## **NEW EBOOKS**

New eBooks have been added to our collection - see the list below. They include subjects such as Forensics, Psychology/Counseling, Education and Religion.

## **QUIET**

Looking for a quiet place to study? Check out the library! The library staff want to make the main floor of the library a quiet place for focused study. When on the main floor of the library, keep voices down, and conversations in the library to a minimum. Thank you!

## **BOOK REVIEWS**

The library is accepting book reviews of books from the New Bookshelf. If your review is accepted, you will receive a \$50 gift card from the campus store, and the review will be published in our library newsletter. Contact the library for book review style guidelines.

## **WHITEBOARDS**

Whiteboards are available for use in the library. Please ask for them at the service desk.

## **FREE BOOKS**

Free books are frequently available in the library. They are on carts marked "Free Books." These books often come from donations to the library or from books weeded from our collection.

## **RESEARCH HELP**

The library offers personal research help sessions for students upon their request. Please contact us to make an appointment. The library also has research instruction videos available on the library website.
