharmacologic therapeutics used to treat the patient in a holistic manner. The course reviews general principles, theories, and facts about medications and administration. Principles of pharamacologic mechanisms of action, indications, side effects, and patient education are utilized to facilitate the student's learning in the clinical environment. Information is presented by integrating pharmacology into the nursing process. Specific medication information is examined in relation to assessment, nursing diagnosis, planning process, patient monitoring, interventions, patient education and evaluation of safe and effective medication therapy. Dosage calculation instruction will be an essential element to assure safe administration of all medications in the clinical setting. Prerequisite: NU 250, NU 305, NU 310, NU 335, NU 360 / Corequisites: NU 350, NU 370, NU 375. (3 credits = 3 hours didactic)

#### NU 350 Maternal Health Nursing

This course provides a comprehensive approach to the childbearing maternal client. The primary focus is on the holistic nursing care of culturally diverse childbearing families during prenatal, intrapartum, and postpartum periods. The effects of acute and chronic illness on human growth and development during pregnancy require the nursing student to be an effective communicator in educating the family on health promotion, disease and injury prevention, and safety issues. Current knowledge revealing how genetics and genomics play a key role in human disease is explored.

# I. The Scriptures

The Holy Bible was written by men divinely inspired and is God's revelation of Himself to man. It is a perfect treasure of divine instruction. It has God for its author, salvation for its end, and truth, without any mixture of error, for its matter. Therefore, all Scripture is totally true and trustworthy. It reveals the principles by which God judges us, and therefore is, and will remain to the end of the world, the true center of Christian union, and the supreme standard by which all human conduct, creeds, and religious opinions should be tried. All Scripture is a testimony to Christ, who is Himself the focus of divine revelation.

<u>Exodus 24:4;</u> <u>Deuteronomy 4:1-2;</u> <u>17:19;</u> <u>Joshua 8:34;</u> <u>Psalms 19:7-10;</u> <u>119:11,89,105,140;</u> <u>Isaiah 34:16;</u> <u>40:8;</u> <u>Jeremiah 15:16;</u> <u>36:1-32;</u> <u>Matthew 5:17-18;</u> <u>22:29;</u> <u>Luke 21:33;</u> <u>24:44-46;</u> <u>John 5:39;</u> <u>16:13-15;</u> <u>17:17;</u> <u>Acts 2:16ff.;</u> <u>17:11;</u> <u>Romans 15:4;</u> <u>16:25-26;</u> <u>2 Timothy 3:15-17;</u> <u>Hebrews 1:1-2;</u> <u>4:12;</u> <u>1 Peter 1:25;</u> <u>2 Peter 1:19-21</u>.

# II. God

There is one and only one living and true God. He is an intelligent, spiritual, and personal Being, the Creator, Redeemer, Preserver, and Ruler of the universe. God is infinite in holiness and all other perfections. God is all powerful and all knowing; and His perfect knowledge extends to all things, past, present, and future, including the future decisions of His free creatures. To Him we owe the highest love, reverence, and obedience. The eternal triune God reveals Himself to us as Father, Son, and Holy Spirit, with distinct personal attributes, but without division of nature, essence, or being.

### A. God the Father

God as Father reigns with providential care over His universe, His creatures, and the flow of the stream of human history according to the purposes of His grace. He is all powerful, all knowing, all loving, and all wise. God is Father in truth to those who become children of God through faith in Jesus Christ. He is fatherly in His attitude toward all men.

<u>Genesis 1:1; 2:7; Exodus 3:14; 6:2-3; 15:11ff.; 20:1ff.; Leviticus 22:2; Deuteronomy 6:4; 32:6; 1 Chronicles 29:10; Psalm</u> <u>19:1-3; Isaiah 43:3,15; 64:8; Jeremiah 10:10; 17:13; Matthew 6:9ff.; 7:11; 23:9; 28:19; Mark 1:9-11; John 4:24; 5:26; 14:6-</u> <u>13; 17:1-8; Acts 1:7; Romans 8:14-15; 1 Corinthians 8:6; Galatians 4:6; Ephesians 4:6; Colossians 1:15; 1 Timothy 1:17;</u> <u>Hebrews 11:6; 12:9; 1 Peter 1:17; 1 John 5:7</u>.

### B. God the Son

Christ is the eternal Son of God. In His incarnation as Jesus Christ He was conceived of the Holy Spirit and born of the virgin Mary. Jesus perfectly revealed and did the will of God, taking upon Himself human nature with its demands and necessities and identifying Himself completely with mankind yet without sin. He honored the divine law by His personal obedience, and in His substitutionary death on the cross He made provision for the redemption of men from sin. He was raised from the dead with a glorified body and appeared to His disciples as the person who was with them before His crucifixion. He ascended into heaven and is now exalted at the right hand of God where He is the One Mediator, fully God, fully man, in whose Person is effected the reconciliation between God and man. He will return in power and glory to judge the world and to consummate His redemptive mission. He now dwells in all believers as the living and ever present Lord.

## C. God the Holy Spirit

The Holy Spirit is the Spirit of God, fully divine. He inspired holy men of old to write the Scriptures. Through illumination He enables men to understand truth. He exalts Christ. He convicts men of sin, of righteousness, and of judgment. He calls men to the Saviour, and effects regeneration. At the moment of regeneration He baptizes every believer into the Body of Christ. He cultivates Christian character, comforts believers, and bestows the spiritual gifts by which they serve God through His church. He seals the believer unto the day of final redemption. His presence in the Christian is the guarantee that God will bring the believer into the fullness of the stature of Christ. He enlightens and empowers the believer and the church in worship, evangelism, and service.

# III. Man

Man is the special creation of God, made in His own image. He created them male and female as the crowning work of His creation. The gift of gender is thus part of the goodness of God's creation. In the beginning man was innocent of sin and was endowed by his Creator with freedom of choice. By his free choice man sinned against God and brought sin into the human race. Through the temptation of Satan man transgressed the command of God, and fell from his original innocence whereby his posterity inherit a nature and an environment inclined toward sin. Therefore, as soon as they are capable of moral action, they become transgressors and are under condemnation. Only the grace of God can bring man into His holy fellowship and enable man to fulfill the creative purpose of God. The sacredness of human personality is evident in that God created man in His own image, and in that Christ died for man; therefore, every person of every race possesses full dignity and is worthy of respect and Christian love.

<u>Genesis 1:26-30; 2:5,7,18-22; 3; 9:6; Psalms 1; 8:3-6; 32:1-5; 51:5; Isaiah 6:5; Jeremiah 17:5; Matthew 16:26; Acts 17:26-31; Romans 1:19-32; 3:10-18,23; 5:6,12,19; 6:6; 7:14-25; 8:14-18,29; 1 Corinthians 1:21-31; 15:19,21-22; Ephesians 2:1-22; Colossians 1:21-22; 3:9-11</u>.

# IV. Salvation

Salvation involves the redemption of the whole man, and is offered freely to all who accept Jesus Christ as Lord and Saviour, who by His own blood obtained eternal redemption for the believer. In its broadest sense salvation includes regeneration, justification, sanctification, and glorification. There is no salvation apart from personal faith in Jesus Christ as Lord.

A. Regeneration, or the new birth, is a work of God's grace whereby believers become new creatures in Christ Jesus. It is a change of heart wrought by the Holy Spirit through conviction of sin, to which the sinner responds in repentance toward God and faith in the Lord Jesus Christ. Repentance and faith are inseparable experiences of grace.

Repentance is a genuine turning from sin toward God. Faith is the acceptance of Jesus Christ and commitment of the entire personality to Him as Lord and Saviour.

B. Justification is God's gracious and full acquittal upon principles of His righteousness of all sinners who repent and believe in Christ. Justification brings the believer unto a relationship of peace and favor with God.

C. Sanctification is the experience, beginning in regeneration, by which the believer is set apart to God's purposes, and is enabled to progress toward moral and spiritual maturity through the presence and power of the Holy Spirit dwelling in him. Growth in grace should continue throughout the regenerate person's life.

D. Glorification is the culmination of salvation and is the final blessed and abiding state of the redeemed.

Genesis 3:15; Exodus 3:14-17; 6:2-8; Matthew 1:21; 4:17; 16:21-26; 27:22-28:6; Luke 1:68-69; 2:28-32; John 1:11-14,29; 3:3-21,36; 5:24; 10:9,28-29; 15:1-16; 17:17; Acts 2:21; 4:12; 15:11; 16:30-31; 17:30-31; 20:32; Romans 1:16-18; 2:4; 3:23-25; 4:3ff.; 5:8-10; 6:1-23; 8:1-18,29-39; 10:9-10,13; 13:11-14; 1 Corinthians 1:18,30; 6:19-20; 15:10; 2 Corinthians 5:17-20; Galatians 2:20; 3:13; 5:22-25; 6:15; Ephesians 1:7; 2:8-22; 4:11-16; Philippians 2:12-13; Colossians 1:9-22; 3:1ff.; 1 Thessalonians 5:23-24; 2 Timothy 1:12; Titus 2:11-14; Hebrews 2:1-3; 5:8-9; 9:24-28; 11:1-12:8,14; James 2:14-26; 1 Peter 1:2-23; 1 John 1:6-2:11; Revelation 3:20; 21:1-22:5.

# V. God's Purpose of Grace

Election is the gracious purpose of God, according to which He regenerates, justifies, sanctifies, and glorifies sinners. It is consistent with the free agency of man, and comprehends all the means in connection with the end. It is the glorious display of God's sovereign goodness, and is infinitely wise, holy, and unchangeable. It excludes boasting and promotes humility.

All true believers endure to the end. Those whom God has accepted in Christ, and sanctified by His Spirit, will never fall away from the state of grace, but shall persevere to the end. Believers may fall into sin through neglect and temptation, whereby they grieve the Spirit, impair their graces and comforts, and bring reproach on the cause of Christ and temporal judgments on themselves; yet they shall be kept by the power of God through faith unto salvation.

<u>Genesis 12:1-3;</u> <u>Exodus 19:5-8;</u> <u>1 Samuel 8:4-7,19-22;</u> <u>Isaiah 5:1-7;</u> <u>Jeremiah 31:31ff</u>.; <u>Matthew 16:18-19;</u> <u>21:28-45;</u> <u>24:22,31;</u> <u>25:34;</u> <u>Luke 1:68-79;</u> <u>2:29-32;</u> <u>19:41-44;</u> <u>24:44-48;</u> <u>John 1:12-14;</u> <u>3:16;</u> <u>5:24;</u> <u>6:44-45,65;</u> <u>10:27-29;</u> <u>15:16;</u> <u>17:6,12,17-18;</u> <u>Acts 20:32;</u> <u>Romans 5:9-10;</u> <u>8:28-39;</u> <u>10:12-15;</u> <u>11:5-7,26-36;</u> <u>1 Corinthians 1:1-2;</u> <u>15:24-28;</u> <u>Ephesians</u> <u>1:4-23;</u> <u>2:1-10;</u> <u>3:1-11;</u> <u>Colossians 1:12-14;</u> <u>2 Thessalonians 2:13-14;</u> <u>2 Timothy 1:12;</u> <u>2:10,19;</u> <u>Hebrews 11:39–12:2;</u> <u>James 1:12;</u> <u>1 Peter 1:2-5,13;</u> <u>2:4-10;</u> <u>1 John 1:7-9;</u> <u>2:19;</u> <u>3:2</u>.

# VI. The Church

A New Testament church of the Lord Jesus Christ is an autonomous local congregation of baptized believers, associated by covenant in the faith and fellowship of the gospel; observing the two ordinances of Christ, governed by His laws, exercising the gifts, rights, and privileges invested in them by His Word, and seeking to extend the gospel to the ends of the earth. Each congregation operates under the Lordship of Christ through democratic processes. In such a congregation each member is responsible and accountable to Christ as Lord. Its scriptural officers are pastors and deacons. While both men and women are gifted for service in the church, the office of pastor is limited to men as qualified by Scripture.

The New Testament speaks also of the church as the Body of Christ which includes all of the redeemed of all the ages, believers from every tribe, and tongue, and people, and nation.

<u>Matthew 16:15-19;</u> <u>18:15-20;</u> <u>Acts 2:41-42,47;</u> <u>5:11-14;</u> <u>6:3-6;</u> <u>13:1-3;</u> <u>14:23,27;</u> <u>15:1-30;</u> <u>16:5;</u> <u>20:28;</u> <u>Romans 1:7;</u> <u>1</u> <u>Corinthians 1:2;</u> <u>3:16;</u> <u>5:4-5;</u> <u>7:17;</u> <u>9:13-14;</u> <u>12;</u> <u>Ephesians 1:22-23;</u> <u>2:19-22;</u> <u>3:8-11,21;</u> <u>5:22-32;</u> <u>Philippians 1:1;</u> <u>Colossians 1:18;</u> <u>1 Timothy 2:9-14;</u> <u>3:1-15;</u> <u>4:14;</u> <u>Hebrews 11:39-40;</u> <u>1 Peter 5:1-4;</u> <u>Revelation 2-3;</u> <u>21:2-3</u>.

# VII. Baptism and the Lord's Supper

Christian baptism is the immersion of a believer in water in the name of the Father, the Son, and the Holy Spirit. It is an act of obedience symbolizing the believer's faith in a crucified, buried, and risen Savior, the believer's death to sin, the burial of the old life, and the resurrection to walk in newness of life in Christ Jesus. It is a testimony to his faith in the final resurrection of the dead. Being a church ordinance, it is prerequisite to the privileges of church membership and to the Lord's Supper.

The Lord's Supper is a symbolic act of obedience whereby members of the church, through partaking of the bread and the fruit of the vine, memorialize the death of the Redeemer and anticipate His second coming.

<u>Matthew 3:13-17; 26:26-30; 28:19-20; Mark 1:9-11; 14:22-26; Luke 3:21-22; 22:19-20; John 3:23; Acts 2:41-42; 8:35-39; 16:30-33; 20:7; Romans 6:3-5; 1 Corinthians 10:16,21; 11:23-29; Colossians 2:12</u>.

# **Baptist Faith and Message**

# VIII. The Lord's Day

The first day of the week is the Lord's Day. It is a Christian institution for regular observance. It commemorates the resurrection of Christ from the dead and should include exercises of worship and spiritual devotion, both public and private. Activities on the Lord's Day should be commensurate with the Christian's conscience under the Lordship of Jesus Christ.

<u>Exodus 20:8-11;</u> <u>Matthew 12:1-12;</u> <u>28:1ff.;</u> <u>Mark 2:27-28;</u> <u>16:1-7;</u> <u>Luke 24:1-3,33-36</u>; <u>John 4:21-24;</u> <u>20:1,19-28;</u> <u>Acts 20:7;</u> <u>Romans 14:5-10;</u> <u>I Corinthians 16:1-2;</u> <u>Colossians 2:16;</u> <u>3:16;</u> <u>Revelation 1:10</u>.

## IX. The Kingdom

The Kingdom of God includes both His general sovereignty over the universe and His particular kingship over men who willfully acknowledge Him as King. Particularly the Kingdom is the realm of salvation into which men enter by trustful, childlike commitment to Jesus Christ. Christians ought to pray and to labor that the Kingdom may come and God's will be done on earth. The full consummation of the Kingdom awaits the return of Jesus Christ and the end of this age.

<u>Genesis 1:1;</u> Isaiah 9:6-7; Jeremiah 23:5-6; Matthew 3:2; <u>4:8-10,23;</u> <u>12:25-28;</u> <u>13:1-52;</u> <u>25:31-46;</u> <u>26:29;</u> <u>Mark 1:14-15;</u> <u>9:1;</u> <u>Luke 4:43;</u> <u>8:1;</u> <u>9:2;</u> <u>12:31-32;</u> <u>17:20-21;</u> <u>23:42;</u> <u>John 3:3;</u> <u>18:36;</u> <u>Acts 1:6-7;</u> <u>17:22-31;</u> <u>Romans 5:17;</u> <u>8:19;</u> <u>1 Corinthians</u> <u>15:24-28;</u> <u>Colossians 1:13;</u> <u>Hebrews 11:10,16;</u> <u>12:28;</u> <u>1 Peter 2:4-10;</u> <u>4:13;</u> <u>Revelation 1:6,9;</u> <u>5:10;</u> <u>11:15;</u> <u>21-22</u>.

# X. Last Things

God, in His own time and in His own way, will bring the world to its appropriate end. According to His promise, Jesus Christ will return personally and visibly in glory to the earth; the dead will be raised; and Christ will judge all men in righteousness. The unrighteous will be consigned to Hell, the place of everlasting punishment. The righteous in their resurrected and glorified bodies will receive their reward and will dwell forever in Heaven with the Lord.

<u>Isaiah 2:4; 11:9;</u> Matthew 16:27; 18:8-9; 19:28; 24:27,30,36,44; 25:31-46; 26:64; Mark 8:38; 9:43-48; Luke 12:40,48; 16:19-26; 17:22-37; 21:27-28; John 14:1-3; Acts 1:11; 17:31; Romans 14:10; 1 Corinthians 4:5; 15:24-28,35-58; 2 Corinthians 5:10; Philippians 3:20-21; Colossians 1:5; 3:4; 1 Thessalonians 4:14-18; 5:1ff.; 2 Thessalonians 1:7ff.; 2; 1 Timothy 6:14; 2 Timothy 4:1,8; Titus 2:13; Hebrews 9:27-28; James 5:8; 2 Peter 3:7ff.; 1 John 2:28; 3:2; Jude 14; Revelation 1:18; 3:11; 20:1-22:13.

### XI. Evangelism and Missions

It is the duty and privilege of every follower of Christ and of every church of the Lord Jesus Christ to endeavor to make disciples of all nations. The new birth of man's spirit by God's Holy Spirit means the birth of love for others. Missionary effort on the part of all rests thus upon a spiritual necessity of the regenerate life, and is expressly and repeatedly commanded in the teachings of Christ. The Lord Jesus Christ has commanded the preaching of the gospel to all nations. It is the duty of every child of God to seek constantly to win the lost to Christ by verbal witness undergirded by a Christian lifestyle, and by other methods in harmony with the gospel of Christ.

# XII. Education

Christianity is the faith of enlightenment and intelligence. In Jesus Christ abide all the treasures of wisdom and knowledge. All sound learning is, therefore, a part of our Christian heritage. The new birth opens all human faculties and creates a thirst for knowledge. Moreover, the cause of education in the Kingdom of Christ is co-ordinate with the causes of missions and general benevolence, and should receive along with these the liberal support of the churches. An adequate system of Christian education is necessary to a complete spiritual program for Christ's people.

In Christian education there should be a proper balance between academic freedom and academic responsibility. Freedom in any orderly relationship of human life is always limited and never absolute. The freedom of a teacher in a Christian school, college, or seminary is limited by the pre-eminence of Jesus Christ, by the authoritative nature of the Scriptures, and by the distinct purpose for which the school exists.

<u>Deuteronomy 4:1,5,9,14;</u> 6:1-10; <u>31:12-13;</u> <u>Nehemiah 8:1-8;</u> <u>Job 28:28;</u> <u>Psalms 19:7ff</u>.; <u>119:11;</u> <u>Proverbs 3:13ff</u>.; <u>4:1-10;</u> <u>8:1-7,11;</u> <u>15:14;</u> <u>Ecclesiastes 7:19;</u> <u>Matthew 5:2;</u> <u>7:24ff</u>.; <u>28:19-20;</u> <u>Luke 2:40;</u> <u>1 Corinthians 1:18-31;</u> <u>Ephesians 4:11-16;</u> <u>Philippians 4:8;</u> <u>Colossians 2:3,8-9;</u> <u>1 Timothy 1:3-7;</u> <u>2 Timothy 2:15;</u> <u>3:14-17;</u> <u>Hebrews 5:12-6:3;</u> <u>James 1:5;</u> <u>3:17</u>.

# XIII. Stewardship

God is the source of all blessings, temporal and spiritual; all that we have and are we owe to Him. Christians have a spiritual debtorship to the whole world, a holy trusteeship in the gospel, and a binding stewardship in their possessions. They are therefore under obligation to serve Him with their time, talents, and material possessions; and should recognize all these as entrusted to them to use for the glory of God and for helping others. According to the Scriptures, Christians should contribute of their means cheerfully, regularly, systematically, proportionately, and liberally for the advancement of the Redeemer's cause on earth.

<u>Genesis 14:20;</u> <u>Leviticus 27:30-32;</u> <u>Deuteronomy 8:18;</u> <u>Malachi 3:8-12;</u> <u>Matthew 6:1-4,19-21;</u> <u>19:21;</u> <u>23:23;</u> <u>25:14-29;</u> <u>Luke 12:16-21,42;</u> <u>16:1-13;</u> <u>Acts 2:44-47;</u> <u>5:1-11;</u> <u>17:24-25;</u> <u>20:35;</u> <u>Romans 6:6-22;</u> <u>12:1-2;</u> <u>1 Corinthians 4:1-2;</u> <u>6:19-20;</u> <u>12;</u> <u>16:1-4;</u> <u>2 Corinthians 8-9;</u> <u>12:15;</u> <u>Philippians 4:10-19;</u> <u>1 Peter 1:18-19</u>.

# XIV. Cooperation

Christ's people should, as occasion requires, organize such associations and conventions as may best secure cooperation for the great objects of the Kingdom of God. Such organizations have no authority over one another or over the churches. They are voluntary and advisory bodies designed to elicit, combine, and direct the energies of our people in the most effective manner. Members of New Testament churches should cooperate with one another in carrying forward the missionary, educational, and benevolent ministries for the extension of Christ's Kingdom. Christian unity in the New Testament sense is spiritual harmony and voluntary cooperation for common ends by various groups of Christ's people. Cooperation is desirable between the various Christian denominations, when the end to be attained is itself justified, and when such cooperation involves no violation of conscience or compromise of loyalty to Christ and His Word as revealed in the New Testament.

# XV. The Christian and the Social Order

All Christians are under obligation to seek to make the will of Christ supreme in our own lives and in human society. Means and methods used for the improvement of society and the establishment of righteousness among men can be truly and permanently helpful only when they are rooted in the regeneration of the individual by the saving grace of God in Jesus Christ. In the spirit of Christ, Christians should oppose racism, every form of greed, selfishness, and vice, and all forms of sexual immorality, including adultery, homosexuality, and pornography. We should work to provide for the orphaned, the needy, the abused, the aged, the helpless, and the sick. We should speak on behalf of the unborn and contend for the sanctity of all human life from conception to natural death. Every Christian should seek to bring industry, government, and society as a whole under the sway of the principles of righteousness, truth, and brotherly love. In order to promote these ends Christians should be ready to work with all men of good will in any good cause, always being careful to act in the spirit of love without compromising their loyalty to Christ and His truth.

Exodus 20:3-17; Leviticus 6:2-5; Deuteronomy 10:12; 27:17; Psalm 101:5; Micah 6:8; Zechariah 8:16; Matthew 5:13-16,43-48; 22:36-40; 25:35; Mark 1:29-34; 2:3ff.; 10:21; Luke 4:18-21; 10:27-37; 20:25; John 15:12; 17:15; Romans 12–14; 1Corinthians 5:9-10; 6:1-7; 7:20-24; 10:23-11:1; Galatians 3:26-28; Ephesians 6:5-9; Colossians 3:12-17; 1 Thessalonians 3:12; Philemon; James 1:27; 2:8.

## XVI. Peace and War

It is the duty of Christians to seek peace with all men on principles of righteousness. In accordance with the spirit and teachings of Christ they should do all in their power to put an end to war.

The true remedy for the war spirit is the gospel of our Lord. The supreme need of the world is the acceptance of His teachings in all the affairs of men and nations, and the practical application of His law of love. Christian people throughout the world should pray for the reign of the Prince of Peace.

Isaiah 2:4; Matthew 5:9,38-48; 6:33; 26:52; Luke 22:36,38; Romans 12:18-19; 13:1-7; 14:19; Hebrews 12:14; James 4:1-2.

# XVII. Religious Liberty

God alone is Lord of the conscience, and He has left it free from the doctrines and commandments of men which are contrary to His Word or not contained in it. Church and state should be separate. The state owes to every church protection and full freedom in the pursuit of its spiritual ends. In providing for such freedom no ecclesiastical group or denomination should be favored by the state more than others. Civil government being ordained of God, it is the duty of Christians to render loyal obedience thereto in all things not contrary to the revealed will of God. The church should not resort to the civil power to carry on its work. The gospel of Christ contemplates spiritual means alone for the pursuit of its ends. The state has no right to impose penalties for religious opinions of any kind. The state has no right to impose taxes for the support of any form of religion. A free church in a free state is the Christian ideal, and this implies the right of free and unhindered access to God on the part of all men, and the right to form and propagate opinions in the sphere of religion without interference by the civil power.

<u>Genesis 1:27; 2:7;</u> <u>Matthew 6:6-7,24;</u> <u>16:26;</u> <u>22:21;</u> <u>John 8:36;</u> <u>Acts 4:19-20;</u> <u>Romans 6:1-2;</u> <u>13:1-7;</u> <u>Galatians 5:1,13;</u> <u>Philippians 3:20;</u> <u>1 Timothy 2:1-2;</u> <u>James 4:12;</u> <u>1 Peter 2:12-17;</u> <u>3:11-17;</u> <u>4:12-19</u>.

# XVIII. The Family

God has ordained the family as the foundational institution of human society. It is composed of persons related to one another by marriage, blood, or adoption.

Marriage is the uniting of one man and one woman in covenant commitment for a lifetime. It is God's unique gift to reveal the union between Christ and His church and to provide for the man and the woman in marriage the framework for intimate companionship, the channel of sexual expression according to biblical standards, and the means for procreation of the human race.

The husband and wife are of equal worth before God, since both are created in God's image. The marriage relationship models the way God relates to His people. A husband is to love his wife as Christ loved the church. He has the God-given responsibility to provide for, to protect, and to lead his family. A wife is to submit herself graciously to the servant leadership of her husband even as the church willingly submits to the headship of Christ. She, being in the image of God as is her husband and thus equal to him, has the God-given responsibility to respect her husband and to serve as his helper in managing the household and nurturing the next generation.

Children, from the moment of conception, are a blessing and heritage from the Lord. Parents are to demonstrate to their children God's pattern for marriage. Parents are to teach their children spiritual and moral values and to lead them, through consistent lifestyle example and loving discipline, to make choices based on biblical truth. Children are to honor and obey their parents.
