## LETTER FROM THE PRESIDENT

Dear TMU Students,

*An Anabaptist Vision: Standing on the Shoulders of Giants*

The Great Commission of our Lord (Matthew 28:18-20) is a costly commandment. It requires our life (Matthew 16:24-25). For the Gospel is the heartbeat of Christianity (Romans 1:16-17), the focus of each local church founded upon the Scriptures (Matthew 16:18), and the centrality of who we are as Truett McConnell University.

Here at Truett McConnell, we stand on the shoulders of giants, men and women from centuries past that have literally given their lives for the Gospel. These heroes, nicknamed Anabaptists, point us to a simple and biblical Christianity based solely on His Word and sustained solely by His grace.

This rich heritage is also our future. Our Graduate programs honor our past by equipping a new generation, both theologically and practically, to invest their lives for His sake, and for the sake of a generation yet to hear the Gospel (Acts 2:40-41).

**Welcome to Truett McConnell University. Welcome home.**

Truth is Immortal,

Dr. Emir Caner,  
President

## THE UNIVERSITY

### INSTITUTIONAL IDENTITY

Truett McConnell University is a private Christian liberal arts and sciences university offering baccalaureate, master's, and doctoral degrees, and operated under the auspices of the Georgia Baptist Mission Board and controlled by a Board of Trustees elected by the Board.

### MISSION STATEMENT

The mission of TMU is to equip students with the Truth, through a Biblically-centered education, to fulfill the Great Commission.

### CORE VALUES

#### **Biblical Sufficiency**

##### ***TMU Values Scripture as its Centerpiece***

TMU values Scripture as its centerpiece (2 Timothy 3:16-17; Article 1 of the Baptist Faith and Message 2000). TMU emphasizes a Biblically-centered education because of its affirmation of Biblical Sufficiency, the belief that the Bible is the only inspired, infallible, and inerrant Word of God necessary to know God and understand His plan for mankind (2 Timothy 3:16-17).

#### **Personal Transformation**

##### ***TMU Values Discovering and Fulfilling God's Call in One's Life***

TMU values discovering and fulfilling God's call in one's life (Ephesians 4:1; Articles 3 and 4 of the Baptist Faith and Message 2000). TMU believes that God has a unique and specific call for each person (Ephesians 4:1). Being made alive because of His great love for us (Ephesians 2:4), believers are subsequently commanded to live for Christ and to serve others through talents and gifts God bestows upon us.

#### **Authentic Relationships**

##### ***TMU Values Relationships Based on Christ's Unconditional Love***

TMU values relationships based on Christ's unconditional love (Ephesians 4:2; Articles 3 and 14 of the Baptist Faith and Message 2000). TMU recognizes that authentic relationships will flow from living out a *Christian worldview* (Philippians 2:5). A true *Christian worldview* will exemplify Paul's admonition to walk "with all humility and gentleness, with patience, showing tolerance for one another in love" (Ephesians 4:2).

#### **A Missional Community**

##### ***TMU Values Equipping Believers to Fulfill the Great Commission***

TMU values equipping believers to fulfill the Great Commission (Matthew 28:18-20; Articles 4, 5, 6 and 11 of the Baptist Faith and Message 2000). TMU acknowledges that salvation is found only in the person and work of Jesus Christ (John 14:6). Knowing that God loves the world (John 3:16) and desires all men to be saved (1 Timothy 2:4), TMU strives to equip students to fulfill the *Great Commission* (Matthew 28:18-20).

#### **Family**

##### ***TMU Values a Biblical Model of Family***

TMU values a Biblical model of family (Genesis 2:24; Ephesians 5:21-6:4; and Article 18 of the Baptist Faith and Message 2000). Family is the foundational institution of society. Ordained by God, family is composed of persons related through marriage, blood, and adoption. Marriage is a covenant relationship between one man and one woman in a lifetime commitment (Genesis 2:24). TMU will maintain a family friendly environment by creating an atmosphere where families are welcome and where Biblical families are modeled (Ephesians 5:21-6:4). TMU views all staff and students, united through Christ, as family (Ephesians 2:19).

## HISTORICAL SKETCH

Truett McConnell has deep roots in the mountains of North Georgia. In 1887, Fernando McConnell and his cousin George W. Truett established a private Christian academy in Hiawassee, Georgia to educate "mountain preachers." Changing economic conditions forced the closing of the school. However, McConnell and Truett each went on to make major contributions in Southern Baptist life and in the world for the cause of Christ.

When the Georgia Baptist Convention saw the need for a Baptist College in North Georgia, they chose Cleveland, Georgia. On July 23, 1946, ceremonies were held naming the newly chartered Truett-McConnell College in memory of those Baptist pioneers and prominent Baptist leaders. The following year, in September of 1947, the College opened its doors in temporary facilities to the first class of fifty-five students. Work then soon began on building the present campus and in 1956 the Miller Building became the first building to be occupied. The campus has expanded greatly from those fledgling years. Buildings, programs, facilities, and athletes have all expanded in order to provide a Biblical Worldview education to a present enrollment of more than 2,500 students across all learning modalities (on-campus, online, dual enrollment).

Truett McConnell was a junior college until 2003 when it gained accreditation to grant baccalaureate degrees as a four-year institution. In 2014 it was granted accreditation to begin the first master's degree program and on May 14, 2016, it became Truett McConnell University. In December of 2024, Truett McConnell University was awarded a Level V status by SACSCOC allowing it to offer doctoral degrees. In fall 2025 the initial DBA cohort started the first doctoral program in the history of the university. Truett McConnell continues to expand to meet the needs of a growing student body and to equip each generation to meet the challenges of presuming their calling in the real world.

Truett McConnell University has had eight presidents:

- L. Clinton Cutts 1946 - 1950
- Joe H. Miller 1950 - 1964
- Warner E. Fuselle 1965 - 1972
- Ronald E. Weitman 1972 - 1986
- H.M. Fulbright 1986 - 1992
- T. Clark Bryan 1993 - 2001

After review of academic and financial documents, acceptance or denial to the university will be determined. If acceptance is granted, the student must submit a \$500 enrollment fee to issue an I-20. Upon receipt of the enrollment fee, the student must submit/enroll in the following prior to first day of school:

If tuition for education expenses is not received before the first day of school, the student's I-20 may be terminated.

All international students enrolled at Truett McConnell University are required to be in the United States legally and to maintain legal status as defined by the State Department of the United States. It is the student's responsibility to be informed about immigration rules and any rule changes which occur during their stay in the U.S. The Office of Graduate Admissions helps provide international students with the information to do this, but it is the student and not the institution who is ultimately responsible for actively maintaining legal status.

Truett McConnell University is authorized under federal law to enroll nonimmigrant students. Individuals who are in the United States of America illegally and without proper documentation may not enroll at Truett McConnell University for any reason. As a Christian institution, Truett McConnell University willingly submits to the legal authority and laws of the United States government and does not knowingly violate the letter or intent of the laws of the United States of America. International students are required to pay in full the semester's charges prior to the first day of class on subsequent semesters. Failure to do so will jeopardize the student's visa status.

Truett McConnell University strongly discourages international students from enrolling in classes during the summer months. The low student population and limited available services make it impossible for Truett McConnell University to provide necessary student support for international students during the summer.

The tuition deposit of \$500 is non-refundable under any circumstances. An I-20 will not be issued to a student who has not paid this deposit. If an international student submits the cost of attendance to Truett McConnell University and is unable to attend due to denial of the F-1 visa, 100% of the pre-paid funds will be refunded with the exception of the tuition deposit fee.

An international student who withdraws from school before the end of a semester will be refunded according to the current catalog policy.

## TRANSIENT STUDENT POLICY

Truett McConnell University students may apply to the Office of the Registrar for transient permission to attend another institution for one semester. Only students in good academic standing (minimum 3.0 cumulative GPA) with intention to return to Truett McConnell University may qualify to attend another institution by transient permission. Qualified students should obtain the "Application for Transient Permission" form from the Office of the Registrar and then meet with their academic advisor to select courses appropriate to the student's degree program, in proper sequence, meeting all prerequisites and residency requirements.

Transient permission cannot be issued for developmental courses. A "Letter of Transient Permission" will be issued only for approved courses. Students should follow appropriate admission guidelines for the other institution. Upon completion of the approved courses, the student is responsible for requesting that an official transcript be issued to the Office of the Registrar, 100 Alumni Drive, Cleveland, GA 30528. Transient course credits will be applied to the Truett McConnell University transcript as transfer credit. (Specific degree programs may have a more stringent transient policy – please consult your specific degree's policies.)

**Students seeking admission to the graduate program as a transient student must follow the following procedures:**

- Complete a Graduate Application for Admission to Truett McConnell for Non-Degree Seeking Students: [Graduate Application](#)
- Submit a Letter of Transient Permission or an official statement from an appropriate official of the institution last attended, recommending the applicant's admission and granting the student permission to enroll as a transient student at Truett McConnell University.
- Submit an additional Letter of Transient Permission for a subsequent semester. Only two transient semesters are allowed. If the student wishes to attend beyond two semesters, the student needs to follow the procedures for a Degree Seeking Transfer Student.

## RE-ADMISSION TO TRUETT MCCONNELL UNIVERSITY

Truett McConnell University defines a re-admit student as a student who was once enrolled at TMU but withdrew from the institution.

A student whose enrollment at Truett McConnell University has been interrupted for any reason for two or more semesters (excluding summer term) must apply for re-admission. The Application for Re-admission must be submitted to the Office of Graduate Admissions for the appropriate semester. If a student has enrolled in any other college or university during their absence from Truett McConnell University, they must also submit official transcripts from each institution. (Please consult the each school's catalog area for more specific program requirements.)

[Hubmaier School of Theology Additional Re-admission Requirements pg. 57](#)

The paper records of nonregistered students, including transcripts and transcripts submitted for transfer credit, are retained by the Registrar's Office for five academic years after the last registered term. If a student applies for re-admission after an absence of more than 5 years and has attended any other college or university, they must submit official transcripts from all institutions attended.

To be considered for re-admission, submit all undergraduate and graduate transcripts and an Application for Re-admission ([Graduate Admissions](#)) to the Office of Graduate Admissions, Truett McConnell University, 100 Alumni Drive, Cleveland, GA 30528-1264.

Upon receipt of the Application for Re-admission, the Office of Graduate Admissions will check for any departmental holds from the Business Office, Registrar's Office, Financial Aid Office, Academic Services Office, Student Life Office, Library, and Bookstore. All matters must be resolved, and the hold removed before the student can be approved for re-admission. Any department indicating a hold will be contacted by the Office of Graduate Admissions to determine how the hold can be lifted. If the hold requires action by the student in order to be lifted, the student will be notified in writing with instructions on how to proceed with clearing the hold.

When a student has no departmental holds and has provided all transcripts of work attempted at other colleges or universities since attending Truett McConnell, the file will be forwarded to the Office of Graduate Admissions for updating and the issuance of a letter of acceptance for the appropriate semester.

A student who sought re-admission but was subsequently denied re-admission to the University will be notified in writing that their re-admission has been denied. Further information will not be provided to the student regarding the reason for denial.

## PROVISIONAL ACCEPTANCE

The University may admit students on a provisional basis pending receipt of all official transcripts and/or other credentials. The applicant is responsible for ensuring all documents are provided to the Office of Graduate Admissions. Until the University receives these documents, the applicant will be ineligible for financial aid, will be barred from registering for future classes, and will not be able to receive transcripts.

The University does not assume responsibility for the status of provisionally admitted students since the University has not been able to

# ADMISSIONS

make a determination of eligibility. The Office of Graduate Admissions may extend provisional admission based upon the applicant's representation that the requisite qualifications for admission have been met. All final, official documentation necessary for validation of said qualifications must be submitted by the last day of the Drop/Add period during the student's intended semester of enrollment. Provisionally accepted students who are not fully accepted by the last day of the Drop/Add period may be withdrawn immediately. Upon completion of the applicant's file for admission, if it should be determined that the applicant was not eligible to enroll, the student will be withdrawn immediately.

## DENIAL OF ADMISSION

A student whose Graduate Application is denied will be informed in writing of the admission decision.

## DENIAL OF ADMISSION APPEAL

It is the policy of Truett McConnell University that if an applicant is denied admission to Truett McConnell University, that student may appeal the Office of Graduate Admissions' decision by submitting the following documents to the Director of Admissions to be distributed to the Admissions Appellate Committee:

- **Letter of Appeal**

This letter shall state, in the student's own words, a case and plea for exception concerning the student's denial to the institution. The letter should outline an explanation for unsatisfactory marks, where applicable, and the student's plan to overcome factors which led to the denial of admission. Finally, extra care should be given to show forth the student's fitness for inclusion in the spiritual and scholastic annals of Truett McConnell University.

- **Letter of Recommendation**

A letter shall be presented from a pastor, teacher or coach stating the student's worthiness of exception regarding the student's denial. On the recommender's honor, the recommender shall give witness as to the student's character, intellect and dedication to the Christian faith.

- **Notification**

The applicant will be notified in writing of the Appellate Committee's decision within three weeks of receipt of all necessary documentation.

- **Exception**

International Students for whom English is **NOT** their native language may not appeal a denial based on their TOEFL or IELTS score.

## INSTITUTIONAL REFUND POLICIES

The following pertains to all refund policies applied by the University unless specifically stated otherwise.

Truett McConnell University, like most universities, must make commitments in advance for faculty, staff, equipment, supplies, utilities and other operating expenses for the entire year. Therefore, the University policy considers the acceptance of registration as a contract-binding student and parents for charges for the entire semester.

The Federal Refund Policy states, up through the 60% point in each payment period or period of enrollment, a pro-rata schedule is used to determine the amount of Title IV funds the student has earned at the time of withdrawal. After the 60% point the payment period or period of enrollment, a student has earned 100% of the Title IV funds the student was scheduled to receive during the period. Students may owe a repayment of Federal Funds to the government or funds to the institution.

Students suspended or expelled from the institution for any reason forfeit their right to a refund of any credit balance on their student account.

In the event of a complete withdrawal, the institution will calculate a refund through the 60% point of the semester, with the exception of the online program. After 60% of the semester has been completed, there will be no refund of tuition. A refund is calculated by dividing the date of withdrawal by the number of federally defined days in the semester. Board fees will be refunded on a pro-rata basis. There is no refund of room after the fifth day of class. Refunds for students receiving federal aid will be calculated using the current federal policy.

In the event of a complete withdrawal from the online program, the institution will calculate a refund based on the weeks of completion. A 100% refund is available if the student has not logged in by the 1st day of classes. Upon completion of the Course Requirements Checklist (CRC) quiz, the student is financially responsible for 100% of tuition-related charges. No tuition-related refunds or reductions will be issued after the CRC quiz is completed.

**Important Note: All students should check with the Business Office and the Financial Aid Office before withdrawing to verify financial implications.**

- The schedule is independent of financial aid. Grants and scholarships may be lost due to drops or withdrawals. Students **MUST** contact Financial Aid for specific advice.
- No adjustments to tuition charges will be made for students dropping coursework (but not withdrawing), after the last published day of drop/add.

Student accounts are reviewed when federal funds are posted to determine if a refund is necessary. Federal funds that create a credit balance greater than allowable cost must be refunded to the student within 14 days of receipt. If it is determined that a refund is necessary, then it will be processed. Checks are either mailed to the student or held for pick-up at the Mail Services desk. If the refund is due to a parent loan, then a refund check will be mailed to the parent with the address provided from the Financial Aid Office, if indicated on the Parent PLUS Loan Application; unless the parent advises otherwise. When reviewing a student account, a credit from one academic year cannot be used to cover the balance of a previous academic year or a future semester without written authorization from the student.

Students may request a refund by going to [tmu.edu](http://tmu.edu); select refund request under general resources and follow the steps. The Business Office will follow the request of the student to either mail or pick up the check at the Mail Services desk. Students picking up their refund check must show a photo ID and sign for the check.

### Return of Title IV Funds

If a student receiving Title IV financial aid (Pell Grant, SEOG, Stafford Loans, or PLUS loans) or state aid withdraws, some portion of the aid may be considered unearned by regulation. The University *and* the student may be responsible for returning unearned federal aid.

The Office of Financial Aid supports the mission of Truett McConnell University by helping students obtain funds for graduate educational expenses by promoting loan opportunities through the federal government. The responsibility for meeting graduate school costs ultimately lies with the student and the student's family.

# Financial Aid

# FINANCIAL AID

## FINANCIAL AID

Financial aid awards made to students from funds received from the federal government may be revised if those funds cannot be obtained. All financial aid award disbursements are contingent upon the University's receipt of the funds. Applications for financial aid should be submitted as soon as possible after October 1st of each year. Financial aid award letters are sent to students beginning January 1<sup>st</sup>, as soon as necessary documentation is received by the Office of Financial Aid.

### ELIGIBILITY

To receive financial assistance, a student must be enrolled in a degree granting course of study, fully accepted by the University, be in good standing, making satisfactory academic progress (as defined later in this catalog), and not be in default or delinquent on any loan plan with the University, state, or federal government. Also, the student must not owe a refund on grants previously received under the Pell Grant or the Federal Supplemental Educational Opportunity Grant (FSEOG).

### APPLICATION PROCESS

For a student enrolling in a graduate program, the type of aid available is Unsubsidized Stafford loans (non-need-based loan) and Grad PLUS loans (credit based) through the William D. Ford Federal Direct Loan Program. Direct Loans are offered at relatively low interest rates and with good repayment arrangements. Before you take out a loan, be sure to develop a budget to make sure you borrow only what you need. For more student loan information (interest rates, repayment and more), visit the Department of Education at [www.studentaid.gov](http://www.studentaid.gov).

To receive loans, the student must complete the Free Application for Federal Student Aid (FAFSA) on the web at [www.studentaid.gov](http://www.studentaid.gov). The school code for Truett McConnell University is 001597 and the code must be entered on the FAFSA for the school to receive an Institutional Student Information Record (ISIR). The student will need an FSA user ID and password to electronically sign the FAFSA which can be requested online at [www.studentaid.gov](http://www.studentaid.gov). The FAFSA must be renewed for each academic year in which the student wishes to receive federal aid.

\*NOTE: If access to a computer is not available, a paper FAFSA may be obtained from the Truett McConnell University Financial Aid Office. Assistance in completing the FAFSA is provided by both the US Department of Education via their help line at 1-800-433-3243 and the staff of the Truett McConnell Office of Financial Aid.

If a student has not previously received loans through the federal government, the student will need to complete Loan Entrance Counseling and a Master Promissory Note for the Stafford loans. These applications can be found online at [www.studentaid.gov](http://www.studentaid.gov). The student will need their FSA user ID and password to sign in to the system.

Additionally, the Truett McConnell Financial Aid Office requires students to submit an application for Financial Aid (found on the NetPartner student financial aid portal); accept any financial aid awarded; complete a Loan Change Request Form; and any verification documents needed if the student's application for federal aid has been flagged by the Department of Education.

### Delivery of Federal Loan Funds

All loan funds are provided to the student by crediting the student's account. Funds will be credited (disbursed) to student's accounts no earlier than ten business days before the first day of classes. However, most funds are disbursed (credited to the student's account) at least one week after the drop-add period. Enrollment verifications will be done before aid can be disbursed.

### TYPES OF FEDERAL LOANS AVAILABLE TO GRADUATE STUDENTS

#### Unsubsidized Loans-

The unsubsidized loan is a non-need-based loan. If you are awarded an unsubsidized loan, you will be responsible for the interest at 6.6% (subject to change). You will receive quarterly interest statements on your unsubsidized loan from your lender. It is recommended that you pay interest every quarter. If you do not, the interest will be added to your loan amount, which will result in your paying interest upon interest. Repayment: You must begin repayment of your student loan, once you:

- Withdraw from school
- Drop below half-time status (fewer than 6 hours during a semester)
- Graduate

#### Aggregate Limits for Unsubsidized Loans

The Aggregate Maximum Loan Limit restricts the amount of federal student loans that may be borrowed over a student's university career. For additional information about federal student loans including aggregate loan limits and interest rates please visit: [www.studentaid.gov](http://www.studentaid.gov).

# FINANCIAL AID

Graduate and Professional Unsubsidized Loans	
Annual Loan Limits	\$ 20,500.00
Aggregate Loan Limit	\$ 138,500.00

## The Graduate PLUS Loan Program

The Graduate PLUS Loan Program may be of interest to you as a graduate student needing additional assistance to cover educational costs after all other federal loans have been exhausted. The program offers a non-need based federal loan with a fixed 7.6% interest rate (subject to change). Grad PLUS Loans allow you as a graduate student to borrow up to the full cost of attendance minus any other financial aid you are receiving. We encourage you to consider your options before accruing additional loan debt.

Loan eligibility and the loan limits are not based on demonstrated financial need. They are also not based on income levels, debt-to-income ratios or credit scores. No collateral is required. Federal Grad PLUS loan borrowers do, however, have to pass a simple credit check, which requires the borrower not to have an adverse credit history. (Note that if a Federal Grad PLUS loan borrower is denied a Federal Grad PLUS loan because of an adverse credit history, the borrower does not become eligible for increased unsubsidized Federal Stafford Loan limits, unlike the increase in an undergraduate student's unsubsidized Federal Stafford Loan limits that occurs with a Federal Parent PLUS loan denial.)

## Veterans Administration Benefits

Truett McConnell University is approved for veterans and children of disabled or deceased veterans who are eligible under the G.I. Bill and is a participant in the Yellow Ribbon Program. Truett McConnell University "will not impose any penalty, including the assessment of late fees, the denial of access to classes, libraries, or other institutional facilities, or the requirement that a covered individual borrow additional funds, on any covered individual because of the individual's inability to meet the student's financial obligations to the institution due to the delayed disbursement of a payment to be provided under Chapter 31 or 33." --Veterans Benefits and Transition Act of 2018, Title 38 U.S. Code Section 3679(e). Consult the V.A. representative in the Registrar's Office for more information.

## Purchasing Books & Required Materials Via Loan Funds

Students who are loan recipients may be eligible to receive funds to pay for books and supplies if the total federal aid exceeds the student's cost of attendance and creates a credit on the student's account. Students must have all financial aid documents submitted to the Financial Aid Office no later than 10 days prior to the first day of the semester. Students can request a book voucher via email at [Request a Book Voucher](#) or in person at the Business Office, 10 days prior to the beginning of each semester. The Business Office will review requests and grant a book voucher if students are eligible for one. Students can opt out of getting a book voucher by informing the Business Office or not requesting a voucher.

## FINANCIAL AID & SATISFACTORY ACADEMIC PROGRESS (SAP)

Truett McConnell University considers a graduate student taking 9 or more hours per semester to be a full-time student. A student taking an academic load of 6 through 8 semester hours is classified as a half-time student. A student taking 1 through 5 semester hours is considered a less-than-half-time student. A student must take at least 6 semester hours to be eligible for loans through the federal government.

The University applies its satisfactory academic progress policy consistently to all graduate students receiving federal aid. Students should consult the policies on withdrawal from the University and dropping coursework.

## Satisfactory Academic Progress Policy

Truett McConnell has adopted the following Satisfactory Academic Progress (SAP) Policy according to federal and state mandates. Both Federal statutes and the U.S. Department of Education regulations require institutions of higher education to establish minimum standards of Satisfactory Academic Progress (SAP) for students receiving federal aid. In addition, all State of Georgia financial aid program regulations require students to meet SAP criteria established for federal student aid.

The Truett McConnell University SAP Policy measures a student's performance in the following areas: completion rate, maximum time frame, and cumulative grade point average (CGPA). The intent of this policy is to ensure that students who are receiving federal and state financial aid are making measurable progress toward completion of a degree program within a reasonable time frame. All students receiving any federal and state student financial aid must adhere to the University's SAP policy. Satisfactory progress is the minimum requirement for a student to receive federal, state, and institutional financial aid. Some financial aid programs have requirements that are more rigorous.

# FINANCIAL AID

SAP consists of two types of measurement: quantitative (pace) and qualitative (GPA). To accurately measure a student's progress in a program, more than a qualitative (GPA) standard is needed. A student who is maintaining a high GPA by withdrawing from attempted courses may meet a qualitative standard but may not be progressing towards graduation. While grades for prior attempts (repeats) may be excluded when calculating a student's GPA, credits from all attempts must be included when assessing the quantitative SAP standard.

The Office of Financial Aid monitors the SAP of all financial aid recipients by reviewing a student's academic record after grades are posted at the end of each fall, spring and summer semester. The completion rate calculation and maximum time frame calculation (quantitative measurement), as well as the GPA calculation (qualitative measurement), are reviewed using grades and hours from the student's total academic record.

Failure to meet the standards in any of the three calculations may result in the cancellation of a student's awards. The SAP components of measurement for Truett McConnell University are summarized as follows.

## Quantitative Measurement (Pace)

**Completion Rate.** Financial aid recipients are required to complete at least 67% of the cumulative credit hours attempted. The completion rate is derived by dividing the cumulative credit hours earned by the cumulative hours attempted. The following grades are used in computing the percentage of course work completed: A, B, C, D, F, W, WF, WP, I, TR. Course incompletes, withdrawals and repeats will impact the quantitative standard of satisfactory academic progress and incompletes should be completed as soon as possible. Courses accepted by the Registrar's Office for transfer from another university are not treated as attempted or completed courses at Truett McConnell University in calculating the completion rate. Grades of AU (audit) are not used in computing the percentage of coursework completed.

SAP Completion Rate Example	
Total Attempted Hours	30
Earned Hours Needed	$30 \times 67\% = 20.1$ The minimum number of earned hours required to maintain the quantitative standard for SAP is 21 credit hours

**Returning Student's Academic Record.** The federal government requires the Office of Financial Aid to track a student's academic progress from the first date of enrollment, whether or not financial aid was received. Students returning to the University after a break in enrollment should consult the Office of Financial Aid on how their university history will affect their eligibility for financial aid. A student that completely withdraws from school during a semester and receives W, WF, or WP grades in all courses, will generally return to school not meeting the SAP requirements.

**Maximum Time Frame.** Financial aid recipients must complete their program of study without having attempted more than 150 percent of the credit hours required to complete their curriculum. This provides up to 189 attempted semester hours for student financial aid recipients to complete a 126-semester hour undergraduate program, 67 attempted semester hours for a 45-semester hour graduate program or 45 attempted semester hours for a 30-semester hour graduate program.

Students who change majors or degree programs should do so early in their academic career so as not to jeopardize eligibility for student financial aid. Students can risk exceeding 150% maximum allowable number of attempted semester hours before obtaining a degree. Students taking an excessive number of elective courses may have their financial aid revoked as these do not contribute to making satisfactory progress toward earning a degree.

Students pursuing a subsequent bachelor's degree may be eligible for up to 90 additional semester hours of federal loans after earning their first degree. Students must have a remaining undergraduate loan limit eligibility. The 67% annual completion standard still applies.

Students desiring a double major must still meet the 150% standard for completing their degree. The 150% is calculated from the degree which requires the most hours.

# FINANCIAL AID

## Qualitative Measurement (GPA)

SAP is also evaluated according to a required cumulative grade point average (GPA) scale determined by the cumulative credit hours attempted at the conclusion of each semester.

The minimum required cumulative GPA for **graduate students** at the end of each semester is **2.5**. (Please note this may not be the minimum GPA required for a student to be retained in the student's respective degree program.)

The University bases the above Credit Hours Attempted classification of transfer students on hours attempted only at Truett McConnell University.

The following grades are used in computing a cumulative GPA: A, B, C, D, F and WF. Grades of AU, S, U, W and WP will not impact the cumulative GPA. Withdrawals (W, WF, or WP) and repeats will be included in the cumulative attempted hours to determine the benchmark. Course incompletes will not impact the GPA determination of the qualitative standard of satisfactory academic progress but will be included to determine completion rate and the attempted hour's benchmark and must be completed as soon as possible.

## Financial Aid Warning and Suspension

A student failing to meet SAP standards (either measurement) for the first time at the end of any semester will be placed on financial aid warning for the following semester, during which time the student remains eligible to receive student financial aid. After being placed on financial aid warning, if the student is still not meeting SAP at the end of the following semester, the student will be placed on financial aid suspension and will NOT be eligible to receive federal, state, and institutional financial aid for the subsequent semesters until the student achieves satisfactory academic progress. This means the student will have to bear the full cost of attendance without financial aid until the student achieves satisfactory academic progress. A student not meeting the SAP requirements must meet with an advisor to determine whether courses need to be repeated and/or the course load needs to be reduced.

At the end of the semester of financial aid warning, if a student is placed on financial aid suspension for not achieving Satisfactory Academic Progress due to extenuating circumstances, the student may appeal in writing to the Office of Financial Aid for an additional semester of financial aid probation (see Appeals Process).

## Financial Aid Appeal Process

If a student fails to meet the requirements for the grade point average and/or percentage completion rate, and loses financial aid, due to an extenuating circumstance beyond the student's control, such as serious injury, illness or mental health condition involving the student or immediate family, or death of an immediate family member, the student may appeal in writing explaining the circumstances, to the Office of Financial Aid. The student must provide a one-to-two-page personal statement and submit documentation that confirms the circumstances. An [SAP Appeal Form](#) must be completed and submitted with the statement.

Student statement of appeal should include the following information:

- Outline the circumstances that prevented meeting standard Satisfactory Academic Progress.
- State why it is possible to improve upon past academic performance.
- Explain the corrective action taken.
- Include attached documents that verify the statement. All documentation must include the student's name and ID number, and relate to the specific period during which the student's academic performance was affected.

Examples of acceptable documentation include:

- Birth/death certificates, obituaries, funeral programs of immediate family members (i.e. parents, grandparents, spouses, children, brothers, sisters).
- Medical records on physician's or hospital's letter head with the appropriate signatures that confirm illness and length of recuperation.
- Court documents.
- Statements from physicians, counselors, clergy or social workers on company letterhead with the appropriate signatures.

If a student has exceeded the maximum attempted hours (150 percent rule), the student must:

- Provide a personal statement explaining why accumulated attempted hours exceed current degree requirements.
- Attach documents that verify statement (see above for acceptable documentation).
- Obtain a Degree Audit from the Registrar's Office listing the remaining requirements for current degree program and a projected completion date. (Timeliness of degree audit requests is essential for appeal. Last minute requests for degree audits could delay and jeopardize an appeal. It is strongly recommended that students obtain and review a copy of their unofficial transcript before submitting an appeal.)

The inclusion of supporting documentation as outlined above does not guarantee that an appeal will be granted. Each case will be reviewed on a case-by-case basis and students may be granted financial aid probation for one semester. Appeal letters submitted without supporting documentation will not be considered.

# FINANCIAL AID

The need for more than one appeal generally indicates a serious problem. Only one appeal will be accepted per Academic Year, unless the appeal is to set up an academic plan following a semester of probation. The Financial Aid Appeals Committee will review the appeal. The student will be advised in writing of the final decision, generally within 15 working days of receipt of the financial aid appeal.

## Re-establishing Satisfactory Academic Progress

Other than when an appeal is granted for unusual or mitigating circumstances, a student can re-establish eligibility only by taking action that brings the student into compliance with the quantitative and qualitative components of this policy.

- Quantitative Standard—67% of cumulative attempted hours must be passed.
- Qualitative Standard—Meet the GPA requirement per GPA scale for hours attempted.

## Return of Title IV Funds Policy

Pursuant to the Higher Education Amendment of 1998, Public Law 105-244; funds paid toward a student's education are earned based upon the period of time the student remains enrolled during the semester. Unearned Title IV funds, other than federal work-study, must be returned. Unearned aid is the amount of disbursed Title IV aid that exceeds the amount of Title IV aid earned prior to withdrawal.

Truett McConnell University will determine the date of withdrawal. If the student does not notify the University of the intent to withdraw, the last date of attendance, as documented by the University, will be used as the withdrawal date. If the last date of attendance cannot be determined by the institution, the midpoint of the payment period for which student financial aid program assistance was disbursed will be used. If Truett McConnell University determines that a student did not begin the withdrawal process or otherwise notify the University of the intent to withdraw due to illness, accident, grievous personal loss, or other circumstances beyond the student's control, Truett McConnell University will determine the appropriate withdrawal date.

To determine how much financial aid was disbursed, Truett McConnell University will consider only the aid that is disbursed prior to becoming aware of the withdrawal. If earned aid exceeds disbursed aid, additional funds may be disbursed utilizing late disbursement procedures. Additional disbursements are precluded if the amount of earned aid is less than the total Title IV aid that was disbursed prior to the date of the University's determination that the student withdrew. Institutional costs are not used to determine the amount of Title IV funds a withdrawn student is entitled to. Aid is disbursable if the student could have received it at the point of withdrawal. Total disbursable aid includes aid that was disbursed and aid that could have been (but was not) disbursed as of the student's withdrawal date.

During the first 60% of the period, a student earns Title IV funds in direct proportion to the length of time the student remains enrolled. That is, the percentage of time during the period that the student remained enrolled is the percentage of disbursable aid for that period that the student earned.

For example:

- Multiply the % of the payment period or period of enrollment completed (**or 100% once the student completes > 60%**) X the federal aid that was disbursed and could have been disbursed. **This is the earned amount.**
- Subtract the earned amount from the aid disbursed as of the date of the institution's determination that the student withdrew.
- TMU uses the standard term-based program as the payment period.
  1. Calendar days completed less scheduled breaks of 5 consecutive days or more.
  2. Calendar days in the period scheduled, less scheduled breaks of 5 consecutive days or more.

- TMU returns the **lesser** of:

1. Amount disbursed minus amount earned;  
(or)
2. Institutional charges times the percentage not earned.

- Student Responsibility:

Total amount of unearned Title IV aid  
- Amount institution is required to return  
= Amount for which the student is responsible.

Student returns the student's share to:

- Title IV loan programs in accordance with the terms of the loan.
- Title IV grant programs as an overpayment (only up to 50% of the amount of the overpayment).

# FINANCIAL AID

- Student remains Title IV eligible generally for 45 days, if the student:
  1. Repays the overpayment in full to the institution;
  2. Makes repayment arrangements satisfactory to the institution; or
  3. Signs a repayment agreement with the Secretary of Education, which will include terms that permit continued eligibility while in repayment.

A student who remains enrolled beyond the 60% point of the semester earns all aid for the semester. The percentage of the period that the student remained enrolled is derived by dividing the number of days the student attended by the number of days in the period. Calendar days are used but breaks of at least 5 days are excluded from both the numerator and denominator.

Funds will be returned in the following order:

- Unsubsidized Federal Stafford loans
- Subsidized Federal Stafford loans
- Federal PLUS loans
- Federal Pell Grants for the payment period for which a return of funds is required
- Federal Supplemental Educational Opportunity Grants
- Other assistance under this Title for which a return of funds is required

The institution will normally use the R2T4 calculation module in the PowerFacts software to process the R2T4 calculations.

## Federal Student Aid Grievance

Any complaints regarding federal student aid should be addressed to the US Department of Education at [Submit Feedback Login](https://studentaid.gov/feedback-center/login/complaint) (<https://studentaid.gov/feedback-center/login/complaint>).

## INSTITUTIONAL FINANCIAL AID FOR GRADUATE STUDENTS

The following institutional aid is available to graduate students at TMU:

- TMU Online master's Scholarship; \$1,000 per year (\$500 per semester) for full-time (9+ hours/semester) students in an Online Graduate Program.
- John White Endowed Scholarship: \$540 per semester for full-time (9+ hours/semester) students enrolled in the Master of Divinity, Global Studies, and Theology programs; residential only; awarded as funds are available, on a first-come, first-served basis.

Institutional aid is offered to students with the expectation that the student upon enrolling at Truett McConnell University will abide by the stated rules and community guidelines of the University and keep a clean discipline record with the Office of Student Development.

## Community Conduct Expectations for Institutional Financial Aid

A student who is placed on probation or suspension by the Office of Student Development for behavioral conduct immediately forfeits any and all Institutional Financial Aid for the remainder of the current semester and the subsequent semester of enrollment. The award will be prorated for the semester according to the catalog policy in determining the amount of aid forfeited.

Institutional aid will be renewed if the student has maintained satisfactory progress and maintained the appropriate GPA for the TMU scholarship, for which the student was initially eligible. This standard is consistent with the development of Christian scholars and therefore more rigorous than the standard for receiving federal or state funded aid.

## Georgia Baptist Convention (GBC) Ministerial Scholarship

A Georgia Baptist Ministerial Scholarship of \$60 per credit hour (up to 12 hours per semester) is available to graduate students who are in, or preparing for, full-time ministry as a vocation and are members of a Georgia Baptist Convention church that contributes to the Cooperative Program. To receive the scholarship, students must complete the GBC's Georgia Baptist Ministerial Aid application that can be obtained from the TMU Financial Aid Office (see the application for additional eligibility information).

## ALTERNATIVE LOANS

Alternative loans, also referred to as private or outside loans, may be beneficial to students, who have borrowed the maximum federal direct loan amount for the award year, are enrolled for less than 6 hours, have a parent plus loan denial or need additional funds to meet additional educational costs. Typically, alternative loans have higher interest rates than Federal Direct Student Loans and sometimes require a minimum payment of interest while in school. A loan co-signer, with good financial credit, is usually required of student borrowers. Students should consider Federal Direct Loans before considering alternative loans. The college has no involvement in applying for or obtaining alternative loans for students. Once the student has applied for an alternative loan through a loan lender, the lender will send the loan information to the school, through the ELM Resources ELMNet interface, to certify the loan.

## FINANCIAL AID

Alternative loans are not part of the federal direct lending program. They are governed by federal regulations but are funded by private organizations. Alternative loans are designed to help students and families with educational expenses after federal, state and institutional financial aid has been awarded. Historically interest rates are based on credit and set by the lender. Students are encouraged to research interest rates for lenders before choosing a lender. The borrower is responsible for all the accruing interest. Alternative loans cannot be included in federal loan consolidation. The lender will have to determine if they will participate in deferment for students who are attending graduate school. Most alternative loans will require a credit worthy cosigner and credit will be reviewed each time borrowers apply for an alternative loan.

Truett McConnell University maintains a historical list of lenders who are still active in alternative loan lending and have participated in alternative loans for our students in the past. This list is not a preferred lender list. Instead, it is a list of lenders who have participated with our students in the past. We do not endorse any lender, and the list provided is not an exhaustive list of alternative student loan lenders. We encourage our students to research the lenders, their interest rates, fees, and approval ratings; and then choose the lender that best fits their needs. The lender does not have to be on this historical list of lenders and TMU agrees to participate with any lender that the student chooses. The lender will need to use the ELM Resources ELMNet interface to send the loan information to the school.

## STUDENT LIFE

The student life program is an important part of the total educational experience of the student. Truett McConnell University encourages growth of the whole person. To that end, the University offers a variety of services to support student success, as well as programs designed to assist students in developing life skills and service to God and to others. Students are encouraged to participate in programs and activities that best suit their needs, interest, and time.

### Graduate Student Orientation

Orientation is the process of becoming acquainted with a new situation or environment. The orientation program allows students to learn about the people and processes that will be central to their experience as students. Given the nature of our graduate programs, the bulk of our graduate student orientation is delivered online, yet some programs might require an on-campus component to their orientation.

### Student Identification Cards

Student IDs are available from the Information Technology Office located on the parking lot side of Otwell Hall. Student IDs are used in The Cofer Library, for reduced-price meals, to enter campus, for SWC use, for free admission to athletic events, and use of campus printers.

### Automobile Policy

Students may operate an automobile on campus if they comply with vehicle regulation, parking, and other regulations as determined by the Director of Public Safety. A full description of automobile regulations is in the TMU Student Handbook. Graduate students who are coming to campus for one-week intensives or the like are able to acquire a temporary parking tag from Campus Security upon entering the campus with a valid driver's license and student ID.

### Campus Security

Truett McConnell University employs Campus Security personnel and a minimum of one officer is on duty at all times, including all holidays. For more information about university security, contact the Campus Security office.

### Special Support Services

The Office of Special Support Services at Truett McConnell University provides reasonable accommodations to students identified as having a disability. The request for accommodations is provided upon presentation of appropriate documentation of disability. The variety of accommodations offered for students with disabilities include, but are not limited to, assistance with both academic support and student life. The accommodations are determined on an individual basis. The Office of Special Support Services is located on the third floor of Miller Hall. A Disclosure of Disability form is included in the admissions packet provided to incoming students or can be obtained online at [truett.edu](http://truett.edu).

## STANDARDS OF BEHAVIOR

University values and standards of student conduct are congruous with Truett McConnell University's identity and mission. These values and standards support a lifestyle of "disciplined scholarship and Christian discipleship."

### General Expectations

Whenever Truett McConnell University grants admission to a student, the following assumptions are made:

- Each student, by virtue of his/her choice to enroll at Truett McConnell University, accepts standards of conduct that the University views as necessary to the educational process in a group setting and agrees to abide by the TMU Student Handbook.
- Students enrolling in the University are obligated to conduct themselves in a manner compatible with the University's function and purpose. The behavioral norms expected of students are those of common decency and decorum, recognition of and non-infringement upon the rights and property of others and of the University, honesty in academic work and all other activities, observance of local, state, and federal laws, and respect for and conduct according to the Christian values of the University. Student conduct is not considered in isolation within the University community but as an integral part of the education process. Disruption of the educational process, destruction of property, and interference with the orderly process of the University or with the rights of other members of the University will not be tolerated.

# STUDENT LIFE

- The honor of the University as an institution becomes the personal responsibility of each student. As such, the student's conduct will be in keeping with the standards of the University. Conduct standards are outlined in the TMU Student Handbook.

## Specific Policies

The following policy statements offer guidelines for keeping personal or group behavior, on or off campus, in line with values of the institution. Full details with respect to student behavior as well as examples of inappropriate conduct are found in the TMU Student Handbook, which is available through the Office of Student Life and mtTMU.

## Policy for a Drug-Free Campus and Alcohol Policy

The University's alcohol and drug prevention program and policy are intended to educate members of the University community about the health risks associated with the use and abuse of alcohol and other drugs and about the resources available for counseling and therapy. In addition, in order to assure a work and learning environment that promotes the University's mission and proper function, the University prohibits the use, possession, or distribution of alcoholic beverages and/or illicit drugs on campus and off campus. Any student found possessing, distributing, or under the influence of alcohol or drugs shall be subject to full disciplinary action. NOTE: All city, county, state, and federal laws will be enforced. Additional information on the University's alcohol and drug prevention program and policy is available in the TMU Student Handbook.

## Weapons Policy

The State of Georgia has made it a criminal act for certain persons to bring weapons or certain other items that may resemble weapons, onto a college campus. The Official Code of Georgia § 16-11-127.1 is broad in its definition of "weapons"; for example, a knife with a blade more than two inches in length is illegal. Other types of illegal weapons include pistols, revolvers, bows, and slingshots; clubs or other bludgeoning-type weapons; nun chucks, fighting chains, "throwing stars," or stun guns/tasers. The University has adopted the prohibitions defined in this act as university conduct expectations for the violation of which the University may discipline students. Further, the violation of the act by any person may be reported to the police. The full act, describing all the prohibited weapons and the exceptions to the act, is available in the Office of Student Life.

No student or group of students shall intentionally create a situation or take part in any activity that produces mental or physical discomfort, embarrassment, ridicule, suffering, or unduly annoy, alarm or infringe upon the freedom of another to pursue professional and personal goals. Harassment may include, but is not limited to insulting, taunting, physically challenging, approaching, making unwelcome advances, or requesting sexual favors. To report any incidents of hazing email [stophazing@truett.edu](mailto:stophazing@truett.edu).

## Hazing Policy

The University uses the Stop Campus Hazing Act definition of a student organization, which is "an organization at an institution of higher education (such as a club, society, association, varsity or junior varsity athletic team, club sports team, fraternity, sorority, band or student government) in which two or more of the members are students enrolled at institute of higher education, whether or not the organization is established or recognized by the institution." Reports of hazing should be submitted by email to [stophazing@truett.edu](mailto:stophazing@truett.edu). This email address is monitored by staff members of Student Life and Campus Security.

No student or group of students shall intentionally create a situation or take part in any activity that produces mental or physical discomfort, embarrassment, ridicule, suffering, or unduly annoy, alarm or infringe upon the freedom of another to pursue professional and personal goals. Harassment may include, but is not limited to insulting, taunting, physically challenging, approaching, making unwelcome advances, or requesting sexual favors. To report any incidents of hazing email [stophazing@truett.edu](mailto:stophazing@truett.edu).

## Guests

Truett McConnell University, as private property, reserves the right to restrict access onto its campus. By virtue of enrolling at the University, the student has agreed to be regulated by the University's standards of conduct, policies, and regulations and to the University's authority in enforcing these standards, policies, and regulations. Guests of students must also conform to these standards, policies, and regulations, and the student's host is responsible for seeing that the guest does so. The University may require any person not acting in compliance with the University's standards, policies, and regulations to leave the campus. Failure to leave may result in arrest for trespassing.

## Search/Seizure

The administrative staff of the University may search any student's property (possessions, residence hall room/apartment, or vehicle) at any time if there is reasonable suspicion that University standards/policies are being violated or a danger exists. Any material determined to be contraband may be seized in the search. In cases where University officials have reason to believe that a law is being or has been violated, they may request local law enforcement to become involved in the situation.

## Sexual Harassment

Truett McConnell University strives to maintain high standards of professional ethics in an atmosphere in which individuals do not abuse their personal authority or power in interpersonal relationships. Accordingly, the University prohibits sexual harassment or sex-based harassment by any member of the University community, whether faculty, staff, or student.

*Sexual harassment* means conduct on the basis of sex that satisfies one or more of the following:

## STUDENT LIFE

(1) An employee of the recipient conditioning the provision of an aid, benefit, or service of the recipient on an individual's participation in unwelcome sexual conduct;

(2) Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the recipient's education program or activity; or

(3) "Sexual assault" as defined in [20 U.S.C. 1092\(f\)\(6\)\(A\)\(v\)](#), "dating violence" as defined in [34 U.S.C. 12291\(a\)\(10\)](#), "domestic violence" as defined in [34 U.S.C. 12291\(a\)\(8\)](#), or "stalking" as defined in [34 U.S.C. 12291\(a\)\(30\)](#).

Although sexual harassment may violate state or federal law, the University may consider conduct to be sexual harassment whether or not it rises to the level of illegal sex discrimination. Complete policy statements regarding illegal discrimination and harassment are contained in the TMU Student Handbook.

The use of tobacco, including smoking and smokeless tobacco, is prohibited on the campus of Truett McConnell University for all employees, students, and visitors. On-campus graduate students who have paid their campus activity fee are welcome to participate in intramural activities.

### **Intercollegiate Athletics**

Intercollegiate athletics strives to maintain a diverse and vigorous program involving the most athletically talented student-athletes. The athletic programs help enrich the student's collegiate experience. The student is expected to place a priority on academics while participating in an athletic program, thus striving for excellence as a student and as an athlete.

TMU participates in the Appalachian Athletic Conference (AAC) in the following sports: basketball, baseball, competitive gaming, cross-country, cycling, golf, lacrosse, shooting sports, soccer, softball, tennis, track & field, and volleyball. TMU also participates in the Mid-South Conference (MSC) in the following sports: lacrosse and wrestling. Beach Volleyball participates in the SUN Conference. ### BIBLICAL WORLDVIEW

In keeping with its mission, the University requires Biblical components to all of its graduate degrees to undergird the University's Biblical and global focus echoed in its tag line, "From the very first verse, to the very last tribe.". The Biblical components are designed to provide students with a sound education and prepare them for a life of service. These components focus on the nature and sufficiency of Scripture, which is fundamental to Biblical education and a Christian worldview, and on ministry in the cross cultural global environment of the twenty-first century, which is fundamental to the world mission emphasis of the University in its intent to equip all students "to fulfill the Great Commission".

All schools, with the exception of the Hubmaier School, may choose one of two ways to fulfill this component when they craft master's degrees. They can either choose to have their students take a single course: CS 500 Word and Witness in the Workplace; or take two courses: CS 534 Doctrine of Revelation and MI 601 Cross-Cultural Ministries Practicum.. See each schools' guidelines and degree programs for more information about which option is required by each degree.

Doctoral courses are designed to provide opportunities for students to integrate their faith with academic learning, teach students to prioritize moral and ethical decision-making, and demonstrate the application of a Biblical worldview in the doctoral candidate's field of study.

### SEMESTER SYSTEM

Truett McConnell University operates on a semester calendar in keeping with the academic calendar of most other universities throughout Georgia and the United States.

### DEFINITIONS OF GRADUATE PROGRAMS

#### Master's Degree Program

A master's degree embodies a coherent course of study compatible with the mission of the institution that is progressively more advanced in academic content than associated bachelor's degrees. The degree should be structured to include a knowledge of the literature of the discipline and to ensure engagement in research and/or appropriate professional practice and training.

A master's degree consists of a minimum of 30 semester hours directly aligned with the content area. The Biblical component of the master's degree applies to this standard of being "directly aligned with the content area" because the incorporation of the Great Commission is specific to the respective workplace in the field of study. All remaining hours must be school/discipline specific. Courses outside the school/discipline must include a rationale and approval of the appropriate school.

#### Doctoral Degree Program

Doctoral programs embody a coherent course of study, compatible with the mission of the institution, designed to prepare students for professional practice, teaching, and advanced research and scholarship. These programs require a minimum of 48 credit hours of study beyond the master's level.

#### Cognate

A cognate in the doctoral program is defined as a set of four graduate-level courses (12 credit hours) that are directly applicable to the doctoral degree requirements. These courses enhance the doctoral student's specialization. The completion of a cognate provides advanced knowledge in a specific area and contributes to the depth of expertise necessary for doctoral-level study.

### DEFINITIONS OF COURSES

**Traditional** – A systematic plan of study which may utilize lecture, discussion, laboratory, recitation, seminar, workshop, studio, independent study, internship, or other similar teaching formats to facilitate learning for the student in a traditional face-to-face classroom environment.

**Online** – A traditional semester or accelerated course which is usually taught asynchronously where the student joins through technological means. Students in online classes are assigned work that equated with 37 1/2 hours of out-of-class work per semester hour.

**Hybrid** – A traditional semester or accelerated course in which instruction is delivered through a combination of face-to-face instruction and distance learning and in which more than 25% of the instruction occurs through distance learning.

**Cross-listed** – Courses that are listed in two disciplines

**Combined** – Courses combining instruction of undergraduate and graduate students clearly differentiate the course requirements for both groups and require the graduate students to perform work at a substantially higher level of complexity and maturity.

**Accelerated** – Course taught in under 16 weeks (e.g. summer, practicums, winterims) but still meeting the required number of credit hours.

## Course Level Definitions

The number by which a course is designated indicates the level of the course:

Course Level Definitions	
100-299	Lower-division undergraduate courses (primarily for freshmen and sophomores)
300-499	Upper-division undergraduate courses (primarily for juniors and seniors)
500-699	Master's-level courses
800-999	Doctoral-level courses
1000+	Continuing-education courses

## STUDENT CLASSIFICATION

### Undergraduate Student

An undergraduate student is any student who enrolls without having first completed a Bachelor's degree from a regionally accredited college or university.

### Graduate Student

A graduate student is any student who enrolls in a graduate program: master's, doctoral, or continuing education, at Truett McConnell University having already completed the requirements for a Bachelor's degree at a regionally accredited college or university.

## ATTENDANCE POLICY

### On-Campus Attendance Policy

The University has adopted the following policy for monitoring student attendance for determining a withdrawal date. A student who misses, for any reason, more than any of the following may be dismissed from the course at the instructor's discretion:

- 6 absences for a 4-meetings-per-week class (lab courses)
- 5 absences for a 3-meetings-per-week class
- 3 absences for a 2-meeting-per-week class
- 2 absences for a 1-meeting-per-week class

If a student enrolls in a course after the term has begun, the number of classes the student missed before enrolling reduces the number of absences that make the student eligible for dismissal. For example, if a student adds a course that meets 4 times per week after the class has already met twice, the number of absences allowed would be reduced from 6 to 4. The instructor must complete a dismissal form and a course withdrawal form indicating the last day of attendance. In an accelerated session (i.e., summer school), a student may miss no more than ten percent of allotted class time.

### Online Attendance Policy

Students are required to log into class during the first week and complete the Course Requirements Checklist questionnaire as well as any assignments for that week. At the end of the first week, the course will be reviewed to determine if the student has attended. If the student has not attended, the student will be dropped from the course roster and will not be allowed to submit further course work. This action may have financial aid implications. Students are expected to log into the classroom a minimum of twice a week. Some courses may require that you log on more often based on the coursework requirements. Most courses have course work due weekly throughout the term. Students who have not completed an activity for 10 consecutive days may be dismissed from the course and assigned a grade of WF (withdrew failing).

# ACADEMIC SERVICES

## STUDENT CONDUCT

In accordance with the general regulations for admission and enrollment, Truett McConnell University encourages positive values of human development and individual freedom in accordance with its commitment to the teachings of the Christian faith. Students are expected to behave responsibly, to recognize the worth of each individual, including persons who are different in cultural background, attitude, and opinion, and to demonstrate mutual respect for one another, faculty, and staff. Please refer to the TMU Student Handbook for specific policy and standards.

## ACADEMIC MISCONDUCT

Cheating (giving or receiving aid not approved by the instructor) will be handled directly by the faculty member concerned. However, if a student cheats or plagiarizes, the faculty member must report the incident to the Vice President for Academic Services. The minimal penalty for a first offense is to receive a "0" for the assignment/quiz/test; the minimal penalty for a second offense is failure of the course; the penalty for a third offense is removal from school. The incidents will be cumulative from all courses and all previous semesters/years at TMU. The Office of Academic Services will keep records of all offenses. The following items have been identified as the more common forms of cheating and/or plagiarizing; however, other forms of cheating and/or plagiarizing may be identified by the individual instructors:

- Asking for information from another student during a test situation.
- Copying answers from another's paper during a test situation.
- Knowingly allowing someone to copy from one's paper during a test situation.
- Using sources other than those permitted by the instructor in a test situation.
- Copying material exactly or essentially or paraphrasing from outside sources and omitting appropriate documentation and punctuation (plagiarism).
- The use of AI tools, software, or services for completing written and other assignments contrary to the extended policy found below and/or what might be specified by the professor in their syllabus.
- Copying or falsifying a report for a laboratory, clinical project, or assignment without doing the required work.
- Changing answers on a returned, graded test or assignment in order to have the grade revised.
- Obtaining in any manner a copy, in part or in whole, of a test which has not yet been released or given by an instructor. Not stopping as instructed in a timed test or writing situation.
- Submitting work actually prepared outside class as work required to be done during class time.

### General principle regarding the use of AI tools, software, or service (AI resources)

Unless explicitly mentioned otherwise by the instructor, the use of AI resources for completing written and other assignments is prohibited. Students are expected to rely on their own skills, own knowledge, and academically acceptable resources to complete their assignments.

#### Prohibited or discouraged activities include, but are not limited to:

- Use of AI-generated content: Students must not use AI-generated content or text-generating models to create or complete written assignments, essays, reports, or any other academic work.
- Automated paraphrasing: Students should not employ AI resources or software to automatically paraphrase existing texts or sources. Paraphrasing should be done manually, and proper citation practices must be followed.
- Automated translation: The use of AI resources or software to automatically translate content for assignments, without proper attribution or understanding of the translated material, is not allowed.
- Automated editing or proofreading: Manual proofreading and editing are expected so as to improve a student's writing skills. To learn and improve said skills, students are discouraged from using AI-based editing or proofreading tools to modify or correct their assignments.

#### Exceptions to the above and instructor approval practices for the use of AI resources:

- Explicit permission: Instructors may explicitly permit the use of AI resources for specific assignments or projects when it aligns with the learning objectives of the course. Such permission should be communicated clearly in the assignment instructions.
- Educational use: Instructors may provide educational opportunities for students to learn about AI technology, its limitations, and ethical implications through controlled exercises or projects. These activities are designed to enhance understanding rather than replace the students' own efforts.
- Collaboration guidelines: Instructors may establish specific guidelines regarding collaborative work and the appropriate use of AI resources within group projects or assignments.

### AI Use Detection

The University employs similarity tools, including AI checks, to ensure academic integrity by identifying potential instances of plagiarism or academic misconduct in submitted works. These tools are designed to keep students accountable, foster originality, promote proper citation practices, and to provide a fair evaluation of students' work.

# ACADEMIC SERVICES

## PROCESS FOR DROPPING OR ADDING A COURSE

The drop/add period is the first five days of fall and spring semesters, the first two days of summer semester, and the first day of class for online. During the drop/add period students make schedule changes online via the Registrar. No student may change courses after the published "last date for drop/add" (see the current Academic Calendar).

## PROCESS FOR WITHDRAWAL

### Voluntary Withdrawal from a Course

A student desiring to voluntarily withdraw from a course during fall or spring semester must do so no later than 8 weeks after classes begin as published in the University catalog. Corresponding voluntary withdrawal dates for summer and online sessions are given in the University calendar.

The student must inform the Registrar's Office in writing. On-campus students must get a *Withdrawal Form* from the Registrar's Office and secure signatures from financial aid, the course instructor, and the assistant athletic director (if student is an athlete), before submitting the completed form to the Registrar's Office. Class absences will continue to accrue until the process is completed. Voluntary withdrawal from a course does not supersede involuntary withdrawal from a course. Online students should email their request to [registrar@truet.edu](mailto:registrar@truet.edu).

Upon completion of requesting the withdrawal as stated above, the student will receive a grade of "W".

### Involuntary Withdrawal from a Course

The instructor will assign a grade of "WF" (withdrawal failing) or "WP" (withdrawal passing) for any student who is involuntarily withdrawn from a course for violation of the attendance policy or for disciplinary reasons. An appeal of a grade of "WF" due to involuntary withdrawal must follow the Academic Grade Appeal policy.

### Withdrawal from the University

If for any reason a student withdraws voluntarily in good standing from the University during a semester, the student must obtain an *Application for Withdrawal* form from the Student Success in order to declare intent to voluntarily withdraw from the University. The *Application for Withdrawal* form must be approved by the Financial Aid designate, Student Life designate, Library designate, and the Business Office designate in order to complete the voluntary course withdrawal process. The student must clear all accounts before completing withdrawal from the University. Official transcripts may be withheld if a student does not complete all steps of the withdrawal process. Online students should email their withdrawal request to [registrar@truet.edu](mailto:registrar@truet.edu).

The decision to withdraw from the University is extremely serious. The student is encouraged to converse with Student Success and appropriate academic personnel before making the final decision.

### Withdrawal for Military Service

Students called to active military service during any given semester shall be credited the full amount of any tuition. Room and board shall be prorated. In these instances, financial aid received shall be returned to the provider. The student must provide proof of active military status along with a completed *Application for Withdrawal* form to the Registrar's Office.

## REQUESTING AN INCOMPLETE

A student may receive an "I" for extenuating reasons with the approval from the instructor. Incomplete indicates that the student was doing satisfactory work at the end of the semester but was unable to complete the course due to illness or other circumstances beyond their control. An incomplete is not given as a substitute for a failing grade. An incomplete is not based solely on a student's failure to submit work or as a means of raising the student's grade by doing additional work after the grade report time. It is the student's responsibility to make appropriate arrangements with the instructor to complete the course. The student is allowed 60 days after the end of the course to complete the course requirements and remove the "I" from the student's record; failure to do so will change the "I" to "F" at the end of the allotted period.

## ACADEMIC GRADE APPEAL

### Academic Grade Appeal Policy

Request for review of an academic grade pertains only to grades from the previous semester of study. Grade appeals related to summer courses may be reviewed during the fall semester. Appeals based on grades earned as a result of an Incomplete "I" will be reviewed in a timely manner.

### Procedures for Academic Grade Appeal

1. The student should meet with the course instructor and seek to resolve the grade issue. (If the University no longer employs the instructor, the student should go directly to the appropriate Chair).

## ACADEMIC SERVICES

2. If student is not satisfied with the resolution of the request, the student may file a [Student Grade Appeal](#) form, available on myTMU or from Academic Services.
3. The student should complete their portion of the form and return it to the Office of Vice President for Academic Services. The Office of Vice President for Academic Services will forward it to the faculty member to complete their portion and then to the Chair of the school.
4. Once the Chair of the school has made a decision, the chair will inform the student, the faculty member, and the VP of Academic Services of their decision, and file the completed form with the Office of Vice President for Academic Services.
5. If the student is unsatisfied with the resolution, the student may appeal the decision of the Chair to the Vice President for Academic Services. Either party may supplement the form with pertinent materials as deemed appropriate.
6. The conclusion and recommendation of the Vice President for Academic Services is binding upon the parties of the appeal.

### ACADEMIC GRIEVANCE

#### Academic Grievance Policy

An academic grievance appeal pertains only to student-initiated grievances against faculty regarding academic issues other than grades. A request for review of an academic grievance may be considered only for grievances from the current or previous semester. Grievances related to summer courses may be reviewed during the fall semester.

#### Procedures for an Academic Grievance

1. The student must meet with the course instructor and seek to resolve the issue. (If the University no longer employs the instructor, the student should go directly to the appropriate Chair).
2. If the student is not satisfied with the resolution proposed by the instructor, the student should file an *Academic Grievance*. This form is available through myTMU or from Academic Services.
3. The Academic Services office will present the appeal to the instructor's direct supervisor if prior efforts to resolve the issue with the instructor prove to be unsatisfactory to the student.
4. If the instructor's direct supervisor is unable to resolve the issue, the case may be appealed to the Vice President for Academic Services.
5. In every subsequent stage of the appeal, copies of all materials submitted previously, and optional supplement materials from either parties, must be presented in writing as needed.
6. The conclusion and recommendation of the Vice President for Academic Services is binding upon the parties of the appeal.

### GNPEC COMPLAINT POLICY

In-state and all on-campus students who are dissatisfied with institutional appeal determinations, may make a further appeal to the Georgia Nonpublic Postsecondary Education Commission (GNPEC). Prior to filing a GNPEC complaint, the student must first file an Academic Grievance with the University (see the policy and procedures above for submitting an Academic Grievance). If the student is dissatisfied with the outcome of the grievance process, the student may then file a GNPEC complaint. To determine if an issue can be appealed, detailed procedures, and forms for filing a GNPEC complaint, visit [GNPEC Complaint Rules | Georgia Nonpublic Postsecondary Education Commission](https://gnpec.georgia.gov/student-resources/complaints-against-institution/gnpec-complain-rules) (<https://gnpec.georgia.gov/student-resources/complaints-against-institution/gnpec-complain-rules>).

### SARA COMPLAINT POLICY

Truett McConnell's out-of-state online students have the right to file a complaint with GA-SARA if the student believes the University has violated policies, laws, standards, or regulations incorporated in the SARA Policy Manual. SARA rules are available at <https://gnpec.georgia.gov/student-resources/complaints-against-institution/ga-sara-student-complaint-rules>. Prior to filing a SARA Student Complaint, the student must first file an Academic Grievance with the University (see the policy and procedures above for submitting an Academic Grievance). If the student is dissatisfied with the outcome of the grievance process, the student may then file a SARA Student Complaint within two years of the incident. To file a SARA Student Complaint visit <https://gnpec.georgia.gov/student-resources/student-complaints/ga-sara-online-student-complaint-form>.

### ACADEMIC ADVISING

Upon enrolling at Truett McConnell University, students are assigned academic advisors based on the student's program of study who assist them in selecting courses for the upcoming academic term. However, **the ultimate responsibility for academic progress is the students**. Each semester, before registration, students are encouraged to meet with their advisor to review progress, evaluate goals, and choose classes. The Academic Calendar publishes dates for early registration and advising, and students are encouraged to meet with their advisor during "Early Registration & Advising". In addition to the published dates, the advisor is available by appointment throughout the year to assist in many ways.

In order to make satisfactory progress and be eligible for financial aid toward degree completion, students should only register for classes required in their declared degree plan.

### Dual Master's Degree Policy

# ACADEMIC SERVICES

Students seeking an additional master's degree in the same school must complete all specific requirements for the additional degree with a minimum of 30 semester hours of non-duplicated courses at Truett McConnell University.

## TRANSIENT PERMISSION

Students wishing to study temporarily at another institution and transfer credit back to Truett McConnell University may wish to attend that institution on transient permission. Students should consult their academic advisor to determine appropriate courses before contacting another institution for course availability. The student, in consultation with his/her academic advisor, is responsible for enrolling in courses appropriate to the degree program, in proper sequence, meeting all prerequisites. Students should complete an *Application for Transient Permission* (which is available from the Registrar or the Academic Services Office) in consultation with their advisor and submit it to the Registrar's Office for approval. Only students in good academic standing within their graduate degree program and with an intention to return to TMU can be granted permission. Students should follow appropriate admission guidelines for the other institution. Upon completion of transient courses, the student must make a written request to that institution for a transcript of grades to be forwarded to the Registrar's Office, 100 Alumni Drive, Cleveland, GA 30528. All transient courses will be transferred back to TMU, and the grades will be recorded as transfer credit. Credits are transferred, but not grades. Only credits earned at TMU are computed into the institutional grade point average.

## INDEPENDENT STUDY

Independent study courses will be approved on a case-by-case basis at the discretion of the student's chair.

1. The student must speak with their chair about the availability of an Independent Study. Once the chair has determined that the request is viable, the student must fill out an [Independent Study Request](#) form available on myTMU.
2. The Independent Study Request must be submitted and approved by the end of the drop/add period for the semester in which the student will be registered for the independent study course.
3. The student will be notified of the approval of the course by the course being added to the student's course schedule. If the request is denied, the student will be contacted by the registrar, the student's chair, or the academic services office depending upon the reason for the denial of the request.

## EXEMPTION OF COURSES

A student who has already acquired knowledge of certain courses offered at this University, either by formal education, self-study, or experience, may be eligible to exempt these courses by a competency examination. Students wishing to take an examination to obtain a course exemption should apply to the appropriate school's chair.

## CREDIT BY EXAMINATION

For specific guidelines on receiving course credit through examination, please refer to the appropriate graduate school's policy.

## SUBSTITUTING A COURSE

At the Chair's discretion, a student may be allowed to substitute a course within their degree program. To request a substitution, students must file a [Request to Substitute a Course in My Degree Program](#). Course substitution is at the chair's discretion, but the Vice President for Academic Services reserves the authority to overturn proposed course substitutions.

## AUDITING A COURSE

Persons desiring to audit courses may do so with the approval of the Registrar and the instructor of the course. Any person may audit a course provided space is available in the class, and they must request audit status at the time of registration. After the drop/add period, credit registrations may not be changed to audit, and audit registrations may not be changed to credit. The University reserves the right to refuse to allow an individual to register as an auditor in courses in which the predominant mode of instruction makes the course inappropriate for the auditors. Auditors are "listeners" in the class. They do not take examinations and do not receive credit. They may participate in class discussion with the approval of the instructor. Auditors must receive admission to the University to be eligible to audit a course. Audit fees apply.

## TRANSFER OF CREDIT FROM A NON-REGIONALLY ACCREDITED INSTITUTION

Please refer to the appropriate school's graduate transfer of credit policy:

## CREDIT HOUR POLICY

# ACADEMIC SERVICES

Truett-McConnell University operates on an approximate 15-week semester calendar, in keeping with the academic practices of most other colleges throughout Georgia and the United States. Professors create their courses according to the principle widely accepted in academia that one semester hour of classroom instruction requires a minimum of two out of class hours of student effort. Therefore, TMU considers one semester hour of university credit to entail 37 ½ educational hours (made up of a combination of class meetings and out-of-class work; this usually works out to 12 ½ hours of classroom instruction (or direct instruction), the rest as out-of-class work). Similarly, two semester credit hours represent 75 educational hours, and three semester credit hours encompass 112 ½ educational hours. Classes that provide less classroom instruction (or direct instruction), should proportionately increase the expected out-of-class effort. Classes offered in a shorter-term format should increase the classroom instruction (or direct instruction) time and/or the expected out-of-class effort to produce essentially the same course load as when the course is offered during a regular term.

## Academic Load

Graduate academic loads are defined as follows:

- Full time = 9.0 semester credit hours
- Three-quarter time = 7.0 semester credit hours
- Half-time = 6.0 semester credit hours

Students who would like to register for more than 15 hours of graduate coursework need to request an overload via the [Request for Academic Overload](#) form available on myTMU.

## TRANSCRIPT REQUESTS

If a student wishes to secure a transcript of grades or requests the University to send such a transcript to any individual or institution, the request can be made at the National Student Clearing House website, [getmytranscript.com](http://getmytranscript.com). A link is also provided on our website, <http://tmu.edu>.

## SYSTEM OF GRADES AND QUALITY POINTS

All coursework is evaluated according to the following chart:

Letter Grade	Number Grade	Quality Points (Per Credit Hour)
A	90-100	4.0
B	80-89	3.0
C	70-79	2.0
D	60-69	1.0
F	< 60	0.0
WP	Withdrawal Passing	Not Applicable
WF	Withdrawal Failing	0.0
AU	Audit (non-credit course)	Not Applicable
S	Satisfactory	Not Applicable
U	Unsatisfactory	Not Applicable
I	Incomplete*	See Below*
W	Withdrawal**	Not Applicable

\* **“I” (Incomplete)** indicates that the student was doing satisfactory work at the end of the semester but was *unable to complete the course due to illness or other circumstances beyond their control*. (An incomplete is not given as a substitute for a failing grade or as a means of raising a course grade by doing additional work.) See continued information on Incompletes on the following page.

- An “I” may be entered on the student’s record at the request of the faculty member to the Registrar.
- It is the student’s responsibility to arrange the completion of work with the instructor.
- The student is allowed 60 days after the end of the course to complete the course requirements.
- Failure to complete the work will change the “I” to “F” at the end of the 60 days.

\*\* **“W” (Withdrawal)** indicates that the student withdrew from class during the appropriate portion of the semester and received no grade.

## Grade Point Average (GPA)

# ACADEMIC SERVICES

The grade point average is determined by adding all quality points received and dividing the points by the total number of semester hours attempted. The total number of semester hours attempted shall include every course taken, except those courses receiving grades of AU, I, W, WP, S, or U.

## Grade Changes

When a grade other than an "I" has been reported to the Registrar, it can be changed at the request of the faculty member via [Faculty Grade Change Form](#) available in the TMU Employee Online Classroom.

## GRADUATE STUDENT HONORS

### Honors Chapel

Each year, select students are chosen to receive awards based on academic achievement and contributions to the ongoing life of the University. One graduate student per degree program is chosen to receive an Outstanding Academic Achievement Award.

## ACADEMIC STANDING

### Good Standing

The minimum grade point average required to remain in good academic standing is determined by the graduate program the students in accepted to.

### Academic Probation and Dismissal

Students who fail to maintain the minimum GPA required for a specific program will be placed on probation and will have one semester to raise the GPA. Following that semester, failure to regain the minimum GPA will result in dismissal from the program. Students may be readmitted into the graduate program based on a recommendation from the admissions committee for extenuating circumstances. Students readmitted will continue on Academic Probation and will be required to maintain a 3.0 GPA each semester until they are able to reestablish the required GPA, at which time they will be removed from Academic Probation.

- Any student who makes a "D" in a course must retake the course. The grade from the retaken course will replace the prior grade. The student will only be allowed one retake during the student's program.
- Any student receiving a "D" in two courses not eligible for replacement will be dismissed from the program.
- Any student receiving an "F" will be dismissed from the program.

For more details pertaining to individual school's grade requirements, please refer the appropriate school's policies (see pages 67 Psychology, 74 Business, or 81 Education)

### Reinstatement Following Academic Dismissal

An academically dismissed student from Truett McConnell University may request reinstatement and apply for re-admission after one semester (excluding summer semester). After the second dismissal, students are eligible for reinstatement only after the lapse of one calendar year. Students who experience severe medical problems or other extenuating circumstances of a serious nature may appeal to the Vice President for Academic Services, or his/her designate, for earlier reinstatement. Students who are reinstated must maintain the required minimum grade point average as determined by the Vice President for Academic Services each subsequent term of enrollment to avoid permanent dismissal.

## GENERAL GRADUATION REQUIREMENTS

- Completion of an approved program of study with a minimum 2.50 GPA (specific degree programs may have a higher GPA requirement).
- At least on 1/3 of the total semester hours to complete the degree program must be earned through instruction at Truett McConnell University (specific degree programs may have more stringent requirements).
- Completion of a minimum of 30 graduate credit hours as applicable.
- Master's students may have no more than 1 course pending completion to participate in the graduation ceremony. Thesis Master's student must have successfully completed the defense of their thesis. Applicants who apply for graduation and fail to meet the above requirements and deadlines must reapply, including readmittance of the graduation fee.

## PRIVACY RIGHTS REGARDING STUDENT RECORDS (FERPA)

### Records Kept by Registrar's Office

Current federal law is designed to protect the privacy of students and parents by providing safeguards on the maintenance and release of student records. A student who attends Truett McConnell University has the right to inspect personal university records. The Registrar maintains student records that may contain identifying data, academic work attempted and completed, level of achievement reached, scores on placement tests and standardized tests, and family background information. The Registrar is available to explain and interpret these records. All professional staff and selected clerical staff of the University have access to student records only when there is a legitimate educational need. A student has the right to view personal records. A student may have a copy upon written request.

The following information has been designated as "directory information." This information is available to the public unless the University receives from the student a written statement indicating objection to the release of the information: student's name, address, email address, telephone number, date and place of birth, major field of study, participation in officially recognized collegiate activities and sports, weight and height of members of athletic teams, dates of attendance, degrees, honors and awards received, and previous educational institution attended.

Any student has the right to challenge the accuracy of a personal record or the protection of privacy of said record under the Family Educational Rights and Privacy Act of 1974. The student may implement the following procedures for such a challenge:

1. The student must submit a written request to the Registrar for an informal meeting regarding personal records. A meeting date convenient to the student will be set within a reasonable period of time.
2. If, after the meeting with the Registrar, the student is not satisfied, the student may then file a request with the Vice President for Academic Services for a hearing by a special review committee, composed of the Registrar, the Director of Admissions, and the Vice President for Academic Services. The review committee will deliver to the student its decision in writing, with a copy kept in the student's file in the Registrar's Office.
3. If, after the hearing with the special review committee, the student is not satisfied, an appeal may be made to the Department of Education in Washington, DC.

No specific information concerning a student's educational record will be disclosed over the telephone to anyone, even to the student. A written, dated request must be obtained from the student before the University releases such a record.

### Procedures for Protecting the Privacy of Students Enrolled in Online and On-Campus Courses

Faculty members teaching online courses, as well as maintaining online components for on-campus courses, are responsible for creating and maintaining an online teaching and learning environment that provides for the privacy and security of students' personal data and coursework. Accordingly, instructors will enforce the provisions of the Family Educational Rights and Privacy Act (FERPA) of 1974, which is designed to protect the privacy of students' educational records. The University's policies and procedures are used to ensure that students' FERPA rights are protected. The policy and procedure is applied to online and on-campus courses alike.

To further ensure student privacy in online courses and online components for on-campus courses, these procedures shall be followed:

1. In all University-related business and classroom interactions conducted via email, students and instructors are required to use their Truett McConnell University email account. Email encryption should be used any time sensitive or personal information is included in the email.
2. Protection of student information, course data, and student participation is required by all Truett McConnell University faculty and staff involved in the design, development, delivery, and administration of courses through the online platform. Truett McConnell University will only authorize the use of learning management systems which require unique login names and secure passwords that meet industry standards for length and complexity.
3. Upon initial login, students and faculty are given the opportunity to change their password. Truett McConnell University keeps no record of the student's password once it has been changed. A forgotten password can be reset through the "Forgot my password" link upon login, which will require verification of the student's identity through a previously provided phone number, alternate email, or a series of security questions before the password can be reset. Students are responsible for keeping their password confidential. Instructors shall never ask students to reveal their login names and/or passwords to anyone. Student postings to discussion boards, chat rooms, and class forums shall be accessible only to members of the class, the course instructor(s), the program coordinator and anyone specifically authorized and responsible for student learning assessment or oversight of the academic quality and integrity of the course.
4. Instructors shall use the gradebook provided by the learning management systems, which prohibits students from accessing other students' grades. Posting of class-wide grade reports in any form is prohibited.
5. Grades for discussion board participation, online student examinations, and written assignments are confidential, and are only accessible by the individual student, the course instructor(s), the program coordinator and anyone specifically authorized and responsible for student learning assessment or oversight of the academic quality and integrity of the course.
6. Material from online courses and online components for on-campus courses provided by course instructors to be used in program assessment reports will not include the identity of individual students. Program coordinators will be responsible to ensure that no information specific to identified students will be included in such reports.

## THE BALTHASAR HUBMAIER SCHOOL OF THEOLOGY AND MISSIONS

The School of Theology & Missions is rooted firmly in a strong Christian and liberal arts tradition committed to the inerrancy, infallibility, and authority of the Bible (God's Holy Word), and to the task of carrying the gospel to the ends of the earth. Therefore, its faculty stands on the inerrant word of God and holds to a young earth creationist view, general atonement, and complementarianism. We have a passion for missions, both local and international, and discipleship. We seek to prepare graduates, through a Biblically centered education, who, as faithful members of their local churches, will be: transformed by Christ; critical thinkers; and equipped to understand and effectively communicate Scripture to all peoples in order to fulfill their vocation as Christians.

### Re-Admission Policies

In addition to institutional graduate re-admission policies, Hubmaier students must also advise the Office of Graduate Admissions of any life changes (marriage, divorce, new job, etc.) that occurred during the break in enrollment.

### Credit by Examination

Students will achieve this advanced standing by testing out of selected classes and, in conjunction with those tests, by also substituting higher electives for other selected classes.

## Hut School Transfer of Credit Policies

**Master's Programs:** For transfer requirements, the Business Faculty will review possible candidate transfers on a case-by-case basis. Should a transfer be granted, admission requirements must be met. Only a maximum of 12 credit hours will be accepted as transfer credit.

**Doctoral Programs:** Transfer credit into the Doctor of Business Administration (DBA) program at Truett McConnell University (TMU) will be evaluated on a case-by-case basis by the School of Business.

### 1. Standard Transfer Credit Limits and Criteria

- A maximum of 12 credit hours in content courses may be accepted as transfer credit toward the 48-credit DBA program.
- Only courses completed at regionally accredited institutions and graded B (3.0) or higher will be considered.
- All transfer credit must be relevant to the TMU DBA curriculum and align in content, rigor, and learning outcomes. Courses must have been completed within the past seven years unless otherwise approved.
- Transfer requests may require official transcripts and course syllabi for review.

### 2. Transfer of Doctoral Research (ILIDP - Innovative Leadership Impact Doctoral Project type) Courses

- Transfer credit towards ILIDP courses will be considered based on the student's current progress in the applied research project/dissertation process and documentation of comparable scholarly work.
- Students seeking ILIDP transfer credit must submit:
  - Evidence of substantial completion of doctoral-level applied research/dissertation work.

### 3. Transfer Credit in Cases of Institutional Closure

- In the event of a receiving student from a closed institution, TMU will make good faith efforts to evaluate completed coursework and applied research progress, with sensitivity to the student's situation and support for program continuity.
- Flexibility may be granted, but TMU reserves the right to limit transfer credit if equivalency or scholarly quality cannot be established.

## Course Grade Requirements

To maintain academic rigor and uphold the integrity of business education, students enrolled in graduate programs within the School of Business must achieve a minimum grade of A or B in all business courses. Additionally, students must sustain a minimum cumulative GPA of 3.0 to remain in good academic standing and qualify for graduation.

- Only one retake attempt is permitted per course during the student's program.
- The new grade will replace the prior grade in the GPA calculation.
- Failure to pass the course on the retake attempt will result in dismissal from the program.
- Courses are only offered annually, so in most cases, students will have to wait until the next offering to retake a course.

**Master's students** may earn one grade of C in the program without requiring a retake. However, if a second C or lower is earned, the student must retake one of the courses to maintain program standing.

**Doctoral students** must achieve a minimum grade of A or B in all business courses. A grade of C or lower is not considered passing and will require a course retake.

## Probation and Dismissal Policy

Students who fail to maintain a minimum 3.0 GPA will be placed on academic probation for at least one semester.

- If the GPA is not raised to the minimum requirement by the end of the probationary semester, the student may be dismissed from the program.
- Any student receiving a grade of D in two courses or an F in any course will be dismissed from the program.

# Baptist Faith & Message 2000

## THE BAPTIST FAITH AND MESSAGE 2000

### I. The Scriptures

The Holy Bible was written by men divinely inspired and is God's revelation of Himself to man. It is a perfect treasure of divine instruction. It has God for its author, salvation for its end, and truth, without any mixture of error, for its matter. Therefore, all Scripture is totally true and trustworthy. It reveals the principles by which God judges us, and therefore is, and will remain to the end of the world, the true center of Christian union, and the supreme standard by which all human conduct, creeds, and religious opinions should be tried. All Scripture is a testimony to Christ, who is Himself the focus of divine revelation.

Exodus 24:4; Deuteronomy 4:1-2; 17:19; Joshua 8:34; Psalms 19:7-10; 119:11,89,105,140; Isaiah 34:16; 40:8; Jeremiah 15:16; 36:1-32; Matthew 5:17-18; 22:29; Luke 21:33; 24:44-46; John 5:39; 16:13-15; 17:17; Acts 2:16ff.; 17:11; Romans 15:4; 16:25-26; 2 Timothy 3:15-17; Hebrews 1:1-2; 4:12; 1 Peter 1:25; 2 Peter 1:19-21.

### II. God

There is one and only one living and true God. He is an intelligent, spiritual, and personal Being, the Creator, Redeemer, Preserver, and Ruler of the universe. God is infinite in holiness and all other perfections. God is all powerful and all knowing; and His perfect knowledge extends to all things, past, present, and future, including the future decisions of His free creatures. To Him we owe the highest love, reverence, and obedience. The eternal triune God reveals Himself to us as Father, Son, and Holy Spirit, with distinct personal attributes, but without division of nature, essence, or being.

#### A. God the Father

God as Father reigns with providential care over His universe, His creatures, and the flow of the stream of human history according to the purposes of His grace. He is all powerful, all knowing, all loving, and all wise. God is Father in truth to those who become children of God through faith in Jesus Christ. He is fatherly in His attitude toward all men.

Genesis 1:1; 2:7; Exodus 3:14; 6:2-3; 15:11ff.; 20:1ff.; Leviticus 22:2; Deuteronomy 6:4; 32:6; 1 Chronicles 29:10; Psalm 19:1-3; Isaiah 43:3,15; 64:8; Jeremiah 10:10; 17:13; Matthew 6:9ff.; 7:11; 23:9; 28:19; Mark 1:9-11; John 4:24; 5:26; 14:6-13; 17:1-8; Acts 1:7; Romans 8:14-15; 1 Corinthians 8:6; Galatians 4:6; Ephesians 4:6; Colossians 1:15; 1 Timothy 1:17; Hebrews 11:6; 12:9; 1 Peter 1:17; 1 John 5:7.

#### B. God the Son

Christ is the eternal Son of God. In His incarnation as Jesus Christ, He was conceived of the Holy Spirit and born of the virgin Mary. Jesus perfectly revealed and did the will of God, taking upon Himself human nature with its demands and necessities and identifying Himself completely with mankind yet without sin. He honored the divine law by His personal obedience, and in His substitutionary death on the cross He made provision for the redemption of men from sin. He was raised from the dead with a glorified body and appeared to His disciples as the person who was with them before His crucifixion. He ascended into heaven and is now exalted at the right hand of God where He is the One Mediator, fully God, fully man, in whose Person is effected the reconciliation between God and man. He will return in power and glory to judge the world and to consummate His redemptive mission. He now dwells in all believers as the living and ever present Lord.

Genesis 18:1ff.; Psalms 2:7ff.; 110:1ff.; Isaiah 7:14; Isaiah 53:1-12; Matthew 1:18-23; 3:17; 8:29; 11:27; 14:33; 16:16,27; 17:5; 27; 28:1-6,19; Mark 1:1; 3:11; Luke 1:35; 4:41; 22:70; 24:46; John 1:1-18,29; 10:30,38; 11:25-27; 12:44-50; 14:7-11; 16:15-16,28; 17:1-5; 21-22; 20:1-20,28; Acts 1:9; 2:22-24; 7:55-56; 9:4-5,20; Romans 1:3-4; 3:23-26; 5:6-21; 8:1-3,34; 10:4; 1 Corinthians 1:30; 2:2; 8:6; 15:1-8,24-28; 2 Corinthians 5:19-21; 8:9; Galatians 4:4-5; Ephesians 1:20; 3:11; 4:7-10; Philippians 2:5-11; Colossians 1:13-22; 2:9; 1 Thessalonians 4:14-18; 1 Timothy 2:5-6; 3:16; Titus 2:13-14; Hebrews 1:1-3; 4:14-15; 7:14-28; 9:12-15,24-28; 12:2; 13:8; 1 Peter 2:21-25; 3:22; 1 John 1:7-9; 3:2; 4:14-15; 5:9; 2 John 7-9; Revelation 1:13-16; 5:9-14; 12:10-11; 13:8; 19:16.

### C. God the Holy Spirit

The Holy Spirit is the Spirit of God, fully divine. He inspired holy men of old to write the Scriptures. Through illumination He enables men to understand truth. He exalts Christ. He convicts men of sin, of righteousness, and of judgment. He calls men to the Savior, and effects regeneration. At the moment of regeneration, He baptizes every believer into the Body of Christ. He cultivates Christian character, comforts believers, and bestows the spiritual gifts by which they serve God through His church. He seals the believer unto the day of final redemption. His presence in the Christian is the guarantee

## BAPTIST FAITH & MESSAGE 2000

that God will bring the believer into the fullness of the stature of Christ. He enlightens and empowers the believer and the church in worship, evangelism, and service.

Genesis 1:2; Judges 14:6; Job 26:13; Psalms 51:11; 139:7ff.; Isaiah 61:1-3; Joel 2:28-32; Matthew 1:18; 3:16; 4:1; 12:28-32; 28:19; Mark 1:10,12; Luke 1:35; 4:1,18-19; 11:13; 12:12; 24:49; John 4:24; 14:16-17,26; 15:26; 16:7-14; Acts 1:8; 2:1-4,38; 4:31; 5:3; 6:3; 7:55; 8:17,39; 10:44; 13:2; 15:28; 16:6; 19:1-6; Romans 8:9-11,14-16,26-27; 1 Corinthians 2:10-14; 3:16; 12:3-11,13; Galatians 4:6; Ephesians 1:13-14; 4:30; 5:18; 1 Thessalonians 5:19; 1 Timothy 3:16; 4:1; 2 Timothy 1:14; 3:16; Hebrews 9:8,14; 2 Peter 1:21; 1 John 4:13; 5:6-7; Revelation 1:10; 22:17.

### III. Man

Man is the special creation of God, made in His own image. He created them male and female as the crowning work of His creation. The gift of gender is thus part of the goodness of God's creation. In the beginning man was innocent of sin and was endowed by his Creator with freedom of choice. By his free choice man sinned against God and brought sin into the human race. Through the temptation of Satan man transgressed the command of God and fell from his original innocence whereby his posterity inherit a nature and an environment inclined toward sin. Therefore, as soon as they are capable of moral action, they become transgressors and are under condemnation. Only the grace of God can bring man into His holy fellowship and enable man to fulfill the creative purpose of God. The sacredness of human personality is evident in that God created man in His own image, and in that Christ died for man; therefore, every person of every race possesses full dignity and is worthy of respect and Christian love.

### IV. Salvation

Salvation involves the redemption of the whole man and is offered freely to all who accept Jesus Christ as Lord and Saviour, who by His own blood obtained eternal redemption for the believer. In its broadest sense salvation includes regeneration, justification, sanctification, and glorification. There is no salvation apart from personal faith in Jesus Christ as Lord.

A. Regeneration, or the new birth, is a work of God's grace whereby believers become new creatures in Christ Jesus. It is a change of heart wrought by the Holy Spirit through conviction of sin, to which the sinner responds in repentance toward God and faith in the Lord Jesus Christ. Repentance and faith are inseparable experiences of grace.

Repentance is a genuine turning from sin toward God. Faith is the acceptance of Jesus Christ and commitment of the entire personality to Him as Lord and Saviour.

B. Justification is God's gracious and full acquittal upon principles of His righteousness of all sinners who repent and believe in Christ. Justification brings the believer unto a relationship of peace and favor with God.

C. Sanctification is the experience, beginning in regeneration, by which the believer is set apart to God's purposes, and is enabled to progress toward moral and spiritual maturity through the presence and power of the Holy Spirit dwelling in him. Growth in grace should continue throughout the regenerate person's life.

D. Glorification is the culmination of salvation and is the final blessed and abiding state of the redeemed.

Genesis 3:15; Exodus 3:14-17; 6:2-8; Matthew 1:21; 4:17; 16:21-26; 27:22-28:6; Luke 1:68-69; 2:28-32; John 1:11-14,29; 3:3-21,36; 5:24; 10:9,28-29; 15:1-16; 17:17; Acts 2:21; 4:12; 15:11; 16:30-31; 17:30-31; 20:32; Romans 1:16-18; 2:4; 3:23-25; 4:3ff.; 5:8-10; 6:1-23; 8:1-18,29-39; 10:9-10,13; 13:11-14; 1 Corinthians 1:18,30; 6:19-20; 15:10; 2 Corinthians 5:17-20; Galatians 2:20; 3:13; 5:22-25; 6:15; Ephesians 1:7; 2:8-22; 4:11-16; Philippians 2:12-13; Colossians 1:9-22; 3:1ff.; 1 Thessalonians 5:23-24; 2 Timothy 1:12; Titus 2:11-14; Hebrews 2:1-3; 5:8-9; 9:24-28; 11:1-12:8,14; James 2:14-26; 1 Peter 1:2-23; 1 John 1:6-2:11; Revelation 3:20; 21:1-22:5.

### V. God's Purpose of Grace

Election is the gracious purpose of God, according to which He regenerates, justifies, sanctifies, and glorifies sinners. It is consistent with the free agency of man, and comprehends all the means in connection with the end. It is the glorious display of God's sovereign goodness, and is infinitely wise, holy, and unchangeable. It excludes boasting and promotes humility.

# BAPTIST FAITH & MESSAGE 2000

All true believers endure to the end. Those whom God has accepted in Christ, and sanctified by His Spirit, will never fall away from the state of grace, but shall persevere to the end. Believers may fall into sin through neglect and temptation, whereby they grieve the Spirit, impair their graces and comforts, and bring reproach on the cause of Christ and temporal judgments on themselves; yet they shall be kept by the power of God through faith unto salvation.

Genesis 12:1-3; Exodus 19:5-8; 1 Samuel 8:4-7, 19-22; Isaiah 5:1-7; Jeremiah 31:31ff.; Matthew 16:18-19; 21:28-45; 24:22, 31; 25:34; Luke 1:68-79; 2:29-32; 19:41-44; 24:44-48; John 1:12-14; 3:16; 5:24; 6:44-45, 65; 10:27-29; 15:16; 17:6, 12, 17-18; Acts 20:32; Romans 5:9-10; 8:28-39; 10:12-15; 11:5-7, 26-36; 1 Corinthians 1:1-2; 15:24-28; Ephesians 1:4-23; 2:1-10; 3:1-11; Colossians 1:12-14; 2 Thessalonians 2:13-14; 2 Timothy 1:12; 2:10, 19; Hebrews 11:39-12:2; James 1:12; 1 Peter 1:2-5, 13; 2:4-10; 1 John 1:7-9; 2:19; 3:2.

## VI. The Church

A New Testament church of the Lord Jesus Christ is an autonomous local congregation of baptized believers, associated by covenant in the faith and fellowship of the gospel; observing the two ordinances of Christ, governed by His laws, exercising the gifts, rights, and privileges invested in them by His Word, and seeking to extend the gospel to the ends of the earth. Each congregation operates under the Lordship of Christ through democratic processes. In such a congregation each member is responsible and accountable to Christ as Lord. Its scriptural officers are pastors and deacons. While both men and women are gifted for service in the church, the office of pastor is limited to men as qualified by Scripture.

The New Testament speaks also of the church as the Body of Christ which includes all of the redeemed of all the ages, believers from every tribe, and tongue, and people, and nation.

Matthew 16:15-19; 18:15-20; Acts 2:41-42, 47; 5:11-14; 6:3-6; 13:1-3; 14:23, 27; 15:1-30; 16:5; 20:28; Romans 1:7; 1 Corinthians 1:2; 3:16; 5:4-5; 7:17; 9:13-14; 12; Ephesians 1:22-23; 2:19-22; 3:8-11, 21; 5:22-32; Philippians 1:1; Colossians 1:18; 1 Timothy 2:9-14; 3:1-15; 4:14; Hebrews 11:39-40; 1 Peter 5:1-4; Revelation 2:3; 21:2-3.

## VII. Baptism and the Lord's Supper

Christian baptism is the immersion of a believer in water in the name of the Father, the Son, and the Holy Spirit. It is an act of obedience symbolizing the believer's faith in a crucified, buried, and risen Savior, the believer's death to sin, the burial of the old life, and the resurrection to walk in newness of life in Christ Jesus. It is a testimony to his faith in the final resurrection of the dead. Being a church ordinance, it is prerequisite to the privileges of church membership and to the Lord's Supper.

The Lord's Supper is a symbolic act of obedience whereby members of the church, through partaking of the bread and the fruit of the vine, memorialize the death of the Redeemer and anticipate His second coming.

Matthew 3:13-17; 26:26-30; 28:19-20; Mark 1:9-11; 14:22-26; Luke 3:21-22; 22:19-20; John 3:23; Acts 2:41-42; 8:35-39; 16:30-33; 20:7; Romans 6:3-5; 1 Corinthians 10:16, 21; 11:23-29; Colossians 2:12.

## VIII.

### IX. The Lord's Day

The first day of the week is the Lord's Day. It is a Christian institution for regular observance. It commemorates the resurrection of Christ from the dead and should include exercises of worship and spiritual devotion, both public and private. Activities on the Lord's Day should be commensurate with the Christian's conscience under the Lordship of Jesus Christ.

Exodus 20:8-11; Matthew 12:1-12; 28:1ff.; Mark 2:27-28; 16:1-7; Luke 24:1-3, 33-36; John 4:21-24; 20:1, 19-28; Acts 20:7; Romans 14:5-10; 1 Corinthians 16:1-2; Colossians 2:16; 3:16; Revelation 1:10.

### X. The Kingdom

The Kingdom of God includes both His general sovereignty over the universe and His particular kingship over men who willfully acknowledge Him as King. Particularly the Kingdom is the realm of salvation into which men enter by trustful, childlike commitment to Jesus Christ. Christians ought to pray and to labor that the Kingdom may come and God's will be done on earth. The full consummation of the Kingdom awaits the return of Jesus Christ and the end of this age.

## XI. Last Things

God, in His own time and in His own way, will bring the world to its appropriate end. According to His promise, Jesus Christ will return personally and visibly in glory to the earth; the dead will be raised; and Christ will judge all men in righteousness. The unrighteous will be consigned to Hell, the place of everlasting punishment. The righteous in their resurrected and glorified bodies will receive their reward and will dwell forever in Heaven with the Lord.

## XII. Evangelism and Missions

It is the duty and privilege of every follower of Christ and of every church of the Lord Jesus Christ to endeavor to make disciples of all nations. The new birth of man's spirit by God's Holy Spirit means the birth of love for others. Missionary effort on the part of all rests thus upon a spiritual necessity of the regenerate life, and is expressly and repeatedly commanded in the teachings of Christ. The Lord Jesus Christ has commanded the preaching of the gospel to all nations. It is the duty of every child of God to seek constantly to win the lost to Christ by verbal witness undergirded by a Christian lifestyle, and by other methods in harmony with the gospel of Christ.

Genesis 12:1-3; Exodus 19:5-6; Isaiah 6:1-8; Matthew 9:37-38; 10:5-15; 13:18-30, 37-43; 16:19; 22:9-10; 24:14; 28:18-20; Luke 10:1-18; 24:46-53; John 14:11-12; 15:7-8,16; 17:15; 20:21; Acts 1:8; 2; 8:26-40; 10:42-48; 13:2-3; Romans 10:13-15; Ephesians 3:1-11; 1 Thessalonians 1:8; 2 Timothy 4:5; Hebrews 2:1-3; 11:39-12:2; 1 Peter 2:4-10; Revelation 22:17.

## XIII. Education

Christianity is the faith of enlightenment and intelligence. In Jesus Christ abide all the treasures of wisdom and knowledge. All sound learning is, therefore, a part of our Christian heritage. The new birth opens all human faculties and creates a thirst for knowledge. Moreover, the cause of education in the Kingdom of Christ is co-ordinate with the causes of missions and general benevolence, and should receive along with these the liberal support of the churches. An adequate system of Christian education is necessary to a complete spiritual program for Christ's people.

In Christian education there should be a proper balance between academic freedom and academic responsibility. Freedom in any orderly relationship of human life is always limited and never absolute. The freedom of a teacher in a Christian school, college, or seminary is limited by the pre-eminence of Jesus Christ, by the authoritative nature of the Scriptures, and by the distinct purpose for which the school exists.

Deuteronomy 4:1,5,9,14; 6:1-10; 31:12-13; Nehemiah 8:1-8; Job 28:28; Psalms 19:7ff.; 119:11; Proverbs 3:13ff.; 4:1-10; 8:1-7,11; 15:14; Ecclesiastes 7:19; Matthew 5:2; 7:24ff.; 28:19-20; Luke 2:40; 1 Corinthians 1:18-31; Ephesians 4:11-16; Philippians 4:8; Colossians 2:3,8-9; 1 Timothy 1:3-7; 2 Timothy 2:15; 3:14-17; Hebrews 5:12-6:3; James 1:5; 3:17.

## XIV. Stewardship

God is the source of all blessings, temporal and spiritual; all that we have and are we owe to Him. Christians have a spiritual debtorship to the whole world, a holy trusteeship in the gospel, and a binding stewardship in their possessions. They are therefore under obligation to serve Him with their time, talents, and material possessions; and should recognize all these as entrusted to them to use for the glory of God and for helping others. According to the Scriptures, Christians should contribute of their means cheerfully, regularly, systematically, proportionately, and liberally for the advancement of the Redeemer's cause on earth.

Genesis 14:20; Leviticus 27:30-32; Deuteronomy 8:18; Malachi 3:8-12; Matthew 6:1-4,19-21; 19:21; 23:23; 25:14-29; Luke 12:16-21,42; 16:1-13; Acts 2:44-47; 5:1-11; 17:24-25; 20:35; Romans 6:6-22; 12:1-2; 1 Corinthians 4:1-2; 6:19-20; 12; 16:1-4; 2 Corinthians 8-9; 12:15; Philippians 4:10-19; 1 Peter 1:18-19.

## XV. Cooperation

Christ's people should, as occasion requires, organize such associations and conventions as may best secure cooperation for the great objects of the Kingdom of God. Such organizations have no authority over one another or over the churches. They are voluntary and advisory bodies designed to elicit, combine, and direct the energies of our people in the most effective manner. Members of New Testament churches should cooperate with one another in carrying forward the missionary, educational, and benevolent ministries for the extension of Christ's Kingdom. Christian unity in the New Testament sense is spiritual harmony and voluntary cooperation for common ends by various groups of Christ's people. Cooperation is desirable between the various Christian denominations, when the end to be attained is itself justified, and when such cooperation involves no violation of conscience or compromise of loyalty to Christ and His Word as revealed in the New Testament.

Exodus 17:12; 18:17ff.; Judges 7:21; Ezra 1:3-4; 2:68-69; 5:14-15; Nehemiah 4; 8:1-5; Matthew 10:5-15; 20:1-16; 22:1-10; 28:19-20; Mark 2:3; Luke 10:1ff.; Acts 1:13-14; 2:1ff.; 4:31-37; 13:2-3; 15:1-35; 1 Corinthians 1:10-17; 3:5-15; 12; 2 Corinthians 8-9; Galatians 1:6-10; Ephesians 4:1-16; Philippians 1:15-18.

## XVI. The Christian and the Social Order

All Christians are under obligation to seek to make the will of Christ supreme in our own lives and in human society. Means and methods used for the improvement of society and the establishment of righteousness among men can be truly and permanently helpful only when they are rooted in the regeneration of the individual by the saving grace of God in Jesus Christ. In the spirit of Christ, Christians should oppose racism, every form of greed, selfishness, and vice, and all forms of sexual immorality, including adultery, homosexuality, and pornography. We should work to provide for the orphaned, the needy, the abused, the aged, the helpless, and the sick. We should speak on behalf of the unborn and contend for the sanctity of all human life from conception to natural death. Every Christian should seek to bring industry, government, and society as a whole under the sway of the principles of righteousness, truth, and brotherly love. In order to promote these ends Christians should be ready to work with all men of good will in any good cause, always being careful to act in the spirit of love without compromising their loyalty to Christ and His truth.

Exodus 20:3-17; Leviticus 6:2-5; Deuteronomy 10:12; 27:17; Psalm 101:5; Micah 6:8; Zechariah 8:16; Matthew 5:13-16, 43-48; 22:36-40; 25:35; Mark 1:29-34; 2:3ff.; 10:21; Luke 4:18-21; 10:27-37; 20:25; John 15:12; 17:15; Romans 12-14; 1 Corinthians 5:9-10; 6:1-7; 7:20-24; 10:23-11:1; Galatians 3:26-28; Ephesians 6:5-9; Colossians 3:12-17; 1 Thessalonians 3:12; Philemon; James 1:27; 2:8.

## XVII. Peace and War

It is the duty of Christians to seek peace with all men on principles of righteousness. In accordance with the spirit and teachings of Christ they should do all in their power to put an end to war.

The true remedy for the war spirit is the gospel of our Lord. The supreme need of the world is the acceptance of His teachings in all the affairs of men and nations, and the practical application of His law of love. Christian people throughout the world should pray for the reign of the Prince of Peace.

Isaiah 2:4; Matthew 5:9, 38-48; 6:33; 26:52; Luke 22:36, 38; Romans 12:18-19; 13:1-7; 14:19; Hebrews 12:14; James 4:1-2.

## XVIII. Religious Liberty

God alone is Lord of the conscience, and He has left it free from the doctrines and commandments of men which are contrary to His Word or not contained in it. Church and state should be separate. The state owes to every church protection and full freedom in the pursuit of its spiritual ends. In providing for such freedom no ecclesiastical group or denomination should be favored by the state more than others. Civil government being ordained of God, it is the duty of Christians to render loyal obedience thereto in all things not contrary to the revealed will of God. The church should not resort to the civil power to carry on its work. The gospel of Christ contemplates spiritual means alone for the pursuit of its ends. The state has no right to impose penalties for religious opinions of any kind. The state has no right to impose taxes for the support of any form of religion. A free church in a free state is the Christian ideal, and this implies the right of free and unhindered access to God on the part of all men, and the right to form and propagate opinions in the sphere of religion without interference by the civil power.

Genesis 1:27; 2:7; Matthew 6:6-7, 24; 16:26; 22:21; John 8:36; Acts 4:19-20; Romans 6:1-2; 13:1-7; Galatians 5:1, 13; Philippians 3:20; 1 Timothy 2:1-2; James 4:12; 1 Peter 2:12-17; 3:11-17; 4:12-19.

### **XIX. The Family**

God has ordained the family as the foundational institution of human society. It is composed of persons related to one another by marriage, blood, or adoption.

Marriage is the uniting of one man and one woman in covenant commitment for a lifetime. It is God's unique gift to reveal the union between Christ and His church and to provide for the man and the woman in marriage the framework for intimate companionship, the channel of sexual expression according to biblical standards, and the means for procreation of the human race.

The husband and wife are of equal worth before God, since both are created in God's image. The marriage relationship models the way God relates to His people. A husband is to love his wife as Christ loved the church. He has the God-given responsibility to provide for, to protect, and to lead his family. A wife is to submit herself graciously to the servant leadership of her husband even as the church willingly submits to the headship of Christ. She, being in the image of God as is her husband and thus equal to him, has the God-given responsibility to respect her husband and to serve as his helper in managing the household and nurturing the next generation.

Children, from the moment of conception, are a blessing and heritage from the Lord. Parents are to demonstrate to their children God's pattern for marriage. Parents are to teach their children spiritual and moral values and to lead them, through consistent lifestyle example and loving discipline, to make choices based on biblical truth. Children are to honor and obey their parents.

Genesis 1:26-28; 2:15-25; 3:1-20; Exodus 20:12; Deuteronomy 6:4-9; Joshua 24:15; 1 Samuel 1:26-28; Psalms 51:5; 78:1-8; 127; 128; 139:13-16; Proverbs 1:8; 5:15-20; 6:20-22; 12:4; 13:24; 14:1; 17:6; 18:22; 22:6,15; 23:13-14; 24:3; 29:15,17; 31:10-31; Ecclesiastes 4:9-12; 9:9; Malachi 2:14-16; Matthew 5:31-32; 18:2-5; 19:3-9; Mark 10:6-12; Romans 1:18-32; 1 Corinthians 7:1-16; Ephesians 5:21-33; 6:1-4; Colossians 3:18-21; 1 Timothy 5:8,14; 2 Timothy 1:3-5; Titus 2:3-5; Hebrews 13:4; 1 Peter 3:1-7
