LETTER FROM THE PRESIDENT

Dear TMU Students,

An Anabaptist Vision: Standing on the Shoulders of Giants

The Great Commission of our Lord (Matthew 28:18-20) is a costly commandment. It requires our life (Matthew 16:24-25). For the Gospel is the heartbeat of Christianity (Romans 1:16-17), the focus of each local church founded upon the Scriptures (Matthew 16:18) and the centrality of who we are as Truett McConnell University.

Here at Truett McConnell, we stand on the shoulders of giants, men and women from centuries past that have literally given their lives for the Gospel. These heroes, nicknamed Anabaptists, point us to a simple and biblical Christianity based solely on His Word and sustained solely by His grace.

This rich heritage is also our future. Our Graduate programs honor our past by equipping a new generation, both theologically and practically, to invest their lives for His sake, and for the sake of a generation yet to hear the Gospel (Acts 2:40-41).

Welcome to Truett McConnell University. Welcome home.

Truth is Immortal.

Dr. Emir Caner, President

The University

Institutional Identity

Truett McConnell University is a private Christian liberal arts and sciences university offering baccalaureate and master's degrees, operated under the auspices of the Georgia Baptist Mission Board and controlled by a Board of Trustees elected by the Board.

Mission Statement

The mission of Truett McConnell University is to equip students with the Truth, through a Biblically-centered education to fulfill the Great Commission.

Core Values

BIBLICAL SUFFICIENCY

TMU VALUES SCRIPTURE AS ITS CENTERPIECE

(2 Timothy 3:16-17; Article 1 of the Baptist Faith and Message 2000)

TMU emphasizes a *Biblically-centered education* because of its affirmation of Biblical Sufficiency, the belief that the Bible is the only inspired, infallible, and inerrant Word of God necessary to know God and understand His plan for mankind (2 Timothy 3:16-17).

PERSONAL TRANSFORMATION

TMU VALUES DISCOVERING AND FULFILLING GOD'S CALL IN ONE'S LIFE

(Ephesians 4:1; Articles 3 and 4 of the Baptist Faith and Message 2000)

TMU believes that God has a unique and specific call for each person (Eph. 4:1). Being made alive because of His great love for us (Eph. 2:4), believers are subsequently commanded to live for Christ and to serve others through talents and gifts God bestows upon us.

AUTHENTIC RELATIONSHIPS

TMU VALUES RELATIONSHIPS BASED ON CHRIST'S UNCONDITIONAL LOVE

(Ephesians 4:2; Articles 3 and 14 of the Baptist Faith and Message 2000)

TMU recognizes that authentic relationships will flow from living out a *Christian worldview* (Phil. 2:5). A true *Christian worldview* will exemplify Paul's admonition to walk "with all humility and gentleness, with patience, showing tolerance for one another in love" (Eph. 4:2).

A MISSIONAL COMMUNITY

TMU VALUES EQUIPPING BELIEVERS TO FULFILL THE GREAT COMMISSION (Matthew 28:18-20; Articles 4, 5, 6 and 11 of the Baptist Faith and Message 2000)

(Matthew 20.16 20, 7 Italies 1, 6, 6 and 11 of the Baptist Faltit and Message 2000)

TMU acknowledges that salvation is found only in the person and work of Jesus Christ (John 14:6). Knowing that God loves the world (John 3:16) and desires all men to be saved (1 Timothy 2:4), TMU strives to equip students to fulfill the *Great Commission* (Matthew 28:18-20).

FAMILY

TMU VALUES A BIBLICAL MODEL OF FAMILY

(Genesis 2:24; Ephesians 5:21-6:4; and Article 18 of the Baptist Faith and Message 2000)

Family is the foundational institution of society. Ordained by God, family is composed of persons related through marriage, blood, and adoption. Marriage is a covenant relationship between one man and one woman in a lifetime commitment (Gen. 2:24). TMU will maintain a family friendly environment by creating an atmosphere where families are welcome and where biblical families are modeled (Eph. 5:21-6:4). TMU views all staff and students, united through Christ, as family (Eph. 2:19).

The Truth Matters to a Greater Degree

Historical Sketch

Although Truett McConnell University is a comparatively young institution, its roots extend far back into the educational history of Georgia. George W. Truett and Fernando C. McConnell, cousins for whom the University is named, were men of faith and vision whose work and influence as joint pioneers in Christian education became well known. In 1887, George W. Truett established a private Christian academy at Hiawassee, Georgia. Fernando C. McConnell joined him in his educational endeavors, which led to the creation of the public-school system in Towns County, Georgia. Changing conditions eventually led to the closing of the original academy, but Georgia Baptists established a College in Cleveland, Georgia, to carry on the same high educational standards instituted by these two Baptist pioneers. On July 23, 1946, ceremonies in Cleveland, Georgia, heralded the establishment of the new College. Truett McConnell College, operating in temporary quarters, first opened its doors to students in September 1947, when it enrolled a class of fifty-five. Before long, construction began on the present campus, and the first building became available for use in September 1956. Since that time, the campus has seen much construction and landscaping. Additions to the campus now include seven residence halls, an apartment complex, gymnasium, dining hall, chapel, library, recreational complex, maintenance complex, president's home and office, institutional advancement office and student center. Truett McConnell was a junior college until 2003 when it gained accreditation to grant bachelor's degrees as a four-year institution. In 2014 it was granted accreditation to begin its first master's degree program and on May 14, 2016 it became Truett McConnell University. Truett McConnell continues to expand to meet the needs of a growing student body and to equip each generation to meet the challenges of presuming their calling in the real world.

- Students for whom English IS NOT their native language must submit an official TOEFL (Test of English as a Foreign Language) score with a minimum score of 500, a minimum score of 173 on the computerized version, or a minimum score of 60 on the Internet-Based version or the IELTS (International English Language Testing System) with a minimum score of 6. After review of academic and financial documents, acceptance or denial to the university will be determined. If acceptance is granted, the student must submit a \$500 enrollment fee to issue an I-20. Upon receipt of enrollment fee, the student must submit/enroll in the following prior to first day of school:

One full semester's cost of attendance to cover full-time tuition, room and board and any necessary travel expenses.

If tuition for education expenses is not received before the first day of school, the student's I-20 may be terminated.

All international students enrolled at Truett McConnell University are required to be in the United States legally and to maintain legal status as defined by the State Department of the United States. It is the student's responsibility to be informed about immigration rules and any rule changes which occur during their stay in the U.S. The Office of Admissions helps provide international students with the information to do this, but it is the student and not the institution who is ultimately responsible for actively maintaining legal status.

Truett McConnell University is authorized under federal law to enroll nonimmigrant students. Individuals who are in the United States of America illegally and without proper documentation may not enroll at Truett McConnell University for any reason. As a Christian institution, Truett McConnell University willingly submits to the legal authority and laws of the United States government and does not knowingly

violate the letter or intent of the laws of the United States of America. International students are required to pay in full the semester's charges prior to the first day of class on subsequent semesters. Failure to do so will jeopardize the student's visa status. Truett McConnell University strongly discourages international students from enrolling in classes during the summer months. The low student population and limited available services make it impossible for Truett McConnell University to provide necessary student support for international students during the summer.

If an international student submits the cost of attendance to Truett McConnell University and is unable to attend due to denial of the F-1 visa, 100% of the pre-paid funds will be refunded with the exception of the tuition deposit fee.

An international student who withdraws from school before the end of a semester will be refunded according to the current catalog policy.

Transient Student Policy

Truett McConnell University students may apply to the Office of the Registrar for transient permission to attend another institution for one semester. Only students in good academic standing (minimum 3.0 cumulative GPA) with intention to return to Truett McConnell University may qualify to attend another institution by transient permission. Qualified students should obtain the "Application for Transient Permission" form from the Office of the Registrar and then meet with their academic advisor to select courses appropriate to the student's degree program, in proper sequence, meeting all prerequisites and residency requirements. Transient permission cannot be issued for developmental courses. A "Letter of Transient Permission" will be issued only for approved courses. Students should follow appropriate admission guidelines for the other institution. Upon completion of the approved courses, the student is responsible for requesting that an official transcript be issued to the Office of the Registrar, 100 Alumni Drive, Cleveland, GA 30528. Transient course credits will be applied to the Truett McConnell University transcript as transfer credit. (Specific degree programs may have a more stringent transient policy – please consult the graduate catalog area for your specific degree policies.)

Students seeking admission to the graduate program as a transient student must follow the following procedures:

- Graduate Application for Admission to Truett McConnell for Non-Degree Seeking Students can be completed at the following link: <u>Admissions – Truett McConnell University</u>.
- Submit a Letter of Transient Permission or an official statement from an appropriate official of the institution last attended, recommending the applicant's admission and granting him or her permission to enroll as a transient student at Truett McConnell University.
- A student who wishes to register for a subsequent semester must submit another Letter of Transient Permission. There will only
 be two transient semesters allowed. If the student wishes to attend beyond two semesters, then they would need to follow the
 procedures for a Degree Seeking Transfer Student.

Admissions

Re-Admission to Truett McConnell University

Truett McConnell University defines a re-admit student as a student who was once enrolled at TMU but withdrew from the institution.

A student whose enrollment at Truett McConnell University has been interrupted for any reason for two or more semesters (excluding summer term) must apply for readmission. The Application for Readmission must be submitted to the Office of Graduate Admissions for the appropriate semester. If a student has enrolled in any other college or university during their absence from Truett McConnell University, they must also submit official transcripts from each institution. (Please consult the graduate catalog area for more specific program requirements.)

The paper records of nonregistered students, including transcripts and transcripts submitted for transfer credit, are retained by the Registrar's Office for five academic years after the last registered term. If a student applies for readmission after an absence of more than 5 years and has attended any other college or university, they must submit official transcripts from all institutions attended.

Submit Application for Readmission at the following link: Admissions – Truett McConnell University and all transcripts to the Office of Graduate Admissions, Truett McConnell University, 100 Alumni Drive, Cleveland, GA 30528-1264.

Upon receipt of the Application for Readmission, the Office of Graduate Admissions will check for any departmental holds from the Business Office, Registrar's Office, Financial Aid Office, Academic Services Office, Student Services Office, Library, and Bookstore. All matters must be resolved, and the hold removed before the student can be approved for readmission. Any department indicating a hold will be contacted by the Office of Graduate Admissions to determine how the hold can be lifted. If the hold requires action by the student in order to be lifted, the student will be notified in writing with instructions on how to proceed with clearing the hold.

When a student has no departmental holds and has provided all transcripts of work attempted at other colleges or universities since attending Truett McConnell, the file will be forwarded to the Office of Graduate Admissions for updating and the issuance of a letter of acceptance for the appropriate semester.

A student who sought readmission but was subsequently denied readmission to the University will be notified in writing that their readmission has been denied. Further information will not be provided to the student regarding the reason for denial.

PROVISIONAL ACCEPTANCE

The University may admit students on a provisional basis pending receipt of all official transcripts and/or other credentials. The applicant is responsible for ensuring all documents are provided to the Office of Admissions. Until the University receives these documents, the applicant will be ineligible for financial aid, will be barred from registering for future classes, and will not be able to receive transcripts.

The University does not assume responsibility for the status of provisionally admitted students since the University has not been able to make a determination of eligibility. The Office of Admissions may extend provisional admission based upon the applicant's representation that he/she has met the requisite qualifications for admission. All final, official documentation necessary for validation of said qualifications must be submitted by the last day of the Drop-Add period during the student's intended semester of enrollment. Provisionally accepted students who are not fully accepted by the last day of the Drop-Add period may be withdrawn immediately. Upon completion of the applicant's file for admission, if it should be determined that the applicant was not eligible to enroll, the student will be withdrawn immediately.

DENIAL

A student whose Application for Admission is denied will be informed in writing of the admission decision.

APPEAL

If an applicant is denied admission to Truett McConnell University, that student may appeal the Office of Admissions' decision by submitting the following documents to the Director of Admissions to be distributed to the Admissions Appellate Committee:

Letter of Appeal

This letter shall state, in the student's own words, a case and plea for exception concerning the student's denial to the institution. The letter should outline an explanation for unsatisfactory marks, where applicable, and the student's plan to overcome factors which led to the denial of admission. Finally, extra care should be given to show forth the student's fitness for inclusion in the spiritual and scholastic annals of Truett McConnell University.

Institutional Refund Policies

The following pertains to all refund policies applied by the University unless specifically stated otherwise.

Truett McConnell University, like most universities, must make commitments in advance for faculty, staff, equipment, supplies, utilities and other operating expenses for the entire year. Therefore, the University policy considers the acceptance of registration as a contract binding student and parents for charges for the entire semester.

The Federal Refund Policy states, up through the 60% point in each payment period or period of enrollment, a pro-rata schedule is used to determine the amount of Title IV funds the student has earned at the time of withdrawal. After the 60% point the payment period or period of enrollment, a student has earned 100% of the Title IV funds he or she was scheduled to receive during the period. Students may owe a repayment of Federal Funds to the government or funds to the institution.

Students suspended or expelled from the Institute for any reason forfeit their right to a refund of any credit balance on their student account.

In the event of a complete withdrawal, the institution will calculate a refund through the 60% point of the semester, with the exception of the online program. After 60% of the semester has been completed, there will be no refund of tuition. A refund is calculated by dividing the date of withdrawal by the number of federally defined days in the semester. Board fees will be refunded on a pro-rata basis. There is no refund of room after the fifth day of class. Refunds for students receiving federal aid will be calculated using the current federal policy.

In the event of a complete withdrawal from the online program, the institution will calculate a refund based on the weeks of completion. A 100% refund is available if the student has not logged in by the 1st day of classes. A 50% refund is available through the fifth day of instruction. There is no refund after the fifth day of instruction.

Important Notes

All students should check with the Business Office and Financial Aid before withdrawing to verify any financial implications.

- This schedule is independent of financial aid. Grants and scholarships may be lost due to drops or withdrawals. Students MUST contact Financial Aid for specific advice. All students should check with the Business Office and Financial Aid before withdrawing to verify any financial implications.
- No adjustments to tuition charges will be made for students dropping coursework (but not withdrawing), after the last published day
 of drop/add.

Student accounts are reviewed when federal funds are posted to determine if a refund is necessary. Federal funds that create a credit balance greater than the allowable cost must be refunded to student within 14 days of receipt. If it is determined that a refund is necessary, then it will be processed. Checks are either mailed to student or held for pick-up in the Business Office. If the refund is due to a parent loan, then a refund check will be mailed to the parent with address provided from the financial aid office, unless parent advises otherwise. Credit balances unrelated to federal funds that are created within an academic year can be carried from semester to cover a balance. When reviewing a student account, you must never use a credit from one academic year to cover the balance of a previous academic year.

Students may request a refund by going to www.truett.edu; select refund request under admissions and follow the steps. The Business Office will follow the request of the student to either mail or pick up the check at the Business Office. Students picking up their refund check must show ID and sign for the check.

Return of Title IV Funds

If a student receiving Title IV financial aid (Pell Grant, SEOG, Stafford Loans, or PLUS loans) or state aid withdraws, some portion of the aid may be considered unearned by regulation. The University and the student may be responsible for returning unearned federal aid.

The Office of Financial Aid supports the mission of Truett McConnell University by helping students obtain funds for graduate educational expenses by promoting loan opportunities through the federal government. The responsibility for meeting graduate school costs ultimately lies with the student and his or her family.

Financial Aid

Financial aid awards made to students from funds received from the federal government may be revised if those funds cannot be obtained. All financial aid award disbursements are contingent upon the University's receipt of the funds. Applications for financial aid should be submitted as soon as possible after October 1st of each year. Financial aid award letters are sent to students beginning January 1st, as soon as necessary documentation is received by the Office of Financial Aid.

Eligibility

To receive financial assistance, a student must be enrolled in a degree granting course of study, fully accepted by the University, be in good standing, making satisfactory academic progress (as defined later in this catalog), and not be in default or delinquent on any loan plan with the University, state, or federal government. Also the student must not owe a refund on grants previously received under the Pell Grant or the Federal Supplemental Educational Opportunity Grant (FSEOG).

Application Process

For a student enrolling in a graduate program, the type of aid available is Unsubsidized Stafford loans (non-need-based loan) and Grad PLUS loans (credit based) through the William D. Ford Federal Direct Loan Program. Direct Loans are offered at relatively low interest rates and with good repayment arrangements. Before you take out a loan, be sure to develop a budget to make sure you borrow only what you need. For more student loan information (interest rates, repayment and more), visit the Department of Education at www.studentaid.gov.

To receive loans, the student must complete the Free Application for Federal Student Aid (FAFSA) on the web at www.studentaid.gov. The school code for Truett McConnell University is 001597 and the code must be entered on the FAFSA for the school to receive an Institutional Student Information Record (ISIR). The student will need an FSA user ID and password to electronically sign the FAFSA which can be requested online at www.fsaid.ed.gov. The FAFSA must be renewed for each academic year in which the student wishes to receive federal aid.

*NOTE: If access to a computer is not available, a paper FAFSA may be obtained from the Truett McConnell University Financial Aid Office. Assistance in completing the FAFSA is provided by both the US Department of Education via their help line at 1-800-433-3243 and the staff of the Truett McConnell Office of Financial Aid.

If a student has not previously received loans through the federal government, the student will need to complete Loan Entrance Counseling and a Master Promissory Note for the Stafford loans. These applications can be found online at www.studentloans.gov. The student will need his or her FSA user ID and password to sign in to the system.

Additionally, the Truett McConnell Financial Aid Office requires students to submit an application for Financial Aid (found on the NetPartner student financial aid portal); accept any financial aid awarded; complete a Loan Change Request Form; and any verification documents needed if the student's application for federal aid has been flagged by the Department of Education.

Delivery of Federal Loan Funds

All loan funds are provided to the student by crediting the student's account. Funds will be credited (disbursed) to student's accounts no earlier than ten business days before the first day of classes. However, most funds are disbursed (credited to the student's account) at least one week after the drop-add period. Enrollment verifications will be done before aid can be disbursed.

Types of Loans

UNSUBSIDIZED LOAN

The unsubsidized loan is a non-need-based loan. If you are awarded an unsubsidized loan, you will be responsible for the interest at 6.6% (subject to change). You will receive quarterly interest statements on your unsubsidized loan from your lender. It is recommended that you pay interest every quarter. If you do not, the interest will be added to your loan amount, which will result in your paying interest upon interest.

Repayment: You must begin repayment of your student loan, once you:

- * Withdraw from school
- * Drop below half-time status (fewer than 6 hours during a semester)
- * Graduate

Veterans Administration Benefits

Truett McConnell University is approved for veterans and children of disabled or deceased veterans who are eligible under the G.I. Bill and is a participant in the Yellow Ribbon Program. Truett McConnell University "will not impose any penalty, including the assessment of late fees, the denial of access to classes, libraries, or other institutional facilities, or the requirement that a covered individual borrow additional funds, on any covered individual because of the individual's inability to meet his or her financial obligations to the institution due to the delayed disbursement of a payment to be provided under Chapter 31 or 33." --Veterans Benefits and Transition Act of 2018, Title 38 U.S. Code Section 3679(e). Consult the V.A. representative in the Registrar's Office for more information.

AGGREGATE LOAN LIMITS FOR UNSUBSIDIZED

The Aggregate Maximum Loan Limit restricts the amount of federal student loans that may be borrowed over a student's university career. For additional information about federal student loans including aggregate loan limits and interest rates please visit: www.studentloans.gov.

Graduate and Professional Unsubsidized Loans		
Annual Loan Limit	\$20,500.00	
Aggregate Loan Limit	\$138,500.00	

GRADUATE PLUS LOAN PROGRAM

The Graduate PLUS Loan Program may be of interest to you as a graduate student needing additional assistance to cover educational costs after all other federal loans have been exhausted. The program offers a non-need based federal loan with a fixed 7.6% interest rate (subject to change). Grad PLUS Loans allow you as a graduate student to borrow up to the full cost of attendance minus any other financial aid you are receiving. We encourage you to consider your options before accruing additional loan debt.

Loan eligibility and the loan limits are not based on demonstrated financial need. They are also not based on income levels, debt-to-income ratios or credit scores. No collateral is required. Federal Grad PLUS loan borrowers do, however, have to pass a simple credit check, which requires the borrower not to have an adverse credit history. (Note that if a Federal Grad PLUS loan borrower is denied a Federal Grad PLUS loan because of an adverse credit history, the borrower does not become eligible for increased unsubsidized Federal Stafford Loan limits, unlike the increase in an undergraduate student's unsubsidized Federal Stafford Loan limits that occurs with a Federal Parent PLUS loan denial.)

Books

Students who are loan recipients may be eligible to receive funds to pay for books and supplies if the total federal aid exceeds the student's cost of attendance and creates a credit on the student's account. Students must have all financial aid documents submitted to the Financial Aid Office no later than 10 days prior to the first day of the semester. Students can request a book voucher via email at www.truett.edu/book-voucher-request.html or in person at the Business Office, 10 days prior to the beginning of each semester. The Business Office will review requests and grant a book voucher if students are eligible for one. Students can opt out of getting a book voucher by informing the Business Office or not requesting a voucher.

Financial Aid and Academic Load

Truett McConnell University considers a graduate student taking 9 or more hours per semester to be a full-time student. A student taking an academic load of 6 through 8 semester hours is classified as a half-time student. A student taking 1 through 5 semester hours is considered a less-than-half-time student. A student must take at least 6 semester hours to be eligible for loans through the federal government.

The University applies its satisfactory academic progress policy consistently to all graduate students receiving federal aid. Students should consult the policies on withdrawal from the University and dropping coursework.

Satisfactory Academic Progress Policy

Truett McConnell has adopted the following Satisfactory Academic Progress (SAP) Policy according to federal and state mandates. Both Federal statutes and the U.S. Department of Education regulations require institutions of higher education to establish minimum standards of Satisfactory Academic Progress (SAP) for students receiving federal aid. In addition, all State of Georgia financial aid program regulations require students to meet SAP criteria established for federal student aid.

Financial Aid

The Truett McConnell University SAP Policy measures a student's performance in the following areas: completion rate, maximum time frame, and cumulative grade point average (CGPA). The intent of this policy is to ensure that students who are receiving federal and state financial aid are making measurable progress toward completion of a degree program within a reasonable time frame. All students receiving any federal and state student financial aid must adhere to the University's SAP policy. Satisfactory progress is the minimum requirement for a student to receive federal, state, and institutional financial aid. Some financial aid programs have requirements that are more rigorous.

SAP consists of two types of measurement: quantitative (pace) and qualitative (GPA). To accurately measure a student's progress in a program, more than a qualitative (GPA) standard is needed. A student who is maintaining a high GPA by withdrawing from attempted courses may meet a qualitative standard but may not be progressing towards graduation. While grades for prior attempts (repeats) may be excluded when calculating a student's GPA, credits from all attempts must be included when assessing the quantitative SAP standard.

The Office of Financial Aid monitors the SAP of all financial aid recipients by reviewing a student's academic record after grades are posted at the end of each fall, spring and summer semester. The completion rate calculation and maximum time frame calculation (quantitative measurement), as well as the GPA calculation (qualitative measurement), are reviewed using grades and hours from the student's total academic record.

Failure to meet the standards in any of the three calculations may result in the cancellation of a student's awards. The SAP components of measurement for Truett McConnell University are summarized as follows.

QUANTITATIVE MEASUREMENT (Pace)

Completion Rate. Financial aid recipients are required to complete at least 67% of the cumulative credit hours attempted. The completion rate is derived by dividing the cumulative credit hours earned by the cumulative hours attempted. The following grades are used in computing the percentage of course work completed: A, A-, B+, B, B-, C+, C, C-, D+, D, F, W, WF, WP, I, TR and any grades excused under the Second Chance policy. Grades of AU (audit) are not used in computing the percentage of coursework completed. Course incompletes, withdrawals and repeats will impact the quantitative standard of satisfactory academic progress and incompletes should be completed as soon as possible. Courses accepted by the Registrar's Office for transfer from another university are not treated as attempted or completed courses at Truett McConnell University in calculating the completion rate.

Completion Rate Example		
Total attempted hours	30 Hours	
Earned hours needed	30 hours x 67% = 20.1 or 21 hours (the minimum number of earned hours required to maintain the quantitative standard for Satisfactory Academic Progress)	

Returning Student's Academic Record. The federal government requires the Office of Financial Aid to track a student's academic progress from the first date of enrollment, whether or not financial aid was received. Students returning to the University after a break in enrollment should consult the Office of Financial Aid on how their university history will affect their eligibility for financial aid. A student that completely withdraws from school during a semester and receives W, WF, or WP grades in all courses, will generally return to school not meeting the SAP requirements.

Maximum Time Frame. Financial aid recipients must complete their program of study without having attempted more than 150 percent of the credit hours required to complete their curriculum. This provides up to 189 attempted semester hours for student financial aid recipients to complete a 126-semester hour undergraduate program, 67 attempted semester hours for a 45-semester hour graduate program or 45 attempted semester hours for a 30-semester hour graduate program.

Students who change majors or degree programs should do so early in their academic career so as not to jeopardize eligibility for student financial aid. Students can risk exceeding 150% maximum allowable number of attempted semester hours before obtaining a degree. Students taking an excessive number of elective courses may have their financial aid revoked as these do not contribute to making satisfactory progress toward earning a degree.

Students pursuing a subsequent bachelor's degree may be eligible for up to 90 additional semester hours of federal loans after earning their first degree. Students must have remaining undergraduate loan limit eligibility. The 67% annual completion standard still applies.

Students desiring a double major must still meet the 150% standard for completing their degree. The 150% is calculated from the degree which requires the most hours.

QUALITATIVE MEASUREMENT (GPA)

SAP is also evaluated according to a required cumulative grade point average (GPA) scale determined by the cumulative credit hours attempted at the conclusion of each semester.

The minimum required cumulative GPA for graduate students at the end of each semester is 2.5.

The University bases the above Credit Hours Attempted classification of transfer students on hours attempted only at Truett McConnell University.

The following grades are used in computing a cumulative GPA: A, A-, B+, B, B-, C+, C, C-, D+, D, F and WF. Grades of AU, S, U, W and WP will not impact the cumulative GPA. Withdrawals (W, WF, or WP) and repeats will be included in the cumulative attempted hours to determine the benchmark. Course incompletes will not impact the GPA determination of the qualitative standard of satisfactory academic progress but will be included to determine completion rate and the attempted hour's benchmark, and must be completed as soon as possible.

FINANCIAL AID WARNING AND SUSPENSION

A student failing to meet SAP standards (either measurement) for the first time at the end of any semester will be placed on financial aid warning for the following semester, during which time the student remains eligible to receive student financial aid. After being placed on financial aid warning, if the student is still not meeting SAP at the end of the following semester, the student will be placed on financial aid suspension and will NOT be eligible to receive federal, state, and institutional financial aid for the subsequent semesters until the student achieves satisfactory academic progress. This means the student will have to bear the full cost of attendance without financial aid until the student achieves satisfactory academic progress. A student not meeting the SAP requirements must meet with his or her advisor to determine whether courses need to be repeated and/or the course load needs to be reduced.

At the end of the semester of financial aid warning, if a student is placed on financial aid suspension for not achieving Satisfactory Academic Progress due to extenuating circumstances, the student may appeal in writing to the Office of Financial Aid for an additional semester of financial aid probation (see Appeals Process).

APPEALS PROCESS

If a student fails to meet the requirements for the grade point average and/or percentage completion rate, and loses financial aid, due to an extenuating circumstance beyond his or her control, such as serious injury, illness or mental health condition involving the student or immediate family, or death of an immediate family member, the student may appeal in writing explaining his or her circumstances, to the Office of Financial Aid. The student must provide a one-to-two-page personal statement and submit documentation that confirms the circumstances. An SAP Appeals Form must be completed and submitted with the statement.

Student statement of appeal should include the following information:

- Outline the circumstances that prevented meeting standard Satisfactory Academic Progress.
- State why it is possible to improve upon past academic performance.
- Explain the corrective action taken.
- Include attached documents that verify the statement. All documentation must include the student's name and ID number, and relate to the specific period during which the student's academic performance was affected.

Examples of acceptable documentation include:

- Birth/death certificates, obituaries, funeral programs of immediate family members (i.e. parents, grandparents, spouses, children, brothers, sisters).
- Medical records on physician's or hospital's letter head with the appropriate signatures that confirm illness and length of recuperation.
- Court documents.
- Statements from physicians, counselors, clergy or social workers on company letterhead with the appropriate signatures.

If a student has exceeded the maximum attempted hours (150 percent rule), he or she must:

- Provide a personal statement explaining why accumulated attempted hours exceed current degree requirements.
- Attach documents that verify statement (see above for acceptable documentation).
- Obtain a Degree Audit from the Registrar's Office listing the remaining requirements for current degree program and a
 projected completion date. (Timeliness of degree audit requests is essential for appeal. Last minute requests for degree
 audits could delay and jeopardize an appeal. It is strongly recommended that students obtain and review a copy of their
 unofficial transcript before submitting an appeal.)

The inclusion of supporting documentation as outlined above does not guarantee that an appeal will be granted. Each case will be reviewed on a case-by-case basis and students may be granted financial aid probation for one semester. Appeal letters submitted without supporting documentation will not be considered.

Financial Aid

The need for more than one appeal generally indicates a serious problem. Only one appeal will be accepted per Academic Year, unless the appeal is to set up an academic plan following a semester of probation. The Financial Aid Appeals Committee will review the appeal. The student will be advised in writing of the final decision, generally within 15 working days of receipt of the financial aid appeal.

RE-ESTABLISHING SATISFACTORY ACADEMIC PROGRESS

Other than when an appeal is granted for unusual or mitigating circumstances, a student can re-establish eligibility only by taking action that brings the student into compliance with the quantitative and qualitative components of this policy.

- Quantitative Standard—67% of cumulative attempted hours must be passed.
- Qualitative Standard—Meet the GPA requirement per GPA scale for hours attempted.

RETURN OF TITLE IV FUNDS POLICY

Pursuant to the Higher Education Amendment of 1998, Public Law 105-244; funds paid toward a student's education are earned based upon the period of time the student remains enrolled during the semester. Unearned Title IV funds, other than federal work-study, must be returned. Unearned aid is the amount of disbursed Title IV aid that exceeds the amount of Title IV aid earned prior to withdrawal.

Truett McConnell University will determine the date of withdrawal. If the student does not notify the University of the intent to withdraw, the last date of attendance, as documented by the University, will be used as the withdrawal date. If the last date of attendance cannot be determined by the institution, the midpoint of the payment period for which student financial aid program assistance was disbursed will be used. If Truett McConnell University determines that a student did not begin the withdrawal process or otherwise notify the University of the intent to withdraw due to illness, accident, grievous personal loss, or other circumstances beyond the student's control, Truett McConnell University will determine the appropriate withdrawal date.

To determine how much financial aid was disbursed, Truett McConnell University will consider only the aid that is disbursed prior to becoming aware of the withdrawal. If earned aid exceeds disbursed aid, additional funds may be disbursed utilizing late disbursement procedures. Additional disbursements are precluded if the amount of earned aid is less than the total Title IV aid that was disbursed prior to the date of the University's determination that the student withdrew. Institutional costs are not used to determine the amount of Title IV funds a withdrawn student is entitled. Aid is disbursable if the student could have received it at the point of withdrawal. Total disbursable aid includes aid that was disbursed and aid that could have been (but was not) disbursed as of the student's withdrawal date.

During the first 60% of the period, a student earns Title IV funds in direct proportion to the length of time he or she remains enrolled. That is, the percentage of time during the period that the student remained enrolled is the percentage of disbursable aid for that period that the student earned.

For example:

- Multiply the % of the payment period or period of enrollment completed (or 100% once the student completes > 60%) X the
 federal aid that was disbursed and could have been disbursed. This is the earned amount.
- Subtract the earned amount from the aid disbursed as of the date of the institution's determination that the student withdrew.
- TMU uses the standard term-based program as the payment period.
 - 1. Calendar days completed less scheduled breaks of 5 consecutive days or more.
 - 2. Calendar days in the period scheduled, less scheduled breaks of 5 consecutive days or more.
- TMU returns the lesser of:
 - Amount disbursed minus amount earned;
 - 2. Institutional charges times the percentage not earned.
- Student Responsibility:
 - Total amount of unearned Title IV aid
 - Amount institution is required to return
 - = Amount for which the student is responsible.

Student returns his or her share to:

- Title IV loan programs in accordance with the terms of the loan.
- Title IV grant programs as an overpayment (only up to 50% of the amount of the overpayment).
- Student remains Title IV eligible generally for 45 days, if the student
 - Repays the overpayment in full to the institution;
 - 2. Makes repayment arrangements satisfactory to the institution; or
 - 3. Signs a repayment agreement with the Secretary of Education, which will include terms that permit continued eligibility while in repayment.

A student who remains enrolled beyond the 60% point of the semester earns all aid for the semester. The percentage of the period that the student remained enrolled is derived by dividing the number of days the student attended by the number of days in the period. Calendar days are used but breaks of at least 5 days are excluded from both the numerator and denominator.

Funds will be returned in the following order:

- Unsubsidized Federal Stafford loans
- Subsidized Federal Stafford loans
- Federal PLUS loans
- Federal Pell Grants for the payment period for which a return of funds is required
- Federal Supplemental Educational Opportunity Grants
- Other assistance under this Title for which a return of funds is required

The institution will normally use the R2T4 calculation module in the PowerFaids software to process the R2T4 calculations.

Institutional Financial Aid for Graduate Students

The following institutional aid is available to graduate students at TMU:

- TMU Online master's Scholarship; \$1,000 per year (\$500 per semester) for full-time (9+ hours/semester) students in an Online Graduate Program.
- John White Endowed Scholarship: \$540 per semester for full-time (9+ hours/semester) students enrolled in the Master of Divinity, Global Studies, and Theology programs; residential only; awarded as funds are available, on a first-come, first-served basis.

Institutional aid is offered to students with the expectation that the student upon enrolling at Truett McConnell University will abide by the stated rules and community guidelines of the University and keep a clean discipline record with the Office of Student Development.

Community Conduct Expectations for Institutional Financial Aid

A student who is placed on probation or suspension by the Office of Student Development for behavioral conduct immediately forfeits any and all Institutional Financial Aid for the remainder of the current semester and the subsequent semester of enrollment. The award will be prorated for the semester according to the catalog policy in determining the amount of aid forfeited.

Institutional aid will be renewed if the student has maintained satisfactory progress and maintained the appropriate GPA for the TMU scholarship, for which the student was initially eligible. This standard is consistent with the development of Christian scholars and therefore more rigorous than the standard for receiving federal or state funded aid.

Georgia Baptist Convention (GBC) Ministerial Scholarship

A Georgia Baptist Ministerial Scholarship of \$60 per credit hour (up to 12 hours per semester) is available to graduate students who are in, or preparing for, full-time ministry as a vocation and are members of a Georgia Baptist Convention church that contributes to the Cooperative Program. To receive the scholarship, students must complete the GBC's Georgia Baptist Ministerial Aid application that can be obtained from the TMU Financial Aid Office (see the application for additional eligibility information).

Alternative Loans

Alternative loans, also referred to as private or outside loans, may be beneficial to students, who have borrowed the maximum federal direct loan amount for the award year, are enrolled for less than 6 hours, have a parent plus loan denial or need additional funds to meet additional educational costs. Typically, alternative loans have higher interest rates than Federal Direct Student Loans and sometimes require a minimum payment of interest while in school. A loan co-signer, with good financial credit, is usually required of student borrowers. Students should consider Federal Direct Loans before considering alternative loans. The college has no involvement in applying for or obtaining alternative loans for students. Once the student has applied for an alternative loan through a loan lender, the lender will send the loan information to the school, through the ELM Resources ELMNet interface, to certify the loan.

Alternative loans are not part of the federal direct lending program. They are governed by federal regulations but are funded by private organizations. Alternative loans are designed to help students and families with educational expenses after federal, state and institutional financial aid has been awarded. Historically interest rates are based on credit and set by the lender. Students are encouraged to research interest rates for lenders before choosing a lender. The borrower is responsible for all the accruing interest. Alternative loans cannot be included in federal loan consolidation. The lender will have to determine if they will participate in deferment for students who are attending graduate school. Most alternative loans will require a credit worthy cosigner and credit will be reviewed each time borrowers apply for an alternative loan.

Truett McConnell University maintains a historical list of lenders who are still active in alternative loan lending and have participated in alternative loans for our students in the past. This list is not a preferred lender list. Instead, it is a list of lenders who have participated with our students in the past. We do not endorse any lender and the list provided is not an exhaustive list of alternative student loan lenders. We encourage our students to research the lenders, their interest rates, fees, and approval ratings; and then choose the lender that best fits their needs. The lender does not have to be on this historical list of lenders and TMU agrees to participate with any lender that the student chooses. The lender will need to use the ELM Resources ELMNet interface to send the loan information to the school.

Rationale for Biblical Component of Master's Degrees

In keeping with its mission, the University requires a biblical component to all of its master's degrees so as to undergird the reality of the University's biblical and global focus echoed in this tag line, "From the very first verse, to the very last tribe." This component is designed to provide students with a sound education and prepare them for a life of service. It focuses on the nature and sufficiency of Scripture, which is fundamental to biblical education and a Christian worldview, and on ministry in the cross-cultural global environment of the twenty-first century, which is fundamental to the world mission emphasis of the University in its intent to equip all students to fulfill the Great Commission. All schools, with the exception of the Hubmaier School, may choose one of two ways to fulfill this component when they craft master's degrees. They can either choose to have their students take a single course: CS 500 Word and Witness in the Workplace; or take two courses: CS 534 Doctrine of Revelation and MI 601 Cross-Cultural Ministries Practicum.

Master's Degree Programs Policy

A master's degree embodies a coherent course of study compatible with the mission of the institution that is progressively more advanced in academic content than associated bachelor's degrees. The degree should be structured to include a knowledge of the literature of the discipline and to ensure engagement in research and/or appropriate professional practice and training.

A master's degree consists of a minimum of 30 semester hours directly aligned with the content area (The Biblical component of the master's degree applies to this standard of being "directly aligned with the content area" because the incorporation of the Great Commission is specific to the respective workplace in the field of study). All remaining hours must be school/discipline specific. Courses outside the school/discipline must include a rationale and approval of the appropriate school.

Concentration

A concentration is a arrangement of courses representing a specialized area of study within a program and should have enough unique courses to distinguish it from another concentration.

Concentrations will be considered for degree programs only if required by the program's external accreditation or state agency approval organization.

Definition of Courses

Traditional – A systematic plan of study which may utilize lecture, discussion, laboratory, recitation, seminar, workshop, studio, independent study, internship, or other similar teaching formats to facilitate learning for the student in a traditional face-to-face classroom environment.

Online – Taught asynchronously and as such have no face-to-face instructional component. Students in online classes are assigned work that equated with 37 1/2 hours of out-of-class work per semester hour.

Hybrid – A traditional semester or accelerated course in which instruction is delivered through a combination of face to face instruction and distance learning and in which more than 25% of the instruction occurs through distance learning.

Cross-listed – Courses that are listed in two disciplines (e.g. CS 331: History of Christianity I and HI 331: History of Christianity I).

Combined – Courses combining instruction of undergraduate and graduate students clearly differentiate the course requirements for both groups and require the graduate students to perform work at a substantially higher level of complexity and maturity.

Accelerated – Courses taught in under 16 weeks (e.g. summer, practicums, winterims) but still meeting the required number of credit hours

Transfer of Credit

Admitted students may request acceptance of transfer hours provided:

- The student has achieved full admission into the University and program.
- The hours are deemed equivalent to courses in the selected graduate program by the Degree Program Coordinator.
- Grades earned are at least "B" or higher.

Degree programs may have specific policies for the maximum number of hours that can be transferred.

The Registrar's Office determines transfer credit based on comparison of course descriptions. If questions arise regarding course equivalency, the Dean and/or Degree Program Coordinator are consulted. In some cases, a transfer student may be required to provide a course syllabus if transferability cannot be determined from the course description alone.

For all other non-regionally accredited institutions, students may request for transfer of credit if the institution is accredited by an agency recognized by the U. S. Department of Education. The appropriate Dean and/or Degree Program Coordinator along with the Registrar will analyze such courses in terms of level, content, quality, comparability and relevance to the graduate degree program.

Academic Standards

In addition, the Registrar, Dean and/or Degree Program Coordinator must receive information on the course instructor's academic credentials. A course syllabus may be required. Transfer credits will only be awarded for courses in which the student obtained a grade of "B" or higher and which apply to the course of study. Transfer credits will be awarded at the level the course is offered at TMU if the course content is equivalent.

Probation and Dismissals

Students who fail to maintain the minimum GPA required for a specific program will be placed on probation and will have one semester to raise the GPA. Following that semester, failure to regain the minimum GPA will result in dismissal from the program. Please see the specific requirements for your degree program.

Any student who makes a "D" in a course must retake the course. The grade from the retaken course will replace the prior grade. The student will only be allowed one retake during the student's program.

Any student receiving a "D" in two courses not eligible for replacement will be dismissed from the program.

Any student receiving an "F" will be dismissed from the program.

Students may be readmitted into the graduate program based on a recommendation from the admissions committee for extenuating circumstances. Students readmitted will continue on Academic Probation and will be required to maintain a 3.0 GPA each semester until they are able to reestablish the required GPA, at which time they will be removed from Academic Probation.

Academic Grievance Appeal Policy

An academic grievance appeal pertains only to student-initiated grievances against faculty regarding academic issues other than grades. A request for review of an academic grievance may be considered only for grievances from the current or previous semester. Grievances related to summer courses may be reviewed during the fall semester.

PROCEDURES:

- The student must meet with the course instructor and seek to resolve the issue. (If TMU no longer employs the instructor, the student should go directly to the appropriate Dean.)
- The student may appeal in writing to the Dean if efforts to resolve the issue prove to be unsatisfactory to the student. The student may obtain a copy of the Academic Grievance Appeal form from the office of the Vice President for Academic Services.
- If the Dean is unable to resolve the issue, the case may be appealed to the Vice President for Academic Services (VPAS).
- The Vice President for Academic Services must be supplied copies of all materials submitted previously and either party may
 augment these materials as desired. Also, the Dean will provide to the VPAS the written record of the meeting held with the
 student and faculty member, in addition to a summary account of his or her conclusions and recommendations.
- The conclusion and recommendation of the VPAS is binding upon the parties of the appeal.

Academic Grade Appeal Policy

Request for review of an academic grade pertains only to grades from the previous semester of study. Grade appeals related to summer courses may be reviewed during the fall semester. Appeals based on grades earned as a result of an Incomplete (I) will be reviewed in a timely manner.

PROCEDURES:

- Student should meet with the course instructor and seek to resolve the grade issue.
- If the course instructor denies the request and the student is not satisfied with the reason(s) for denial of the request, the
 student may obtain a copy of the Academic Grade Appeals form from the office of the Vice President for Academic Services
 (VPAS).
- The student should complete the form and give it to the Dean. The Dean will make a decision on the grade and file the form with the office of the VPAS.
- The student may appeal the decision of the Dean to the VPAS.
- The conclusion and recommendation of the VPAS is binding upon the parties of the appeal.

General Graduation Requirements

- Completion of an approved program of study with a minimum 2.50 GPA. (Specific degree programs may have a higher GPA requirement please consult the graduate catalog area for your specific degree.)
- At least one-third of the total semester hours must be earned through instruction at Truett McConnell University. (Specific degree programs may have more specific requirements consult the graduate catalog area for your specific degree.)
- Completion of a minimum of 36 hours as applicable.
- Student may have no more than two courses pending completion to participate in the graduation ceremony.
- Discharge of all financial obligations to the University.
- Submission of an application for degree candidacy to the Registrar's Office no later than the published annually approved date along with a \$100.00 (non-refundable) graduation fee.
- Approval by the faculty for graduation.
- · Applicants who apply for graduation and fail to meet the above requirements and deadline must reapply.
- Participation in commencement (absence requires permission from the Vice President for Academic Services).

NOTE: Regardless of academic achievement, students must be cleared of all probationary restrictions before being approved for graduation. A student on probation may not graduate from Truett McConnell University until the probation has been removed.

Dual Master Policy

Students seeking an additional master's degree in the same school must complete specific requirements for the degree with a minimum of 30 semester hours of non-duplicated courses at Truett McConnell University.

Auditing a Course

Persons desiring to audit classes may do so with the approval of the Registrar and the instructor of the course. The University reserves the right to refuse to allow an individual to register as an auditor in courses in which the predominant mode of instruction makes the course inappropriate for auditors. Auditors are "listeners" in the class. They do not take examinations and do not receive credit. They may participate in class discussion with the approval of the instructor. Auditors must receive admission to the University to be eligible to audit a course. Credit courses may not be changed to audit status or vice versa once the drop/add period is over. Courses taken for audit credit cannot be used for financial aid, Social Security benefits, Veterans Administration benefits, athletic eligibility, or to meet program requirements.

Academic Load

Full-time status for graduate students is defined as 9 semester hours.

Three-quarter time status for graduate students is defined as 7 semester hours.

Half-time status for graduate students is defined as 6 semester hours.

Maximum academic load is 12 hours per semester. Hours above 12 require a *Permission for Academic Overload* form approved by the Vice President for Academic Services. Please consult the graduate catalog area for your specific degree.

Attendance Policy

The University has adopted the following policy for monitoring student attendance for determining a withdrawal date. A student who misses, for any reason, more than any of the following may be dismissed from the class at the instructor's discretion:

- 6 absences for a 4 meeting per week class (lab courses)
- 5 absences for a 3 meeting per week class
- 3 absences for a 2 meeting per week class
- 2 absences for a 1 meeting per week class

Academic Standards

If a student enrolls in a course after the term has begun, the number of classes the student missed before enrolling reduces the number of absences that make the student eligible for dismissal. If a student enrolls in a course after a session has begun, then the number of absences allowed is reduced by the number of class periods that already occurred before adding the course. For example, if a student adds a course that meets 4 times per week after the class has already met twice, the number of absences allowed would be reduced from 6 to 4. The instructor must complete a Dismissal form and a Course Withdrawal form indicating the last day of attendance. In an accelerated session (i.e. summer school), a student may miss no more than ten percent of allotted class time. Please check the section of the catalog for your specific program as some programs may have more specific guidelines.

Student Conduct

In accordance with the general regulations for admission and enrollment, Truett McConnell University encourages positive values of human development and individual freedom in accordance with its commitment to the teachings of the Christian faith. Students are expected to behave responsibly, to recognize the worth of each individual, including persons who are different in cultural background, attitude, and opinion and to demonstrate mutual respect for one another, faculty and staff. Please refer to the Student Handbook for specific policy and standards.

Penalty for Cheating and Plagiarism

Cheating (giving or receiving aid not approved by the instructor) will be handled directly by the faculty member concerned. However, if a student cheats or plagiarizes, the faculty member must report the incident to the Vice President for Academic Services. The minimal penalty for a first offense is to receive a "0" for the assignment/quiz/test; the minimal penalty for a second offense is failure of the course; the minimal penalty for a third offense is removal from school. The incidents will be cumulative from all courses and all previous semesters/years at TMU. The Office of Academic Services will keep records of all offenses. The following items have been identified as the more common forms of cheating and/or plagiarizing; however, other forms of cheating and/or plagiarizing may be identified by the individual instructors:

The Office of Academic Services will keep records of all offenses.

The following items have been identified as the more common forms of cheating and/or plagiarizing; however, other forms of cheating and/or plagiarizing may be identified by the individual instructors.

- Asking for information from another student during a test situation.
- Copying answers from another's paper during a test situation.
- Knowingly allowing someone to copy from one's paper during a test situation.
- Using sources other than those permitted by the instructor in a test situation.
- Copying material exactly or essentially or paraphrasing from outside sources and omitting appropriate documentation and punctuation (plagiarism).
- The use of AI tools, software, or services for completing written and other assignments contrary to the extended policy found below and/or what might be specified by the professor in their syllabus.
- Copying or falsifying a report for a laboratory, clinical project, or assignment without doing the required work.
- Changing answers on a returned, graded test or assignment in order to have the grade revised.
- Obtaining in any manner a copy, in part or in whole, of a test which has not yet been released or given by an instructor. Not stopping as instructed in a timed test or writing situation.
- · Submitting work actually prepared outside class as work required to be done during class time.

General principle regarding the use of Al tools, software, or service (Al resources):

- Unless explicitly mentioned otherwise by the instructor, the use of AI resources for completing written and other
 assignments is prohibited. Students are expected to rely on their own skills, own knowledge, and academically
 acceptable resources to complete their assignments.
- Prohibited or discouraged activities include, but are not limited to:
 - Use of Al-generated content: Students must not use Al-generated content or text-generating models to create or complete written assignments, essays, reports, or any other academic work.
 - Automated paraphrasing: Students should not employ AI resources or software to automatically paraphrase existing texts or sources. Paraphrasing should be done manually, and proper citation practices must be followed.
 - Automated translation: The use of AI resources or software to automatically translate content for assignments, without proper attribution or understanding of the translated material, is not allowed.
 - Automated editing or proofreading: Manual proofreading and editing are expected so as to improve a student's
 writing skills. To learn and improve said skills, students are discouraged from using Al-based editing or
 proofreading tools to modify or correct their assignments.
 - Exceptions to the above and instructor approval practices for the use of Al resource:

- Explicit permission: Instructors may explicitly permit the use of AI resources for specific assignments or projects
 when it aligns with the learning objectives of the course. Such permission should be communicated clearly in the
 assignment instructions.
- Educational use: Instructors may provide educational opportunities for students to learn about AI technology, its limitations, and ethical implications through controlled exercises or projects. These activities are designed to enhance understanding rather than replacing students' own efforts.
- Collaboration guidelines: Instructors may establish specific guidelines regarding collaborative work and the appropriate use of AI resources within group projects or assignments.

The university employs similarity tools, including AI checks, to ensure academic integrity by identifying potential instances of plagiarism or academic misconduct in submitted works. These tools are designed to keep students accountable, foster originality, promote proper citation practices, and to provide a fair evaluation of students' work.

Process for Drop/Add and Withdrawal

The drop/add period is the first five days of Fall and Spring semesters, the first two days of Summer semesters, and the first day of class for online classes. During the drop/add period students make schedule changes online via Self-Service. No student may change courses after the published last date for drop/add (see current academic calendar).

A. Process for Voluntary Withdrawal from a Course after Drop/Add Period

A student desiring to voluntarily withdraw from a course during Fall or Spring semester must do so no later than 8 weeks (for a 16-week course) and 4 weeks (for an 8 week course) after classes begin. Corresponding voluntary withdrawal dates for summer and online sessions are no later than 4 weeks after classes begin.

The student must obtain a course drop/add form from the Registrar's Office and secure signatures from the advisor and the instructor (the instructor must fill in the last date of class attendance on the form) before submitting it to the Registrar's Office. Class absences will continue to accrue until the process is completed. Voluntary withdrawal from a course does not supersede involuntary withdrawal from a course. Upon completion of the process, the student will receive the grade of "W".

B. Process for Involuntary Withdrawal from a course after Drop/Add Period

The instructor will assign a grade of "WF" or "WP" for any student who is involuntarily withdrawn from a course for violation of the attendance policy or for disciplinary reasons. An appeal of a grade of "WF" due to involuntary withdrawal must include appropriate emergency/medical documentation and must have the support of the faculty member. (See Academic Grade Appeal).

C. Process for Requesting an Incomplete

A Student may receive an "I" (Incomplete) for extenuating circumstances with the approval from the instructor and the Vice President for Academic Services. *The Request for Grade of "I"* form should be submitted by the faculty member for consideration by the Vice President for Academic Services. The student is allowed one month after the last published final exam day of the semester to complete the course requirements and remove the "I" from his or her record; failure to do so will change the "I" to "F" at the end of the allotted one-month period.

D. Process for Withdrawal from the University

If for any reason a student withdraws voluntarily in good standing from the University during a semester, the student must obtain a *Withdrawal* form from the Registrar's Office in order to declare intent to voluntarily withdraw from the University.

The Withdrawal form must be approved by the financial aid designate, student development designate, library designate and the business office designate in order to complete the voluntary course withdrawal process. The student must clear all accounts before completing withdrawal from the University. Official transcripts may be withheld if a student does not complete all steps of the withdrawal process. The date of withdrawal from the University will be the date that the Registrar's Office receives the completed Withdrawal form.

The decision to withdraw from the University is extremely serious. The student is encouraged to converse with an academic advisor, student services personnel, and appropriate academic personnel before making the final decision.

Academic Standards

Withdrawal for Military Service

Students called to active military service during any given semester shall be credited the full amount of any tuition. Room and board shall be prorated. In these instances, financial aid received shall be returned to the provider. Student must provide proof of active military status along with a completed Withdrawal form to the Registrar's Office.

Academic Advising

Upon enrolling at TMU, students are assigned academic advisors who assist them in choosing a course of study. However, the ultimate responsibility for academic progress is the students. Each semester, before registration, students should meet with their advisor to review progress, evaluate goals, and choose classes. The advisor is available by appointment throughout the year to assist in many ways.

In order to make satisfactory progress toward degree completion, students should only register for classes required in their declared degree plan. Advisors should only approve classes that are required for graduation.

Independent Study

- 1. Under special circumstances, a student may receive credit for some courses by studying independently under the close supervision of a regular faculty member.
- 2. The student must secure an *Independent Study Registration* form from the Registrar's Office, complete it, secure the signatures of the instructor and the Dean, and file it with the Registrar's Office.
- 3. Independent study paperwork must be submitted and approved by the end of the drop/add period for the semester in which the student will be registered for the independent study course.

Credit Hour Policy

Truett McConnell University professors create their courses according to the principle widely accepted in academia that one semester hour of classroom instruction requires a minimum of two out-of-class hours of student effort. Therefore, Truett McConnell University considers one semester hour of university credit to entail 37 1/2 educational hours (made up of a combination of class meetings and out-of-class work; usually involving 12 1/2 hours of class time or their equivalent, the rest as out-of-class work). Similarly, two semester credit hours represent 75 educational hours, and three semester credit hours encompass 112 1/2 educational hours.

ACADEMIC CREDIT AND INSTRUCTIONAL TIME IN NON-TRADITIONAL COURSES

Fully online courses at the University are taught asynchronously and as such have no face-to-face instructional component. Students in online classes are assigned work that equates with 37.5 hours of out-of-class work per semester hour. A significant portion of this work involves interaction with the instructor and student peers through discussion boards, tests, written projects, email, and group work.

EVALUATING LEARNING OUTCOMES IN NON-TRADITIONAL COURSES

The University considers traditional semester and non-traditional courses to be equivalent if there is parity between their learning outcomes. The University measures the learning outcomes for accelerated, hybrid, and online courses and compares those outcomes with traditional semester versions of those courses in order to maintain this equivalency.

Course Level Definitions

The number by which a course is designated indicates the level of the course:

039-099: Remedial courses (institutional credit only)

100-499: Undergraduate Courses

Lower-division courses primarily for freshmen and sophomores

- 100-199: Primarily introductory and beginning courses
- 200-299: Intermediate-level courses

Upper-division courses primarily for juniors and seniors

- 300-399: Advanced-intermediate-level courses
- 400-499: Advanced-level courses

500-699: Graduate courses

Transcript and Grade Information

INSTITUTIONAL CREDIT

Institutional credit is that credit earned in certain courses designated in the University catalog as offering "institutional credit only." This credit is nontransferable and will not count towards graduation; however, the grades earned for these courses are used in the calculation of students' grade point averages.

TRANSCRIPTS

If a student wishes to secure a transcript of grades or requests the University to send such a transcript to any individual or institution, application in writing must be made to the Registrar's Office.

SYSTEM OF GRADES AND QUALITY POINTS

All work is evaluated according to the following chart:

Letter Grade	Number Grade	Quality Points Per Hour of Credit
Α	93 - 100	4.0
A-	90 - 92.99	3.7
B+	87 - 89.99	3.3
В	83 - 86.99	3.0
B-	80 - 82.99	2.7
C+	77 - 79.99	2.3
С	73 - 76.99	2.0
C-	70 - 72.99	1.7
D+	67 - 69.99	1.3
D	60 - 66.99	1.0
F	0 - 59.99	0.0
WP	Withdrawal passing	Not applicable
WF	Withdrawal failing	0
AU	Audit, non-credit	Not applicable
S	Satisfactory	Not applicable
U	Unsatisfactory	Not applicable

At the option of the student's major school, credit toward a master's degree may be allowed for courses taken under the pass/fail system and completed with a grade of "Satisfactory." The major school must approve all pass/fail courses included in the final program of study, and students should be aware of school requirements. Pass/fail enrollment in any course may be restricted by the school offering the course. Students who register under the pass/fail system will be so designated on the official class rolls. Withdrawals from courses taken on a pass/fail basis will follow the same rules that govern withdrawals from courses included in the grade-point average. The deadline to change the grade of W: Graduate Students. The grades recorded will be "S" for "Satisfactory" or "U" for "Unsatisfactory." These grades will not be included in the calculation of the grade-point average and cannot be changed to a grade that will count in the average.

In addition to the previous grades, the following symbols are also used:

I = Incomplete — indicates that the student was doing satisfactory work at the end of the semester, but was unable to complete all of the course due to illness or other circumstances beyond their control. An incomplete is not given as a substitute for a failing grade. An incomplete is not based solely on a student's failure to submit work or as a means of raising his or her grade by doing additional work after the grade report time. It is the student's responsibility to make appropriate arrangements with the instructor to complete the course. An "I" may be entered on the student's record only after a *Request for Grade of "I"* form has been made by the faculty member to the Vice President for Academic Services. The student is allowed one month from the beginning of the next semester to complete the course requirements and remove the "I" from his or her record; failure to do so will change the "I" to "F" at the end of the succeeding semester.

W = Withdrawal — indicates that the student withdrew from class during the appropriate portion of the semester and received no grade.

Academic Standards

GRADE-POINT AVERAGE (GPA)

The grade-point average is determined by adding all quality points received and dividing them by the total number of semester hours attempted. The total number of semester hours attempted shall include every course taken, except those courses receiving grades of AU, I, W, WP, S, or U.

CHANGE OF GRADES

When a grade other than an "I" has been reported to the Registrar, it can be changed by the instructor's submission of *Change of Grade* form.

Privacy Rights Regarding Student Records

RECORDS KEPT BY OFFICE OF THE REGISTRAR

Current federal law is designed to protect the privacy of students and parents by providing safeguards on the maintenance and release of student records. A student who attends Truett McConnell University has the right to inspect his or her University records. The Registrar maintains student records that may contain identifying data, academic work attempted and completed, level of achievement reached, scores on placement tests and standardized tests, and family background information. The Registrar is available to explain and interpret these records.

All professional staff and selected clerical staff of the University have access to student records only when there is legitimate educational need. A student has the right to view his or her records. A student may have a copy upon written request. The following information has been designated as "directory information." This information is available to the public unless the University receives from the student a written statement indicating objection to the release of the information: student's name, address, email address, telephone number, date and place of birth, major field of study, participation in officially recognized collegiate activities and sports,

weight and height of members of athletic teams, dates of attendance, degrees, honors and awards received, and previous educational institution(s) attended.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT OF 1974 (FERPA)

Any student has the right to challenge the accuracy of his or her record or the protection of the privacy of his or her record under the Family Educational Rights and Privacy Act of 1974 (FERPA). The student may implement the following procedures for such a challenge:

- 1. The student must submit a written request to the Registrar for an informal meeting regarding his or her records. A meeting date convenient to the student will be set within a reasonable period of time.
- 2. If, after the meeting with the Registrar, the student is not satisfied, he or she may then file a request with the Vice President for Academic Services for a hearing by a special review committee, composed of the Registrar, the Director of Admissions, and the Vice President of Academic Services. The review committee will deliver to the student its decision in writing, with a copy kept in the student's file in the Registrar's Office.
- 3. If, after the hearing with the special review committee, the student is not satisfied, an appeal may be made to the Department of Education in Washington, DC.

No information concerning a student's educational record may be disclosed over the telephone to anyone, even to the student. The University will release no official transcript of a student's record unless the student's account with the University is clear. A written, dated request must be obtained from the student before the University releases such a record.

Procedures for Protecting the Privacy of Students Enrolled in Online and On-Campus Courses

Faculty members teaching online courses, as well as maintaining online components for on-campus courses, are responsible for creating and maintaining an online teaching and learning environment that provides for the privacy and security of students' personal data and coursework. Accordingly, instructors will enforce the provisions of the Family Educational Rights and Privacy Act (FERPA) of 1974, which is designed to protect the privacy of students' educational records. The University's policies and procedures are used to ensure that students' FERPA rights are protected. The policy and procedure is outlined in the undergraduate and graduate catalogs and is applied to online and on-campus courses alike.

To further ensure student privacy in online courses and online components for on-campus courses, these procedures shall be followed:

1. In all University-related business and classroom interactions conducted via e-mail, students and instructors are required to use their Truett McConnell University email account. Email encryption should be used any time sensitive or personal information is included in the email.

2. Protection of student information, course data, and student participation is required by all Truett McConnell faculty and staff involved in the design, development, delivery, and administration of courses through the online platform. Truett McConnell will only authorize the use of learning management systems which require unique log-in names and secure passwords that meet industry standards for length and complexity.

- 3. Upon initial login, students and faculty are given the opportunity to change their password. Truett McConnell University keeps no record of the student's password once it has been changed. A forgotten password can be reset through the "Forgot my password" link upon login, which will require verification of the student's identity through a previously provided phone number, alternate email, or a series of security questions before they can reset their password. Students are responsible for keeping their password confidential. Instructors shall ask students never to reveal their login names and passwords to anyone."
- 4.Student postings to discussion boards, chat rooms, and class forums shall be accessible only to members of the class, the course instructor(s), the program coordinator and anyone specifically authorized and responsible for student learning assessment or oversight of the academic quality and integrity of the course.
- 5. Instructors shall use the gradebook provided by the learning management systems, which prohibits students from accessing other students' grades. Posting of class-wide grade reports in any form is prohibited.
- 6. Grades for discussion board participation, online student examinations, and written assignments are confidential, and are only accessible by the individual student, the course instructor(s), the program coordinator and anyone specifically authorized and responsible for student learning assessment or oversight of the academic quality and integrity of the course.
- 7. Material from online courses and online components for on-campus courses provided by course instructors to be used in program assessment reports will not include the identity of individual students; program coordinators will be responsible to ensure that no information specific to identified students will be included in such reports.

Truett McConnell University may occasionally update this Statement of Privacy and encourages you to periodically review this Statement to remain informed of how Truett McConnell University is protecting your information.

The Leonhard Schiemer School of Psychology and Biblical Counseling

The purpose of the Master of Arts in Professional Counseling is to equip students to become ethical practitioners who will help people across diverse populations heal emotionally and mentally using proven counseling methods with sound theological principles. The program is designed to provide specialized graduate training via rigorous academic courses, dynamic interaction with faculty, and structured practica and internships.

The Leonhard Schiemer School of Psychology and Biblical Counseling

Admission Requirements for the Master of Arts in Global Mental Health Counseling and Master of Arts in Clinical Mental Health Counseling.

A prospective master's candidate will follow guidelines for the original admission requirements specified in the graduate catalog along with the following:

An interview with Psychology/Counseling faculty and an essay.

Graduation Requirements

Master of Arts in Counseling candidates will follow guidelines for the original requirements specified in the graduate catalog along with the following:

- The candidate should maintain a GPA of 3.0. The candidate should earn no more than one final grade of "C" in program courses. Students are allowed to replace one grade by retaking the course.
- Students are required to complete a minimum of 6 hours of individual counseling.
- Students are required to pass the Counselor Preparation Comprehensive Examination (CPCE) for the Clinical Mental Health Concentration.
- Students are only allowed one "C". Any additional grades below a B- will call for the student to be put on academic probation, given a remediation plan, or dismissed from the program.

Transfer Requirements

The Professional Counseling Faculty will review prospective candidate transfers on a case-by-case basis but transfer credit may be accepted. Should a transfer be granted, admission requirements must be met. A maximum of 27 hours will be considered for the Clinical Mental Health Concentration and a maximum of 15 hours for the Master of Arts in Counseling.

Applicants must submit the following as a part of the general admission requirements:

- 1. Official application for admission form.
- 2. Official transcripts for all undergraduate and graduate coursework. The transcript from the institution granting the bachelor's degree is necessary for all applicants. If the degree program is incomplete when the application is filed, a transcript of work to that date must be submitted, and after graduation, a final official transcript must be furnished indicating the degree received.

The Biblical Counseling Certificate

The Biblical Counseling Certificate is an option for individuals who want training in counseling from a Biblical worldview but are not yet ready to commit to the completion of a Master's in Global Mental Health or Clinical Mental Health Counseling. The certificate is beneficial for someone who has already completed a master's degree in ministry but would like to strengthen his/her counseling skills. This certificate helps to equip those who are in ministry and are asked periodically to counsel but may have no or little training to do so.

The Biblical Counseling Certificate is designed to:

- Enhance your professional and academic credentials,
- Expand your marketability beyond the boundaries of a degree.
- Apply your courses toward an associate, bachelor's or master's degree.

The unique courses in the Biblical Counseling Certificate program provide students with knowledge about psychological theory and counseling techniques.

Courses for the Biblical Counseling Certificate will be offered on the TMU campus once each week (on either Monday or Tuesday) providing a flexible schedule for students who plan to work while completing the program.

The Balthasar Hubmaier School of Theology and Missions

The School of Theology & Missions is rooted firmly in a strong Christian and Liberal Arts tradition committed to the inerrancy, infallibility and authority of the Bible (God's Holy Word) and to the task of carrying the gospel to the ends of the earth. Therefore, it's faculty stands on the inerrant word of God and holds to a young earth creationist view, general atonement, and complementarianism. We have a passion for missions, both local and international, and discipleship. We seek to prepare graduates, through a biblically centered education, who, as faithful members of their local churches, will be: transformed by Christ; critical thinkers; and equipped to understand and effectively communicate Scripture to all peoples in order to fulfill their vocation as Christians.

The Balthasar Hubmaier School of Theology and Missions

Admission Requirements for the MA in Bible and Theology, MA in Christian Ministry, MA in Global Studies, MA in Theology w/Thesis, and Master of Divinity.

Full admission to the masters programs of the Hubmaier School may be granted to applicants who meet the University's minimum graduate admission criteria and the following qualifications:

- 1. A Statement of Call and Commitment to Christian Ministry. The written statement should document:
 - · Conversion experience
 - Family background
 - Spiritual development
 - · Call to ministry
 - Vocational/ministry goals
 - Educational Goals
- 2. Spouse/Fiancé Information Form. This form, completed by the spouse or fiancé of the applicant, asks for biographical information as well as a description of present Christian service and understanding of the commitment to vocational Christian ministry.
- 3. Church Endorsement Form. This form, completed by the church where the applicant is currently a member, gives evidence of the applicant's sincere commitment to Christian ministry. The current pastor should provide reference information on the church endorsement form. If the endorsement covers a period of membership for less than one year, an additional church endorsement from a second church may be required by the Admissions Committee.
- 4. Personal Recommendation Forms. Two personal references are required from persons other than relatives who have known the applicant personally for at least two years.

Any additional information as requested by the Admissions Committee.

Re-Admission to the Masters programs of the Hubmaier School.

A student whose enrollment at Truett McConnell University has been interrupted for any reason for two or more semesters (excluding summer term) must apply for readmission. If a student had enrolled in any other college or university during their absence from Truett McConnell University, they must also submit official transcripts from each institution. The student must also advise the Office of Graduate Admissions of any life changes (marriage, divorce, new job, etc.) that occurred during the break in enrollment.

- · Regionally accredited institutions
- Association of Theological Schools (ATS) accredited institutions
- Transnational Association of Christian Colleges and Schools (TRACS) accredited institutions

Possibility of Advanced Standing in the Masters programs of the Hubmaier School:

Rationale: so as to minimize the inherent redundancies between undergraduate work and graduate work, students who have received a baccalaureate degree in Christian Studies or Global Studies (or equivalent) from Truett McConnell University, or an accredited institution of like-minded theological persuasion*, students will be allowed, through a combination of test and course substitutions, to receive advanced standing in the following master's programs: MAGS, MABT, MATh, and MDiv.

- 1. Students will achieve this advanced standing by testing out of selected classes and, in conjunction with those test, by also substituting higher electives for other selected classes.
- 2. Students will be allowed to test out of no more than 25% of classes in their respective program. MAGS (36 hrs) 9 hrs; MABT (58 hrs) 15 hrs; MATh (60 hrs) 15 hrs; and MDiv (82 hrs) 21 hrs
- 3. Sufficient proficiency in Hebrew and/or Greek is a score of 70%. Sufficient proficiency in other areas is a score of 80%. The Dean of the School of Theology and Missions along with input from his faculty and the language faculty in the School of the Humanities, will determine each student's level of acumen across each of the four areas, based upon the student's performance on the entrance exam.
- 4. Classes students can test out of: CS 530, CS 532, CS 551, CS 635, GK 501, HB 501, MI 501, NT 501, OT 501
- Classes that can be substituted with higher elective in conjunction with the above tests: CS 533, GK 601, HB 601, NT 502, OT 502

^{*} In the case of a student applying from another institution, Academic Services will determine whether a particular accredited institution is of like-mind.

Baptist Faith and Message

I. The Scriptures

The Holy Bible was written by men divinely inspired and is God's revelation of Himself to man. It is a perfect treasure of divine instruction. It has God for its author, salvation for its end, and truth, without any mixture of error, for its matter. Therefore, all Scripture is totally true and trustworthy. It reveals the principles by which God judges us, and therefore is, and will remain to the end of the world, the true center of Christian union, and the supreme standard by which all human conduct, creeds, and religious opinions should be tried. All Scripture is a testimony to Christ, who is Himself the focus of divine revelation.

Exodus 24:4; Deuteronomy 4:1-2; 17:19; Joshua 8:34; Psalms 19:7-10; 119:11,89,105,140; Isaiah 34:16; 40:8; Jeremiah 15:16; 36:1-32; Matthew 5:17-18; 22:29; Luke 21:33; 24:44-46; John 5:39; 16:13-15; 17:17; Acts 2:16ff.; 17:11; Romans 15:4; 16:25-26; 2 Timothy 3:15-17; Hebrews 1:1-2; 4:12; 1 Peter 1:25; 2 Peter 1:19-21.

II. God

There is one and only one living and true God. He is an intelligent, spiritual, and personal Being, the Creator, Redeemer, Preserver, and Ruler of the universe. God is infinite in holiness and all other perfections. God is all powerful and all knowing; and His perfect knowledge extends to all things, past, present, and future, including the future decisions of His free creatures. To Him we owe the highest love, reverence, and obedience. The eternal triune God reveals Himself to us as Father, Son, and Holy Spirit, with distinct personal attributes, but without division of nature, essence, or being.

A. God the Father

God as Father reigns with providential care over His universe, His creatures, and the flow of the stream of human history according to the purposes of His grace. He is all powerful, all knowing, all loving, and all wise. God is Father in truth to those who become children of God through faith in Jesus Christ. He is fatherly in His attitude toward all men.

Genesis 1:1; 2:7; Exodus 3:14; 6:2-3; 15:11ff.; 20:1ff.; Leviticus 22:2; Deuteronomy 6:4; 32:6; 1 Chronicles 29:10; Psalm 19:1-3; Isaiah 43:3,15; 64:8; Jeremiah 10:10; 17:13; Matthew 6:9ff.; 7:11; 23:9; 28:19; Mark 1:9-11; John 4:24; 5:26; 14:6-13; 17:1-8; Acts 1:7; Romans 8:14-15; 1 Corinthians 8:6; Galatians 4:6; Ephesians 4:6; Colossians 1:15; 1 Timothy 1:17; Hebrews 11:6; 12:9; 1 Peter 1:17; 1 John 5:7.

B. God the Son

Christ is the eternal Son of God. In His incarnation as Jesus Christ, He was conceived of the Holy Spirit and born of the virgin Mary. Jesus perfectly revealed and did the will of God, taking upon Himself human nature with its demands and necessities and identifying Himself completely with mankind yet without sin. He honored the divine law by His personal obedience, and in His substitutionary death on the cross He made provision for the redemption of men from sin. He was raised from the dead with a glorified body and appeared to His disciples as the person who was with them before His crucifixion. He ascended into heaven and is now exalted at the right hand of God where He is the One Mediator, fully God, fully man, in whose Person is effected the reconciliation between God and man. He will return in power and glory to judge the world and to consummate His redemptive mission. He now dwells in all believers as the living and ever present Lord.

Genesis 18:1ff.; Psalms 2:7ff.; 110:1ff.; Isaiah 7:14; Isaiah 53:1-12; Matthew 1:18-23; 3:17; 8:29; 11:27; 14:33; 16:16,27; 17:5; 27; 28:1-6, 19; Mark 1:1; 3:11; Luke 1:35; 4:41; 22:70; 24:46; John 1:1-18,29; 10:30,38; 11:25-27; 12:44-50; 14:7-11; 16:15-16,28; 17:1-5, 21-22; 20:1-20,28; Acts 1:9; 2:22-24; 7:55-56; 9:4-5,20; Romans 1:3-4; 3:23-26; 5:6-21; 8:1-3,34; 10:4; 1 Corinthians 1:30; 2:2; 8:6; 15:1-8,24-28; 2 Corinthians 5:19-21; 8:9; Galatians 4:4-5; Ephesians 1:20; 3:11; 4:7-10; Philippians 2:5-11; Colossians 1:13-22; 2:9; 1 Thessalonians 4:14-18; 1 Timothy 2:5-6; 3:16; Titus 2:13-14; Hebrews 1:1-3; 4:14-15; 7:14-28; 9:12-15,24-28; 12:2; 13:8; 1 Peter 2:21-25; 3:22; 1 John 1:7-9; 3:2; 4:14-15; 5:9; 2 John 7-9; Revelation 1:13-16; 5:9-14; 12:10-11; 13:8; 19:16.

C. God the Holy Spirit

The Holy Spirit is the Spirit of God, fully divine. He inspired holy men of old to write the Scriptures. Through illumination He enables men to understand truth. He exalts Christ. He convicts men of sin, of righteousness, and of judgment. He calls men to the Saviour, and effects regeneration. At the moment of regeneration, He baptizes every believer into the Body of Christ. He cultivates Christian character, comforts believers, and bestows the spiritual gifts by which they serve God through His church. He seals the believer unto the day of final redemption. His presence in the Christian is the guarantee that God will bring the believer into the fullness of the stature of Christ. He enlightens and empowers the believer and the church in worship, evangelism, and service.

Genesis 1:2; Judges 14:6; Job 26:13; Psalms 51:11; 139:7ff.; Isaiah 61:1-3; Joel 2:28-32; Matthew 1:18; 3:16; 4:1; 12:28-32; 28:19; Mark 1:10,12; Luke 1:35; 4:1,18-19; 11:13; 12:12; 24:49; John 4:24; 14:16-17,26; 15:26; 16:7-14; Acts 1:8; 2:1-4,38; 4:31; 5:3; 6:3; 7:55; 8:17,39; 10:44; 13:2; 15:28; 16:6; 19:1-6; Romans 8:9-11,14-16,26-27; 1 Corinthians 2:10-14; 3:16; 12:3-11,13; Galatians 4:6; Ephesians 1:13-14; 4:30; 5:18; 1 Thessalonians 5:19; 1 Timothy 3:16; 4:1; 2 Timothy 1:14; 3:16; Hebrews 9:8,14; 2 Peter 1:21; 1 John 4:13; 5:6-7; Revelation 1:10; 22:17.

III. Man

Man is the special creation of God, made in His own image. He created them male and female as the crowning work of His creation. The gift of gender is thus part of the goodness of God's creation. In the beginning man was innocent of sin and was endowed by his Creator with freedom of choice. By his free choice man sinned against God and brought sin into the human race. Through the temptation of Satan man transgressed the command of God and fell from his original innocence whereby his posterity inherit a nature and an environment inclined toward sin. Therefore, as soon as they are capable of moral action, they become transgressors and are under condemnation. Only the grace of God can bring man into His holy fellowship and enable man to fulfill the creative purpose of God. The sacredness of human personality is evident in that God created man in His own image, and in that Christ died for man; therefore, every person of every race possesses full dignity and is worthy of respect and Christian love.

IV. Salvation

Salvation involves the redemption of the whole man and is offered freely to all who accept Jesus Christ as Lord and Saviour, who by His own blood obtained eternal redemption for the believer. In its broadest sense salvation includes regeneration, justification, sanctification, and glorification. There is no salvation apart from personal faith in Jesus Christ as Lord.

A. Regeneration, or the new birth, is a work of God's grace whereby believers become new creatures in Christ Jesus. It is a change of heart wrought by the Holy Spirit through conviction of sin, to which the sinner responds in repentance toward God and faith in the Lord Jesus Christ. Repentance and faith are inseparable experiences of grace.

Repentance is a genuine turning from sin toward God. Faith is the acceptance of Jesus Christ and commitment of the entire personality to Him as Lord and Saviour.

- B. Justification is God's gracious and full acquittal upon principles of His righteousness of all sinners who repent and believe in Christ. Justification brings the believer unto a relationship of peace and favor with God.
- C. Sanctification is the experience, beginning in regeneration, by which the believer is set apart to God's purposes, and is enabled to progress toward moral and spiritual maturity through the presence and power of the Holy Spirit dwelling in him. Growth in grace should continue throughout the regenerate person's life.
- D. Glorification is the culmination of salvation and is the final blessed and abiding state of the redeemed.

V. God's Purpose of Grace

Election is the gracious purpose of God, according to which He regenerates, justifies, sanctifies, and glorifies sinners. It is consistent with the free agency of man, and comprehends all the means in connection with the end. It is the glorious display of God's sovereign goodness, and is infinitely wise, holy, and unchangeable. It excludes boasting and promotes humility.

All true believers endure to the end. Those whom God has accepted in Christ, and sanctified by His Spirit, will never fall away from the state of grace, but shall persevere to the end. Believers may fall into sin through neglect and temptation, whereby they grieve the Spirit, impair their graces and comforts, and bring reproach on the cause of Christ and temporal judgments on themselves; yet they shall be kept by the power of God through faith unto salvation.

VI. The Church

A New Testament church of the Lord Jesus Christ is an autonomous local congregation of baptized believers, associated by covenant in the faith and fellowship of the gospel; observing the two ordinances of Christ, governed by His laws, exercising the gifts, rights, and privileges invested in them by His Word, and seeking to extend the gospel to the ends of the earth. Each congregation operates under the Lordship of Christ through democratic processes. In such a congregation each member is responsible and accountable to Christ as Lord. Its scriptural officers are pastors and deacons. While both men and women are gifted for service in the church, the office of pastor is limited to men as gualified by Scripture.

The New Testament speaks also of the church as the Body of Christ which includes all of the redeemed of all the ages, believers from every tribe, and tongue, and people, and nation.

VII. Baptism and the Lord's Supper

Christian baptism is the immersion of a believer in water in the name of the Father, the Son, and the Holy Spirit. It is an act of obedience symbolizing the believer's faith in a crucified, buried, and risen Savior, the believer's death to sin, the burial of the old life, and the resurrection to walk in newness of life in Christ Jesus. It is a testimony to his faith in the final resurrection of the dead. Being a church ordinance, it is prerequisite to the privileges of church membership and to the Lord's Supper.

The Lord's Supper is a symbolic act of obedience whereby members of the church, through partaking of the bread and the fruit of the vine, memorialize the death of the Redeemer and anticipate His second coming.

VIII. The Lord's Day

The first day of the week is the Lord's Day. It is a Christian institution for regular observance. It commemorates the resurrection of Christ from the dead and should include exercises of worship and spiritual devotion, both public and private. Activities on the Lord's Day should be commensurate with the Christian's conscience under the Lordship of Jesus Christ.

IX. The Kingdom

The Kingdom of God includes both His general sovereignty over the universe and His particular kingship over men who willfully acknowledge Him as King. Particularly the Kingdom is the realm of salvation into which men enter by trustful, childlike commitment to Jesus Christ. Christians ought to pray and to labor that the Kingdom may come and God's will be done on earth. The full consummation of the Kingdom awaits the return of Jesus Christ and the end of this age.

X. Last Things

God, in His own time and in His own way, will bring the world to its appropriate end. According to His promise, Jesus Christ will return personally and visibly in glory to the earth; the dead will be raised; and Christ will judge all men in righteousness. The unrighteous will be consigned to Hell, the place of everlasting punishment. The righteous in their resurrected and glorified bodies will receive their reward and will dwell forever in Heaven with the Lord.

XI. Evangelism and Missions

It is the duty and privilege of every follower of Christ and of every church of the Lord Jesus Christ to endeavor to make disciples of all nations. The new birth of man's spirit by God's Holy Spirit means the birth of love for others. Missionary effort on the part of all rests thus upon a spiritual necessity of the regenerate life, and is expressly and repeatedly commanded in the teachings of Christ. The Lord Jesus Christ has commanded the preaching of the gospel to all nations. It is the duty of every child of God to seek constantly to win the lost to Christ by verbal witness undergirded by a Christian lifestyle, and by other methods in harmony with the gospel of Christ.

<u>Genesis 12:1-3; Exodus 19:5-6; Isaiah 6:1-8; Matthew 9:37-38; 10:5-15; 13:18-30, 37-43; 16:19; 22:9-10; 24:14; 28:18-20; Luke 10:1-18; 24:46-53; John 14:11-12; 15:7-8,16; 17:15; 20:21; Acts 1:8; 2; 8:26-40; 10:42-48; 13:2-3; Romans 10:13-15; Ephesians 3:1-11; 1 Thessalonians 1:8; 2 Timothy 4:5; Hebrews 2:1-3; 11:39-12:2; 1 Peter 2:4-10; Revelation 22:17.</u>

XII. Education

Christianity is the faith of enlightenment and intelligence. In Jesus Christ abide all the treasures of wisdom and knowledge. All sound learning is, therefore, a part of our Christian heritage. The new birth opens all human faculties and creates a thirst for knowledge. Moreover, the cause of education in the Kingdom of Christ is co-ordinate with the causes of missions and general benevolence, and should receive along with these the liberal support of the churches. An adequate system of Christian education is necessary to a complete spiritual program for Christ's people.

Baptist Faith and Message

In Christian education there should be a proper balance between academic freedom and academic responsibility. Freedom in any orderly relationship of human life is always limited and never absolute. The freedom of a teacher in a Christian school, college, or seminary is limited by the pre-eminence of Jesus Christ, by the authoritative nature of the Scriptures, and by the distinct purpose for which the school exists.

XIII. Stewardship

God is the source of all blessings, temporal and spiritual; all that we have and are we owe to Him. Christians have a spiritual debtorship to the whole world, a holy trusteeship in the gospel, and a binding stewardship in their possessions. They are therefore under obligation to serve Him with their time, talents, and material possessions; and should recognize all these as entrusted to them to use for the glory of God and for helping others. According to the Scriptures, Christians should contribute of their means cheerfully, regularly, systematically, proportionately, and liberally for the advancement of the Redeemer's cause on earth.

Genesis 14:20; Leviticus 27:30-32; Deuteronomy 8:18; Malachi 3:8-12; Matthew 6:1-4,19-21; 19:21; 23:23; 25:14-29; Luke 12:16-21,42; 16:1-13; Acts 2:44-47; 5:1-11; 17:24-25; 20:35; Romans 6:6-22; 12:1-2; 1 Corinthians 4:1-2; 6:19-20; 12; 16:1-4; 2 Corinthians 8-9; 12:15; Philippians 4:10-19; 1 Peter 1:18-19.

XIV. Cooperation

Christ's people should, as occasion requires, organize such associations and conventions as may best secure cooperation for the great objects of the Kingdom of God. Such organizations have no authority over one another or over the churches. They are voluntary and advisory bodies designed to elicit, combine, and direct the energies of our people in the most effective manner. Members of New Testament churches should cooperate with one another in carrying forward the missionary, educational, and benevolent ministries for the extension of Christ's Kingdom. Christian unity in the New Testament sense is spiritual harmony and voluntary cooperation for common ends by various groups of Christ's people. Cooperation is desirable between the various Christian denominations, when the end to be attained is itself justified, and when such cooperation involves no violation of conscience or compromise of loyalty to Christ and His Word as revealed in the New Testament.

XV. The Christian and the Social Order

All Christians are under obligation to seek to make the will of Christ supreme in our own lives and in human society. Means and methods used for the improvement of society and the establishment of righteousness among men can be truly and permanently helpful only when they are rooted in the regeneration of the individual by the saving grace of God in Jesus Christ. In the spirit of Christ, Christians should oppose racism, every form of greed, selfishness, and vice, and all forms of sexual immorality, including adultery, homosexuality, and pornography. We should work to provide for the orphaned, the needy, the abused, the aged, the helpless, and the sick. We should speak on behalf of the unborn and contend for the sanctity of all human life from conception to natural death. Every Christian should seek to bring industry, government, and society as a whole under the sway of the principles of righteousness, truth, and brotherly love. In order to promote these ends Christians should be ready to work with all men of good will in any good cause, always being careful to act in the spirit of love without compromising their loyalty to Christ and His truth.

Exodus 20:3-17; Leviticus 6:2-5; Deuteronomy 10:12; 27:17; Psalm 101:5; Micah 6:8; Zechariah 8:16; Matthew 5:13-16,43-48; 22:36-40; 25:35; Mark 1:29-34; 2:3ff.; 10:21; Luke 4:18-21; 10:27-37; 20:25; John 15:12; 17:15; Romans 12–14; 10:21; Luke 4:18-21; 10:23-11:1; Galatians 3:26-28; Ephesians 6:5-9; Colossians 3:12-17; 1/2 Thessalonians 3:12; Philemon; James 1:27; 2:8.

Baptist Faith and Message

XVI. Peace and War

It is the duty of Christians to seek peace with all men on principles of righteousness. In accordance with the spirit and teachings of Christ they should do all in their power to put an end to war.

The true remedy for the war spirit is the gospel of our Lord. The supreme need of the world is the acceptance of His teachings in all the affairs of men and nations, and the practical application of His law of love. Christian people throughout the world should pray for the reign of the Prince of Peace.

Isaiah 2:4; Matthew 5:9,38-48; 6:33; 26:52; Luke 22:36,38; Romans 12:18-19; 13:1-7; 14:19; Hebrews 12:14; James 4:1-2.

XVII. Religious Liberty

God alone is Lord of the conscience, and He has left it free from the doctrines and commandments of men which are contrary to His Word or not contained in it. Church and state should be separate. The state owes to every church protection and full freedom in the pursuit of its spiritual ends. In providing for such freedom no ecclesiastical group or denomination should be favored by the state more than others. Civil government being ordained of God, it is the duty of Christians to render loyal obedience thereto in all things not contrary to the revealed will of God. The church should not resort to the civil power to carry on its work. The gospel of Christ contemplates spiritual means alone for the pursuit of its ends. The state has no right to impose penalties for religious opinions of any kind. The state has no right to impose taxes for the support of any form of religion. A free church in a free state is the Christian ideal, and this implies the right of free and unhindered access to God on the part of all men, and the right to form and propagate opinions in the sphere of religion without interference by the civil power.

XVIII. The Family

God has ordained the family as the foundational institution of human society. It is composed of persons related to one another by marriage, blood, or adoption.

Marriage is the uniting of one man and one woman in covenant commitment for a lifetime. It is God's unique gift to reveal the union between Christ and His church and to provide for the man and the woman in marriage the framework for intimate companionship, the channel of sexual expression according to biblical standards, and the means for procreation of the human race.

The husband and wife are of equal worth before God, since both are created in God's image. The marriage relationship models the way God relates to His people. A husband is to love his wife as Christ loved the church. He has the God-given responsibility to provide for, to protect, and to lead his family. A wife is to submit herself graciously to the servant leadership of her husband even as the church willingly submits to the headship of Christ. She, being in the image of God as is her husband and thus equal to him, has the God-given responsibility to respect her husband and to serve as his helper in managing the household and nurturing the next generation.

Children, from the moment of conception, are a blessing and heritage from the Lord. Parents are to demonstrate to their children God's pattern for marriage. Parents are to teach their children spiritual and moral values and to lead them, through consistent lifestyle example and loving discipline, to make choices based on biblical truth. Children are to honor and obey their parents.
